ARTICLE II

Declaration of Restriction and Statement of Property Rights

Section 1. Declaration. Declarant hereby expressly declares that the Real Estate
shall be held, transferred and occupied subject to these Restrictions. The Owners of any Lot
subject to these Restrictions, and all other Persons, (i) by acceptance of a deed from
Declarant, or its successors, conveying title thereto, or the execution of a contract for the
purchase thereof, whether from Declarant or a subsequent Owner of such Lot, or (ii) by the
act of occupancy of any Lot, shall conclusively be deemed to have accepted such deed,
executed such contract and undertaken such occupancy subject to each Restriction and
agreement herein contained. By acceptance of such deed, or execution of such contract, or
undertaking such occupancy, each Owner and all other Persons acknowledge the rights and
powers of Declarant, the Committee and of the Corporation with respect to these
Restrictions, and also, for itself, its heirs, personal representatives, successors and assigns,
covenant, agree and consent to and with Declarant, the Committee, the Corporation, and the
Owners and Subsequent Owners of each of the Lots affected by these Restrictions to keep,
observe, comply with and perform such Restrictions and agreement.

Association;

(b) the right of the Association to limit the number of guests who may use any
recreational facilities within the Common Area, and to adopt rules regulating
the use and enjoyment of the Common Area;

(c) the right of the Association to suspend the right of an Owner to use
recreational facilities within the Common Area (i) for any period during which
any charge against such Owner's Lot remains delinquent, and (ii) for a period
in accordance with the rules and regulations promulgated by the Board of
Directors of the Association for violations of the Declaration, By-Laws, or
rules of the Association after notice and a hearing pursuant to the By-Laws;

Initially, any Exclusive Common Area shall be designated as such and the exclusive use thereof shall be assigned in the deed by which the Declarant conveys the Common Areas to the Association or on the plat of survey relating to such Common Area; provided, any such assignment shall not preclude the Declarant from later assigning use of the same.

Thereafter, a portion of the Common Area may be assigned as Exclusive Common Area of a particular Neighborhood or Neighborhoods and Exclusive Common Area may be reassigned upon the vote of Voting Members representing a majority of the total Class "A" votes in The Legends at Geist Property Owners Association, including a majority of the Class "A" votes within the Neighborhood(s) to which the Exclusive Common Areas are assigned, if applicable, and within the Neighborhood(s) to which the Exclusive Common Areas are to be assigned. As long as the Declarant owns any property described on Exhibits "A" or "B" for development and/or sale, any such assignment or reassignment shall also require the consent of the Declarant.

The Association may, upon approval of a majority of the members of the Neighborhood Committee or Board of Directors of the Neighborhood Association for the Neighborhood(s) to which certain Exclusive Common Areas are assigned, permit Owners of Units in other Neighborhoods to use all or a portion of such Exclusive Common Areas upon payment of reasonable user fees, which fees shall be used to offset the Neighborhood Expenses attributable to such Exclusive Common Areas.

Such annexation shall be accomplished by filing in the public records of Hamilton County, Indiana, a Supplemental Declaration annexing such property. Such Supplemental Declaration shall not require the consent of Voting Members, but shall require the consent of the Owner of such property, if other than Declarant. Any such annexation shall be effective upon the filing for record of such Supplemental Declaration unless otherwise provided therein. Declarant shall have the unilateral right to transfer to any other Person the right, privilege, and option to annex additional property which is herein reserved to Declarant, provided that such transferee or assignee shall be an affiliate of the Declarant or the developer of at least a portion of the real property described in Exhibits “A” or “B” and that such transfer is memorialized in a written, recorded instrument executed by the Declarant.

The Association shall have the sole right and responsibility of establishing and maintaining the landscaping and grounds of the subdivision, which right and responsibility may be delegated to the developer or to individual builders as a part of initial construction of the subdivision or
of lots therein. In the event that any Owner of any Lot or any other person interferes with the Association’s sole right to control the landscaping and grounds maintenance of the subdivision, any damages or costs to repair or return the landscaping to its prior condition resulting therefrom shall be chargeable to such person, including costs and attorney fees.

No Owner shall be permitted to substitute different plans or materials or alter the location of the improvements from that submitted to the Committee without first obtaining the approval of the Committee. The same sight line limitations shall apply to any lot within 10 feet from the intersection of a street line with the edge of a driveway pavement or alley line. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight line.

his or her lot to comply with these restrictions, the
Declaration, By-Laws, and the rules and regulations adopted
pursuant thereto, and shall be responsible for all violations and
losses to the common areas caused by such occupants,
notwithstanding the fact that such occupants of a lot are fully
liable and may be sanctioned for any violation of the
Declaration, By-Laws, and rules and regulations adopted pursuant
thereto. The Owner must make available to any lessee copies of
these restrictions, the Declaration, By-Laws, and the rules and
regulations.

32. Owners of all lots in this subdivision, by acceptance
of the deed transferring title to said lots, consent to Declarant
or its successor or assigns petitioning for annexation of all
real estate in this subdivision, and any additions hereto, into

undertaken. All Owners and Occupants of any lot, tenants, guests
and invitees of any Owner, as applicable, stipulate and
acknowledge that the Association and its Board of Directors,
Declarant, or any Successor Declarant and the Lake Stonebridge
Design Committee do not represent or warrant that any fire
protection system, burglar alarm system or the security system

the Declarant or the new Construction or Modifications Committee

or burglar alarm systems or other security systems will prevent
loss by fire, smoke, burglary, theft, hold-up or otherwise, nor
that fire protection or burglar alarm systems or other security
systems will in all cases prevent the detection or protection for
which the system is designed or intended. Each Owner and
Occupant of any lot, and each tenant, guest and invitee of any
Owners, as applicable, acknowledges and understands that the
Association, its Board of Directors and Committees, Declarant, or
any Successor Declarant are not insurers and that each Owner and
Occupant of any lot and each Tenant, guest and invitee of any
Owner assumes all risks for loss or damage to person, to Lots and
and to the contents of homes and further acknowledges that no
statement made by or on behalf of the Association, its Board of
Directors and Committees, Declarant, or any Successor Declarant
will be deemed to be a representation or warranty nor will any
Owner, occupant, tenant, guest or invitee rely upon any
representations or warranties, expressed or implied, including
any warranty of merchantability or fitness for any particular
purpose, relative to any fire and/or burglar alarm systems or
other security systems recommended or installed or any security
measures undertaken or any claim for failure to take security
measures or additional security measures within the properties.

