COVENANT FOR MAINTENANCE AND ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant for each Lot owned by it within The Properties hereby covenants and each purchaser of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay the Corporation: (1) annual assessments or charges; (2) special assessments for capital improvements, such assessment to be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due.

Section 2. Purpose of Assessments. The assessment levied by the Corporation shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the
residents in The Properties and in particular, for the improvement and maintenance of property, services and facilities devoted to this purpose and directly related to the use and enjoyment of the Common Properties and of the homes situated upon The Properties including, but not limited to, the payment of taxes and insurance for the Common Properties, installation and maintenance of street lights, the grass cutting, yard maintenance and snow removal of the Common Properties, and adjacent street rights-of-way, payment of applicable utility charges and repair, replacement and additions thereto and for the cost of labor, equipment, materials, management and supervision for the Common Properties, right-of-way areas, and all recreational facilities located thereon, all as may be approved by the Board of Directors, from time to time.

Section 3. Basis and Maximum of Annual Assessments. Until the year beginning January, 1986, the annual assessment shall be One Hundred Forty Four Dollars ($144.00) per Lot owned by Class A members of the Corporation. From and after January 1st, 1986, the annual assessment may be increased by vote of the members of the Corporation, as hereinafter provided, for the next succeeding two (2) years and at the end of each such period of two (2) years for each succeeding period of two (2) years. Notwithstanding the foregoing, Lots within The Properties owned in fee by the Class B members shall not be subject to annual assessments as provided herein, however, the Developer shall participate in and contribute to the expense of maintaining the Common Properties and right-of-way areas, as may be reasonably required in the best interests of The Properties.

The Board of Directors of the Corporation may, after consideration of current maintenance costs and future needs of the Corporation, fix the actual assessment for any year at a lesser amount.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized by Section 3 hereof, the Corporation may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or
reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Properties, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of two thirds (2/3) of each class of its membership, voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be given to all members at least thirty (30) days in advance and shall set forth the purpose of the meeting.

Section 5. Change in Basis and Maximum of Annual Assessments. Subject to the limitations of Section 3 hereof, and for the periods therein specified, the Corporation may change the maximum and basis of the assessments fixed by Section 3 hereof prospectively for any such period, provided that any such change shall have the assent of two-thirds (2/3) of each class of its membership, voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be given to all members at least thirty (30) days in advance and shall set forth the purpose of the meeting, provided further that the limitations of Section 3 hereof shall not apply to any change in the maximum and basis of the assessments undertaken as an incident to a merger of consolidation in which the Corporation is authorized to participate under its Articles of Incorporation and under Article II, Section 2 hereof.

Section 6. Quorum for Any Action Authorized Under Sections 4 and 5. The quorum required for any action authorized by Sections 4 and 5 hereof shall be as follows:

At the first meeting called, as provided in Sections 4 and 5 hereof, the presence at the meeting of members, or of proxies, entitled to cast sixty percent (60%) of all of the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirement set forth in Sections 4 and 5, and the required quorum at any such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding
meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence on the date fixed by the Board of Directors of the Corporation to be the date of commencement.

The first annual assessments shall be made for the balance of the calendar year and shall become due and payable on the day fixed for commencement. The assessments for any year after the first year, shall become due and payable on the first day of January of said year.

The amount of the annual assessment which may be levied for the balance remaining in the first year of assessment shall be an amount which bears the same relationship to the annual assessment provided for in Section 3 hereof as the remaining number of months in that year bears to twelve. The same reduction in the amount of the assessment shall apply to the first assessment levied against any property which is hereafter added to The Properties now subject to assessment at a time other than the beginning of any assessment period.

The due date of any special assessment under Section 4 hereof shall be fixed in the resolution authorizing such assessment, which resolution may authorize payment in equal installments no less often than monthly, provided the entire special assessment is paid during the calendar year to which it is applicable.

Section 8. Duties of the Board of Directors. The Board of Directors of the Corporation shall fix the date of commencement and the amount of the assessment against each Lot for each assessment period at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of The
Properties and assessments applicable thereto which shall be kept in the office of the Corporation and shall be open to inspection by any Owner.

Written notice of the assessment shall thereupon be sent out to every Owner subject thereto.

The Corporation shall, upon demand at any time, furnish to any Owner liable for said assessment a certificate in writing signed by an officer of the Corporation, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 9. Fund for Capital Expenditures. All sums assessed by the Corporation shall be determined and established by using generally accepted accounting principles approved on a consistent basis and shall include the establishment and maintenance of a replacement reserve fund for capital expenditures and replacement and repair of the Common Areas and facilities, which funds shall be used for those purposes and not for usual and ordinary repair expenses of the Common Areas and facilities. The said fund for capital expenditures in repair and replacement of Common Areas and facilities shall be maintained in a separate interest bearing account with a bank or savings and loan association authorized to conduct business in Johnson County, Indiana. Assessments collected for contribution to this fund shall not be subject to Indiana gross income tax or adjusted gross income tax.

Section 10. Effect of Nonpayment of Assessments; The Personal Obligation of the Owner; The Lien; Remedies of Corporation. If the assessments are not paid on the date or dates when due (being the dates specified in Section 7 hereof), then such assessment shall become delinquent and shall, together
with such interest thereon and cost of collection thereof as hereinafter provided, become a continuing lien on the property which shall bind such property in the hands of the then Owner, his heirs, devisees, successors and assigns. If, under Section 7 installment payments of special assessments have been authorized, then failure to pay any one installment within ten (10) days after the due date shall accelerate the payment of all installments and the entire unpaid balance of such assessment shall immediately become due and owing without further notice. The Grantee of any Lot in the Properties shall be jointly and severally liable with the Grantor for all unpaid assessments against the latter for his share of the Common Properties' expenses, as herein provided, incurred up to the time of the conveyance, without prejudice, however, to the Grantees' right to recover from the Grantor the amounts paid by the Grantee therefor. However, any such Grantee shall be entitled to a statement from the Corporation setting forth the amount of unpaid assessments against the Grantor and such Grantee shall not be liable for, nor shall the Lot so conveyed be subject to a lien for any unpaid assessments against the Grantor in excess of the amount certified by the Corporation to the Grantee.

If the assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the date of delinquency at the rate of thirteen percent (13%) per annum, and the Corporation may bring an action at law against the Owner personally obligated to pay the same or to foreclose the lien against the property and there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action, and in the event a judgment is obtained such judgment shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the court together with the costs of the action.
Section 11. **Subordination of Lien to Mortgages.** The lien of the assessment provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the Properties subject to assessment; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to the sale of such property pursuant to a decree of foreclosure of any such mortgage. Such sale shall not relieve such property from liability for any assessments thereafter becoming due nor from the lien of any such subsequent assessment.

Section 12. "Junior Lien" Provision. If any promises subject to the lien hereof shall become subject to the lien of a mortgage or deed of trust (1) the foreclosure of the lien hereof shall not operate to affect or impair the lien of the mortgage or deed of trust; and (2) the foreclosure of the lien of the mortgage or deed of trust or the acceptance of a deed in lieu of foreclosure by the mortgagee shall not operate to affect or impair the lien hereof, but said charges as shall have accrued up to the foreclosure on the acceptance of the deed in lieu of foreclosure shall be subordinate to the lien of the mortgage or deed of trust with the foreclosure purchaser or deed in lieu Grantee taking title free of the lien hereof for all such charges that have accrued up to the time of the foreclosure or deed given in lieu of foreclosure, but subject to the lien hereof for all said charges that shall accrue subsequent to the foreclosure or deed given in lieu of foreclosure.
