Section 1. Membership. Every owner of a Lot which is subject to assessment shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot.

Section 2. Classes of Membership. The Association shall have two classes of voting membership:

Class A. Class A members shall be all Owners with the exception of the Declarant and shall be entitled to one vote for each Lot owned. ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of

Assessments. Each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) Regular Assessments or charges; and (2) special assessments for capital improvements and operating deficits, such assessments to be established and collected as hereinafter provided. No assessments shall be made for any Lots owned by Declarant or a builder until such Lot is actually used as a single family residence. The Regular Assessments and special assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety, and welfare of the residents in New Augusta Woods and for the improvement and maintenance of the Common Area and other areas of New Augusta Woods and other purposes as specifically provided herein.

Section 3. Maximum Regular Assessments.

(a) Until January 1, 1996, the maximum Regular Assessment on any Lot conveyed by Declarant shall be \$240.00 per Lot per year.

(b) From and after January 1, 1996, the Maximum Regular Assessment may be increased effective January 1 of each year without a vote of the membership by the greater of 15% or the increase, if any, of the Consumer Price Index for all urban consumers ("CPI-U") as published by the Bureau of Labor Statistics (or other comparable index in the event the CPI-U shall be discontinued) for the preceding month of September as compared to said price index twelve (12) months prior thereto.

(c) From and after January 1, 1996, the maximum Regular Assessment may be increased by more than the amount specified in subsection (b) above by a vote of a majority of the members who are voting in person or by proxy, at a meeting duly called for this purpose.

(d) The Board of Directors may fix the Regular Assessment at an amount not in excess of the maximum and may determine whether the Regular Assessment shall be payable annually or monthly.

(e) A portion of such Regular Assessments shall be set aside or otherwise allocated in a reserve fund for the purpose of providing repair and replacement of the Common Areas or of any capital improvement which the Association is required to maintain.

Section 4. Special Assessments for Capital Improvements and Operating Deficits. In addition to the Regular Assessments authorized above, the Association may levy a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement which the Association is required to maintain or for operating deficits which the Association may from time to time incur, provided that any such

assessment shall have the assent of a majority of the votes of the members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty per cent (60%) of all the votes of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both Regular Assessments and special assessments for Common Area expenses, Common Area capital improvements and operating deficits must be fixed at a uniform rate for all Lots and may be collected on an annual or monthly basis.

Section 7. Date of Commencement of Monthly Assessments: Due Dates. The Regular Assessment provided for herein shall commence for any Lot on the first day of the first month following the date of conveyance by Declarant or a builder to an Owner of a Lot. The Board of Directors shall fix any increase in the amount of the Regular Assessment at least thirty (30) days in advance of the effective date of such increase. Written notice of special assessments and such other assessment notices as the Board of Directors shall deem appropriate shall be sent to every

Owner subject thereto. The due dates for all assessments shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in recordable form signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate from the Association regarding the status of assessments for any Lot shall be binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. If any assessment (or monthly installment of such assessment, if applicable) is not paid on the date when due (pursuant to Section 7 hereof), then the entire unpaid assessment shall become delinquent and shall become, together with such interest thereon and cost of collection thereof as hereinafter provided, a continuing lien on such Lot, binding upon the then Owner, his heirs, devisees, successors and assigns. The personal obligation of the then Owner to pay such assessments, however, shall remain his personal obligation and shall not pass to his successors in title unless expressly assumed by them.

If the assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the date of delinquency at the rate of 12% per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same or to foreclose the lien against the property, or both, and there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action; and in the event a judgment is obtained such judgment shall include interest on the assessment as

above provided and a reasonable attorneys' fee to be fixed by the court, together with the costs of the action in favor of the prevailing party.

No Owner may waive or otherwise escape liability for the assessments provided for herein by abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. Provided, however, the sale or transfer of any Lot pursuant to the foreclosure of any first mortgage on such Lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer.

ARTICLE VIII

DECLARANT'S RIGHTS

Section 1. Use of Property. Declarant reserves the right to use, or to allow builders to use, any of the Lots as models and to sell, assign or conduct other businesses in connection with the construction and development of the project from any of such Lots. This reservation of right or privilege in Declarant includes, but is not limited to, the right to maintain a model, erect signs, maintain an office, staff the office with employees, and to show Lots then unsold. Declarant retains the right to be considered an Owner of any Lot that remains unsold.

Declarant also reserves the right to make changes in the location or manner of construction of buildings and other improvements.

ARTICLE IX

MAINTENANCE

Section 1. Maintenance Obligations of Association. The Association may provide for snow removal from the paved portions of streets if the Board of Directors determines that such function is appropriate. The Association shall be responsible for the maintenance, repair and replacement of the Common Area and improvements thereon, if any, and for the maintenance, repair and replacement of the landscaping and improvements located within the following areas: (a) any Landscape Easements; (b) areas of grass, landscaping or the like within any islands located within dedicated streets; and (c) the "eyebrow" portion of right of way adjacent to any Lots, including landscaping, paving and curbs. The Landscape Easements as shown on the Plat shall run in favor of the Association, its agents, officers, employees and contractors as well as any governmental agencies having jurisdiction.

