administration and enforcement of such covenants, conditions and restrictions shall include, but not be limited to, approval of Lot Development Plans prior to the improvement of any Lot. Neither the exercise of such administration and enforcement duties by Developer, nor the approval of any Lot Development Plans by Developer, shall relieve any Owner of any duty and obligation imposed by this Declaration or compliance with the covenants, conditions or restrictions as the same are recorded in the Office of the Boone County Recorder. In the event that a written approval is not received from Developer within thirty (30) days from the date submittals are made, the failure to issue such written approval shall mean the disapproval thereof. In the event of a disapproval, Developer shall give a short statement of the reason or reasons for such disapproval within ten (10) days following receipt of a written request to do so. The Developer shall not unreasonably withhold approval and shall act in a manner which is neither arbitrary or capricious. However, Developer reserves the right to unilaterally deny approval of Lot Development Plans if the single family dwelling is inconsistent as to design, color, building materials, size or costs with adjacent lots.

Section 3.02. Powers of Developer: No Lot shall be developed and no single family dwelling house, accessory building, driveway or other structure or improvement of any type, kind or character shall be constructed, placed, altered or permitted to remain on any Lot in the Subdivision without the prior written approval of Developer. Any required approval shall be

requested by an Owner by written application to Developer. Such written application shall be made in the manner and form prescribed from time to time by Developer, and shall be accompanied by three (3) complete sets of Lot Development Plans as defined in Section 1.07 of these covenants, and such other information as may be reasonably required by Developer. The authority given to Developer hereby is for the purpose of determining whether the proposed improvement and development of a Lot is consistent with the terms and provisions of this Declaration, is consistent with and meets Developer's overall plans for improvement and development of the Real Estate and is compatible and consistent with the development of other Lots. In furtherance of the foregoing purposes, Developer is hereby given discretion as to matters related to location, building orientation, layout, design, architecture, color schemes and appearance in approving Lot Development Plans. Any house building or other accessory structure plans included as a part of any application to Developer for required approvals shall set forth the color and composition of all exterior materials proposed to be used and any site plan submitted shall describe and detail all proposed landscaping and include any other material or information which Developer may reasonably require. All plans and drawings representing a part of the Lot Development Plans and any other plans reasonably required to be submitted to Developer shall be drawn to a scale of 1" = 10', or to such other scale as Developer may require. All plans submitted shall be prepared by a registered land surveyor and an

Maryln J. Smith, Boone County Recorder

engineer or architect unless Developer specifically permits otherwise.

Section 3.03. Liability of Developer: Neither Developer, nor his agents, successors or assigns, shall be responsible in any way for any defects or insufficiencies in any plans, specifications or other materials submitted for review, whether or not approved by Developer, nor for any defects in any work done in accordance therewith. Developer shall not be liable to any person, firm, corporation or other legal entity aggrieved by Developers' exercise of (or failure to exercise) any of his powers as specified in Section 3.02 hereof, and shall have no liability whatsoever which is claimed or alleged to result, in whole or in part, upon refusal by Developer to approve Lot Development Plans submitted to Developer.

Section 3.04. Inspection: Developer, the Property Owners' Association or their assigns shall have the right to go upon any Lot, without being a trespasser, to inspect any work being performed thereon, in order to assure compliance with this Declaration and conformity with Lot Development Plans and with any other plans or submittals made to him and upon which any approvals required by this Declaration are based.

Section 3.05. Assignment of Duties: All of the duties, responsibilities and rights held by Developer under this Declaration shall be exercised and administered by Developer in good faith until such time, if any, as they may be assigned by Developer to another of one or more Owners referenced by these covenants or any other legal entity formed as a successor

9902922 03/04/1999 03:27P 15 of 45
Maryln J. Smith, Boone County Recorder

thereto. Any such assignment shall be at the option and sole discretion of Developer and may be made at any time or stage of development. Any assignment by Developer shall be by written instrument duly executed and recorded in the Boone County Recorder's Office. Following any such assignment and recordation, the duties, responsibilities and rights of Developer under this Declaration shall immediately vest in and be performed by the assignee or successor.

