6. **Common Area and Facilities.** Common areas mean and include (1) the Tract, (2) the yards, planting areas, and drainage areas, (3) central electricity, gas, and sanitary sewer mains, (4) exterior lighting fixtures and electrical service, except where separately metered to a particular Dwelling Unit, (5) all facilities and appurtenances located outside of the boundary lines of the Dwelling Units, except those areas and facilities expressly defined as being part of the Dwelling Unit as described in paragraph 5(b).

7. **Limited Common Area and Facilities.** Limited Areas and those Dwelling units for which the use thereof is limited are as follows:

(a) **Front Porch.** The Front Porch through which access to a Dwelling Unit is obtained is limited to the use of the Dwelling Unit or Dwelling Units served by such entranceway.

(b) **Driveways.** The driveways, walkways, and similar areas used for access to particular individual Dwelling Units serving such Dwelling Units are limited to the use of the Dwelling Unit so served.
8. **Ownership of Common Areas, Percentage Interest, and Percentage Vote.** Each Owner shall have an undivided interest in the Common Areas and Limited Areas as tenants in common with all other Owners equal to his Dwelling Unit's Percentage Interest. Each Dwelling Unit's Percentage Interest in the Common Areas and Limited Areas shall be determined in accord with the Formula set forth in paragraph 16 of this Declaration.

If the Regime consists only of Section 1, each Dwelling Unit's Percentage Interest shall be that as each Unit bears to all units in the Section. As Sections are annexed, as permitted and contemplated by Paragraph 16 of this Declaration, upon execution of the applicable Supplemental Declaration, the Percentage Interest of each Dwelling Unit in the Section or Sections which are a part of the Regime prior to such annexation shall automatically reduce in accord with the Formula. The Owners of Dwelling Units in the Section or Sections which are a part of the Regime prior to such annexation shall be granted and receive a Percentage Interest in the common area of such Section of the additional tract being annexed, the precise Percentage Interest to be determined according to the Formula and designated in the Supplemental Declaration.

Each Owner shall have an equal vote on any matter upon which the Co-owners are entitled to vote. Each Owner is entitled to one vote. A multiple Owner, meaning an Owner of more than one Unit, is entitled to multiple votes, that is one vote for each Unit owned.

The Percentage Interest appertaining to each Dwelling Unit as determined by Paragraph 17 also shall be the Percentage Vote allocable to the Owner thereof in all matters with respect to the Regime and the Association upon which the Co-Owners are entitled to vote, but not limited to, the election of the Board of Managers.

9. **Encroachments and Easements for Common Areas.** If, by reason of the location, construction settling, or shifting of a Dwelling Unit, a Common Area or Limited Area now encroaches or shall hereafter encroach upon any Dwelling Unit, then in such event an easement shall be deemed to exist and run to the Co-Owners and the Association for the maintenance, use, and enjoyment of such Common Areas or Limited Areas.

Each Owner shall have an easement in common with each other Owner to use all pipes, wires, ducts, cables, conduits, utility lines, and other common facilities.

10. **Real Estate Taxes.** Real Estate taxes are to be separately taxed to each Dwelling Unit as provided in the Act. In the event that for any year real estate taxes are not assessed and taxed on the Tract, or a part thereof, as a whole, then each Owner shall pay his proportionate share of the real estate taxes. Each Owner's proportionate share will be determined as follows:
(a) With respect to the real estate taxes assessed against the land, the amount of such taxes shall be a sum equal to that owner's percentage interest multiplied by the total real estate taxes assessed against the land. Declarant will pay for the taxes on the real estate until annexed.

(b) With respect to the real estate taxes assessed against the improvements, the respective Owners will be fully obligated to pay the amounts assessed against the same.

(c) All other taxes assessed against the real estate or improvements shall be calculated by the same formula as set forth in (a) above and paid for according to each Co-Owner's percentage interest.

11. Utilities. Each Owner shall pay for his own utilities, which are separately metered. Utilities which are not separately metered shall be treated as and be paid as part of the Common Expenses.

