tion or transfer signed by two-thirds (2/3) of each class of mem-
ers has been recorded; and

(e) all other rights, obligations and duties as set forth in
this Declaration, as the same may be from time to time amended or

Section 3.4. Drainage, Utility, Sewer and Other Development
Easements.

(a) Declarant hereby reserves unto itself during the
Development Period, and thereafter unto any public or private
utility, an undefined easement ("Drainage, Utility and Sewer Easement") for drainage, utility and sewer purposes in, on and over all of the Common Area and Lots, so as to permit Declarant to properly install and allow to be maintained all electrical, telephone, water, gas, sanitary and storm sewer, television (including but not limited to cable and/or satellite) transmission facilities, security systems and other utility services (including all necessary lines, pipes, wires, cables, ducts, antennae and other equipment and facilities) to serve any Dwelling Unit constructed on the Property. Utility and Sewer Easement shall include all areas of the Property outside the Dwelling Units to be constructed by Declarant, with the exception of any areas covered by chimneys, or patios. Improvements or permanent structures installed within the Common Area are subject to the rights (including the right to remove where reasonably necessary without duty of replacement or reimbursement) of the Declarant and any public or private utility to construct, maintain, repair or remove any necessary facilities. This easement shall be in addition to any easement defined upon a Plat of the Property as a drainage, utility, transmission, flowage or similar type easement.

(b) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, an easement and right-of-way in and to any areas now or hereafter shown on the Plat as "Common Area - Lake," and an easement ("Lake Easement") of ingress and egress through so much of the remainder of the Property as is reasonably necessary or appropriate, to perform such actions as Declarant or the Association deem necessary or appropriate for the purpose of establishing and maintaining proper surface water drainage throughout the Property, including the construction, repair and maintenance of retention and detention ponds or lakes in accordance with the requirements of applicable law and of all governmental agencies having jurisdiction (without undertaking any obligation or duty to exceed such requirements).

(c) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, the right and an undefined easement ("Sign and Facilities Easement") to install, erect, construct and maintain an entryway sign or signs, directional signs, lighting, walkways, pathways, fences, walls and any other landscaping, architectural and recreational features or facilities considered necessary, appropriate, useful or convenient, anywhere upon the Property (except upon any Lot after the first conveyance thereof). Any signs shall comply with any applicable zoning requirements and all such facilities shall be maintained by the Association as a part of its Common Area maintenance obligations.

(d) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, the full right, title and authority to:
(i) relocate, alter or otherwise change the location of any Drainage, Flowage, Utility, Sewer and Lake, Sign and Facilities Easement, or any facility at any time located therein or thereon;

(ii) grant such further easements, licenses and rights-of-way, temporary or permanent, exclusive or non-exclusive, surface or otherwise, as Declarant may deem necessary or appropriate, for ingress and egress, utility and similar purposes on or within any portion of the Property, for the benefit of any of the real estate described in Exhibit "A;" and,

(iii) describe more specifically or to change the description of any Drainage, Flowage, Utility, Sewer, Lake, Sign and Facilities Easement or any other easement, license or right-of-way now or hereafter existing on the Property, by written instrument, amended Plat or amendment to the Plat recorded in the Office of the Recorder of Marion County, Indiana.

(e) The title of the Association (as to the Common Area during the Development Period) and of any Owner of any Lot shall be subject to the rights and easements reserved herein. Provided, however, that the rights reserved in this Section 3.4 shall not be exercised after the conveyance of any Lot in a manner that unreasonably and adversely affects any Dwelling Unit or portion thereof located upon such Lot or the Owner's use or enjoyment thereof, or which unreasonably restricts the rights of ingress and egress to such Lot. The rights and easements reserved by Declarant in this Section 3.4 shall run with the land, and Declarant's right to further alter or grant easements shall automatically terminate and pass to the Association one (1) year after Declarant shall have conveyed the last Lot within the Property.

Section 3.5. Easement for Emergency Purposes. An easement is hereby dedicated and granted for use in the case of an emergency by emergency vehicles such as fire trucks, police cars and ambulances and emergency personnel, public and private, over and upon the Common Area.

Section 3.6. Encroachments and Easements for Buildings. If, by reason of the location, construction, settling or shifting of a Dwelling Unit, any part of a residence appurtenant to a Lot (hereinafter in this Section 3.6 referred to as the "Encroaching Unit") now encroaches or shall hereafter encroach upon any minor portion of any other adjacent Lot or any Common Area, then in such event, an exclusive easement shall be deemed to exist and run to the Owner of the Encroaching Unit for the maintenance, use and enjoyment of the Encroaching Unit and all appurtenances thereto.

Section 3.7. Fee Title to Lot. The fee title to any Lot described as bounded by any street, lane, walkway, park, play-
ground, lake, pond, or any other common property which has not been dedicated or accepted by the public and the fee title to any Lot shown on the recorded plat of Eagle Cove as abutting upon any such common property shall not extend upon such common property and the fee title to such common property is reserved to the grantor to be conveyed to the Eagle Cove Homeowners Association for the common enjoyment of all residents in Eagle Cove.

Section 3.8. Street Dedication. All streets now or hereafter located upon the Property are hereby dedicated to the public.

