Section 114. Brentwood Village Development Control Committee

The Committee shall regulate size, type, external design, appearance, use, location and maintenance of any lands subject to these Revised Covenants, Conditions and Restrictions and improvements thereon, in such a manner as to preserve and enhance values and to maintain a harmonious relationship among structures and the natural vegetation and topography.

No building fence, wall or other improvement of any kind shall be commenced, erected or maintained upon any lot, nor shall an exterior addition to or change or alteration therein be made without the prior approval of the Committee. The manner of application shall be in the form as prescribed from time to time by the Committee and shall be accompanied by two sets of plans and specifications. Such plans shall include plot plan showing location of proposed improvements, specification of all exterior materials, colors and any proposed landscaping. Failure by Developer, Association or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

In the event Developer, Association or owner shall be successful in any proceeding, whether at law or in equity, brought to enforce any restriction, covenant, limitation, easement, conditions, reservation, lien or charge now or hereafter imposed by the provisions of the Restrictions, Covenants, Limitations, Easements and Approvals appended to and made a part of the Plat, it shall be entitled to recover from the party against whom the proceeding was brought all costs including costs to cure, reasonable attorneys’ fees and related costs and expenses it incurred in such proceeding.

Lots 10, 11, 12 and 13 are the lots so served. Block D shall also be considered a Utility Easement.

Section 204. Assessments

A. Creation of the Lien and Personal Obligation of Assessments. Each owner of any lot in the subdivision, except the Developer and Builder, by acceptance of a deed therefor, whether or not it shall be expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements and operating deficits; such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land until paid in full and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment was due. The personal obligation for delinquent assessment shall not pass to his successors in title unless expressly assumed by them. No charge or assessment shall ever be levied by the Association against the Developer. However, the
B. Date of Commencement of Annual Assessment. The annual assessment provided for herein shall commence for each lot on the date of conveyance to the owner by deed. The Board of Directors of the Association shall fix any increase in the amount of assessment at least thirty (30) days in advance of the effective date of such increase. Written notice of annual assessments and such other assessment notices as the Board of Directors shall deem appropriate shall be sent to every owner subject hereto. The due dates for all assessments shall be established by the Board of Directors. The Association shall, at any time, furnish a certificate in writing signed by an officer of the Association that the assessments on a specific lot have been paid or that certain assessments against said lot have not been paid, as the case may be.

C. Special Assessments. In addition to the annual operating assessment, the Association may levy a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement which the Association is required to maintain or for operating deficits which the Association may from time to time incur, provided that any such assessment shall have the assent of a majority of the votes of the members who are voting in person or by proxy at a meeting duly called for the purpose. Written notices for such meetings shall be sent 30-60 days in advance of the meeting and at least 60% of all possible votes must be cast to constitute a quorum.

D. Remedies for Non-Payment. Any charge assessed against any lot, together with interest and other charges or costs as hereinafter provided, shall become and remain a lien upon that lot until paid in full and shall also be a personal obligation of the owner or owners of that lot at the time the charge fell due. Such charge shall bear interest at the rate of 12% per annum until paid in full. If, in the opinion of the Board of Directors of the Association, such charge has remained unpaid for an unreasonable period of time, the Board may, on behalf of the Association, institute such procedures, either at law or in equity, for foreclosure or otherwise, to collect the amount owing in any court of competent jurisdiction. The owner of the lot or lots shall, in addition to the charges owed, be obligated to pay all costs incurred by the Association, including attorney’s fees, in collecting the charges due. Every owner of a lot and any person who may acquire any interest in any lot, whether as owner or otherwise, is hereby notified, and by acquiescence of such interest agrees, that any such liens which may exist upon said lot at the time of acquisition of such interest are valid liens and shall be paid. Every person who shall become an owner of a lot is hereby notified that by the act of acquiring, making such purchase or acquiring such title, such person shall be conclusively held to have covenanted to pay the Association all charges that the Association shall make pursuant to this subparagraph of the Revised Covenants, Conditions and Restrictions of Brentwood Village.

