

First American Title Has What You Need

You need property data...now.

With *myFirstAm*®, you can learn more about a property anywhere; even during a showing. With time saving features like Search Near Me and Draw Your Farm, getting property data has never been more simple.

You need a net sheet.

Our online calculator and mobile app allows you to create a net sheet on-the-go. With *CostsFirst*™ you can work quickly by using customizable preferences, save estimates for future reference, and easily print or email closing cost calculations to your clients.

Everyone needs a smooth closing.

Our TRID team has done an exceptional job of making sure our closers are prepared with the tools needed to stay on top of TRID transactions. Integrations with major lenders, thorough processes, and dedicated employees have all contributed to a smooth transition to TRID transactions.

Your clients need a reliable provider for title insurance and settlement services.

As a national underwriter, First American Title has a proven track-record dating back to 1889. Our local teams understand the nuances of purchasing property here and can answer questions posed by you and your buyers.

First American Title thrives on the values that have defined it for over a century: Integrity, Commitment, Service, Leadership and Teamwork. Never satisfied with status-quo, we actively seek out feedback after every transaction to make sure we are exceeding the expectations of the people we serve.

Your clients need simple answers.

Ownership Center

This website was created specifically to address common questions faced by home buyers and sellers. They will find short videos, downloads, and infographics designed to explain the closing process, title insurance, TRID forms and more.

Multi-Cultural Center

This innovative website offers information about the title and escrow process in six languages. Visitors to the site will find in-language material and videos on topics such as 10 Steps to Buying a Home, What is Escrow, The Title Search Process as well as the Loan Estimate and Closing Disclosure.