ARTICLE IV

Association Membership, Voting Rights,
Board of Directors and Professional Management

Section 4.1. Membership. Initially, the person(s) who serve as incorporator(s) of the Association shall be the member(s) (the "Initial Member(s)"). The Initial Member(s) shall remain member(s) of the Association until the Association Articles of Incorporation are accepted by the Indiana Secretary of State, at which time the Initial Member(s) shall cease to be member(s) unless they also qualify as Class A or Class B members. Every Owner of a Lot which is subject to assessment shall be a member of the Association. Apart from the Initial Member(s), a membership in the Association shall be appurtenant to and may not be separated from ownership of any Lot.

Section 4.2. Classes of Membership and Voting Rights. The Association shall have two classes of voting membership:

Class A. Class A members shall be all Owners with the exception of the Declarant. Class A members shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as the members holding an interest in such Lot determine among themselves, but in no event shall more than one vote be cast with respect to any Lot.

Class B. The Class B member shall be the Declarant. The Declarant shall be entitled to three (3) votes for each Lot owned. For purposes of this calculation, it shall be assumed that Declarant owns 140 Lots, which number shall be reduced as Lots are conveyed by the Declarant to an Owner. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier: (a) when the total number of votes outstanding in the Class A membership is equal to the total number of votes outstanding in the Class B membership; or, (b) last day of ______________, 1991.

860018608
Section 4.3. Board of Directors. The Owners shall elect a Board of Directors of the Association as prescribed by the Association's Articles and By-Laws. The Board of Directors shall manage the affairs of the Association. Directors need not be members of the Association.

Section 4.4. Professional Management. No contract or agreement for professional management of the Association, nor any other contract between Declarant and the Association, shall be for a term in excess of three (3) years. Any such agreement or contract shall provide for termination by either party with or without cause and without payment of any termination fee upon written notice of ninety (90) days or less.

ARTICLE V

Covenant for Maintenance Assessments

Section 5.1. Creation of the Lien and Personal Obligation of Assessments. Declarant, for each Lot now or hereafter owned by it within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

(a) Regular Monthly Assessments (for maintenance, repairs and ordinary operating expenses);

(b) Special Assessments for capital improvements and operating deficits, as provided in Section 5.5, and for special maintenance or repairs as provided in Sections 6.14 and 7.1.

Such assessments shall be established, shall commence upon such dates and shall be collected as hereinafter provided. All such assessments, together with interest, costs and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorneys fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to such Owner's successors in title unless expressly assumed by them.

Section 5.2. Roadway Maintenance. The Association shall be responsible for the maintenance of the roadways in the Property, unless they are accepted for public dedication. In such case, a portion of the Regular Monthly Assessment shall be set aside in a separate insured interest-bearing account for the purpose of maintaining, repairing and replacing the roadways (the "Roadway Assessment"). Any Roadway Assessment shall not be mingled with.
any other funds or used for any other purpose, except as set forth in this Section 5.2.

Section 5.3. Purpose of Regular Monthly Assessments. The Regular Monthly Assessments levied by the Association shall be used exclusively, in the reasonable discretion of the Board of Directors of the Association, for the promotion of the recreation, health, safety and welfare of the residents in the Property, for the improvement, maintenance and repair of the Common Area, for the performance of the obligations and duties of the Association and for other purposes only as specifically provided herein. A portion of the Regular Monthly Assessments shall be set aside or otherwise allocated in a reserve fund for the purpose of providing repair and replacement of the Common Area, and other capital improvements which the Association is required to maintain.

Section 5.4. Maximum Regular Monthly Assessments.

(a) Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum Regular Monthly Assessment on any Lot shall be $44.00 per Lot.

(b) From and after January 1 of such year, the maximum Regular Monthly Assessment may be increased each calendar year not more than 10% above the maximum Regular Monthly Assessment for the previous year without a vote of the membership.

(c) From and after January 1 of such year, the maximum Regular Monthly Assessment may be increased each calendar year by more than 10% above the maximum Regular Monthly Assessment for the previous year, with the approval of two-thirds (2/3) of those members of each class of members who cast votes in person or by proxy at a meeting duly called for this purpose.

(d) The Board of Directors from time to time may fix the Regular Monthly Assessment, without any vote of the membership, at any amount not in excess of the maximum.

Section 5.5. Special Assessments for Capital Improvements and Operating Deficits. In addition to the Regular Monthly Assessments authorized above, the Association may levy a Special Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement which the Association is required to maintain, or to recover any operating deficits which the Association may from time to time incur, provided that any such assessment shall have the assent of two-thirds (2/3) of those members of each class of members who cast votes in person or by proxy at a meeting duly called for this purpose.

860018608
Section 5.6. Notice and Quorum for Any Action Authorized
Under Section 5.4 and 5.5. Written notice of any meeting called
for the purpose of taking any action authorized under Section 5.4
and 5.5 shall be sent to all members not less than thirty (30)
days nor more than sixty (60) days in advance of the meeting. At
the first such meeting called, the presence of members or of
proxies entitled to cast sixty percent (60%) of all the votes of
each class of the membership shall constitute a quorum. If the
required quorum is not present, another meeting may be called
subject to the same notice requirement, and the required quorum
at the subsequent meeting shall be one-half (1/2) of the required
quorum at the preceding meeting. No such subsequent meeting
shall be held more than sixty (60) days following the preceding
meeting.

Section 5.7. Uniform Rate of Assessment. Regular Monthly
Assessments and Special Assessments for capital improvements and
to recover operating deficits must be fixed at a uniform rate for
all Lots except that Declarant shall pay only twenty-five percent
(25%) of the Regular Monthly Assessments and Special Assessments
so long as any Dwelling Unit constructed upon a Lot by Declarant
has not been conveyed to an Owner by the Declarant or is not used
as a residence.

