All tracts of land located within the Development which have not been designated by numbering as residential building lots in the recorded plats may be subject to other land use, including commercial, provided the same is consistent with the development of a planned community. The Developer reserves unto himself the right to change the character of the designated commercial or other land use at any time in the future, and, where necessary, to apply to the necessary governmental body for such reclassification, rezoning or variance of use as needed to accommodate the Developer's planned use.

Section 2. Residential Use of Accessory Outbuildings Prohibited. No accessory outbuildings shall be erected on any of the residential lots prior to the erection thereon of a single family dwelling house, and in no event shall any such accessory outbuilding or any temporary structure which may be constructed upon a residential lot under these restrictions ever be used as a residence or dwelling house or place for human occupancy or habitation.

Section 3. Occupancy or Residential Use of Partially Completed Dwelling House Prohibited. If a house is not completed upon a lot within the prescribed time, the Developer shall have the right and option to repurchase for a price, in cash, equal to the owner's cost basis in the lot and the fair market value of such improvements, but not to exceed the owner's direct cost of such improvement.

Section 5. Prohibition of Used Structures. All structures constructed or placed on any numbered lot in the Development shall be constructed with substantially all new materials, and no used structures shall be relocated or placed on any such lot.

- (f) Keep the exterior of all improvements in such a state of repair or maintenance as to avoid their becoming unsightly.

Section 7. Developer's Right to Perform Certain Maintenance. In the event that the owner of any lot in the Development shall fail to maintain his lot and any improvements situated thereon in accordance with the provisions of these restrictions, the Developer shall have the right, but not the obligation, by and through his agents and employees or contractors, to enter upon said lot and repair, mow, clean or perform such other acts as may be reasonably necessary to make such lot and improvements situated thereon, if any, conform to the requirements of these restrictions. The cost therefor to Developer shall be collected in any reasonable manner from the owner. Neither the Developer nor any of its agents, employees, or contractors shall be liable for any damage which may result from any maintenance work performed hereunder.

Declarant may from time to time at Declarant's option convey the Common Properties or any part thereof to Village, and upon such conveyance all obligations of Declarant with respect to the Common Properties or any part thereof thus conveyed shall cease and terminate and Village shall assume the obligations and the management and operation of the same. The conveyance of the Common Properties by Declarant shall be made by quitclaim deed.

Section 5. Voting Rights. Village shall have two (2) classes of voting members:

(a) Class A members who shall be entitled to one (1) vote for each numbered residential lot.

(b) Class B members shall be the Developer, or any person who shall hereafter succeed to the Developer's business and properties substantially as a whole. Class B members shall be entitled to four (4) votes for each numbered residential lot and four (4) votes for each one-half (1/2) acre of unplatted land, subject to this Declaration of Covenants and Restrictions.

Section 6. Creation of the Lien and Personal Obligation of Assessments. Class A members, except the builder-owner until the improvements are completed, hereby covenant for each lot owned by him within the Development, and each purchaser of any lot by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay Village: (1) annual assessments or charges; (2) special assessments for capitol improvements, such assessments to be fixed, established and collected from time to time as hereinafter provided. ual and special assessments, together with such interest thereon and costs of collection thereof as hereinafter provided shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest thereon and cost of the collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The Declarant and Class B members shall not be subject to assessment.

Section 7. Purpose of Assessments. The assessment levied by Village shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the members, and in particular, for the improvement and maintenance of the facilities devoted to this purpose.

Section 8. Annual Assessments. The assessment year shall begin May 1st and end April 30th. The annual assessment for the assessment year commencing May 1, 1974, shall be \$120.00 per lot; for the assessment year commencing May 1, 1975, \$156.00 per lot; and for the assessment year commencing May 1, 1976, the annual assessment shall be \$192.00 per lot. Thereafter, the annual assessment may be increased or decreased only by a vote of the members. For any person becoming a member during an assessment year, the annual assessment for such year shall be prorated on a monthly basis to the month immediately following the month of membership.

Section 9. Special Assessments for Capital Improvements. In addition to the annual assessments authorized by Section 8 hereof, Village may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Village Properties, including the necessary fixtures and personal property related thereto; provided that, any such assessment shall have the assent of two-thirds of Class A and B members, voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be given to all members at least thirty (30) days in advance and shall set forth the purpose of the meeting.

Section 10. Duties of the Board of Directors. The Board of Directors of Village shall prepare a roster of the properties and assessments applicable thereto and shall be kept in the office of Village and open to inspection by any member.

Village shall, upon demand at any time, furnish to any owner liable for said assessment a certificate in writing signed by an officer of Village, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 11. Effect of Nonpayment of Assessments; the Personal Obligation of the Owner; the Lien Remedies of Village. If the assessments are not paid on the date or dates when due, then such assessment shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, become a continuing lien on the property, which shall bind such property in the hands of the then owner, his heirs, devisees, successors and assigns.

If the assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the date of delinquency at the rate of eight percent (8%) per annum, and Village may bring an action at law against the owner personally obligated to pay the same, or to foreclose the lien against the property, and there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action; and in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the Court together with the costs of the action.

Section 12. Subordination of the Lien to Mortgages. The lien of the assessment provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the properties subject to assessment; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to the sale of such property pursuant to a decree of foreclosure of any such mortgage. Such sale shall not relieve such property from liability for any assessments thereafter becoming due nor from the lien of any subsequent assessment.

Section 13. "Junior Lien" Provisions. If any premises subject to the lien hereof shall become subject to the lien of a mortgage or deed of trust, (1) the foreclosure of the lien hereof shall not operate to affect or impair the lien of the mortgage or deed of trust; and (2) the foreclosure of the lien of the mortgage or deed of trust or the acceptance of a deed in lieu of foreclosure by the mortgagee shall not operate to affect or impair the lien hereof, but said charges as shall have accrued up to the date of foreclosure or the acceptance of a deed in lieu of foreclosure shall be subordinate to the lien of the mortgage or deed of trust with the foreclosure pur-

The covenants and restrictions of this Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by Village, or the owner of any land subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a period of twenty (20) years from the date that this Declaration is recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants and restrictions in whole or in part.

Section 2. Enforcement. Enforcement of these covenants and restrictions shall be by any proceeding at law or in equity against any person or persons violating or attempting to violate any covenant or restriction, either to restrain violation or to recover damages and against the land to enforce any lien created by these covenants; and failure by Village or any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 3. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect.