E. Subordination of the Lien to Mortgages. The lien of the assessments provided herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien.
F. Mortgagee's Rights. Unless at least seventy-five percent (75%) of the first mortgagees (based upon one vote for each first mortgage owned) or the Class A members have given their prior written approval, the Association shall not:

a. By act or omission, seek to abandon, partition, subdivide, encumber, sell or transfer the Development, common property or improvements located thereon which are owned directly or indirectly by the association for the benefit of the lots. The granting of easements for public utilities or other public purposes consistent with the intended use of the Development by the association shall not be deemed a transfer within the meaning of this clause.

b. Change the method of determining the obligations, assessments, dues or other charges which may be levied against a homeowner.

c. By act or omission, change, waive or abandon any scheme of regulation or enforcement thereof pertaining to the architectural design or exterior appearance of the homes on lots, the exterior maintenance of the dwellings on lots, the maintenance of common fences or common driveways or the upkeep of lawns and plantings in the Development.

d. Fail to maintain fire and extended coverage insurance on insurable common property on current replacement cost basis in an amount not less than one hundred percent of the insurance value (based on current replacement cost).

e. Use hazard insurance proceeds for losses to common property for other than the repair, replacement or reconstruction of such improvements.

f. Mortgagees, their successors or assigns, shall have the right to examine the books and records of the association.

g. First mortgagees of homes on lots may, jointly or singly, pay the taxes or other charges which are in default and which may or have become a charge against any common property and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy for such common property, and first mortgagees making such payments shall be owed immediate reimbursement therefor from the association.

h. No provision of the constituent documents shall give an owner or any other party priority over any rights of first mortgagees of homes within the Development pursuant to their mortgages in the case of a distribution to homeowners of insurance proceeds or condemnation awards for losses to or a taking of common property.

Section 205. Management of Board of Directors.

The business and affairs of the Association shall be governed and managed by the Board of Directors. No person shall be eligible to serve as member of the Board of Directors unless he is, or is deemed in accordance with this Revised Covenants, Conditions and Restrictions of Brentwood Village to be an owner or a Special member appointed by Developer as provided in Section 202 of this Article II.
Section 206  Initial Board of Directors

The initial Board of Directors shall be composed of the persons designated or to be designated by the Developer. Notwithstanding anything to the contrary contained in, or any other provisions of, the Revised Covenants, Conditions and Restrictions of Brentwood Village or these Articles, (a) the Initial Board (Special members) shall hold office until the first meeting of the members of the Association occurring on or after the Applicable Date, and (b) in the event of any vacancy or vacancies occurring in the Initial Board of any reason or cause whatsoever prior to such first meeting occurring on or after the Applicable Date determined as provided above, every such vacancy shall be filled by a person appointed by Developer, who shall thereafter be deemed a member of the Initial Board. Each owner, by acceptance of a deed to a lot with, or by acquisition of any interest in a dwelling house by any type of juridic acts inter vivos or causa mortis, shall be deemed to have appointed Developer as such owner’s agent, attorney-in-fact and proxy, which shall be deemed coupled with an interest and irrevocable until the Applicable Date determined as provided above, to exercise all of said owner’s right to vote, and to vote as Developer determines, on all matters as to which members of the Association are entitled to vote under the Revised Covenants, Conditions and Restrictions of Brentwood Village, these Articles or otherwise. This appointment of Developer as such owner’s agent, attorney-in-fact and proxy shall not be affected by incompetence of the owner granting the same. Each person serving on the Initial Board, whether as an original member thereof or as a member thereof appointed by Developer to fill a vacancy, shall be deemed a Special member of the Association and an owner solely for the purpose of qualifying to act as a member of the Board of Directors and for no other purpose. No such person serving on the Initial Board shall be deemed a member of the Association nor an owner of a lot for any other purpose (unless he is actually the owner of a lot and thereby a member of the Association.)

Section 207  Additional Qualifications of Board of Directors

Where an owner consists of more than one person or is a partnership, corporation, trust or other legal entity, then one of the persons constituting the multiple owner, or a partner or an officer or trustee, shall be eligible to serve on the Board of Directors, except that no single lot or dwelling house may be represented on the Board of Directors by more than one person at a time.

