

# preparing your home **FOR SALE**

First impressions have a major impact on potential Buyers. Try to imagine what a potential Buyer will see when they approach your house for the first time and walk through each room. Ask your Realtor® for advice; they know the marketplace and what helps a home sell. Here are some tips to present your home in a positive manner:

# staging **YOUR HOME** for show

To make the best impression, keep your home clean, neat, uncluttered and in good repair. Please review this list prior to each showing:

**keep** everything clean. A messy or dirty home will cause prospective buyers to notice every flaw.

**clear** all clutter from counter tops.

**let** the light in. Raise shades, open blinds, pull back the curtains and turn on the lights.

**get** rid of odors such as tobacco, pets, cooking, etc., but don't overdo air fresheners or potpourri. Fresh baked bread and cinnamon can make a positive impact.

**send** pets away or secure them away from the house, and be sure to clean up after them.

**close** the windows to eliminate street noise.

**if** possible you, your pets, and your children should be gone while your home is being shown.

**clean** trash cans and put them out of sight.

**if** you must be present while your home is shown, keep noise down. Turn off the TV and radio. Soft, instrumental music is fine, but avoid vocals.

**keep** the garage door closed and the driveway clear. Park autos and campers away from your home during showings

**hang** clean attractive guest towels in the bathrooms.

**check** that sink and tub are scrubbed and unstained.

**make** beds with attractive spreads.

**stash** or throw out newspapers, magazines, junk mail.
