BLUE RIVER ESTATES

(COVENANTS) PAGE TWO OF RECORD PLAT

We, Michael M. and Carol N. Larrabee, owners of the real estate shown and described herein, do hereby lay off, plat and subdivide said real estate in accordance with the within plat.

This subdivision shall be known and designated as BLUE RIVER ESTATES. All streets shown and not heretofore dedicated are hereby dedicated to the public.

Front building setback lines are hereby established as shown on this plat, between which lines and property lines of the streets there shall be erected or maintained no buildings or structures. The strips of ground shown on this plat and marked drainage and utility easement (D. & U.E.) are reserved for the use of the public utilities for the installation of water and sewer mains, poles, ducts, lines and wires, drainage facilities subject at all times to the proper authorities and to the easement herein reserved. No permanent or other structures are to be erected or maintained on said strips of land, but owners of lots in this subdivision shall take their titles subject to the rights of the public utilities, and to the rights of the owners of the other lots in this subdivision.

The undersigned does hereby further create, establish and grant unto the Hancock County Drainage Board the drainage easements and public rights-of-way shown on the accompanying plat and the drainage improvements constructed within, or to be constructed within, said easements, and/or public rights-of-way, as County Regulated Drainage Easements and as a County Regulated Drainage System and the right to establish a maintenance fund therefor. We hereby waive hearings, notice of hearings and publications of notice of the decision of the Board.

This subdivision shall be subject to the following restrictions which shall operate as perpetual covenants.

1. Drainage swales (ditches) along dedicated roadways and within the right-of-way, or on dedicated drainage easements, are not to be altered, dug out, filled in, tiled, or otherwise changed without the written permission of the Hancock County Drainage Board (Commissioners). Property owners must maintain these swales as sodded grassways or other non-eroding surfaces. Water from roof or parking areas must be contained on the property long enough so that said drainage swales or ditches will not be damaged by such water. Driveways may be constructed over these swales or ditches only when appropriate sized culverts are installed as set out in 7-47 (5) of the Hancock County Subdivision Control Article.
2. Any property owner altering, changing or damaging the drainage swales or ditches will be held responsible for such action and will be given 10 days notice by registered mail to repair said damage, after which time, if no action is taken, the Hancock County Drainage Board (Commissioners) will cause said repairs to be accomplished, and the bill for such repairs will be sent to the affected property owner for the immediate payment.
3. No fence, wall, hedge, tree or shrub planting which obstructs sight lines and elevations between 2.5 and 8 feet above the street shall be placed or permitted to remain on any corner lot within the triangular area formed by the street right-of-way lines and a line connecting points 40 feet from the intersection of said street lines (40 feet for minor streets and 75 feet for arterial streets) or in the case of a rounded property corner from the intersection of the street right-of-way lines extended. The same sight line limitations shall apply to any lot within 10 feet of the intersection of a street right-of-way line with the edge of the driveway pavement or alley line. No driveway shall be located within 70 feet of the intersection of two street lines. No drainage structures shall be located within driveway limits.