34. If the parties hereto, or any of them, or their heirs
or assigns, or any future transferees of the real estate or any
part thereof, shall violate or attempt to violate any of these
covenants, restrictions, provisions or conditions herein, the
Association, the Committee (as to matters for which it has
responsibility) or any other person owning any real property
situated in this subdivision may prosecute any proceedings at law
or in equity against the person or persons violating or
attempting to violate any such covenant, to prevent him or them
from doing so, to recover damages or other charges for such
violation, including attorney fees and costs, and\or to require
the removal of structures erected in violation thereof.

35. These covenants are to run with the land, and shall be
binding on all parties and all persons claiming under them until
December 31, 2015, at which time said covenants shall be
automatically extended for successive periods of ten (10) years
each, unless by a vote of a seventy-five percent (75%) majority
of the then owners of the Lots in this subdivision, it is agreed
to change (or terminate) said covenants in whole or in part;
provided, however, that no change or termination of said
covenants shall affect any easement hereby created or granted
unless all persons entitled to the beneficial use of said
easement shall consent thereto.

These plat covenants may be amended, in whole or in
part, by an affirmative vote of seventy-five percent (75%) of
the Lot owners, so long as the Declarant has also consented to such
amendment, if the Declarant owns any interest in any portion of
the Lake Stonebridge subdivision, as shown on Exhibit I hereto
and incorporated herein, or on any addition to Lake Stonebridge
pursuant to the terms of the Lake Stonebridge Declaration or the
Legends at Geist Declaration.

36. Invalidation of any of the foregoing covenants,
provisions, restrictions or conditions by judgment or court order
shall in no way affect any of the other provisions, which shall
remain in full force and effect.

37. If there is any irreconcilable difference between any
of the covenants and restrictions contained in this plat and the
Plat Covenants
Lake Stonebridge, Section 1-C

covenants and restrictions contained in the Declaration, the
conflicting covenant or restriction contained in this plat shall
govern and control, only to the extent of the irreconcilable
conflict, it being the intent hereof that all such covenants and

greatest extent possible. Notwithstanding this provision, the
procedures for Architectural Control stated in Article X of the
Declaration shall control over the provisions of Paragraph 19 of
these Plat Covenants and the Covenants and Restrictions of
Article XVI of the Declaration shall control over the covenants
and restrictions stated herein, if any irreconcilable difference
or conflict exists.

1. All rights-of-way shown and not heretofore dedicated are hereby dedicated to the public for its use as public ways.

2. In addition to the covenants and restrictions set forth herein, the real estate described in this plat is also subject to certain additional covenants and restrictions contained in the Declaration of Covenants, Conditions, and Restrictions for The Legends at Geist (the 'Legends Declaration'), recorded in the Office of the Recorder of Hamilton County, Indiana, as Instrument Number 92-51016 and to the Declaration of Covenants and Restrictions for Lake Stonebridge (hereinafter referred to as the 'Declaration' or as the 'Lake Stonebridge Declaration'), recorded in the Office of the Recorder of Hamilton County, Indiana, as Instrument Number 94-48496, and as Instrument Number 95-37187, and revised and re-recorded as Instrument No. 95-51015, and to the rights, powers, duties, and obligations of The Legends at Geist Homeowners Association, Inc. (the 'Association') and The Legends at Geist Architectural Control Committee (the 'Committee'), as set forth in the Declaration and Design Guidelines promulgated by the Committee. All owners who take title to lots in this plat take such title subject to the Developer's unilateral right and privilege to supplement the Lake Stonebridge Declaration, as provided therein.

All of the terms, provisions, covenants, conditions, and restrictions which shall be contained in the Declaration shall be incorporated herein by reference upon recording of the Declaration.

In order to provide adequate protection to all present and future owners of lots in this subdivision, the covenants, restrictions and limitations contained in these plat covenants, in addition to those set forth in the Declaration, are hereby imposed upon and shall run with the land included in this subdivision and shall be binding upon the Developer and anyone at any time owning or occupying a part or portion of such land.

include but not be limited to building design, color and location, driveways, tree preservation, and proposed landscaping and fencing, all in accordance with the requirements of the Lake Stonebridge Architectural Control Guidelines.

4. Lots are subject to the following Drainage Easements, Sewer Easements, Utility Easements, Landscape Easements, and Non-Access Easements, either separately or in combination, as shown on the plat, which easements are reserved for the use of the Lot Owners, the Association, public or private utility companies and governmental agencies, as follows:

"Drainage Easements" are created to provide paths and courses for area and local storm drainage, either overland or in adequate underground conduit, to serve the needs of the subdivision and adjoining ground and/or public or private drainage system. Under no circumstances shall drainage easements be blocked in any manner by the construction or reconstruction of any improvement, nor shall any grading restrict the water flow in any manner. Said areas are subject to construction or reconstruction to any extent necessary to obtain adequate drainage at any time by any governmental authority having jurisdiction over drainage or by Declarant, its successors or assigns.

"Sewer Easements" are hereby created for the use of the Utility, public or private, having jurisdiction over the sanitary waste disposal system designated to serve Lake Stonebridge. Sewer Easements shall be used to construct, operate, inspect, maintain, reconstruct and remove mains, ducts, or other related utility structures of sanitary sewers that are a part of said system. Sanitary sewer manholes shall not be placed under or within one foot horizontal distance of pavement, including driveways or sidewalks.

