LEGEND

CHAPMAN ESTATES

SECTION THREE

COVENANTS

We, Windsor Homes, Inc., owners of the real estate shown and described herein, do hereby lay off, plat, and subdivide said real estate in accordance with the within plat.

This subdivision shall be known and designated as "CHAPMAN ESTATES SECTION THREE" an addition to the City of Greenfield.

Front building setback lines are hereby established as shown on this plat, between which lines and property lines of the streets there shall be erected and maintained no buildings and structures.

A perpetual easement is hereby granted to any local public utility or municipal department, their successors and assigns, within the area shown on the plat and marked "drainage and utility easement (D. & U. E.)" to install, lay, construct, renew, operate, maintain and remove conduits, cables, pipes, poles and wires, overhead and underground, with all necessary braces, guys, anchors and other equipment for the purpose of serving the subdivision and other property with telephone, electric and gas, sewer and water service as a part of the respective utility systems; also is granted (subject to the prior rights of the public therein) the right to use the streets and lots with aerial service wires to serve adjacent lots and street lights, the right to cut down and remove or trim and keep trimmed any trees or shrubs that interfere or threaten to interfere with any of the said public utility equipment, and the right is hereby granted to enter upon the lots at all times for all the purposes aforesaid. No permanent buildings or trees shall be placed on said area as shown on the plat and marked "drainage and utility easement (D. & U. E.)" but same may be used for gardens, shrubs, landscaping and other purposes that do not then or later interfere with the aforesaid user or the rights herein granted.

This subdivision shall be subject to the following restrictions which shall operate as perpetual covenants.

1. Drainage swales (ditches) along dedicated roadways and within the right-of-way or on dedicated drainage easements, are not to be altered, dug out, filled in, tiled, or otherwise changed without the written permission of the Greenfield Board of Public Works and Safety. Property owners must maintain these swales as sodded grassways or other non-eroding surfaces. Water from roof or parking areas must be contained on the property long enough so that said drainage swales will not be damaged by such water. Driveways may be constructed over these swales or ditches only when appropriate sized culverts or other approved structures have been permitted by the Greenfield Board of Public Works and Safety.

2. Any property owner altering, changing or damaging the drainage swales or ditches will be held responsible for such action and will be given ten (10) days notice by registered mail to repair said damage, after which time, if no action is taken, the Greenfield Board of Public Works & Safety will cause said repairs to be accomplished, and the said property owner shall be responsible for the payment of the bill for such repairs, forthwith.

3. No fence, wall, hedge, tree or other shrub planting which obstructs sight lines and elevations between the heights of 3 and 12 feet above the street shall be placed or permitted to remain on any corner lot within the triangular area formed by the street right-of-way lines and a diagonal line connecting 2 points measured 15 feet along each of the street property lines equidistant from the intersection of the property lines or the property lines extended, at the corner of the lot or in the case of a rounded property corner from the intersection of the street right-of-way lines extended.

4. The same sight limitations shall apply to any lot line within 10 feet of the intersection of a street right-of-way line with the edge of the driveway pavement.

5. All numbered lots in this subdivision shall be designated as residential lots.

6. Minimum living space areas. The minimum square footage of living space of dwellings constructed on various residential lots in the development, exclusive of porches, terraces, garages, carports, accessory building, or basements below ground level shall contain no less than 1500 square feet of ground floor living area for a one-story structure or 900 square feet of minimum ground floor area if higher than one-story, provided higher than one story structures shall have a minimum of 1500 square feet of total living area, and each dwelling shall have a two or three car, attached garage.

7. No building shall be located on any lot near a line or nearer to the side street line than the minimum setback lines shown on the plat. No building shall be located on any lot near to the side lot line than the minimum required by the "AA" residential zone district for the Greenfield.

8. No trailer, recreational vehicle, shack, basement or other outbuildings or temporary structures shall be used for temporary or permanent residential purposes on any subdivision. No commercial dog kennel or junk yard permitted in the subdivision. No industry, trade, or commercial activity, educational or otherwise, shall be conducted, practiced or permitted in the subdivision livestock except domestic pets as permitted by the Greenfield Ordinance is prohibited.

9. No noxious or offensive trade shall be carried on in this subdivision nor shall anything be done which may become a nuisance or annoyance to the neighbor.

10. Only in-ground swimming pools shall be permitted in this subdivision. Above ground swimming pools shall not be permitted.

11. No boats, campers, trailers of any kind, buses, homes, trucks, motorcycles, mini-bikes, or any other unconventional vehicles of any description, shall be parked, or stored anywhere within this subdivision. Any such vehicle may be parked or stored completely enclosed garage, except for personal automobiles, pickup trucks which may be parked on the driveway.

12. The parking of any type or kind of vehicle is not permissible upon the streets, other than temporary guests and invitees of any owner. Except within a garage, no inoperative or unlicensed vehicle shall be repaired on any lot in this subdivision, or in any way thereon. This covenant shall in no way allow temporary or permanent parking on streets for which the City has passed ordinances prohibiting such.

13. Except to make it accessible for trash collection it shall be stored in appropriate closed containers, trash, or refuse shall be stored in a location other than the front of the residence.

14. All communications antenna shall be placed out of view. Exterior satellite dishes are prohibited.

15. All residential construction must be completed one year after the starting date, including the final grading.

16. No concrete block house shall be permitted in this subdivision. No residence shall be constructed on any lot in the subdivision until the building plan has been approved by the developer.

17. In order to preserve the natural quality and appearance of the existing geographic area within the Development, any fence, light fixture or mailbox must be approved by the Developer or their assigns as to size, location and composition before it may be installed. Fences shall not exceed five (5) feet in height. No fence shall be placed closer to the front lot line than the front building line set back.

18. All residences constructed or placed on any lot in the Development shall be constructed with substantial materials, and no used structures shall be relocated on any such lot, nor shall modular constructed structures be placed on any lot.

19. The Owner of any lot in the Development shall maintain the lot and any improvements situated thereon in a manner as to prevent the lot or improvements from appearing unsightly.

20. Residential Use Only. All lots in this subdivision shall be used solely for residential purposes except for residence homes during the sale and development of this subdivision.

21. The residential accessory building shall not be more than 150 square feet in area and not more than 8 feet high. It shall be of frame construction with an exterior finish matching the architecture of the family dwelling. The roof shall be of gambrel design. The building shall be located in the rear yard (behind the back line of the family dwelling).
