The user agrees to hold harmless, protect, indemnify, and forever release First American Title Insurance Company and its officers, directors, agents, and employees, from and against any and all liabilities, losses, damage, expenses and charges, including but not limited to attorneys' fees and expenses of litigation, which may be sustained or incurred by the user under, or arising directly or indirectly out of the use of the information contained in this site.

BO-MAR MANOR

- SECTION TWO -

AMENDED - COVENANTS

The undersigned, Wulf Enterprises, Inc. by its President, Robert Wulf, owner of the real estate shown and described herein, do hereby lay off, plat and subdivide said real estate in accordance with the within plat.

This subdivision shall be known and designated BO-MAR MANOR, SECTION 2 AMENDED.

Front building setback lines are hereby established as shown on this plat, between which lines and property lines of the streets there shall be erected or maintained no buildings or structures. The strips of ground shown on this plat and marked "drainage and utility easement (D. & U. E.)" are reserved for the use of the public utilities for the installation of water and sewer mains, poles, ducts, lines and wires, drainage facilities subject at all times to the proper authorities and to the easement herein reserved. No permanent or other structures are to be erected or maintained on said strips of land, but owners of lots in this subdivision shall take their titles subject to the rights of the public utilities, the rights of the Grantee of any drainage easement, and to the rights of the owners of the other lots in this subdivision.

This subdivision shall be subject to the following restrictions which shall operate as perpetual covenants.

1. Drainage swales (ditches) along dedicated roadways and within the right-of-way or on dedicated drainage easements, are not to be altered, dug out, filled in, tiled, or otherwise changed without the written permission of the Hancock County Surveyor. Property owners must maintain these swales as sodded grassways or other non-eroding surfaces. Water from roof or parking areas must be contained on the property long enough so that said drainage swales or ditches will not be damaged by such water. Driveways may be constructed over these swales or ditches only when appropriate sized culverts or other approved structures have been permitted by the County Surveyor.
2. Any property owner altering, changing or damaging the drainage swales or ditches will be held responsible for such action and will be given 10 days notice by registered mail to repair said damage, after which time, if no action is taken, the Hancock County Surveyor will cause said repairs to be accomplished, and the said property owner shall be responsible for the payment of the bill for such repairs, forthwith.
3. No fence, wall, hedge, tree or shrub planting which obstructs sight lines or elevations between 2, 5, and 8 feet above the street shall be placed or permitted to remain on any corner lot within the triangular area formed by the street right-of-way lines and a line connecting points 20 feet from the intersection of said street line (40 feet for minor street and 75 feet for arterial streets) or in the case of a rounded property corner from the intersection of the street right-of-way lines extended.
4. The same sight limitations shall apply to any lot within 10 feet of the intersection of a street right-of-way line with the edge of the driveway or the intersection of two street lines.
5. All lots in this subdivision shall be designated as residential lots.
6. No residence shall be erected, placed or permitted to remain on any lot unless said residence shall have a ground floor area of not less than 1200 square feet, exclusive of porch or garage, or 750 square feet in the case of a two story residence. Each residence shall have an attached one car garage included in the construction.
7. Each residence shall have an exterior material construction of a minimum of 20% masonry.
8. No trailer, tent, shack, basement, garage, barn or other outbuildings or temporary structure shall be used for temporary or permanent residential purposes on any lot in the subdivision. No commercial dog kennel, hospital, or junk yard will be permitted in the subdivision. Keeping of livestock except domestic pets is prohibited.
9. No building shall be located on any lot nearer to the front line or nearer to the side street line than the minimum building setback lines shown on plat. No accessory building shall be located closer to any front or side lot line than the required minimum front and side yard distance for the primary dwelling. No accessory building shall be located closer to any rear lot than 20 feet, but in no case shall it encroach upon any easement. No livestock, or building to house livestock, shall be kept or built, on any lot nearer than 150 feet from the county road right-of-way.
10. All water systems and methods of sewage and disposal in this subdivision are to be in compliance with the regulations or procedures by the State Board of Health or other civil authority having jurisdiction.
11. Driveway pipes with a minimum of 12 inches diameter shall be placed at all lot entrances before construction begins.
12. *No noisy or offensive trade shall be carried on upon any lot in the subdivision nor shall anything be done thereon which may become a nuisance or annoyance to the neighborhood.
13. All residential construction must be completed within one year after the starting date, including the final grading.
14. Lot Numbered 31 shall have no driveway that accesses State Road 9. All driveways for this lot shall access the interior platted street.