"Utility Easements" are hereby created for the use of public or private utility companies and cable television companies, not including transportation companies, for the installation of poles, pipes, mains, ducts and cable or other related utility structures, as well as for the uses specified for sewer easements.

"Landscape Easements" and "Painting Easements" are hereby reserved and created over and across Lots, and throughout the entire Lake Stonebridge subdivision, within which landscaping, earth mounds, screening material, fencing, walls, neighborhood and community identification signs, directories, lighting, irrigation systems and other improvements may be constructed and maintained by the Developer or the Association to provide landscape design continuity and ensure attractive and aesthetically pleasing areas throughout the Subdivision. It is the plan and design of this Subdivision that all landscaping (with the exception
of private planting beds approved by the Association) and the painting or staining of the exterior of all houses, be undertaken by the Association, as a common expense, as further described under paragraphs 13 and 14 of these Plat Covenants. Within landscape easements, the Developer and the Association shall have the right to install, inspect, maintain, reconstruct and remove such landscape improvements as described herein. Owners of Lots shall have the right to use and enjoy their own Lot, except for such use as may impair, impede, or interfere with the exercise by the Developer or Association of the landscaping, painting, and other rights granted herein. Owners of Lots shall not construct, nor permit to be constructed any structure or obstruction on or over any part of a Lot or interfere with the Developer's or Association's ability to use or gain access to the Lot for purposes permitted by this Landscape Easement.

"Non-Access Easements" are hereby created to prevent vehicular access from Lots or blocks to streets, roads, or paths adjoining such Lots or blocks. No driveways or any other type of improvement for vehicular ingress and egress shall be allowed within any area designated on this plat as a Non-Access Easement.

"Maintenance Easements" are created to provide means of access for public utility companies, governmental agencies and the Association to various areas of the subdivision (including, without limitation, the lakes or ponds shown on the within plat and on the Development Plan for the Legend at Exist) to permit said parties to perform their respective responsibilities and to install, maintain and service their respective installations.

"Point of Attachment Easements" are created to permit the deck for one home to be attached to another home. These easements exist throughout the subdivision, but do not appear on the Plats. In addition to attachment, these easements permit maintenance, repair and replacement of decks and of attachments.

The Developer and/or Builder(s) approved by the Developer shall retain the right to display marketing and promotional signs within this subdivision until the sale of the last Lot in the Lake Stonebridge Subdivision owned by either the Developer or the Builder(s).

The owners of Lots in this subdivision shall take and hold title to their Lots subject to all of the foregoing Easements, to the rights of the public utility companies, governmental agencies, the Developer, the Association and others therein (which rights also include the right of ingress and egress in, along, across and through said Easements), to the

jurisdiction of the proper authorities and to the covenants herein granted and reserved.

5. Subject to other provisions contained herein, building setback lines are hereby established as shown on this plat (sometimes noted as "setback line"), between which lines and the property lines of the lots shall be erected or maintained no building or structure. No building, structure or accessory building shall be erected closer than five feet (5') to any side lot line, unless specifically approved by the Committee, nor less than twenty feet (20') from any rear lot line. In no case shall aggregate side yards between homes be less than ten feet (10').

No building, structure or accessory building shall be erected closer than twenty-five feet (25') to any street right-of-way unless a lesser building setback is specifically approved by the Committee.

6. The owners of all lots in Lake Stonebridge shall be required to submit a drainage plan, which shall include a minimum building pad elevation, to the Committee for its approval and which must also be submitted as part of the application for a building permit and be satisfactory to the governmental agency which issues building permits. The minimum pad elevation as so approved by the Committee and the governmental agency shall constitute the minimum elevation for all buildings on said lot. In addition, no buildings, structures or other improvements shall be constructed on any part of a lot lying within the floodway as shown on the within plat (if any) except in accordance with the rules and requirements of, and prior approval of, the Department of Natural Resources of the State of Indiana.

7. Except to the extent any portions of lots in this subdivision are or may become "Common Area" as defined in the Declaration, and which may be used for the purposes for which the same are designated and intended, all lots in this subdivision shall be used solely for residential purposes, unless alternative uses, such as permitted home occupations, are consented to by the Association and are permitted under applicable zoning laws. No structure shall be erected, altered, placed or permitted to remain on any residential lot herein, other than one detached single-family dwelling, and a private garage for not more than three (3) cars. No portion of any lot may be sold or subdivided so that there will be thereby created a greater number of lots than the original number platted.

8. The ground floor of each dwelling constructed on a lot, exclusive of one-story open porches and garages, shall be not less than one thousand (1,000) square feet in the case of a one-story structure, nor less than one thousand (1,000) square feet in the case of a multiple story structure, provided no structure of more than one story shall have less than an aggregate of fourteen hundred (1,400) square feet of finished and livable floor area.
9. No construction vehicles, sheds or outhouses shall be erected or situated on any lot herein, except for use by a builder during the construction of a proper structure, which builder's temporary construction structure shall be promptly removed upon completion of the proper structure.

10. All other vehicles belonging to members of a household shall have permanent parking spaces in garages or driveways and no vehicle shall be permanently maintained or kept on the public streets or areas of the subdivision. The Association shall have the authority to make rules limiting the number of cars or other vehicles permitted to be parked in a driveway. No disabled vehicle shall be openly stored on any residential lot or elsewhere within the subdivision. Also, no boat, trailer, camper, or motor home of any kind (including, but not in limitation thereof, house trailers, camper trailers, or boat trailers) shall be kept or parked upon any lot unless kept in an approved, enclosed garage.

11. No "for sale", "for rent", "garage sale" or other signs for any purpose shall be placed upon any common area or upon any lot other than the lot which is for sale, for rent or upon which the garage sale will be held, without the express consent of the Board. Any "for sale", "for rent", "garage sale" or other yard signs, whether placed on any lot or with the Board's consent placed in the common areas, shall be less than 48" in height and less than 36" in width. No more than one sign may be placed on any lot, without the prior consent of the Board. No banners or signs shall be hung from any home or elsewhere on any lot for more than one week, without the prior consent of the Board.

