(1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments.

The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and for the improvement

and maintenance of the Common Area.

Section 3. Maximum Annual Assessment. Until January 1, of the year immediately following the conveyance of the first lot to an Owner, the maximum annual assessment shall be \$ \_\_\_\_\_ per lot. Assessments shall not be commenced for any Lot in any Section until the Common Area for that Section, as identified in Exhibit B, has been conveyed free and clear of all encumbrances to the Association.

- (a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be adjusted in conformance with the Consumer Price Index ("CPI") published by the U.S. Department of Labor, specifically the Consumer Price Index for Urban Wage Earners and Clerical Workers, U.S. City Average, All Items, unadjusted for seasonal variation. The maximum assessment for any year shall be the amount determined by (a) taking the dollar amount specified above in the first sentence of this Section, (b) multiplying that amount by the published CPI number for the third month prior to the beginning of the subject year and (c) dividing that resultant by the published CPI number for the third month prior to the month in which this declaration was signed by the Declarant.
- (b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment amount specified above in the first sentence of this Section and used in the above CPI adjustment formula may be changed by a vote of the members, provided that any such change shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting setting forth the purpose of the meeting. The limitations hereof shall not apply to any change in the maximum and basis of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation.
- (c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including the exteriors of the buildings or roofs, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than thirty (30) nor more than sixty (60) days in advance of the meeting. At the first meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Rate of Assessment. Both annual and special assessment must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

Section 7. Date of Commencement of Annual Assessments: Due Dates: The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the first Lot to a

purchaser. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments; Remedies of The Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of ten percent (10%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. Exempt property. All properties dedicated to and accepted by a local public authority, the Common Area, and all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Indiana shall be exempt from the assessment created herein, except no land or improvements devoted to dwelling use shall be exempt from said assessments.

Section 11. Management Agreements. Each Owner of a Lot hereby agrees to be bound by the terms and conditions of all management agreements entered into by the Association. A copy of all such agreements shall be available to each Owner. Any and all management agreements entered into by the Association shall provide that said management agreement may be cancelled by an affirmative vote of a majority of the votes of each class of the members of the Association. In no event shall such management agreement be cancelled prior to the effecting by the Association or its Board of Directors of a new management agreement with a party or parties, which new management agreement will become operative immediately upon the cancellation of the preceding management agreement. It shall be the duty of the Association by its Board of Directors to effect a management agreement. Any and all management agreements shall be made with a responsible party or parties having experience adequate for the management of this type of project. The Association may require a fidelity bond from the management agent in such amount as it deems appropriate.