Section 5.8. Date of Commencement of Monthly Assessments;
Due Dates. The Regular Monthly Assessment provided for herein
shall commence as to each Lot on the first day of the first month
following the conveyance of the Common Area. The Board of Direc-
tors shall fix any increase in the amount of the monthly assess-
ments at least thirty (30) days in advance of the effective date
of such increase. Written notice of any increase in the Regular
Monthly Assessment, and written notice of any Special Assessment
and such other assessment notices as the Board of Directors shall
decide appropriate, shall be sent to every Owner subject thereto.
The due dates for all assessments, and the assessment and collec-
tion period (i.e., annual, monthly, lump-sum or otherwise) for
any Special Assessments, shall be established by the Board of Direc-
tors. The Association shall, upon demand, and for a reason-
able charge, furnish a certificate in recordable form signed by
an Officer of the Association setting forth whether the assess-
ments on a specified Lot have been paid. A properly executed
certificate from the Association regarding the status of assess-
ments for any Lot shall be binding upon the Association as of the
date of its issuance.

Section 5.9. Effect of Nonpayment of Assessments; Remedies
of the Association. If any assessment (or periodic installment
of such assessment, if applicable) is not paid on the due date
established therefor pursuant to Section 5.8 hereof, then the
entire unpaid assessment (together with interest thereon, costs
and attorneys' fees as hereinafter provided and as provided in
Section 5.1) shall become delinquent and shall constitute a con-
tinuing lien on the Lot to which such assessment relates, binding upon the then Owner, his heirs, devisees, successors and assigns. The personal obligation of the then Owner to pay such assessments, however, shall not pass to such Owner's successors in title unless expressly assumed by them. If any assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of eight percent (8%) per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property, or both. In such event, there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action; and in the event a judgment is obtained such judgment shall include interest on the assessment as above provided, costs of the action and reasonable attorneys' fees to be fixed by the Court. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 5.10. Subordination of the Lien to Mortgages; Sale or Transfer. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The sale or transfer of any Lot pursuant to the foreclosure of any first mortgage on such Lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer. No sale or transfer of any Lot (whether voluntary or pursuant to foreclosure or otherwise) shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof; and, except as hereinabove provided, the sale or transfer of any Lot shall not affect the lien of assessments becoming due prior to the date of such sale or transfer except to the extent that a purchaser may be protected against the lien for prior assessments by a binding certificate from the Association, issued pursuant to Section 5.8, as to whether or not such assessments have been paid.

Section 5.11. Declarant's Responsibility to Cover Deficits or Shortages. The Declarant shall cover any deficit or shortage in the funds necessary to operate the Association that may arise in the development until such time as control of the Association is transferred to the Class A members.

ARTICLE VI

Use Restrictions and Architectural Control

Section 6.1. Lot Use and Conveyance. All Lots shall be used exclusively for residential purposes, except that Declarant, during the Development Period, reserves (a) the rights provided in Sections 6.10 and 6.20 respecting the Property generally, and
(b) the right to subdivide, dedicate or otherwise convey or
designate all or any portion of any one or more Lots which it may
own from time to time for recreational or other common uses and
benefit of all Owners and other members of the Association. Any
Lot or portion thereof so designated for common use shall become
part of the Common Area, and reasonable rules and regulations
shall be promulgated and enforced with respect thereto so that
the use and enjoyment of adjacent Lots by the Owners thereof
shall not be unreasonably disturbed. Except as provided in the
Declaration, no Lot shall be subdivided to form units of less
area. Each Lot shall be conveyed as a separately designated and
legally described freehold estate subject to the covenants, con-
ditions and restrictions contained herein.

Section 6.2. Architectural Control. No building, fence,
wall or other structure, except original construction of Dwelling
Units by or on behalf of Declarant, shall be commenced, erected
or maintained upon the Property, nor shall any exterior addition
or change or alteration therein, other than by the Declarant
or Board of Directors, be made until the plans and specifications
showing the nature, kind, shape, height, materials, color and
location of the same shall have been submitted to and approved in
writing as to harmony of external design and location in relation
to surrounding structures and topography by the Board of Direc-
tors of the Association, or by an architectural committee com-
posed of three (3) or more representatives appointed by the
Board. Any change in the appearance or the color of any part of
the exterior of a residence shall be deemed a change thereto and
shall require the approval therefor above provided. In the
event that written approval is not received as required hereunder
within thirty (30) days after complete plans and specifications
have been submitted, approval will not be required and this Sec-
tion will be deemed to have been fully complied with. This Sec-
tion 6.2 shall not apply to repair or replacement of existing
materials or improvements by use or type of material or improve-
ment originally used. For example, an Owner would not have to
seek permission in order to repaint his Dwelling Unit the origi-
nal color or reroof his home with a shingle that is substantially
identical to the originally installed shingle.

Section 6.3. Leasing of Lots.

(a) Any Lot may be leased by the Owner, subject to
compliance with the following requirements:

(i) All leases shall be in writing, and no lease shall
be entered into for a term of less than one (1) year without the
prior approval of the Board of Directors.

(ii) All leases shall contain provisions adequate to
require the Lessee to comply with the provisions of this
Declaration and the By-Laws of the Association, and with all
rules and regulations promulgated by the Association from time
to time, to the same extent as if the lessee were an Owner and a
member of the Association; and shall provide for direct action by
the Association against the lessee with or without joinder of the
Owner, at the Association's option.