12. All garbage cans, mechanical equipment, and other similar items on Lots shall be located or screened so as to be concealed from view of neighbors lots, streets, and property located adjacent to the lot. No clothinglines or above ground storage tanks shall be permitted on any Lot or elsewhere on the property. All rubbish, trash, and garbage shall be stored in appropriate containers and shall regularly be removed from the Properties and shall not be allowed to accumulate thereon.

13. Landscaping and grounds maintenance throughout Lake Stonebridge, including the individual Lots, shall be the sole responsibility of the Association. The cost of landscaping and grounds maintenance shall be a common expense of the Association. No owner or occupant of a lot shall be permitted to plant trees or shrubbery; fertilize trees, shrubbery, or grass; dig flower or planting beds of any nature; remove existing plantings or lawns; or otherwise alter the landscaping and grounds of his or her own lot or of any common area of the subdivision without the prior consent of the Board. The Association shall have the sole right and responsibility of establishing and maintaining the landscaping and grounds of the subdivision, which right and responsibility may be delegated to the developer or to individual
builders as a part of initial construction of the subdivision or of lots thereon. In the event that any owner of any lot or any other person interferes with the Association's sole right to control the landscaping and grounds maintenance of the subdivision, any damages or costs to repair or return the landscaping to its prior condition resulting therefrom shall be chargeable to such person, including costs and attorney fees.

14. The Association shall have the sole right and responsibility for painting or staining the exterior of all houses in the Lake Stonebridge subdivision. Paint or stain color shall be determined by the Owner, from a selection of colors approved by the Association. The cost of painting or staining the exterior of houses shall be a common expense. Other exterior maintenance, including roofing, gutters and downspouts, and replacing wood or other siding, shall be the sole cost and expense of the Owner of the property.

15. The Association may make assessments to cover any costs incurred in enforcing these covenants or in undertaking any maintenance or other activity which is the responsibility of the Association or any maintenance or other activity of a lot owner hereunder or under the Declaration, which the lot owner has not undertaken as required. Any such assessments shall be only against those lot owners whose failure to comply with the requirements of the covenants hereunder and under the Declaration necessitated the action to enforce such covenants or the undertaking of the maintenance or other activity.

16. No farm animals or fowl of any kind, nor any domestic animals for commercial purposes, shall be kept or permitted on any lot or lots in this subdivision at any time. The Association shall have the authority to restrict the number of domestic animals kept on any lot and to establish rules and regulations for the maintenance of pets within the subdivision.

17. No noxious, unlawful, or otherwise offensive activity shall be carried out on any lot in this subdivision, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood or to any neighbor. establish rules and regulations for design and erection of docks
and use of any body of water in the Subdivision. Boating shall
only be permitted within the rules and regulations established by
the Board.
30. An easement shall exist in favor of the golf course and

Damage to the property as a result of his or her use of this easement and this easement expressly excludes a right to hit the golf ball from any private lot. The owner of the golf course shall not be responsible to the Association or to any home owner for any damage done to a lot or to the common areas by any licensee's usage of this easement.

31. Every Owner shall cause all tenants and/or occupants of his or her Lot to comply with these restrictions, the Declaration, By-Laws, and the rules and regulations adopted pursuant thereto, and shall be responsible for all violations and losses to the Common Areas caused by such occupants, notwithstanding the fact that such occupants of a Lot are fully liable and may be sanctioned for any violation of the Declaration, By-Laws, and rules and regulations adopted pursuant thereto. The Owner must make available to any lessee copies of these restrictions, the Declaration, By-Laws, and the rules and regulations.

32. Owners of all lots in this subdivision, by acceptance of the deed transferring title to said Lots, consent to Declarant or its successor or assignee petitioning for amendment of all real estate in this subdivision, and any additions hereto, into the boundaries of any City or Town.

33. The Association may, but shall not be obligated to, maintain or support certain activities within Lake Stonebridge designed to make Lake Stonebridge safer than it otherwise might be. Neither the Association, the Declarant, nor any successor Declarant shall in any way be considered as insurers or guarantors of security with Lake Stonebridge, however, and neither the Association, the Declarant, nor any successor Declarant shall be held liable for any loss or damage by reason or failure to provide adequate security or ineffectiveness of security measures undertaken. All Owners and Occupants of any Lot, tenants, guests and invitees of any Owner, as applicable, stipulate and acknowledge that the Association and its Board of Directors, Declarant, or any Successor Declarant and the Lake Stonebridge Design Committee do not represent or warrant that any fire protection system, burglar alarm system or the security system designated by or installed according to guidelines established by the Declaration, or the new construction or Modifications Committees may not be compromised or circumvented, that any fire protection or burglar alarm systems or other security systems will prevent loss by fire, smoke, burglary, theft, hold-up, or otherwise, or that fire protection or burglar alarm systems or other security systems will in all cases provide the detection or protection for which the system is designed or intended. Each Owner and Occupant of any Lot, and each tenant, guest and invitee of any Owners, as applicable, acknowledges and understands that the Association, its Board of Directors and Committees, Declarant, at any Successor Declarant are not insurers and that each Owner and

Occupant of any Lot and each Tenant, guest and invitee of any Owner assumes all risks for loss or damage to person, to Lots and to the contents of homes and further acknowledges that no statement made by or on behalf of the Association, its Board of Directors and Committees, Declarant, or any Successor Declarant will be deemed to be a representation or warranty nor will any Owner, occupant, tenant, guest or invitee rely upon any representations or warranties, expressed or implied, including any warranty of merchantability or fitness for any particular purpose, relative to any fire and/or burglar alarm systems or other security systems recommended or installed or any security measures undertaken or any claim for failure to take security measures or additional security measures within the properties.