12. Easement for Utilities and Public and Quasi-Public Vehicles. All public and quasi-public vehicles, including, but not limited to, police, fire, and other emergency vehicles, trash and garbage collection, post office vehicles and privately owned delivery vehicles, shall have the right to enter upon the Common Areas and Limited Areas of "the Regime" in performance of their duties. An easement is also granted for all areas of "the Regime" including privately owned units, to all utilities and their agents for ingress, egress, installation, replacement, repairing, and maintaining of such utilities, including but not limited to, water, sewers, gas, telephones, and electricity on the Property; provided, however, nothing herein shall permit the installation of sewers, electric lines, water lines, or other utilities, except as initially designed and approved by Declarant or as thereafter may be approved by the Board of Managers. By virtue of this easement, the electric and telephone utilities are expressly permitted to erect and maintain the necessary equipment on the Property and to affix and maintain electric and telephone wires, circuits and conduits on, above, across and under the roofs and exterior walls of the Buildings.

13. Association of Owners. In order to provide for the maintenance, repair, replacement, administration and operation of the Property and in compliance with the provisions of the Act, there is hereby created an Association of the Co-Owners of the Dwelling Units in "the Regime" to be known as Kensington Estates Co-Owners Association, Inc. Each Owner shall be a member of the Association, but membership shall terminate when such person ceases to be an Owner, and such membership will be transferred to the new Owner.
The Association shall elect a Board of Managers annually in accordance with and as prescribed by the By-laws. The Co-Owners shall be entitled to cast their Percentage Vote for the election of the Board of Managers.

The Board of Managers shall be the governing body of the Association, representing all of the Co-Owners in providing for the management, maintenance, repair, replacement and upkeep of the Property.

14. Maintenance, Decoration, Repairs and Replacements. The Co-Owners' Association shall be responsible for the maintenance, repairs, decoration and replacement of the exterior of each Dwelling Unit except the glass portions and doors and garage doors. The Board of Managers reserve the exclusive right to determine the outside decor of each Dwelling Unit inclusive, but not exclusive of, color and paint, and all decor appurtenant to the aesthetics of each individual unit. Exclusive of those aesthetics that are visible from the outside of the Dwelling Units, each Owner shall control and reserve the right of decoration of his or her Dwelling Unit on the inside. Each Owner shall repair any defect occurring in his Dwelling Unit which, if not repaired, might adversely affect any Dwelling Unit, Common Areas, or Limited Areas. Maintenance, repairs, and replacements and upkeep of the Common Areas shall be furnished by the Association as part of the Common Expenses.

The Board of Managers shall adopt such rules and regulations concerning the maintenance, repairs, use and enjoyment of the Common Areas and Limited Areas as it deems appropriate, including the appointment of committees to oversee same.

The Board of Managers or their designated agent shall have the right at reasonable times and upon reasonable prior notice (except in cases of emergency in which case no notice shall be required), to enter into the Common Areas and Limited Areas appurtenant to the Dwelling Units to replace, repair, and maintain same.

15. Alterations, Additions, and Improvements. No Owner shall make any alterations or additions to the Common Areas or Limited Areas without the prior written approval of the Board of Managers, nor shall any Owner make any alterations to his respective Dwelling Unit or within the boundaries thereof which would adversely affect the safety or structural portion of the Dwelling Unit.

16. Expansion by Sections. Declarant anticipates that it will construct additional Dwelling Units on Additional Sections by expansion within the Tract, all or part of which may be expanded in the manner hereinafter set forth, and subject to the provisions of the Act. The general plan of development shall not exceed 65 units total. A time limit, not exceeding ten (10) years, shall be the limit where Additional Sections may be added.
At any time prior to January 1, 2006, Declarant, at his option, may, but is not obligated to cause all or part of the additional Section or Sections within the Tract to be expanded, subject to the following conditions:

(a) Another Section or Sections may be annexed if the Dwelling Units to be constructed in such Section or Sections have been completed to such an extent that the unit's location may be accurately set and the Supplemental Plans to be filed with the Supplemental Declaration are completed and certified to by the engineer or architect as fully and accurately depicting the layout, location, and dimensions of the Dwelling Units. Declarant shall reserve the right to determine the developmental standards of each Section.

(b) The Dwelling Units on any Section to be annexed shall be constructed with labor and material of comparable quality to the Dwelling Units previously constructed although not necessarily of similar type floor plan, design, or exterior.

(c) Declarant, or its assigns, shall be the sole owner of the fee simple title to the Section or Sections to be annexed.