(iii) All leases shall make the lessee personally liable
(jointly and severally with the Owner) for assessments levied by
the Association during the term of the lease pursuant to the
terms of this Declaration and the By-Laws, to the same extent as
if the lessee were the Owner and a member of the Association, and
shall expressly subordinate the lessee's interest to the lien of
the assessments provided for in this Declaration. Provided,
however, that a lessee may be protected against the lien for
assessments due prior to the date of the lease by procuring a
binding certificate from the Association, as provided in the
Declaration, as to whether or not such assessments have been paid.

(iv) No lease shall provide, or be interpreted or
construed to provide, for a release of the Owner from his respon-
sibility to the Association for compliance with the provisions of
this Declaration, the By-Laws and any rules and regulations of
the Association, or from the Owner's personal liability to the
Association for assessments. This requirement shall not be
construed to prohibit indemnity provisions as between the Owner
and lessee.

(b) Any Owner desiring to enter into a lease for his Lot
shall submit the form of the proposed lease to the Board of
Directors (which form need not include the identity of the lessee
or the rental amount) for review for compliance with the require-
ments of this Section 6.3. The Board of Directors may employ an
attorney in connection with any such review, and a reasonable fee
may be charged to the applicant to offset the expense so incurred.
In the event the Board fails to approve or disapprove the lease
within fifteen (15) days after submission by the applicant, the
lease shall be deemed approved. A copy of each lease by an Owner
shall be provided to the Board of Directors by the Owner within
thirty (30) days after execution.

(c) Subject to any contrary provisions set forth in any
lease of a Lot, each lease shall be deemed to transfer to the
lessee during the term of such lease all rights, privileges,
obligations and limitations attendant to membership in the
Association, including (except in the case of lease by Declarant)
an irrevocable proxy to exercise the Owner's voting rights appur-
tenant to the leased Lot in all elections and on all issues
presented for a vote of members, except any vote upon:

(i) an amendment to the Declaration, the Articles or
By-Laws:
(ii) annexation of additional property; 860018608

(iii) a Special Assessment for a capital improvement pursuant to Section 5.5; or,

(iv) mortgage or dedication of all or any portion of the Common Area pursuant to Section 3.1 or Section 3.4.

(d) The provisions of paragraphs (a) and (c) of this Section 6.3 shall apply to a lease by Declarant, after a Lot is owned by it for more than one (1) year, and Declarant shall be deemed for all purposes to retain all voting rights in the Association appurtenant to all Lots owned by it, notwithstanding any lease or any inconsistent provisions contained in any lease. Declarant shall not be required to submit any lease or leases to the Board of Directors for review as to form. However, within thirty (30) days after entering into any lease of a Lot, Declarant shall provide to the Board of Directors a written notice setting forth the location of the Lot, the term of the lease and the identity of the lessee.

(e) Any lease or attempted lease of a Lot in violation of the provisions of this Section 6.3 shall be voidable at the election of the Association or any other party having the right to enforce the provisions of this Declaration, except that neither party to such lease may assert this provision of this Section 6.3 to avoid its obligations thereunder.

Section 6.4. Signs. During the Development Period, no "for sale" or other advertising signs of any kind (other than interior window signs) shall be displayed on any Lot without the prior written approval of Declarant. Thereafter, the placement of "for sale" or advertising or other signs of any nature, kind or description anywhere on the Property shall be subject to such reasonable rules and regulations as may be adopted by the Association.

Section 6.5. Home Occupations. No home occupation shall be conducted or maintained on any Lot other than one which is incidental to a business, profession or occupation of the Owner or occupant of any such Lot, and which is generally or regularly conducted in another location away from such Lot.

Section 6.6. Animals. No animals, livestock or poultry of any kind shall be raised, bred or kept on any of said Lots, except that dogs, cats or other household pets may be kept provided they are not kept, bred or maintained for any commercial purposes.

Section 6.7. Outside Storage. All clotheslines, equipment, garbage cans, service yards, woodpiles or storage piles shall be kept from view of neighboring homes and streets. All rubbish,
trash or garbage shall be regularly removed from the premises, and shall not be allowed to accumulate thereon. Trash may be stored in such enclosed containers, if any, provided by the Association for that purpose. All clotheslines shall be confined to patio areas.

Section 6.8. Outside Use of Lots. Except in an individual patio area appurtenant to a Dwelling Unit, no planting or gardening shall be done, and no fences, hedges, walls or other improvements shall be erected or maintained upon the Property except such as are installed in accordance with the initial construction of the buildings located thereon or as approved by the Association's Board of Directors or their designated representatives. Except for the right of ingress and egress, the Owners of Lots are hereby prohibited and restricted from using any of the Property outside the exterior building lines, patio and carport areas, except as may be allowed by the Association's Board of Directors. It is expressly acknowledged and agreed by all parties concerned that this paragraph is for the mutual benefit of all Owners of Lots in the Eagle Cove subdivision and is necessary for the protection of said Owners.

Section 6.9. Setback Lines. Front and rear building setback lines are established on the Plat which setback lines are incorporated herein by this reference.

Section 6.10. Side Setbacks. Adjacent Dwelling Units may be attached. If a Dwelling Unit is not attached, there shall be at least ten feet (10') between it and any adjacent Dwelling Unit.