34. If the party hereto, or any of them, or their heirs or assigns, or any future transferee of the real estate or any part thereof, shall violate or attempt to violate any of these covenants, restrictions, provisions or conditions herein, the Association, the Committee (as to matters for which it has responsibility) or any other person owning any real property situated in this subdivision may prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant, to prevent him or them from doing so, to recover damages or other charges for such violation, including attorney fees and costs, and/or to require the removal of structures erected in violation hereof.

35. These covenants are to run with the land, and shall be binding on all parties and all persons claiming under them until December 31, 2015, at which time said covenants shall be automatically extended for successive periods of ten (10) years each, unless by a vote of a seventy-five percent (75%) majority of the then owners of the lots in this subdivision it is agreed to change (or terminate) said covenants in whole or in part; provided, however, that no change or termination of said covenants shall affect any easement hereby created or granted unless all persons entitled to the beneficial use of such easement shall consent thereto.

These plat covenants may be amended, in whole or in part, by an affirmative vote of seventy-five percent (75%) of the lot owners, so long as the Declarant has also consented to such amendment, if the Declarant owns any interest in any portion of the Lake Stonebridge subdivision, as shown on Exhibit A hereto and incorporated herein, or on any addition to Lake Stonebridge pursuant to the terms of the Lake Stonebridge Declaration or the Legend at Geist Declaration.

36. Invalidation of any of the foregoing covenants, provisions, restrictions or conditions by judgment or court order shall in no way affect any of the other provisions, which shall remain in full force and effect.

37. If there is any irreconcilable difference between any
Plat Covenants

of the covenants and restrictions contained in this plat and the covenants and restrictions contained in the Declaration, the conflicting covenants or restriction contained in this plat shall govern and control, only to the extent of the irreconcilable conflict, it being the intent hereof that all such covenants and restrictions shall be applicable to said real estate to the greatest extent possible. Notwithstanding this provision, the procedures for Architectural Control stated in Article X of the Declaration shall control the provisions of Paragraph 19 of these Plat Covenants and the Covenants and Restrictions of Article XV of the Declaration shall control the covenants and restrictions stated herein, if any irreconcilable difference or conflict exists.

This Supplemental Declaration hereinafter referred to as "the Declaration" or "this Declaration" is made this 24th day of May, 1994 by Land Innovators Company, an Indiana Limited Partnership (hereinafter referred to as "Declarant");

WHEREAS:

This Declaration, upon the consent of the Owners of the Lots already deeded from the Declarant, shall supplement the Declaration of Covenants, Conditions and Restrictions and By-Laws filed September 11, 1993 as Instrument No. 59-5244 and in the Office of the Recorder of Hamilton County, Indiana, which replaced the Declarations filed on November 28, 1994 as Instrument No. 94-4846 and June 1, 1995 as Instrument No. 95-3718.

Declarant in the owner of or makes this Supplemental Declaration with the consent of the owners of real estate in Hamilton County, Indiana, which is more particularly described in "Exhibit A" attached hereto and incorporated herein by reference (herein referred to as the "Real Estate");

Declarant records the Declaration of Covenants and Restrictions for The Legends at Geist in the Office of the Recorder of Hamilton County, Indiana on December 27, 1993 as Instrument Number 93-5186; which instrument created a community of neighborhoods known collectively as "The Legends at Geist" and which instrument encumbered the Real Estate;

NOW, THEREFORE, Declarant makes this Supplemental Declaration as follows:

ARTICLE I

ADDITIONAL EASEMENTS FOR DECKS AND ATTACHMENTS

Section 1.1 Identification of the Easement. The current design for homes on each LOT in Lake Stonebridge, which may subsequently be changed, includes a deck for each residence. The Easements created under this Article for attachment of the deck to adjacent homes and related maintenance, repair and replacement shall supplement and be in addition to the Plots of Attachment Easements recorded in Paragraph 4 of the Lake Stonebridge Plat Covenants recorded with the Recorder of Hamilton County, Indiana on September 18, 1993 as Instrument No. 93-52047;

While in some cases the deck will not extend upon the neighboring property, except for the attachment, in other cases the deck, the foundation for the deck, the stairs for the deck and the storage area beneath the deck will extend upon the adjacent property. The supplemental easement created under this Article hereby extends the easement to clarify and provide for easements of ingress and egress, support, maintenance, repair, replacement, use and enjoyment for the deck, attachments, foundation, storage areas beneath the deck, and stairs. An easement is also created and reserved for driveways, patios, stoops, fences, gates, retaining walls, landscaping, landscape lighting, and irrigation systems to extend from a lot to the adjoining lot. The above easements are to extend from the platted lot line of the home which the easements are intended to serve, to the outside wall of the home located on the adjacent platted lot.

Any adjoining property owner, or their agent or contractor, entering upon or otherwise interfering with the use and enjoyment of the owner of the property to complete improvements or repairs, shall provide the owner with reasonable advanced notice and shall, once the improvements or repairs have commenced, complete the work on a prompt and timely basis, consistent with the nature and scope of the work.

Section 1.2 Dedicant to the Easement. Each homeowner, by accepting title to a lot in Lake Stonebridge, and each mortgagee, by accepting a mortgage upon a lot in Lake Stonebridge, accepts the Easement described in Section 1.1 above and consents to an easement for the adjoining property's
deck, foundation, stairs, and below deck storage space, and for the adjoining property’s driveways, patios, stoops, fences, gates, retaining walls, landscaping, landscape lighting, and irrigation systems, or any part thereof which extends upon said owner’s lot.

Section 1.1 Ownership of the improvements Each homeowner will own the primary residential structure upon their lot and will own the deck, foundation, stairs, and below deck storage designed to benefit such primary residential structure. However, a homeowner will not own the deck, foundation, stairs, and below deck storage, or any part thereof extending upon said homeowner’s lot, designed to benefit the primary residential structure upon an adjoining lot.

