(Depending on geography and transaction type)

- » Title Insurance
- » Escrow Services
- » Flood Certification
- » Credit Reports
- » Appraisal Reports
- » Order Title Searches or ESP

The Benefits of Using FASTWeb

- » Single source for 24-hour order entry
- » Instant order routing
- » Order confirmation and tracking
- » Secure internet environment
- » View order status 24/7
- » Integrated with many programs
- » Increases title efficiencies
- » Dedicated support through help desk

Streamline your work process and increase efficiency with First American's flexible electronic ordering and delivery system. 24-hour order entry, routing, and tracking of all your transaction requests provides automatic order confirmations, transaction updates, and printable title applications. And, with easily defined search capabilities and national zip code routing, you can place orders locally, statewide, or nationally.