Section 6.11. Number of Dwelling Units. The number of Dwelling Units shall not exceed the number of platted lots within the Property.

Section 6.12. Dwelling Unit Direction. Dwelling Units located upon Lots 46 and 49 shall face Eagle Cove East Drive. Dwelling Units located upon Lots 1 and 35 shall face Eagle Cove West Drive. Dwelling Units located upon Lots 131 and 132 (if platted) shall face Eagle Cove West Drive.

Section 6.13. Parking. No parking shall be allowed within street right-of-way. All Parking Units adjacent to any lake located upon the Property shall have two (2) car garages with automatic garage door openers.

Section 6.14. Unsightly Growth. In order to maintain the standards of the Property, no weeds, underbrush or other unsightly growths shall be permitted to grow or remain upon any land, and no refuse pile or unsightly objects shall be allowed to be placed or suffered to remain anywhere thereon. Failure to comply shall warrant the Declarant or DMD. to cut weeds or clear the refuse from the Property at the expense of the Owner, and
there shall be a lien against said Property for the expense thereof, which lien shall be due and payable immediately. If such lien is not promptly paid, the Association or DMD may file suit and recover such amount together with reasonable attorneys fees and costs of collection.

Section 6.15. Nuisances. No nuisance shall be permitted to exist or operate upon the Property.

Section 6.16. Site Visability. No fence, wall, hedge or shrub planting which obstructs sight lines at elevations between two (2) feet and six (6) feet above the street shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting points twenty-five (25) feet from the intersection of said street lines, or in the case of a rounded property corner from the intersection of the street lines extended. The same sightline limitations shall apply to any lot within ten (10) feet from the intersection of a street line with the edge of a driveway pavement or alley line. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.

Section 6.17. Boats, Trucks, Etc. No boats, campers, trailers of any kind, recreational vehicles or commercial vehicles of any kind shall be permitted to park on the Property for more than four (4) hours unless fully enclosed inside a building, or unless the same is necessary and incident to the Declarant or Association's business on the Property.

Section 6.18. Lake Area. Access to the Lake is restricted to the Common Area adjacent to the Lake except for those individuals whose Dwelling Units are immediately adjacent to the Lake. No individual using the Lake has the right to trespass upon shoreline not within a Common Area, subject to the rights of the Declarant, the Association, their employees, heirs, successors and assigns as set forth in the Declaration. No one shall do or permit any action or activity which could result in pollution of the Lake, diversion of water, elevation of Lake level, earth disturbance resulting in silting or any other conduct which could result in an adverse effect upon water quality, drainage or proper lake management except as provided in the Declaration. The Lake may not be used for swimming, boating, fishing or for any other purpose, except for drainage of the Property, unless expressly approved by the Association Board of Directors in writing and allowed by law. Only the Declarant and the Association shall have the right to store items or develop recreational facilities upon any Common Area adjacent to the Lake.

Section 6.19. Rules and Regulations. The Board of Directors from time to time may promulgate further rules and regulations concerning the use of Lots and the Common Area. A majority of
those Owners voting at a meeting called for the purpose may rescind or modify any rule or regulation adopted by the Board of Directors. Copies of all rules and regulations shall be furnished by the Board to all Owners, at the Owner's last known address, prior to the time when the same shall become effective. The Association shall have current copies of the Declaration, Articles and By-Laws, and other rules concerning the Property as well as its own books, records and financial statements available for inspection by Dwelling Unit Owners or by holders, insurers and guarantors of first mortgages, that are secured by Dwelling Units in the Property. These documents shall be available during normal business hours or under other reasonable circumstances.

Section 6.20. Development and Sale Period. Nothing contained in this Article VI shall be construed or interpreted to restrict the activities of Declarant in connection with the development of the Property and sale of Lots. During the Development Period, Declarant shall be entitled to engage in such activities and to construct, install, erect and maintain such facilities, upon any portion of the Property at any time owned or leased by Declarant, as in the sole opinion of Declarant may be reasonably required, or convenient or incidental to, the development of the Property and sale of the Lots; such facilities may include, without limitation, storage areas, signs, parking areas, model residences, construction offices, sales offices and business offices.

ARTICLE VII

Maintenance of Lots

Section 7.1. Maintenance by Owners. Each Owner shall be responsible for the exterior maintenance of all improvements on his Lot. However, if a Dwelling Unit owner shall fail to maintain the exterior of his Unit, or to keep it looking good, or to keep his Lot and lawn well-kept and in a good, clean and sanitary condition, the Association may, after approval by two-thirds (2/3) vote of the Board of Directors, require, by Court or otherwise, that the Owner perform such maintenance or other work and/or the Association shall have the right, through its agents and employees, to enter the Lot and perform such maintenance and/or other work at the Owner's expense, and the cost thereof shall be due and payable immediately as an addition to the Owner's regular assessment, and shall be secured by the Association's lien on such Lot.

Section 7.2. Lawn Maintenance and Other Work. The Association may agree with individual Owners to perform lawn and other maintenance work for such Owners, provided the following conditions are met:
(a) The owner is charged a reasonable fee for such maintenance work that is designed to reimburse the Association for the cost thereof;

(b) The Association is willing to perform similar work for any other owners in Eagle Cove;

(c) There shall be no discrimination among the owners in the performance of any such work.

ARTICLE VIII

Party Walls

Section 8.1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of two or more dwelling units constructed upon the property and placed on the dividing lines between the dwelling units shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 8.2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared equally by the owners who make use of the wall in proportion to such use.