ARTICLE IV

Association of Property Owners and Assessments

Section 4.01. Association of Property Owners: In

order to provide for the continuing maintenance and administration of the Subdivision, there is hereby established an unincorporated association of Owners of Lots in Spring Knoll Subdivision ("Property Owners' Associations"). The Property Owners' Association shall be comprised of and limited in members to the Owners from time to time of the several Lots within the Subdivision. Membership in the Property Owners' Association shall commence immediately upon becoming an Owner and continue for so long as ownership of a Lot or Lots continues. At such time as an Owner conveys title and ceases to be an Owner, membership in the Association shall terminate. A new Owner of a Lot shall automatically become a member. Although an Owner need not participate in the administration of the Subdivision, all Owners and the ownership of any Lot or Lots shall be subject to any and all

9902922 03/04/1999 03:27P 16 of 45
Maryln J. Smith, Boone County Recorder

rules and regulations duly established by the Property Owners' Association (as well as being subject to the rights of Developer and the terms and provisions of this Declaration) and shall be liable for the payment of all assessments levied by the Property Owners' Association. The Property Owners' Association may assign or otherwise transfer its rights, responsibilities and duties under this Declaration to any legal entity which may be formed as a successor thereof. Any such assignment or transfer shall be in writing and shall be effective when written evidence thereof is duly recorded with reference to this Declaration in the office of the Recorder of Boone County, Indiana.

Section 4.02. Rights and Duties of the Property

Owners' Association: The Property Owners' Association shall be responsible for the following:

- (a) The landscaping, maintenance and upkeep of the fencing installed by the Developer within the areas shown on the plat and contained within the drainage and utility easements ("D" and "U") as well as all other common areas shown on the plat. The Property owners' Association shall also be responsible for maintenance and upkeep of the signage for Spring Knoll located within the drainage and utility easement at the entrances of the Subdivision. The Property Owners' Association shall also be responsible for maintenance and upkeep of the retention lakes shown as "Common Area" on the plat.

- (b) Procuring of utilities used in connection with the Lots, single family residences and common areas to the extent the same are not provided and billed directly to owners of Lots by utility companies. Further, it shall be the responsibility of the Property Owners' Association, if they choose to exercise that responsibility, to provide for common snow removal throughout the Subdivision and bill the members accordingly.
- (c) Payment of insurance (if any may be required under other sections to this declaration).
- (d) Determination of general and special assessments levied against the Owners.
- (e) Promulgation and enforcement of the rules and regulations in this Declaration or as otherwise duly promulgated by the Owners.
- (f) Arrange for the common pick up and removal of garbage and waste so as to assure that one waste hauler will be utilized to serve the Subdivision.
- (g) Exercise of the powers vested in the Property Owners' Association by this Declaration or by Articles of Incorporation and Bylaws of any successor corporation thereto.

Section 4.03. Meetings of the Property Owners'

Association and Voting Rights: Business of the Property Owners'

Association shall be conducted at meetings of this Association. Meetings of the Association may be called by the then current Chairman or Secretary-

9902922 03/04/1999 03:27P 18 of 45
Maryln J. Smith, Boone County Recorder

Treasurer of the Property Owners' Association or upon request of the Owner(s) of at least ten (10) Lots. Written notice of any meeting of the Lot Owners shall be personally delivered or mailed by first class United States mail by the Secretary-Treasurer to all Owners at least twenty (20) days prior to any proposed meeting. The Corporation shall have the following classes of membership with the following voting rights:

- (a) Class A. Class A members shall be all Owners of Lots in the Subdivision. Each Class A member shall be entitled to one (1) vote for each Lot of which such member is the Owner with respect to each matter submitted to a vote of members upon which the Class A members are entitled to vote. When more than one (1) Person constitutes the Owner of a particular Lot, all such Persons shall be members of the Association, but all of such Persons shall have only one (1) vote for such Lot, which vote shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any such Lot.
- (b) Class B. Class B members shall be Developer and all successors and assigns of Developer designated by Developer as Class B members in a written notice mailed or delivered to the resident agent of the Association. Each Class B member shall be entitled to five (5) votes for each Lot of which it is the Owner on all

9902922 03/04/1999 03:27P 19 of 45
Maryln J. Smith, Boone County Recorder

matters requiring a vote of the members of the Association.

