Except for Line A.01, all charges are listed alphabetically in each section. 2 All items in this section are zero variation/tolerance charges. Unlike the HUD-1, Borrower subtotals are shown at the TOP of each section. Payor not specified in this column. Items in this section are zero or 10% variation/tolerance charges, as determined by the Lender. Any item that is a component of or related to title 6 insurance or settlement, must contain a description that begins with the word "Title". All items in this section are unlimited variation/tolerance charges. 10% variation/tolerance category if paid by Borrower. **9** Zero variation/tolerance category, if paid by Borrower. If paid by Borrower, must include (Optional) at end of the description. If paid Seller, (Optional) may be shown but is not required. The full real estate commission must be shown regardless of who is holding the earnest money deposit. Any additional charges for services provided (e.g. Admin Fee) must be itemized separately. In states where a reduced premium is charged for simultaneous issue of lender's and owner's policies the premium shown in Section H will not equal the actual rates in that state. Additional Information About This Loan

Loan Disclosures

Assumption

If you sell or transfer this property to another person, your lender | will allow under certain conditions, this person to assume this loan on the original terms.

will not allow assumption of this loan on the original terms.

Demand Feature

Your loan

☐ has a demand feature, which permits your lender to require early repayment of the loan. You should review your note for details.

does not have a demand feature.

Late Payment

If your payment is more than 15 days late, your lender will charge a late fee of 5% of the monthly principal and interest payment.

Negative Amortization (Increase in Loan Amount) Under your loan terms,

are scheduled to make monthly payments that do not pay all of the interest due that month. As a result, your loan amount will increase (negatively amortize), and your loan amount will likely become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.

may have monthly payments that do not pay all of the interest due that month. If you do, your loan amount will increase (negatively amortize), and, as a result, your loan amount may become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.

do not have a negative amortization feature.

Partial Payment

Your lender

may hold them in a separate account until you pay the rest of the payment, and then apply them to your loan.

does not accept any partial payments.

If this loan is sold, your new lender may have a different policy.

Security Interest

You are granting a security interest in 1111 Dream Home Lane Anytown, CA 12345

You may lose this property if you do not make your payments or satisfy other obligations for this loan.

Escrow Account

For now, your loan

will have an escrow account (also called an "impound" or "trust" account) to pay the property costs listed below. Without an escrow account, you would pay them directly, possibly in one or two large payments a year. Your lender may be liable for penalties and interest for failing to make a payment.

 will not have an escrow account because □you declined it □your lender does not offer one. You must directly pay your property costs, such as taxes and homeowner's insurance. Contact your lender to ask if your loan can have an escrow account.

Escrow Waiver	
Fee	

In the future,

Your property costs may change and, as a result, your escrow payment may change. You may be able to cancel your escrow account, but if you do, you must pay your property costs directly. If you fail to pay your property taxes, your state or local government may (1) impose fines and penalties or (2) place a tax lien on this property. If you fail to pay any of your property costs, your lender may (1) add the amounts to your loan balance, (2) add an escrow account to your loan, or (3) require you to pay for property insurance that the lender buys on your behalf, which likely would cost more and provide fewer benefits than what you could buy on your own.
