9. Covenants for maintenance assessments through Austin Lakes Property Owners Association.

A. Creation of the Lien and Personal Obligation of Assessments.

The Developer, being the owner of Austin Lakes, Section 1 subdivision hereby covenants, and each subsequent owner of all Lots, by acceptance of a deed of conveyance, shall be deemed to covenant and agree to pay to the Association: (1) Annual assessments or charges; (2) Special assessments for capital improvements, such assessments to be fixed, established, and collected from time to time as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due.

B. Purposes of Assessments. The Assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the owners of all Lots and in particular for the improvement and maintenance of properties, services, and facilities devoted to this purpose and related to the use and enjoyment of the Common Areas situated upon the development including, but not limited to, the payment of taxes and insurance thereof and repair, replacement, maintenance, and additions thereto, and for the cost of labor, equipment, materials, management and supervision thereof excluding items covered under paragraph 10 herein.

BOOK 120 PAGE 652

D. Special Assessments for Capital Improvements. In addition to the annual assessments authorized by Section C hereof, the Association may levy in any assessment year on each lot sold by the Developer, its representatives or assigns, a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of capital improvements. Provided any such assessment shall have the affirmative vote of two-thirds (2/3) of the votes of all voting members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members at least thirty (30) days in advance and shall set forth the purpose of the meeting.

E. Change in Basis and Maximum of Annual Assessments. Subject to the limitations of Section C hereof, and for the periods therein specified, the Association may change the maximum and basis of the assessments fixed by Section C hereof prospectively for any such period provided that any such change shall have the assent of two-thirds (2/3) of the voting members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members at least thirty (30) days in advance and shall set forth the purpose of the meeting.

F. Quorum for Any Action Authorized under Sections D and E. The quorum required for any action authorized by Sections D and E hereof shall be as follows: At the first meeting called as provided in Sections D and E hereof, the presence at the meeting of Members or of proxies entitled to cast sixty percent (60%) of all votes of the membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirement as set forth in Sections D and E, and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

G. Date of Commencement of Annual Assessments. Due Dates. The initial annual assessments, provided for herein, shall commence on the first day of the month following conveyance of a lot to an owner. BOOK 120 PAGE 653

The Board of Directors of the Association shall prepare a roster of the properties and assessments applicable thereto at least thirty (30) days in advance of such assessment due date. Such assessment roster shall be kept in the office of the Association. Written notice of the assessment shall thereupon be sent to every owner subject thereto.

The Association shall upon demand at any time furnish to any owner liable for said assessment a certificate in writing signed by an officer of the Association, setting forth whether said assessment has been paid. Said certificates shall be conclusive evidence of payment of any assessment therein stated to have been paid.

I. Effect of Non-Payment of Assessment. The Personal Obligation of the Owner; The Lien; Remedies of Association. If the assessments are not paid on the date when due (being the dates specified in Section G hereof), then the assessments and costs of collection thereof as hereinafter provided, shall thereupon become a continuing lien of the property which shall bind such property in the hands of the then owner, his heirs, devisees, personal representatives and assigns. If the assessment is not paid thirty (30) days after the delinquency date, a penalty fee not to exceed \$10.00 shall be added thereto and from the date interest at the rate of eighteen percent (18%) per annum may be added to the delinquent balance and penalty and the Association may bring an action at law against the owner personally obligated to pay the same or to foreclose the lien against the property. There shall be added to such assessment, delinquent fee and interest the cost of preparing and filing a Complaint in such action; and in the event of Judgment, such judgment shall include interest on the total amount as above provided and reasonable attorney's fee to be fixed by the Court, together with the costs of the action.

J. Subordination of the Lien to Mortgages. The lien of the assessments provided for therein shall be subordinate to the lien of any mortgage or mortgages now or hereinafter placed upon the properties subject to assessments; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such property pursuant to a decree of foreclosure, or any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessments thereafter becoming due, nor from the lien or any such subsequent assessment.

BOOK 120 PAGE 651

K. Exempt Property. The following property, subject to this Declaration, shall be exempted from the assessments, charge and lien created herein; (a) all properties to the extent of any easement or other interest therein dedicated and accepted by the local public authority and devoted to the public use; (b) all Common Areas of the development; (c) all properties exempted from taxation by the laws of the State of Indiana upon the terms and to the extent of such legal exemption; (d) all properties owned by the Developer, its successor and assigns, and held by them or any of them for sale or resale, including any lots which may have been reacquired by the Developer.

The same sight line limitations shall apply on any lot within ten feet from the intersection of a street's property line with edge of driveway. BOOK 120 PAGE 656

or diminish the aesthetic appearance of the subdivision, and by keeping the exterior of all improvements in a good state of repair. No lots shall be used or maintained as a dumping ground for rubbish, garbage or other waste, and same shall not be kept, except in sanitary containers out of view from street except on days of collection. There shall be no use of exterior or outside incinerators or burners for the burning of trash. All lots, whether improved or not, shall be mowed by the lot owners or their designated representatives at least twice during each of the months of April through September.

BOOK 120 PAGE 657

one (1) year from the date an Owner first purchases a Lot from the Developer, even if construction of such residential dwelling has not commenced or is only partially complete as of such date. All sidewalks must be constructed in accordance with the Committee's specifications. Lot Owners shall keep sidewalks on their respective Lots free of snow and cleared of debris.