Section 208  Term of Office and Vacancy of Board of Directors

Subject to the provisions of Section 206 of this Article II, the entire membership of the Board of Directors shall be elected at each annual meeting of the Association. The Initial Board shall be deemed to be elected and re-elected as the Board of Directors at each annual meeting until the first meeting of the members occurring on or after the Applicable Date provided herein. After the Applicable Date, each member of the Board of Directors shall be elected for a term of one (1) year. Each Director shall hold office throughout the term of his election and until his successor is elected and qualified. Subject to the provisions of Section 206 of this Article II as to the Initial Board, any vacancy or vacancies occurring in the Board shall be filled by a vote of a majority of the remaining members of the Board or by vote of the owners if a Director is removed in accordance with Section 209 of this Article II. The Director so filling a vacancy shall serve until the next annual meeting of the members and until his successor is elected and qualified.

Section 209  Removal of Directors

A Director or Directors, except the members of the Initial Board, may be removed without cause by vote of a majority of the votes entitled to be cast at a special meeting of the owners duly
called and constituted for such purpose. In such case, his successor shall be elected at the same meeting from eligible owners nominated at the meeting. A Director so elected shall serve until the next annual meeting of the owners and until his successor is duly elected and qualified.

Section 210  Duties of the Board of Directors

The Board of Directors shall be the governing body of the Association representing all of the owners and being responsible for the functions and duties of the Association. After the Applicable Date, the Board may, on behalf of the Association, employ a reputable and recognized professional property management agent (herein called the "Managing Agent") upon such terms as the Board shall find, in its discretion, reasonable and customary. The Managing Agent, if one is employed, shall assist the Board in carrying out its duties, which include, but are not limited to:

a. assessment and collection from the owners of the owners' respective shares of the expenses necessary to carry out all the functions of the Association. Board of Directors shall notify all lot owners of any increase in the amount of the assessment a minimum of thirty (30) days before the increase is in effect;

b. preparation of the proposed annual budget, a copy of which will be mailed or delivered to each owner at the same time as the notice of the annual or special meeting at which the same is to be acted upon is mailed or delivered;

c. preparing and delivering annually to the owners a full accounting of all receipts and expenses incurred in the prior year, and if possible, such accounting shall be delivered to each owner simultaneously with delivery of the proposed annual budget for the current year, and

d. keeping a current, accurate and detailed record of receipts and expenditures affecting the Common Areas and the business and affairs of the Association, specifying and itemizing the Common Expenses, all records and vouchers shall be available for examination by an owner at any time during normal business hours.

Section 211  Powers of the Board of Directors

The Board of Directors shall have such powers as are reasonable and necessary to accomplish the performance of their duties. These powers include, but are not limited to:

a. to employ a Managing Agent to assist the Board in performing its duties;

b. to purchase, lease or otherwise obtain for the Association, to enable it to perform its functions and duties, such equipment, materials, labor and services as may be necessary in the judgment of the Board of Directors;

c. to employ legal counsel, architects, contractors, accountants and others as in the judgment of the Board of Directors may be necessary or desirable in connection with the business and affairs of the Association;

d. to employ, designate, discharge and remove such personnel as in the judgment of the Board of Directors may be necessary for the maintenance, upkeep, repair and replacement of the Common Areas and to perform all other maintenance, upkeep, repair and replacement duties of the Association and Board;
e. to include the cost of performing all of its functions, duties and obligations as Common Expense and to pay all of such costs therefrom.

f. to open and maintain a bank account or accounts in the name of the Association,

g. to promulgate, adopt, revise, amend and alter from time to time such additional rules and regulations with respect to use, occupancy, operation and enjoyment of the Real Estate and the Common Areas (in addition to those set forth in this Declaration) as the Board, in its discretion, deems necessary or advisable; provided, however, that copies of any such additional rules and regulations so adopted by the Board shall be promptly delivered to all owners; and

h. to grant such public or private companies, entities or bodies as the Board shall approve, such easements as may be necessary to provide the lots, dwelling houses and Common Areas with facilities for utility and similar services, including but not limited to cable television facilities and services, provided that such easements are located within or are co-extensive with any one or more easements or Common Areas shown upon, and identified as such on, or provided for in, any subdivision plat of the Real Estate, whether such plat is heretofore or hereafter recorded.