Section 2. Lake Maintenance. The Association shall be responsible for maintenance of the retention lakes located within the Common Areas and within any Lake Easement, including (without limitation), any costs for treating the lake, dredging or repair of banks.

ARTICLE X

INSURANCE

Section 1. Casualty Insurance. The Association shall purchase such casualty insurance policy or policies insuring Common Areas as the

Board of Directors deems appropriate. Such insurance coverage shall be for the benefit of the Association, each Owner, and, if applicable, the first Mortgagee of each Lot. Such casualty insurance policy shall (to the extent the same are obtainable) contain provisions that the insurer (a) waives its right to subrogation as to any claim against the Association, its Board of Directors, its agents and employees, Owners, their respective agents and guests, and (b) waives any defense based on the invalidity arising from the acts of the insured.

Section 2. Liability Insurance. The Association shall also purchase public liability insurance policy in such amount or amounts as the Board of Directors shall deem appropriate from time to time. Such liability insurance policy shall cover the Association, its Board of Directors, any committee or organ of the Association or Board of Directors, all persons acting or whom may come to act as agents or employees of any of the foregoing with respect to the Association, all Owners and all other persons entitled to occupy any Lot.

The Association shall also obtain any other insurance required by law to be maintained, including but not limited to workmen's compensation insurance, and such other insurance as the Board of Directors shall from time to time deem necessary, advisable or appropriate. Such insurance coverage shall also provide for and cover cross liability claims of one insured party against another insured party. Such insurance shall inure to the benefit of each Owner, the Association, its Board of Directors and any managing agent acting on behalf of the Association. Each Owner shall be deemed to have delegated to the Board of Directors his right to adjust with the title

insurance companies all losses under policies purchased by the Association.

Section 3. Assessment for Insurance. The premiums for all such insurance hereinabove described shall be paid by the Association and the cost thereof shall be a part of the Regular Assessment to which each Lot conveyed by Declarant shall be subject under the terms and provisions hereof.

Section 4. Casualty and Restoration. Damage to or destruction of the Common Area or any Building due to fire or any other casualty or disaster shall be promptly repaired and reconstructed by the Association and the proceeds of insurance, if any, shall be applied for that purpose.

Section 5. Insufficiency of Insurance Proceeds. If the insurance proceeds received by the Association as a result of any such fire or any other casualty or disaster are not adequate to cover the cost of repair and reconstruction, or in the event there are no insurance proceeds, the cost for restoring the damage and repairing and reconstructing the Common Area so damaged or destroyed (or the costs thereof in excess of insurance proceeds received, if any) shall be paid by the Association which shall then have the right to levy a special assessment against all Lots for such deficiency.

Section 6. Surplus of Insurance Proceeds. In the event that there is any surplus of insurance proceeds after the reconstruction or repair of the damage has been fully completed and all costs paid, such sums may be retained by the Association as a reserve or may be used in the maintenance and operation of the Properties, or, in the discretion of the Board of Directors, may be distributed to the Owners and their

Mortgagees who are the beneficial owners of the fund. The action of the Board of Directors in proceeding to repair or reconstruct damage shall not constitute a waiver of any rights against another Owner for committing willful or malicious damage.

ARTICLE XI

EASEMENTS

Section 1. Drainage, Utility and Sewer Easements. As noted on the plat, Declarant has reserved certain areas upon the Lots as utility and drainage easement, for the benefit of all Lots and Owners, to properly install and allow to be maintained all electrical, telephones, cable television, water, gas, sewer and other utility services (including all lines, pipes, wires, cables, ducts and the like) to the living units constructed on the various Lots.

Section 2. Easement for Signs and Landscape Easements. Declarant reserves unto itself for so long as it owns any Lot, and thereafter reserves and grants to the Owners by and through the Association, the right and easement to erect and maintain an entryway sign or signs, walls, fences, landscape areas and the like within the Common Areas and within the Landscape Easements. Declarant reserves unto itself for so long as it owns any Lot, and thereafter reserves and grants to the Association, the right and easement to erect and maintain directional signs upon the Common Areas.

Section 3. Lake Easement. As noted on the Plat, certain lots may be subject to easements to allow the existence of a drainage retention lake and access to the Association for the repair and maintenance of such retention lake. Such easements are for the benefit of Declarant

(so long as it owns any Lots) and to the Association and such easements are not for lake access for other Owners. No fences or other obstructions shall be placed within the Lake Easement without the specific written approval of the Association. Declarant or the Association shall have the right to remove any fences or obstructions within the Lake Easement at the expense of the Owner of the Lot upon which the fence or obstruction is located, which expense may be collected in the same manner as maintenance assessments under Article VII above. Neither Declarant nor the Association shall be liable to any person for damage to or removal of any obstructions placed within the Lake Easement.