Similarly, each homeowner will own the driveway, patio, stoop, fence, gate, retaining walls, landscaping, landscape lighting, and irrigation systems, or any portion thereof extending upon said homeowner’s lot, designed to benefit the primary residential structure upon an adjoining lot.

Any dispute or disagreement regarding ownership of any improvements to any lot shall be submitted to the Lake Stonebridge Board of Directors, as provided under Section 1.6 of this Supplemental Declaration.

Section 1.4 Maintenance of the Deck and Other Improvements Which Extend Upon an Adjoining Lot The responsibilities for maintaining the deck and other improvements are outlined in Sections 9.1 and 9.4 of the Declaration and these responsibilities are unchanged by this Supplemental Declaration. The Association, and its agents and contractors, are granted an easement to come upon each lot for the purpose of completing its maintenance and repair responsibilities under the Declaration. In addition, a for Owner, whose deck or other improvements extend upon an adjoining property, and said Lot Owner’s agents and contractors, are granted an easement, subject to the provisions of Section 1.5 below, to come upon the adjoining property for the purpose of making improvements, alterations, repairs and replacements, and for inspections and estimates.

Section 1.5 Improvements and Alterations An improvement or an alteration to an improvement, which extends upon an adjoining property, shall only be made after approval by the Lake Stonebridge Architectural Control Committee, pursuant to the provisions of the Declaration and Plat Covenants. At the time of making application for approval, the Owner shall provide a copy of the application and plans to the adjoining Owner, upon whose property the improvements do or will extend. The adjoining Owner shall have ten days from receipt of a copy of the application and plans to make an objection, and the Architectural Control Committee shall not approve the application until either is received a response from the adjoining Owner or until ten days has passed, whichever is earlier.

Section 1.6 Claims or Disputes Regarding Easements Any claim or dispute regarding ownership, maintenance or alteration of any improvements which extend, or which are claimed to extend, upon an adjoining lot shall be submitted to the Lake Stonebridge Board of Directors for resolution prior to the filing of any legal or court action. If the dispute is not resolved to the satisfaction of each concerned party within sixty days of the date of submission of a letter of dispute by a concerned party, appropriate legal or court action may then be commenced. Under no event will the Association, the Board of Directors or any member of the Board of Directors have any liability to any party for any decision or lack of decision under this section.

Section 1.7 Miscellaneous Provisions A property owner, whose property is subject to the easement provided herein or an agent or contractor of the Association, shall have the right, upon reasonable advanced notice to the adjoining property owner, to temporarily interfere with the adjoining property owner’s use and enjoyment of the easement and, if necessary to perform repairs or improvements upon the underlying property, to disassemble a portion of the extending improvements, so long as the interference is kept to as short a time period as is reasonably practicable and any improvements which have been damaged shall, at its own cost or expense, be restored to as close to its original condition as is practicable.
ARTICLE II
ARCHITECTURAL REVIEW

Section 2.1 Classification of Architectural Review Requirements for Lake Stonebridge Homes. It is the intention of the declarant that Lake Stonebridge owners will only be required to obtain the approval of the Lake Stonebridge Architectural Design and Environmental Control Committee (in addition to any required governmental approvals) prior to constructing a residence and related improvements upon a lot and prior to making any additional improvements, alterations or changes to any lot or to the exterior of any structure thereon. The Legends at Geist Architectural Control Committee will be requested to amend their Architectural Guidelines to provide that, with regard to Lake Stonebridge property, the written approval of the Lake Stonebridge Architectural Control Committee shall be deemed to also constitute approval of the Legends at Geist Architectural Control Committee.

ARTICLE III

Section 3.1 Other Provisions Not Affected. Except as specifically provided in this Supplemental Declaration, all other provisions of the Declaration of Covenants, Conditions and Restrictions, and by-laws filed September 19, 1995 as Instrument No. 95-52866 in the Office of the Recorder of Hamilton County, Indiana shall remain in force and not be affected by this Supplemental Declaration.

IN WITNESS WHEREOF, the undersigned has caused this Supplemental Declaration to be executed this 13th day of May, 1996.

This Instrument, executed this 16th day of May, 1997, by Land Innovators Company, an Indiana Limited Partnership (referred to herein as "Developer" or as "Declarant") hereby establishes plat covenants, conditions, and restrictions for the real estate to be known as Lake Stonebridge, Section 1-F, which is described in Exhibit "A" hereto. Lake Stonebridge, Section 1-F shall contain Lots 36 through 44, inclusive, a total of 9 Lots.

1. All rights-of-way shown and not heretofore dedicated are hereby dedicated to the public for its use as public ways.

2. In addition to the covenants and restrictions set forth herein, the real estate described in this plat is also subject to certain additional covenants and restrictions contained in the Declaration of Covenants and Restrictions for Lake Stonebridge (hereinafter referred to as the "Declaration" or as the "Lake Stonebridge Declaration"), recorded in the Office of the Recorder of Hamilton County, Indiana, as Instrument Number 96-68496, and as Instrument Number 95-37187, and revised and re-recorded as Instrument No. 95-52046, and the Supplemental Declaration of Covenants, Condition and Restrictions recorded on June 3, 1996 as Instrument No. 9609622161/ and in the Declaration of Covenants, Conditions, and Restrictions for The Legends at Geist (the "Legends Declaration"), recorded in the Office of the Recorder of Hamilton County, Indiana, as Instrument Number 92-51016 and to the rights, powers, duties, and obligations of both The Lake Stonebridge Homeowners Association, Inc. (the "Association") and the Lake Stonebridge Architectural Control Committee (the "Committee"), as set forth in the Declaration and Design Guidelines promulgated by the Committee. All owners who take title to lots in this plat take such title subject to the Developer's unilateral right and privilege to supplement the Lake Stonebridge Declaration, as provided therein. All of the terms, provisions, covenants, conditions, and restrictions which shall be contained in the Declaration shall be incorporated herein by reference upon recording of the Declaration.