The Class B membership shall cease and terminate on the date upon which the written resignation of the Class B members as such is delivered to the Association or successor thereto or the date Developer no longer owns any Lots in the Subdivision, whichever occurs first. After the above, Class B memberships shall be converted to Class A memberships, and each former Class B member shall be entitled to one (1) Class A membership for each Lot owned in the Subdivision.

Section 4.04. Assessments: The Property Owners' Association shall have the power to levy uniform, general and special assessments against each Owner and each Lot, without regard to the size thereof relative to any other Lot in the Subdivision.

Section 4.05. Creation of a Lien and Personal
Obligation of Assessments: Developer hereby covenants and each Owner of each Lot by acceptance of a deed thereto, whether or not it shall be so expressed in such deed, is deemed to covenant and agree, to pay to the Property Owners' Association general and special assessments, such assessments to be established and collected as provided in this Article. Until paid in full, an assessment not paid when due, together with interest thereon (at a percentage rate per annum equal to the then current Indiana statutory maximum annual interest rate) and costs of collection (including reasonable

9902922 03/04/1999 03:27P 20 of 45
Maryln J. Smith, Boone County Recorder

attorneys' fees and court costs) shall be a continuing lien upon the Lot against which such assessment is made. Each assessment, together with interest and costs of collection as aforesaid, shall also become and remain, until paid in full, the personal obligation of the one or more persons or entities in ownership of the Lot at the time when the assessment first became due and payable. If any Owner fails, refuses or neglects to make payment of an assessment when due, the lien for such assessment on such Owner's Lot may, at any time following notice thereof by first class United States mail of the amount thereof to an owner and the expiration of ten (10) days from the date such notice is sent, be foreclosed by the Property Owners' Association in the same manner in which a Mechanic's Lien is foreclosed from time to time under Indiana law, or in any other manner otherwise from time to time permissible or provided by law. The Property Owners' Association may, at its option, bring a suit against the Owner (and if more than one, either jointly or severally) to recover a money judgment for any unpaid assessment without foreclosing the lien for such assessment or waiving the lien securing the same. In any action to recover an assessment, whether by foreclosure or otherwise, the Property Owners' Association shall be entitled to recover interest as aforesaid and the costs and expenses of such action, including, but not limited to, reasonable attorneys' fees and court costs.

Section 4.06. Purpose of Assessment: General or special assessments levied by the Property Owners' Association shall be used exclusively to

9902922 03/04/1999 03:27P 21 of 45
Maryln J. Smith, Boone County Recorder

exercise those powers and advance those purposes for which the Property Owners' Association has been formed by this Declaration.

Section 4.07. Basis for Assessment: Except as provided in Section 4.09 hereof, general or special assessments levied by the Property Owners' Association shall be assessed uniformly against each Lot (and the Owner(s) thereof), regardless of whether any such Lot is improved or unimproved and without regard to the type of improvements constructed on any Lot, or the extent of use of the facilities and improvements for which any assessment, general or specified, is made.

Section 4.08. Annual Meeting, Adoption of Budget and

General Assessment: Between May 1st and July 10th of each year, the Association shall hold an annual meeting with notice to all Owners in the manner required by 4.03 of this Declaration. At the annual meeting, the Owners shall elect a Chairman and a Secretary-Treasurer to coordinate and handle the day to day affairs of the Property Owners' Association and shall adopt a proposed annual budget. The budget, adopted by the Property Owners' Association, shall provide for allocation of anticipated expenses in such a manner that the obligations imposed by this Declaration will be met and shall further outline all anticipated expenses and obligations for the period covered thereby. Following approval of the budget, the Chairman and Secretary-Treasurer shall fix a uniform general assessment against each Lot (and the Owner(s) thereof) in an amount necessary to defray the expenses and