Section 8.3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any owner who has used the wall may restore it, and if the other owners thereafter make use of the wall, he shall contribute to the cost of restoration thereof in equal proportions without prejudice, however, to the right of any such owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 8.4. Weatherproofing. Notwithstanding any other provisions of this Article, an owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 8.5. Right to Contribution Runs with Land. The right of any owner to contribution from any other owner under this Article shall be appurtenant to the land and shall pass to such owner's successors in title.

Section 8.6. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, each party shall choose one arbitrator, and such
arbitrators shall choose one additional arbitrator, and the decision shall be a majority of all the arbitrators. (Should any party refuse to appoint an arbitrator within ten (10) days after written request therefor, the Board of Directors of the Association shall select an arbitrator for the refusing party).

ARTICLE IX

Insurance

Section 9.1. Casualty Insurance on Insurable Common Area. The Association shall keep all insurable improvements and fixtures of the Common Area insured against loss or damage by fire for the full insurance replacement cost thereof, and may obtain insurance against such other hazards and casualties as are customarily covered for similar types of projects, including those covered by the standard "all risk" endorsements. The Association may also insure any other property whether real or personal, owned by the Association, against loss or damage by fire and such other hazards as the Association may deem desirable, with the Association as the owner and beneficiary of such insurance. The insurance coverage with respect to the Common Area shall be written in the name of, and the proceeds thereof shall be payable to the Association. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried. Premiums for all insurance carried by the Association are Common Expenses included in the Regular Monthly Assessments made by the Association.

Section 9.2. Liability Insurance. The Association shall purchase a master comprehensive general liability insurance policy in such amount or amounts as the Board of Directors shall deem appropriate from time to time. Such comprehensive general liability insurance policy shall cover the Association, its Board of Directors, any committee or organ of the Association or Board of Directors, all persons acting or who may come to act as agents or employees of any of the foregoing with respect to the Association. It shall also cover all Common Areas, public ways and any other areas under the Association's control or supervision.

Section 9.3. Fidelity Bonds. The Association shall have blanket fidelity bonds for anyone who either handles or is responsible for funds held or administered by the Association, whether or not they receive compensation for their services. The Association bonds shall name the Association as the obligee and the premium shall be paid as a common expense by the Association. Any management agent that handles funds for the Association shall be covered by its own fidelity bond, which must provide the same coverage required of the Association. The Association shall be named as an additional obligee in the management agent's bond. The fidelity bond shall cover the maximum funds that will be in
the custody of the Association or its management agent at any
time while the bond is in force. In addition, the fidelity bond
coverage must at least equal the sum of three months' assessments
on all Dwelling Units in the Property, plus the Association's
reserve funds. The fidelity bonds must include a provision that
calls for ten days' written notice to the Association or
insurance trustee before the bond can be cancelled or substan-
tially modified for any reason. The same notice must also be
given to each servicer that services a Fannie Mae owned mortgage
in the Property.

Section 9.4. Miscellaneous Insurance Provisions. The
Association shall obtain any other insurance required by law
to be maintained, including but not limited to workmen's compen-
sation insurance, and such other insurance as the Board of
Directors shall from time to time deem necessary, advisable or
appropriate. Such insurance coverage shall also provide for and
cover cross liability claims of one insured party against another
insured party. Such insurance shall inure to the benefit of the
Association, its Board of Directors and any managing agent acting
on behalf of the Association.

Section 9.5. Casualty and Restoration. Damage to or
destruction of any Common Area due to fire or any other casualty
or disaster shall be promptly repaired and reconstructed by the
Association and the proceeds of insurance, if any, shall be
applied for that purpose. For purposes of this Section, repair,
reconstruction and restoration shall mean construction or
rebuilding of the damaged property to as near as possible the
same condition as it existed immediately prior to the damage or
destruction, with the same or a similar type of architecture.

Section 9.6. Insufficiency of Insurance Proceeds. If the
insurance proceeds received by the Association as a result of any
such fire or any other casualty or disaster are not adequate to
cover the cost of repair and reconstruction, or in the event
there are no insurance proceeds, the cost for restoring the
damage and repairing and reconstructing the Common Area or any
improvements damaged or destroyed (or the costs thereof in excess
of insurance proceeds received, if any) shall be paid by the
Association which shall then have the right to levy a special
assessment against all Lots for such deficiency.

Section 9.7. Surplus of Insurance Proceeds. In the event
that there is any surplus of insurance proceeds after the
reconstruction or repair of the damage has been fully completed
and all costs paid, such sums may be retained by the Association
as a reserve or may be used in the maintenance and operation of
the Property, or, in the discretion of the Board of Directors,
may be distributed to the Owners or the Buildings affected and
their Mortgagors who are the beneficial owners of the fund. The
action of the Board of Directors in proceeding to repair or
reconstruct damage shall not constitute a waiver of any rights against another Owner for committing willful or malicious damage.

ARTICLE X

Mortgagees

Section 10.1. Mortgagee Rights. In addition to any other rights provided elsewhere in this Declaration to mortgagees, any lender or lenders holding a first mortgage or first mortgages upon any Lot or Lots, jointly or singly, may pay any real estate taxes or other taxes or charges which are in default and which may have become a charge or lien against any Common Area or any other property owned by the Association; and may pay any overdue premiums on any hazard, casualty, liability or other insurance policies or secure new insurance coverage on the lapse of any policies for any such property owned by the Association covering any property for which the Association has an obligation to maintain insurance coverage. Any such lender or lenders making payments in accordance with this Section 10.1 shall be entitled to immediate reimbursement therefor from the Association along with any costs incurred, including reasonable attorneys' fees.