In order to provide adequate protection to all present and future owners of lots in this subdivision, the covenants, restrictions and limitations contained in these plat covenants, in addition to those set forth in the Declaration, are hereby imposed upon and shall run with the land included in this subdivision and shall be binding upon the Developer and anyone at any time owning or occupying a part or portion of such land.

3. Prior to application for an improvement location permit from the appropriate governmental agency for the construction of a residence or other structure, site plans, landscaping plans and building plans shall have been approved in writing by the Lake...
Stonebridge Architectural Design and Environmental Control Committee as defined in the Declaration. Such approval shall include but not be limited to building design, color and location, driveways, tree preservation, and proposed landscaping and fencing, all in accordance with the requirements of the lake Stonebridge Architectural Control Guidelines.

4. Lots are subject to the following Drainage Easements, Utility Easements, Sewer Easements, and Landscape Easements, either separately or in combination, as shown on the plat, which easements are reserved for the use of the Declarant, the Association, public or private utility companies and governmental agencies, as follows:

"Drainage Easements" are created to provide paths and courses for area and local storm drainage, either overland or in adequate underground conduit, to serve the needs of the subdivision and adjoining ground and/or the public or private drainage system. Under no circumstances shall drainage easements be blocked in any manner by the construction or reconstruction of any improvement, nor shall any grading restrict the water flow in any manner. Said areas are subject to construction or reconstruction to any extent necessary to obtain adequate drainage at any time by any governmental authority having jurisdiction over drainage or by Declarant, its successors or assigns.

"Utility Easements" are hereby created for the use of public or private utility companies and cable television companies, not including transportation companies, for the installation of poles, pipes, mains, ducts and cable or other related utility structures, as well as for the uses specified for sewer easements.

"Sewer Easements" are hereby created for the use of the Utility, public or private, having jurisdiction over the sanitary waste disposal system designated to serve Lake Stonebridge. Sewer Easements shall be used to construct, operate, inspect, maintain, reconstruct and remove mains, ducts, or other related utility structures of sanitary sewers that are a part of said system. Sanitary sewer manholes shall not be placed under or within one foot horizontal distance of any sidewalk. Sewer Easements are a part of the Utility Easements.

"Landscape Easements" and "Painting Easements" are hereby reserved and created over and across Lots (without specific designation or reservation on the Plat), and throughout the entire Lake Stonebridge subdivision, including landscaping, earth mounds, screening material, fencing, walls, neighborhood and community identification signs, directories, lighting, irrigation systems and other improvements may be constructed and maintained by the
Plat Covenant
Lake Stonebridge, Section 1-F

Developer or the Association to provide landscape design continuity and ensure attractive and aesthetically pleasing areas throughout the Subdivision. It is the plan and design of this Subdivision that all landscaping (with the exception of private planting beds approved by the Association) and the painting or staining of the exterior of all houses, be undertaken by the Association, as a common expense, as further described under paragraphs 13 and 14 of these Plat Covenants. Within landscape easements, the Developer and the Association shall have the right to install, inspect, maintain, reconstruct and remove such landscape improvements as described herein. Owners of Lots shall have the right to fully use and enjoy their own Lot, except for such use as may impair, impede, or interfere with the exercise by the Developer or Association of the landscaping, painting, and other rights granted herein. Owners of lots shall not construct, nor permit to be constructed any structure or obstruction on or over any part of a Lot or interfere with the Developer's or Association's ability to use or gain access to the Lot for purposes permitted by this landscape easement.

"Maintenance Easements" are created to provide means of access for public utility companies, governmental agencies and the Association to various areas of the subdivision (including, without limitation, the lakes or ponds shown on the within plat and on the Development Plan for the Legend at Sells') to permit said parties to perform their respective responsibilities and to install, maintain and service their respective installations. Maintenance Easements exist throughout the subdivision without specific designation or reservation on the Plat.

The Developer and/or Builder(s) approved by the Developer shall retain the right to display marketing and promotional signs within this subdivision until the sale of the last lot in the Lake Stonebridge Subdivision (including Sections not yet platted) owned by either the Developer or the Builder(s) and hold title to their lots subject to all of the foregoing Easements, to the rights of the public utility companies, governmental agencies, the Developer, the Association and others therein (which rights also include the right of ingress and egress in, along, across and through said Easements), to the jurisdiction of the proper authorities and to the covenants herein granted and reserved.

5. Subject to other provisions contained herein, building setback lines are hereby established as shown on this plat (sometimes noted as "setback line"), between which lines and the property lines of the lots shall be erected or maintained no
building or structure. No building, structure or accessory building shall be erected closer than five feet (5') to any side lot line, unless specifically approved by the Committee, nor less than twenty feet (20') from any rear lot line. In no case shall aggregate side yards between homes be less than ten feet (10'). No building, structure or accessory building shall be erected closer than twenty five feet (25') to any street right-of-way unless a lesser building setback is specifically approved by the Committee.

6. The owners of all lots in Lake Stonebridge shall be required to submit a drainage plan, which shall include a minimum building pad elevation, to the Committee for its approval and which must also be submitted as part of the application for a building permit and be satisfactory to the governmental agency which issues building permits. The minimum pad elevation as so approved by the Committee and the governmental agency shall constitute the minimum elevation for all buildings on said lot. In addition, no buildings, structures or other improvements shall be constructed on any part of a lot lying within the floodway as shown on the within plat (if any) except in accordance with the rules and requirements of, and prior approval of, the Department of Natural Resources of the State of Indiana.

7. Except to the extent any portions of lots in this subdivision are or may become "Common Area" as defined in the Declaration, and which may be used for the purposes for which the same are designated and intended, all lots in this subdivision shall be used solely for residential purposes, unless alternative uses, such as permitted home occupations, are consented to by the Association and are permitted under applicable zoning laws. No structure shall be erected, altered, placed or permitted to remain on any residential lot herein, other than one detached single-family dwelling, and a private garage for not more than three (3) cars. No portion of any lot may be sold or subdivided so that there will be thereby created a greater number of lots than the original number plated.