Declarant expressly reserves the right not to annex any or all of the Tract in Sections after Section 1. No Owner shall acquire any rights whatsoever in the Tract except as to those Sections which are annexed to and made a part of the Horizontal Property Regime. After each Section is annexed, the Co-Owners owning Dwelling Units in the Section or Sections being turned over shall then incur and pay all Common Expenses attendant with that Section or Sections according to the Formula and their respective Percentage Interest. Units under construction, models, and unsold units and the Common Areas associated with such units shall not be assessed and shall be maintained by the Declarant until sold.

17. Percentage Interest. The Owner of each Dwelling Unit shall have the same Percentage Interest and Percentage Vote as all other Owners and there shall be no differentiation based upon the size of such Dwelling Unit. Each Owner shall be equal as to the Percentage Interest and Percentage Vote.

The Percentage Interest appurtenant to each unit shall be computed and, upon the annexation of any additional Section or Sections, same shall be recomputed dividing among the then-existing Dwelling Unit Owners an equal share to the extent that the total shares at all times equal 100%. The Percentage Interest and Percentage Vote shall be expressed as a fraction if necessary when the number of units is not evenly divisible into 100 so that the total interest and vote equals 100% at all times.
As each Section is developed, Declarant shall record a Supplemental Declaration annexing and adding such Section to this Declaration and making it part of "the Regime". Declarant reserves the right to annex Additional Sections thereof that are not necessarily in numerical order shown on the Plans. Such Supplemental Declaration shall contain the following:

(a) A description of the real estate to be annexed;

(b) A description of the Dwelling Units described in a manner consistent with this Declaration;

(c) The Percentage Interest of all Dwelling Units upon annexation, computed in accordance with the Formula.

Each Owner, by acceptance of a deed to a Dwelling Unit, acknowledges, consents, and agrees that the following rights and conditions shall be applicable upon the recording of each Supplemental Declaration:

(a) The Section described in each Supplemental Declaration shall be governed in all applicable respects by the provisions of this Declaration.

(b) The Percentage Interest applicable to each Dwelling Unit shall be automatically reallocated in accordance with the schedule set forth in such Supplemental Declaration, which shall be based upon the Formula. On recording of each Supplemental Declaration, the amount by which the percentage interest of a Dwelling Unit is reduced thereby shall be deemed to release and divest that amount from such Dwelling Unit Owner and revert to the Declarant, its successors and assigns.

(c) Each deed, mortgage, or other instrument affecting a Dwelling Unit shall be deemed given subject to the limitation that the Percentage Interest appurtenant to each Dwelling Unit shall be, upon the recording of each Supplemental Declaration, altered in accordance with the Supplemental Declaration based upon the Formula.

(d) The Percentage Interest in the Common Areas and Limited Areas appurtenant to each Dwelling Unit shall be deemed to include any additional Common Areas and Limited Areas annexed hereto by a Supplemental Declaration, which Supplemental Declaration shall grant and convey to the Owners the appropriate Percentage Interest, and each deed, mortgage or other instrument affecting a Dwelling Unit and lien of any mortgage shall automatically include and attach to such additional common area and limited area upon recording of such Supplemental Declaration.
(e) The recording of a Supplemental Declaration shall not alter the amount of the lien for common expenses assessed to a Dwelling Unit in a Section already a part of the Regime prior to such recording. The lien for the pro rata share of Common Expenses for the Sections annexed upon such recording shall be assessed and paid as provided in the By-Laws.

(f) Each Owner agrees for himself and all those claiming under him, including mortgagees, that this Declaration and each Supplemental Declaration is and shall be deemed to be in accordance with the Act, and for the purpose of this Declaration and the Act, any changes in Percentage Interest as set forth in any Supplemental Declaration which is in accordance with the formula expressed herein, shall be deemed to be made by agreement of all Owners.

(g) Each Owner agrees to execute and deliver such documents as are necessary or desirable to accomplish the annexation of the Sections in the Tract in accordance with the provisions and intent of this Paragraph 17.

(h) Each Owner, by acceptance of a deed to a Dwelling Unit, shall thereby appoint Declarant or its nominee as such Owner's attorney-in-fact for the purpose of reallocating from time to time the Percentage Interest appertaining to such Owner's Dwelling Unit in accordance with the provisions of this Paragraph 17, and, to the extent required by law to carry out the intent of this Paragraph 17, on behalf of such Owner to consent to or vote in favor of the amendment of this Declaration, as well as to do all things as contained in such agreement allowing Declarant to act as attorney-in-fact, which agreement for a power of attorney and power of attorney are incorporated herein by reference. The appointment of Declarant or its nominee as such attorney-in-fact and the granting of such special power to Declarant or its nominee shall be deemed to be coupled with an interest in the Common Areas, and shall be irrevocable and binding upon the heirs, successors and assigns of such Owner, but shall expire when all of the additional Tract has been annexed, Declarant turns the project over to the Co-Owners, or on January 1, 2006, or 6 months after the last unit is sold whichever first occurs.