Section 212 Limitation of Board Action

After the Applicable Date, the authority of the Board of Directors to enter into contracts shall be limited to contracts involving a total expenditure of less than $2,500.00 without obtaining the prior approval of a majority of the cumulative vote of the owners; except that in the following cases such approval shall not be necessary:

a. contracts for replacing or restoring portions of the Common Areas damaged or destroyed by fire or other casualty where the cost thereof is payable out of insurance proceeds actually received or for which the insurance carrier has acknowledged coverage;

b. proposed contracts and proposed expenditures expressly set forth in the proposed annual budget as approved by the owners at the annual meeting; and

c. expenditures necessary to deal with emergency conditions in which the Board of Directors reasonably believes there is insufficient time to call a meeting of the owners.

Section 213 Compensation of Board of Directors

No Director shall receive any compensation for his services as such, except to such extent as may be expressly authorized by a majority vote of the Class A members. The Managing Agent, if any is employed, shall be entitled to reasonable compensation for its services, the cost of which shall be a Common Expense.

Section 214 Non-Liability of Directors and Officers

The Directors and officers of the Association shall not be liable to the owners or any other persons for any error or mistake of judgment exercised in carrying out their duties and responsibilities as Directors and officers, except for their own individual willful misconduct, bad faith or gross negligence. The Association shall indemnify and hold harmless and defend each of the Directors and officers against any and all liability to any persons, firm or corporation arising out of contracts made by the Board on behalf of the Association, unless any such contract shall have been made in bad faith. It is intended that the Directors and officers shall have no personal
liability with respect to any contract made by them on behalf of the Association.

Section 215  Additional Indemnity of Directors and Officers

The Association shall indemnify, hold harmless and defend any persons, heirs, assigns and legal representatives, made a party to any action, suit or proceeding by reason of the fact that he is or was a Director or officer of the Association, against the reasonable expenses, including attorneys' fees, actually and necessarily incurred by him in connection with the defense of such action, suit or proceeding, or in connection with any appeal therein, except as otherwise specifically provided herein in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such Director or officer is liable for gross negligence or misconduct in the performance of his duties. The Association shall also reimburse to any such Director or officer the reasonable costs of settlement of or judgment rendered in any action, suit or proceeding if it shall be found by a majority vote of the owners that such Director or officer was not guilty of gross negligence or misconduct. In making such findings and notwithstanding the adjudication in any action, suit or proceeding against a Director or officer, no Director or officer shall be considered or deemed to be guilty of or liable for negligence or misconduct in the performance of his duties where, acting in good faith, such Director or officer relied on the books and records of the Association or statements or advice made by or prepared by the Managing Agent (if any) or any other officer or employee thereof, or any accountant, attorney or other person, firm or corporation employed by the Association to render advice or service unless such Director or officer had actual knowledge of the falsity or incorrectness thereof; nor shall a Director or officer be deemed guilty of or liable for negligence or misconduct by virtue of the fact that he failed or neglected to attend a meeting or meetings of the Board of Directors.

Section 216  Bond of Board of Directors

The Board of Directors may provide surety bonds and may require the Managing Agent (if any), the treasurer of the Association, and any other officers as the Board deems necessary, to provide surety bonds, indemnifying the Association against larceny, theft, embezzlement, forgery, misappropriation, wrongful abstraction, willful misapplication, and other acts of fraud and dishonesty, in such sums and with such sureties as may be approved by the Board of Directors, and any such bond shall specifically include protection for any insurance proceeds received for any reason by the Board. The expense of any such bonds shall be a Common Expense.

Section 217  Initial Management

Notwithstanding anything to the contrary contained in this Revised Covenants, Conditions and Restrictions of Brentwood Village, Developer shall have, and Developer hereby reserve to itself, the exclusive right to manage or designate a Managing Agent for the Real Estate and Common Areas, and to perform all the functions of the Association until the Applicable Date. Developer may, at its option, engage the services of a Managing Agent affiliated with it to perform such functions and, in either case, Developer or such Managing Agent shall be entitled to reasonable compensation for its services.
The Revised Covenants, Conditions and Restrictions of Brentwood Village are executed this 28th day of March, 1998.
