

**PLAT RESTRICTIONS AND COVENANTS  
OF  
BRUNSON ACRES – All Sections  
(Geist Landing Subdivision)**

**LAWRENCE TOWNSHIP  
MARION COUNTY, INDIANA**

The undersigned, L.D.G., Inc. (Land Developers Group, Inc.), an Indiana corporation, owner of the real estate described in the plat of BRUNSON ACRES (all sections) located in Lawrence Township, Marion County, Indiana, and does hereby lay off, plat and subdivide the same in accordance with the plat and description. The following restrictions, limitations and covenants are hereby imposed upon and shall run with the land contained in such plat.

1. The foregoing plat shall be known and designated as **BRUNSON ACRES** (all sections).
2. All numbered lots in this subdivision are reserved for residential purposes only.
3. There are front and rear building lines as shown on the plat, and no structure or part thereof shall be erected or maintained between such building lines and the property lines of the lot. The minimum side yards of any lot would be an aggregate of 17 feet; provided, however, no side yard shall be less than 7 feet. The minimum width of lots at the setback line shall be 75 feet.
4. No lot shall hereafter be subdivided into parcels for additional residential purposes.
5. No trailer, tent, garage or other out building erected in the subdivision shall be used as a residence, temporarily or permanently, nor shall any building of a temporary character be erected. No modular construction on any lot in the subdivision shall be permitted.
6. No noxious or offensive trade shall be carried on upon any lot nor shall anything be done thereon which may become an annoyance or nuisance to the neighborhood.
7. No campers, trailers, recreational vehicles, boats or similar vehicles shall be parked on any street or lot in the subdivision, unless the same shall be parked in such a manner that it is not visible to the occupants of other lots in the subdivision or the uses of any street in the subdivision.
8. No trailer, shack, shed, tent or temporary building shall be used for a temporary or permanent residence on any lot in this subdivision and any garage, tool shed or detached storage building erected or used accessory to a residence in this subdivision shall be of a permanent type construction and conform to the general architecture and appearance of such residence.

**(Continued on back)**

- 9 Not more than one building shall be erected or used for residential purposes on any lot in this subdivision.
- 10 No fence, wall, hedge or shrub planting which obstructs site lines at elevations between 2 feet or 6 feet above the street shall be placed or permitted to remain within the triangular area formed by the street, property lines and a line connecting points 25 feet from the intersection of said street lines. The same site line limitation shall apply to any lot within 10 feet from the intersection of the street line with the edge of a driveway. No trees shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of site lines. No fencing or necessary outbuilding will extend forward of the furthest back corner of the house.
11. No animals, livestock or poultry shall be raised, bred or kept on any lot except that dogs, cats and other household pets may be kept provided that they are not kept, bred or maintained for any commercial purpose.
12. All driveways in the subdivision shall be paved with Portland cement concrete.
13. There are strips of ground as shown on the plat marked drainage and/or utility easements which are reserved as easements for the use of the municipality in which this subdivision is located and public utility companies for the installation, maintenance, use, repair and removal of sewers, water mains, gas mains, utility poles, wires and other facilities and utilities necessary or incident to the common welfare and the use and occupancy of residential purposes of the houses to be erected in this subdivision. No buildings or other structure except walks or driveways shall be erected or maintained upon, over, under or across any such utility strip for any use except as set forth herein and owners in this subdivision shall take title to the land contained in such utility strips subject to the perpetual easements hereby reserved.
14. Streets as designated on the plat if not heretofore dedicated are hereby dedicated to the public.
15. No lot in the subdivision shall be less than 11,250 square feet.
16. The owners of lots abutting a body of water designated on the plat as drainage retention and utility easement (lake lots) shall have the right to use the lake for fishing; provided, however, no owner shall have a right to enter into the water to fish or for any other purpose. Swimming and boating is also prohibited.
17. The within covenants, limitations and restrictions shall run with the land and shall be binding on all parties and persons claiming under them. Such provisions shall be in full force and effect until January 1, 2010, at which time said covenants shall be automatically extended for successive periods of 10 years unless, by vote of the majority of the then owners of the lots, it is agreed to change the covenants in whole or in part. Invalidity of any of the covenants by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and effect.