In the event Declarant does not elect to annex Additional Sections within the Tract or any part thereof, as permitted by this Paragraph 17, Declarant shall file a Supplemental Declaration which shall permanently remove that part of the Tract that has not been annexed from any right to be made part of "the Regime"; provided, however, any
Section for which a Supplemental Declaration has not been filed by January 1, 2006, shall automatically be removed from the possibility of becoming a part of "the Regime" in the manner provided in this Declaration. Upon the filing of such Supplemental Declaration removing a part of the additional Tract from the possibility of becoming a part of "the Regime" in accordance with this Declaration, the Percentage Interest designated in the Declaration or Supplemental Declaration last filed shall not be altered without consent of all Owners.

18. Easements to and from Additional Sections. In the event all or any part of the Additional Sections of the Tract are not annexed, Declarant reserves unto itself, its successors and assigns, for the use and benefit of that part of the Tract not annexed, the right and easement to enter upon the Common Areas to provide ingress and egress to the Additional Sections. It is the purpose and intent of the easements herein granted or reserved to provide free and unrestricted use and access across the sidewalks for the Owners and residents of the Additional Sections, their guests, and invitees.

The easements granted and reserved in this Paragraph 18 shall be easements and covenants running with the land and accruing to the benefit of the Additional Sections.

19. Insurance.

(a) The Co-Owners, through the Association of Co-Owners, shall provide insurance that shall:

1) Provide that notwithstanding any provision thereof giving the insurer an election to restore damage in lieu of a cash settlement, such option shall not be exercisable in the event the Owners do not elect to restore pursuant to paragraph 20 below; and,

2) Contain a "replacement cost endorsement". Such insurance coverage shall be for the benefit of each Owner and the Association and, if applicable, the Owner's mortgagee. The proceeds shall be payable to the Association who shall hold such proceeds as trustee for the individual Owners and mortgagees as their interests appear. The proceeds shall be used or disbursed only in accordance with the provisions of this paragraph 19 and paragraph 20 of this declaration, as applicable, and any surety bond or bonds obtained by the Board covering the officers of "the Regime" as provided in the By-Laws shall specifically include protections for any insurance proceeds so received.
Such insurance shall inure to the benefit of each individual Owner, the Association, the Board of Managers, and any managing agent or company acting on behalf of the Association, as their interests may appear. The Owners, as well as the Lessees, if any, shall be able to recover losses insured where applicable.

Each Owner shall have the right to purchase additional insurance he may deem necessary, and each Owner shall be solely responsible for loss or damage to the contents of his own Dwelling Unit, however caused, including all floor and wall coverings, and fixtures and improvements installed by the Owner, and his personal property stored elsewhere on the Property. Each Owner shall be solely responsible for obtaining his own insurance to cover any such loss and risk including, but not limited to, living expenses.

(b) The Co-Owners through the Association of Co-Owners shall purchase and pay for as part of the common expenses, a master casualty policy affording fire and extended coverage insurance in an amount equal to the full replacement costs of the improvements that in whole, or in part, comprise the Common Areas and facilities. The Co-Owners through the Association of Co-Owners shall also purchase and pay for as part of the Common Expenses a master liability policy in an amount required by the By-laws or Declaration as revised from time to time by a decision of the Board of Managers of the Association, which policy shall cover the Association of Co-Owners, the executive body, if any, the managing agent, if any, all persons acting or who may come to act as agents or employees of any of the foregoing with respect to the condominiums, all condominium unit Owners and all other persons entitled to occupy any unit or other portions of the condominium. Such other policies as may be required may be obtained and paid for as part of the common expenses and in amounts as determined by the Board of Managers, by the Co-Owners through the Association, including, without limitation, workmen's compensation insurance, liability insurance on motor vehicles owned by the Association, specialized policies covering lands or improvements on which the Association has or shares ownership or other rights, and officers' and managers' liability policies.