9902922 03/04/1999 03:27P 22 of 45
Maryin J. Smith, Boone County Recorder

obligations budgeted, together with an amount, if any, approved by the Owners to permit establishment of and/or contribution into a reserve account in order to defray anticipated future capital expenditures. Notice of the uniform general assessment shall be sent by the Secretary-Treasurer to each Lot Owner as soon as practicable following the annual meeting. Unless otherwise determined by majority vote of the Owners, the general assessment established shall be paid in full to the Secretary/Treasurer of the Property Owners' Association in one (1) installment on or before August 31 next succeeding. Upon receipt of payment, the Secretary-Treasurer shall deposit the amount involved in an account opened and maintained in the name of the Property Owners' Association at a state or national bank having its principal banking offices in either Lebanon, Zionsville or Indianapolis, Indiana. Withdrawals from such account shall be made only upon the approval of both the Chairman and Secretary-Treasurer signing jointly and only for a purpose or purposes set forth in this Declaration.

Section 4.09. Special Assessments: In addition to the general assessment, the Property Owners' Association may levy in any calendar year one (1) or more uniform special assessments against each Lot (and the owners(s) thereof) for the purpose of defraying, in whole or in part, any unanticipated expenses or obligations or the costs of any major reconstructions, repair, replacement or maintenance required, **PROVIDED THAT** the levy of any such special assessment must be approved by the

9902922 03/04/1999 03:27P 23 of 45
Maryln J. Smith, Boone County Recorder

owner(s) of at least two-thirds (2/3's) of the Lots who are voting in person or by written proxy at a special meeting of Owners duly called for such purpose, subject to written notice delivered in person or sent by first class United States mail at least fifteen (15) days in advance to each Owner of the time, place and purpose of such meeting. Following approval of the levy of any such special assessment, the vote of the owner(s) of at least a majority of the Lots shall establish the date or dates any such special assessment shall become due, and the manner in which it shall be paid to the Secretary-Treasurer for deposit in the Property Owners' Association account established and maintained in accordance with Section 4.08 hereof, for use consistent with the purpose or purposes for which such special assessment was levied.

Section 4.10. Subordination of the Lien to Mortgages: The lien of the assessments provided for herein against a Lot shall be subordinate to the lien of a recorded bona fide first mortgage covering such Lot and subordinate to any tax or special assessment lien of such Lot in favor of any governmental taxing or assessing authority. The sale or transfer of a Lot shall not affect the assessment lien. The sale or transfer of a Lot pursuant to bona fide mortgage foreclosure proceedings or any other bona fide proceeding in lieu thereof shall, however, extinguish the lien of such assessment as to any payment which became due prior to such sale or transfer. No such sale or transfer shall release a Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Maryln J. Smith, Boone County Recorder

Section 4.11. Duties of Chairman and Secretary-

Treasurer of the Property Owners' Association: The Chairman and Secretary-Treasurer of the Property Owners' Association, or their designee, shall have the duties set forth in this Declaration, shall attend to and handle the day to day affairs of the Property Owners' Association and shall attend to handle such other duties delegated to them by the Owners. All acts taken and things done shall be measured by a standard of reasonableness and neither the Chairman nor the Secretary-Treasurer shall have any liability to an Owner, Owners or the Property Owners' Association unless acting in bad faith in a manner inconsistent with the terms and provisions of this Declaration.

Notwithstanding the foregoing, in no event (except in the case of a bona fide emergency involving a total expenditure not exceeding One Thousand Dollars (\$1,000) or such other amount from time to time established by the Owners), shall either the Chairman or Secretary-Treasurer have any right, privilege or authority to contract for, solicit, hire or otherwise obtain services or materials which are not included within and covered by the budget then applicable or which are otherwise funded by a special assessment levied in accordance with Section 4.09 hereof.

Section 4.12. Receipt For Payment: The Property Owners' Association shall, within twenty (20) days after demand made at any time, furnish a receipt in writing signed by the Secretary-Treasurer of the Property Owners' Association, specifying that the assessment respecting a Lot has been

to enter onto the streets or private roadways in the Subdivision, during construction or otherwise, the Developer reserves the right to clean the streets and bill or assess the Owner for said costs.