ARTICLE XII

ARCHITECTURAL CONTROL

Section 1. Architectural Committee. Declarant may, but shall not be obligated to, appoint an Architectural Committee consisting of three (3) or more persons selected by Declarant to perform the approval process described in Article V. At such time as Declarant no longer owns any Lots, the Architectural Committee shall terminate. If appointed, the Committee shall exercise the approval rights delegated to it by Declarant.

Section 2. Procedures. In the event the Architectural Committee fails to approve, modify or disapprove in writing an application within thirty (30) days after receipt by the Committee of an application, approval will be deemed to have been given. In the event the Committee denies an application, the Committee shall give the Owner a written list of deficiencies or objections.

Section 1. Costs of Enforcement. In the event the Architectural Committee or Declarant is required to take action to remove any unapproved structures, to perform any maintenance obligations on behalf of a defaulting Owner or to otherwise enforce the provisions of this Declaration, then all costs and expenses, including attorneys' fees, incurred by the Committee or Declarant shall be responsibility of the defaulting Owner and may be recovered by the Committee or Declarant in the same manner as the collection of delinquent assessments under Article VII.

ARTICLE XIII

GENERAL PROVISIONS

Section 1. Right of Enforcement. In the event of a violation, or threatened violation, of any of the covenants, conditions and restrictions herein enumerated, Declarant, the persons in ownership from time to time of the Lots and all parties claiming under them shall have the right to enforce the covenants, conditions and restrictions contained herein, and pursue any and all remedies, at law or in equity, available under applicable Indiana law, with or without proving any actual damages, including the right to secure injunctive relief or secure removal by due process of any structure not in compliance with the covenants, conditions and restrictions contained herein, and shall be entitled to recover reasonable attorneys' fees and the costs and expenses incurred as a result thereof.

Section 2. Amendment. This Declaration may be amended or changed at any time by an instrument recorded in the Office of the Recorder of Marion County, Indiana, signed or approved in writing by at least

seventy-five per cent (75%) of the then Owners; provided, however, none of the rights or duties of Declarant reserved or set out hereunder may be amended or changed without Declarant's prior written approval. This Declaration may also be amended by Declarant, if it then has any ownership interest in the New Augusta Woods, at any time within three (3) years after the recordation hereof in order to satisfy the requirements of any of the Federal Mortgage Agencies. As long as there is a Class B membership, the following actions will require the prior written approval of any of the Federal Mortgage Agencies having an interest in the New Augusta Woods or any portion thereof; annexation of additional properties (other than the Expansion Parcel), dedication of Common Area, and amendment of this Declaration. This Declaration shall run with the land and shall be binding upon all parties claiming under them for a period of twenty-five (25) years from the date of recordation in the Office of the Recorder of Marion County, Indiana, and shall automatically extend for successive periods of ten (10) years each unless it is amended or changed in whole or in part as hereinabove provided. Provided, however, no amendment which materially and adversely affects the easement rights set forth herein shall be effective without the written consent of any Owner or other person affected thereby (unless substantially equivalent easement rights shall have been substituted in lieu thereof). Invalidation of any of the covenants, conditions and restrictions of this Declaration by judgment or decree shall in no way effect any of the other provisions hereof, but the same shall remain in full force and effect.

Section 3. Expansion Parcel. Declarant intends to develop additional sections of New Augusta Woods within the Expansion Parcel.

Declarant may annex additional sections by recording a Plat or Plats covering all or a portion of the Expansion Parcel along with a statement, either on such Plat or Plats or by separate instrument, stating generally that the new section is a part of New Augusta Woods and is bound by this Declaration. The expansion of New Augusta Woods within the Expansion Parcel by this method shall not require the consent of the Federal Mortgage Agencies, any Owner or any other party.

Section 4. Mortgage Rights. Any lender or lenders holding a first mortgage or first mortgages upon any Lot or Lots may, jointly or singly, pay any real estate taxes or other taxes or charges which are in default and which may or have become a charge or lien against any Common Area or any property owned by the Association and such lender or lenders may pay any overdue premiums on any hazard, casualty, liability or other insurance policies or secure new insurance coverage on the lapse of any policies for any such Common Area or other property owned by the Association or covering any property for which the Association has an obligation to maintain insurance coverage. Any such lender or lenders making payments in accordance with this section shall be entitled to immediate reimbursement therefore from the Association along with any costs incurred, including reasonable attorneys' fees.

Section 5. Notice to Mortgagees. The Association, upon request, shall provide written notification to any lender holding a first mortgage upon any Lot specifying the defaults of the Owner of such Lot, if any, in the performance of such Owner's obligations under this Declaration, the Articles of Incorporation of the Association, its By-Laws or any other applicable documents which default has not been cured within sixty (60) days.