(c) When any policy of insurance has been obtained by or on behalf of the Association of Co-Owners, written notice of the obtainment thereof and of any subsequent changes therein or termination thereof shall be promptly furnished to each Co-owner and Mortgage whose interest may be affected thereby by the officer required to send notices of meetings of the Association of Co-owners.
20. **Disaster, Casualty and Restoration.**

(a) In case of fire or any other casualty or disaster, other than complete destruction of all buildings containing the condominium units, the improvements shall be reconstructed and the insurance proceeds applied to reconstruct the improvements.

(b) In the event of complete destruction of all of the buildings containing condominium units, the building(s) shall not be reconstructed, except as otherwise provided, and the insurance proceeds, if any, shall be divided among the Co-Owner(s) proportioned according to the fair market value of all other condominiums and the Property considered as to be removed from the condominium under Section 28 of the Act unless by vote of two-thirds (2/3) of all of the Co-Owners a decision is made to rebuild the buildings, in which case the insurance proceeds shall be applied and any excess of construction costs over insurance proceeds shall be contributed as provided herein in the event of less than total destruction of the buildings.

(c) A determination of total destruction of the buildings containing condominium units shall be determined by a vote of two-thirds (2/3) of all Co-Owners at a special meeting of the Association of Co-Owners called for that purpose.

(d) Where the improvements are not insured or where the insurance proceeds are not sufficient to cover the cost of repair or reconstruction and the Property is not to be removed from the horizontal property regime, the Co-Owners shall contribute the balance of any such costs in the percentage by which a condominium unit owner owns an undivided interest in the Common Areas and facilities as expressed in the Declaration. Such amount shall be assessed as part of the Common Expenses and shall constitute a lien from the time of assessment as provided in Section 24 or the Act.

(e) If, pursuant to (a), (b) and (c) above, it is not determined by the Co-Owners to rebuild after a casualty or disaster has occurred, then in that event:

1) The Property shall be deemed to be owned in common by the condominium unit owners;
2) The undivided interest in the Property owned in common which shall appertain to each condominium unit Owner shall be the percentage of undivided interest previously owned by such Owner in the Common Areas and facilities;

3) Any liens affecting any of the condominium unit shall be deemed to be transferred in accordance with the existing priorities to the percentage of the undivided interest of the condominium unit Owner in the Property; and,

4) The Property shall be subject to an action for partition at the suit of any condominium unit Owner, in which event the net proceeds of sale, together with the net proceeds of the insurance on the Property, if any, shall be considered as one fund and shall be divided among all the condominium unit Owners in a percentage equal to the percentage of undivided interest owned by each Owner in the Property, after first paying out of the respective shares of the condominium unit Owners, to the extent sufficient for the purpose, all liens on the undivided interest in the Property owned by each condominium unit Owner.

21. Sale of Dwelling by Declarant. For the purpose of maintaining the residential character of the Regime, and for the protection of the Co-Owners, Declarant specifically reserves the mode and method of the original sale of each Unit until the last unit in the Regime is sold.

22. Membership in the Co-Owners Association. The Tract is subject to the covenants and restrictions contained herein. For the purpose of this Declaration, upon the recording of this Declaration, all the rights and obligations accruing to a Dwelling Unit shall include, but not be limited to, the obligation to pay the monthly assessments as provided in such Declaration, which monthly assessments are a lien on each Dwelling Unit, and the necessity and right to become a member of the Co-Owners Association, and to have a vote for each Dwelling Unit owned, pursuant to the Formula heretofore set out.

23. Covenants and Restrictions. The covenants and restrictions applicable to the use and enjoyment of the Dwelling Units are set forth in the Code of By-Laws of the Co-Owners Association. These Covenants and Restrictions are for the mutual benefit and protection of the present Owners and shall run with the land and inure to the benefit of and be enforceable by the Owner, Co-Owners or by the Association. Present Owners or the Association shall be entitled to injunctive relief against any violation or
attempted violation of these provisions, but there shall be no right to reversion or forfeiture of title resulting from such violation.

24. Amendment of Declaration. Except as otherwise provided in this Declaration, amendments to this Declaration shall be proposed and adopted in the following manner:

(a) Notice. Notice of the subject matter of the proposed amendment shall be included in the notice of any meeting at which the proposed amendment is considered.

The restrictions and prohibitions against amendments are further qualified by any right or grant given to the Declarant by virtue of the Agreement of Power of Attorney executed by the respective Owners in favor of the Declarant or its assigns, which Agreement and Power of Attorney are again incorporated herein by reference.