Section 10.2. Notice to Mortgagees. The Association, upon request, shall provide to any lender holding a first mortgage upon any Lot, a written certificate or notice specifying unpaid assessments and other defaults of the Owner of such Lot, if any, in the performance of such Owner's obligations under this Declaration, the Articles of Incorporation of the Association, its By-Laws or any other applicable documents, which default has not been cured within sixty (60) days. A reasonable charge may be made by the Association for the issuance of any such certificate or notice, and any such certificate properly executed by an officer of the Association shall be binding upon the Association, as provided in Section 5.8.

Section 10.3. Condemnation and Insurance Awards. No provisions of this Declaration, or any amendment thereto, shall give an Owner, or any other party, priority over any rights of the first mortgagee of a Lot pursuant to its mortgage in the case of a distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of Common Area property.

Section 10.4. Right of First Refusal. Any "right of first refusal" in the Declaration, Association Articles, Association By-Laws or any other document governing the development and administration of the Property will not impair the rights of a first mortgagee to:

(a) foreclose or take title to a Dwelling Unit, and the Lot upon which the Dwelling Unit is situated, pursuant to the remedies in the mortgage.
(b) accept a deed or assignment in lieu of foreclosure in the event of default by a mortgagor; or

(c) sell or lease a unit acquired by the mortgagee.

Section 10.5. Unpaid Dues or Charges. Any first mortgagee who obtains title to a Dwelling Unit, and the Lot upon which the Dwelling Unit is situated, pursuant to the remedies in the mortgage or through foreclosure, will not be liable for the Dwelling Unit's unpaid dues or charges accrued before the acquisition of the title to the Unit by the mortgagee.

Section 10.6. Audited Statements. The Association must provide an audited statement for the preceding fiscal year if the holder, insurer or guarantor of any first mortgage that is secured by a Dwelling Unit in the Property submits a written request for it.

ARTICLE XI

Annexation

Section 11.1. Property Subject to Annexation by Declarant. Declarant reserves the right to annex additional lands within the area described in Exhibit "C" without the consent of the Owners, or any other party within seven (7) years from the recordation date of the Declaration. The number of Dwelling Units within the total development shall be limited to 140.

Section 11.2. Effective Date for Assessments and Voting Rights. The regular assessment provided for in the Declaration shall commence as to each Lot within the annexed area on the first day of the first month following the conveyance of any common area within the annexed area. If there is no common area within the annexed area, the regular monthly assessments shall commence as to each Lot on the first day of the first month following the recording of the Plat of any annexed area. Voting rights of the Owners of the Lots within the annexed property shall be effective upon the same date, except the Declarant shall have the voting rights provided for in Article IV, Section 4.2.

Section 11.3. Improvements. All improvements intended for future phases will be substantially completed prior to annexation. Any future improvements will be consistent with the initial improvements within the Property in terms of quality of construction.

Section 11.4. Equality of Rights. All Lot Owners within an annexed area shall have the same rights, liabilities and obligations as any other Owner within the Property.
Section 11.5. Annexation Document. Annexation shall be by written document including, but not necessarily limited to, the following information:

(a) a description of the property to be annexed;

(b) the identity of the Declarant;

(c) the effective date of annexation;

(d) a description of the Common Area to be owned by the Association;

(e) a cross-reference to this Declaration, as amended; and

(f) any other information which the Declarant may deem necessary to identify the annexed area.

Section 11.6. Annexation of Other Areas. Additional land outside of the area described in Exhibit "C" may be annexed to the Property with the consent of FNMA eligible mortgage holders representing at least 67 percent of the votes of the mortgaged units and with the consent of two-thirds (2/3) of each class of members.

Section 11.7. FHA/VA Approval. If the Property has been approved for FHA/VA insured issued mortgage financing, the FHA and the VA must first determine that the annexation, whether by Declarant or otherwise, is in accord with the general plan heretofore approved by them.

ARTICLE XII

General Provisions

Section 12.1. Right of Enforcement. In the event of a violation, or threatened violation, of any of the covenants, conditions and restrictions herein enumerated, Declarant, the Association or any Owner and all parties claiming under them shall have the right to enforce the covenants, conditions and restrictions contained herein, and pursue any and all remedies, at law or in equity, available under applicable Indiana law, with or without proving any actual damages, including the right to secure injunctive relief or secure removal by due process of any structure not in compliance with the covenants, conditions and restrictions contained herein, and shall be entitled to recover reasonable attorneys' fees and the costs and expenses incurred as a result thereof.

Section 12.2. Severability and Waiver. Invalidation of any one of the covenants, restrictions or provisions contained in
this Declaration by judgment or court order shall not in any way affect any of the other provisions hereof, which shall remain in full force and effect. No delay or failure by any person to enforce any of the restrictions or to invoke any available remedy with respect to a violation or violations thereof shall under any circumstances be deemed or held to be a waiver by that person of the right to do so thereafter, or as estoppel of that person to assert any right available to him upon the occurrence, recurrence or continuation of any violation or violations of the restrictions.

