No. 9304 ✓ DEDICATION AND RESTRICTIONS
SKELTON'S THIRD ADDITION TO PLAINFIELD

We, the undersigned, Nick and Lottie G. Skelton, as owners of the above described real estate do hereby certify that we have platted and subdivided said land into lots in accordance with the accompanying plat, said subdivision to be known as Skelton's Third Addition to the Town of Plainfield, Hendricks County, Indiana.

All streets and alleys not heretofore dedicated are hereby dedicated for public use.

All lots, their owners and their use are subject to the following restrictions:
(1) No buildings other than residential dwellings and family garages shall be built thereon except as hereinafter provided. Only one residence may be erected on any one lot. No residence shall have less than 850 square feet of floor space above ground level, exclusive of attic, garage and porches.

(2) All buildings shall be of substantial construction and of good materials. Exterior construction using concrete or cinder blocks must be covered with brick or stone veneer above ground level.

(3) No business may be carried on in or from buildings on any lot, unless permission is obtained from at least 75 per cent of all the owners in the subdivision, as evidenced by written instrument.

(4) No trailer, basement, tent, shack, garage, barn or other outbuilding shall at any time be used as a residence, temporarily or permanently.

(5) No part of any building shall be erected closer than five (5) feet from any side lot line nor thirty feet from any front lot line, except that open, one-story porches may be constructed between such front set-back line and the front lot line.

(6) Certain lots are subject to utility easements, as shown, for the use of public utilities, not including transportation companies for installation and maintenance of lines, appurtenances and facilities. No owner shall erect structures upon these strips, but such owners shall take their titles subject to the rights of the public utilities and the rights of other owners in this subdivision.

(7) The covenants are to run with this land and shall be binding on all the parties and all parties claiming under them until August 1, 1978, at which time said covenants shall be automatically extended for successive periods of ten years unless by vote of the majority of the then owners of the lots it is agreed to change the said covenants in whole or in part.

(8) If the parties hereto, or any of their heirs or assignees, shall violate or attempt to violate any of the covenants hereto, it shall be lawful for any person or persons owning any portion of the above described property to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant and either to prevent him or them from so doing or to recover damages or other dues for such violations.

(9) Invalidation of any one of these covenants by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect. Said subdivision shall here and after be known as Skelton's Third Addition to Plainfield, Indiana.

WITNESS our hands this 8th day of August, 1955.