30. Gazebos. Free standing gazebos are permitted if design and location is approved by the Architectural Committee.

31. Mail Boxes. Size, location, lighting, height and composition of every mailbox shall be approved by the Committee prior to installation and shall conform to specifications set forth by the United States Postal Service and/or Postmaster General.

32. 46. **Street Address.** The designation of a street address for any dwelling, including location, style, color and material shall be approved by the Committee.

47. **Enforcement.** Any owner of any lot or lots in this subdivision may initiate any proceeding at law or equity against any person or persons violating or attempting to violate any covenant herein. The successful party to any such action shall recover attorneys fees and costs incurred in such action. A violation of any restriction herein will not result in reversion or forfeiture of title.

If any owner of a lot in this subdivision shall fail to maintain his lot and/or any improvements situated thereon, or to keep sight distances clear, or to construct and/or maintain sidewalks in accordance with these restrictive covenants, the Committee shall have the right, but not the obligation, by and through its agents and employees or contractors, to enter upon said lot and repair, mow, clean, or perform such other acts as may reasonably necessary to make said lot, and/or any improvements situated thereon, conform to the requirements of these restrictions. The cost thereof to the Committee shall be collected in any reasonable manner from the owner. Neither the Committee nor any of its agents, employees, or contractors shall be liable for any damage that may result from any maintenance or other work performed hereunder. Any fine so assessed against any lot, together with interest and other charges or costs as hereinafter provided, shall become and remain a lien upon that lot subordinate only to the lien of a first mortgage until paid in full, and shall also be a personal obligation of the owner or owners of that lot. Such charge shall bear interest at the rate of eighteen percent (18%) per annum until paid in full. If, in the opinion of the committee, such charge has remained due and payable for an unreasonably long period of time, the committee may institute such procedures, either at law or in equity, by foreclosure or otherwise, to collect the amount owing, in any court of competent jurisdiction. The owner of the lot or lots subject to the charge shall, in addition to the amount of the charge due at the time legal action is instituted, be obligated to pay any expenses or costs, including attorney's fees, incurred by the committee in collecting the same. Every owner of a lot in this subdivision, and any person who may acquire any interest in such lot, whether as an owner or otherwise, is hereby notified, and by acquisition of such interest agrees, that any such liens which may exist upon said lot at the time of the acquisition of such interest are valid liens and shall be paid. Every person who shall become an owner of a lot in this

38. Gardens. No garden shall be visible from any street and no garden shall be larger than the dimensions five feet (5') by ten feet (10').

39. Ditches and Swales. It shall be the duty of every Owner of every Lot in the Development on which any part of an open storm drainage ditch or swale is situated to keep such portion thereof as may be situated upon his Lot continuously unobstructed and in good repair, and to provide for the installation of such culverts upon said Lot as may be reasonably necessary to accomplish the purposes of this subsection.

40. Rules Governing Building on Several Contiguous Lots Having One Owner. Whenever two or more contiguous Lots in the Development shall be owned by the same person, and such Owner shall desire to use two or more of the said Lots as a site for a single-dwelling residential structure, such Lot Owner shall apply in writing to the Committee for permission to so use said Lots. If permission for such a use shall be granted, the Lots constituting the site for such single-dwelling house shall be treated as a single Lot for the purpose of applying these Restrictions to said Lots, so long as the Lots remain improved with a one-single dwelling residential structure. However, no such combination of Lots shall, by itself, reduce any member's vote with the Association (i.e., each Owner will still have one vote for each Lot owned).

41. Association's Right to Perform Certain Maintenance. In the event that any Owner of a Lot in the Development shall fail to maintain his Lot and any improvements situated thereon in accordance with the provision of these Restrictions, the Association shall have the right, but not the obligation, by and through its agents and employees or contractors, to enter upon said Lot and repair, mow, clean or perform such other acts as may be reasonably necessary to make such Lot and improvements situated thereon, if any, conform to the requirements of these Restrictions.

42. Blanket Easement. Each lot shall henceforth be encumbered by a blanket temporary easement for the purpose of installation, maintenance and upkeep of the drainageways and sub-surface drains of the development, with this blanket temporary easement being supplementary to the easements depicted on the plat of Austin Lakes, Section 1.

43. Easement Area of Lakes. Any easement areas for lakes, as shown of the plat shall only be utilized for maintenance of the lakes and lake area through the Association and shall not be utilized by owners, other than the owner of that respective lot.

BOOK 120 PAGE 650

subdivision is hereby notified that by the act of acquiring, making such purchase, or acquiring such title, such person shall be conclusively held to have covenanted to pay all fines that shall be made pursuant to this paragraph.

48. Term. These covenants will run with the land and shall be binding on all parties, and all persons claiming under them, for a period of twenty-five (25) years from the date these covenants are recorded, after which twenty-five (25) years they shall be automatically extended for successive ten (10) year periods, unless an instrument signed by a majority of the lots has been recorded agreeing to change said covenants in whole or in part.

49. Severability. Invalidation of any one of these covenants by court order shall not affect any of the other provisions, which shall remain in full force and effect.

IN WITNESS WHEREOF, the undersigned, as owner and Developer of the above described real estate, have set their hands and seals this 19th day of January, 1990.
