Section 7.01. Right of Entry. An Owner of a Unit or a tenant or an occupant of part of a Unit shall be deemed to have granted the right of entry to its Unit or part of a Unit respectively, to the Board, the Managing Agent, or any person authorized by the Board in case of any emergency, in order to remedy any circumstance threatening its Unit or part of a Unit respectively, the Building in which it is located, or any person, whether the Owner or Tenant is present at the time or not. Any Owner or Tenant shall permit persons authorized by the Board to perform any work, when required, to enter his Unit or part of a Unit for the purpose of performing installations, alterations, or repairs to the mechanical or electrical facilities or equipment, or to make structural repairs, provided that requests for entry are made in advance and that such entry is at a time convenient to the Owner. In case of emergencies, such right or entry shall be immediate.
Section 7.02. Right of Board to Adopt Rules and Regulations. The Board may promulgate such reasonable rules and regulations regarding the operation of the Property as the Board may deem desirable, including but not limited to the use of the Common Areas. Such rules as are adopted may be repealed or amended by a vote of a majority of the Board. The Board shall cause copies of all such rules and regulations, including any amendments or repeals thereof, to be delivered or mailed promptly to all Owners at least fifteen (15) days prior to the effective date thereof. Any rule or regulation promulgated by the Board shall be properly and consistently enforced by the Board.

ARTICLE VIII.

Procedures for Assessments

Section 8.01. Annual Accounting. Annually, after the close of each calendar year and prior to the date for notice of the annual meeting of the Association, the Board of Directors shall cause to be prepared and furnished to each Owner a financial statement, which statement shall show all receipts and expenses received, incurred, and paid by the Association during the preceding calendar year.

Section 8.02. Proposed Annual Budget. Annually, on or before the date for notice of the annual meeting of the Association, the Board of Directors shall cause to be prepared a proposed annual budget for the ensuing calendar year estimating the total amount of the Common Expenses for the ensuing year, and furnish a copy of such proposed budget to each Owner prior to the annual meeting. The proposed annual budget shall be submitted to the Owners at the annual meeting of the Association for adoption, and if so adopted, shall be the basis for the Regular Assessments (as defined in Section 8.03) for the ensuing calendar year. At the annual meeting of the Owners, the proposed annual budget may be approved in whole or in part, or may be amended in whole or in part, by a majority of the vote present or represented at the meeting (provided that a quorum is present); provided, however, that in no event shall the annual meeting of the Owners be adjourned until an annual budget is approved at such meeting.

Section 8.03. Regular Assessments. The annual budget as adopted shall, based on the estimated cash requirement for the Common Expenses in the ensuing year as set forth in said budget, contain a proposed assessment against each Unit based on the twenty-five percent (25%) interest in the Common Areas of each Unit times the total amount of said budget (herein called the "Regular Assessment"). The Regular Assessment against each Unit shall be paid in twelve (12) equal monthly installments, commencing on the first day immediately following adoption of the budget and continuing on the first day of each calendar month thereafter. Payment of the monthly installments of the Regular Assessment shall be made to the Board of Directors or the Managing Agent, as directed by the Board of Directors; provided, however, that any Owner may elect to pay monthly Assessments in advance. The Regular Assessment for each year shall become a lien on each separate Unit as of the date of the adoption of the annual budget. Each Unit Owner shall pay to the Association a Regular Assessment based on the Percentage Interest for each Unit for payment of the Common Expenses provided for in the annual budget, including expenses for maintenance and repair of the Common Areas, necessary insurance costs, reserve funds for replacements and maintenance, costs of operation of the community activities and facilities of the Association.

Section 8.04. Special Assessments. In addition to the Assessments authorized above, the Association may levy such special Assessments as may be necessary for the purpose of defraying, in
whole or in part: (1) the cost of any construction, reconstruction, repair or replacement of a capital improvement, including fixtures and personal property related thereto, and (2) the expense of any other contingencies or events not provided for in the annual budget or the reserves and working capital of the Association; provided that no special Assessments shall be levied without the assent of a majority of the Unit Votes cast at a meeting duly called for this purpose. Each Owner shall pay to the Association a special Assessment based on his Percentage Interest times total sum approved to meet the costs and expenses as heretofore provided. The Association may, in connection with the levy of any special Assessment, specify that the same shall be payable in installments and specify the due dates thereof.

Section 8.05. Adjustments. In the event that the approved budget and Regular Assessments plus the reserves and working capital of the Association prove insufficient to meet the Association's actual expenses in any year, such deficiencies may be corrected through one or more Special Assessments. In the event the approved and Regular Assessments exceed actual expenses in any year, such surplus shall be retained and used to offset expenses in the next year(s) or returned to the Owners in proportion to their Percentage Interests, as the Board of Directors shall elect.

Section 8.06. Temporary Budget and Assessments. If for any reason an annual budget and the annual Assessments for any year have not been determined as of the beginning of such year, the budget and Assessments in effect during the preceding year shall continue in effect until such time as the annual budget and annual Assessments are determined in accordance with the Declaration and these Bylaws; provided, however, that said preceding budget and Assessments may be increased by up to fifteen percent (15%) as the Board of Directors may deem necessary in said temporary budget and Assessments.

Section 8.07. Status of Funds Collected by Association. All funds collected pursuant to this Article VIII shall be held and expended by the Association solely for the purposes designated herein, and, except for any special Assessments that may be levied hereunder against less than all of the Owners, and except for such adjustments as may be required to reflect delinquent or prepaid assessments, shall be deemed to be held for the use, benefit, and account of all of the Owners for the payment of Common Expenses in accordance with the Owners' respective Percentage Interests.

ARTICLE IX.

Miscellaneous

Unless otherwise ordered by the Board of Directors, all written contracts and other documents entered into by the Association shall be executed on behalf of the Association by the President or the Secretary.

ARTICLE X.

Amendments

The power to make, alter, amend or repeal all or any part of these Bylaws is vested in the Owners and requires a majority of the vote. The Owners must provide notice to the directors, if they are different, of any meeting at which an amendment to the Bylaws is to be considered and voted upon.