Section 12.3. Amendment. During the first twenty (20) years following its recitation, this Declaration may be amended or modified at any time by an instrument recorded in the Office of the Recorder of Marion County, Indiana, approved and signed by at least ninety percent (90%) of the then Owners, and thereafter by an instrument signed by at least seventy-five percent (75%) of the then Owners. Provided, however, that none of the rights or duties of Declarant reserved or set out hereunder may be amended or changed without Declarant's prior written approval. Except as prohibited below, this Declaration may also be amended by Declarant, if it then has any ownership interest in the Property, at any time within two (2) years after the recording hereof. Any amendment must be recorded. Neither the Association, the Owners or Declarant shall effect any of the following changes without the prior written approval of two-thirds (2/3) of the first mortgagees of the Lots (based upon one (1) vote for each mortgage owned) and two-thirds (2/3) of the Owners of Lots (excluding Declarant or builder):

(a) by act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Common Area owned directly or indirectly by the Association for the benefit of the Owners of the Dwelling Units. The granting of easements for public utilities or other public purposes consistent with the intended use of the Common Area by the Dwelling Unit Owners is not a transfer in the meaning of this clause;

(b) change the method of determining the obligations, assessments, dues or other charges that may be levied against a Dwelling Unit Owner;

(c) by act or omission change, waive or abandon any scheme of regulations or their enforcement pertaining to the architectural design or the exterior appearance of units, the exterior maintenance of units, the maintenance of the Common Area, party walks, common fences and driveways, and the upkeep of lawns and plantings in the Property;

(d) fail to maintain fire and extended coverage on insurable Common Area on a current replacement cost basis in an amount at least 100 percent of the insurable value (based on current replacement costs);
(e) use hazard insurance proceeds for losses to any Common Area for other than the repair, replacement, or reconstruction of the Common Area.

(f) change the voting rights, assessments, assessment liens or subordination of assessment liens, except as provided for in this Declaration;

(g) change the manner in which reserves for maintenance, repair and replacement of Common Areas have been set up and previously maintained by the Association;

(h) change the rights to the use of the Common Area, except as provided for in this Declaration;

(i) change the boundaries of any Dwelling Unit, and the Lot upon which the Dwelling Unit is situated, except as provided for in this Declaration;

(j) any change concerning convertability of Dwelling Units into Common Area or vice versa, except as provided for in this Declaration;

(k) allow for the expansion or contraction of the development, or the addition, annexation or withdrawal of property to or from the development, except for the Declarant's right to annex the Property set forth in Exhibit "C";

(l) any requirements for insurance or fidelity bonds set forth in this Declaration;

(m) any change in the manner in which units may be leased except as set forth in this Declaration;

(n) any imposition of any restriction on a Dwelling Unit Owner's right to sell or transfer his or her Dwelling Unit;

(o) any decision by the Association to establish self-management when professional management has been required previously by an FNMA eligible mortgage holder;

(p) restoration and repair of the Common Area (after a hazard damage or partial condemnation) in a manner other than specified in the Declaration;

(q) any action to terminate the legal status of the development after substantial destruction or condemnation occurs;

(r) any provision that expressly benefits mortgage holders, insurers or guarantors; or

(s) any termination of legal status of the development for reasons other than substantial destruction or condemnation of the Property.
If an addition or amendment is not considered as a material change, such as the correction of a technical error or the clarification of a statement within the Declaration, Association Articles, Association By-Laws or other constituent documents, there shall be an implied approval to be assumed when an eligible mortgage holder fails to submit a response to any written proposal for an amendment within thirty (30) days after proposal is made. The covenants, restrictions and all other provisions of this Declaration shall run with the land and shall be binding upon the persons owning any portion of the Property and all parties claiming under them for a period of twenty (20) years from the date of recodation, and thereafter shall automatically extend for successive periods of ten (10) years each unless prior to the expiration of such ten-year period this Declaration is amended or changed in whole or in part as hereinabove provided.

Section 12.4. FHA/VA Approval. If the Property has been approved for financing insured or issued by the Federal Housing Administration ("FHA") or the Veterans Administration ("VA"), as long as there is a Class B membership, the following actions will require the prior approval of the Federal Housing Administration or the Veterans Administration: annexation of additional property (except for the property described in Exhibit "C"), dedication of Common Area (except as provided in this Declaration), and amendment of this Declaration.

Section 12.5. Assignment. Declarant may assign or otherwise transfer any and all of its rights as Declarant.

Section 12.6. Condemnation, Destruction or Liquidation. The Association shall be designated to represent the Dwelling Unit Owners in any proceedings, negotiations, settlements or agreements for the handling of any losses or proceeds from condemnation, destruction or liquidation of all or a part of the Common Area, or from the termination of the development. Each Dwelling Unit Owner, by his acceptance of a deed, appoints the Association as his attorney-in-fact for this purpose. Proceeds from the settlement will be payable to the Association for the benefit of the Dwelling Unit Owners and their mortgage holders. Any distribution of funds in connection with the termination of this development shall be made on a reasonable and an equitable basis.

Section 12.7. Metropolitan Development Commission. The Metropolitan Development Commission, its successors and assigns, shall have no right, power or authority to enforce any covenants, commitments, restrictions or other limitations contained in this Plat other than those covenants, commitments, restrictions or limitations that expressly run in favor of the Metropolitan Development Commission; provided further that nothing herein shall be construed to prevent the Metropolitan Development Commission from enforcing any provisions of the subdivision control ordinance,
58-AO-3, as amended, or any conditions attached to approval of this Plat by the Plat Committee.