8. The ground floor of each dwelling constructed on a lot, exclusive of one-story open porches and garages, shall be not less than one thousand (1,000) square feet in the case of a one-story structure, nor less than one thousand (1,000) square feet in the case of a multiple story structure, provided no structure of more than one story shall have less than an aggregate of fourteen hundred (1,400) square feet of finished and livable floor area.

9. No construction vehicles, sheds or outhouses shall be erected or situated on any lot herein, except for use by a builder during the construction of a proper structure, which builder's temporary construction structure shall be promptly removed upon completion of the proper structure.
10. All motor vehicles belonging to members of a household shall have permanent parking spaces in garages or driveways and no vehicle shall be permanently maintained or kept on the public streets or areas of the subdivision. No disabled vehicle shall be openly stored on any residential lot or elsewhere within the subdivision. Also, no boat, trailer, camper, or motor home of any kind (including, but not in limitation thereof, house trailers, camper trailers, or boat trailers) shall be kept or parked upon any lot unless kept in an approved, enclosed garage.

11. No "for sale", "for rent", "garage sale" or other signs for any purpose shall be placed upon any common area or upon any Lot other than the Lot which is for sale, for rent or upon which the garage sale will be held, without the express consent of the Board. Any "for sale", "for rent", "garage sale" or other yard signs, whether placed on any lot or with the Board's consent placed in the common areas, shall be less than 45" in height and less than 36" in width. No more than one sign may be placed on any Lot, without the prior consent of the Board. No banners or signs shall be hung from any home or elsewhere on any Lot for more than one week, without the prior consent of the Board.

12. All garbage cans, mechanical equipment, and other similar items on Lots shall be located or screened so as to be concealed from view of neighboring Lots, streets, and property located adjacent to the Lot. No clotheslines or above ground storage tanks shall be permitted on any Lot or elsewhere on the property. All rubbish, trash, and garbage shall be stored in appropriate containers and shall regularly be removed from the Properties and shall not be allowed to accumulate thereon.

13. Landscaping and grounds maintenance throughout Lake Stonebridge, including the individual Lots, shall be the sole responsibility of the Association. The cost of landscaping and grounds maintenance shall be a common expense of the Association. No owner or occupant of a Lot shall be permitted to plant trees or shrubbery; fertilize trees, shrubbery or grass; dig flower or planting beds of any nature; remove existing plantings or lawn; or otherwise alter the landscaping and grounds of his or her own Lot or of any common area of the subdivision without the prior consent of the Board. The Association shall have the sole right and responsibility of establishing and maintaining the landscaping and grounds of the subdivision, which right and responsibility may be delegated to the developer or to individual builders as a part of initial construction of the subdivision or of Lots therein. In the event that any Owner of any Lot or any other person interferes with the Association's sole right to control the landscaping and grounds maintenance of the subdivision, any damages or costs to repair or return the
landscaping to its prior condition resulting therefrom shall be chargeable to such person, including costs and attorney fees.

15. The Association shall have the sole right and responsibility for painting or staining the exterior of all houses in the Lake Stonebridge subdivision. Paint or stain color shall be determined by the Owner, from a selection of colors approved by the Association. The cost of painting or staining the exterior of houses shall be a common expense. Other exterior maintenance, including roofing, gutters and downspouts, and replacing wood or other siding, shall be the sole cost and expense of the Owner of the property and shall be a lien against their lot.

16. The Association may make assessments to cover any costs incurred in enforcing these covenants or in undertaking any maintenance or other activity which is the responsibility of the Association or any maintenance or other activity of a lot owner hereunder or under the Declaration, which the lot owner has not undertaken as required. Any such assessments shall be only against those lot owners whose failure to comply with the requirements of the covenants hereunder and under the Declaration necessitated the action to enforce such covenants or the undertaking of the maintenance or other activity.

17. No farm animals or fowl of any kind, nor any domestic animals for commercial purposes, shall be kept or permitted on any lot or lots in this subdivision at any time. The Association shall have the authority to restrict the number of domestic animals kept on any lot and to establish rules and regulations for the maintenance of pets within the subdivision.

18. No noxious, unlawful, or otherwise offensive activity shall be carried out on any lot in this subdivision, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood or to any neighbor. Included within this covenant shall be noise, light, odor and appearance. The sole discretion of the Developer or the Association shall determine what is offensive or a nuisance.

19. No private, or semi-private, water or sewer disposal system may be located upon any lot in this subdivision unless the municipal system is discontinued or establishes itself to be unreliable, as determined by the Association. In which event, any such water or sewer system, including any absorption field or septic system, must be in compliance with regulations or procedures as provided by the applicable public health agencies, or other civil authority having jurisdiction, and approved by the Committee.

20. No construction shall be commenced nor shall any building, structure or other improvements be erected, placed or altered on any lot in this subdivision until the building plans, specifications and plot plan showing the location of such construction have been approved as to the compatibility of the
same with existing structures and with the intent of these covenants and those set forth in the Declaration, by the Lake Stonebridge Design Committee (the "Committee"), in accordance with the procedures for such approval contained in the Declaration and all rules, regulations and guidelines adopted by the Committee. If the Committee fails to act upon any plans submitted to it for its approval within a period of thirty (30) days from the submission date of a completed application not in conflict with the Architectural Guidelines, the owner may then proceed with the building or construction activity according to the plans as submitted. No Owner shall be permitted to substitute different plans or materials or alter the location of the improvements from that submitted to the Committee without first obtaining the approval of the Committee. Neither the Committee nor any of its members shall be entitled to any compensation for services performed pursuant to this covenant or in performing any of its duties or obligations set forth in the Declaration.

20. No wall, hedge or shrub planting which obstructs sight lines at elevations between 2 and 5 feet above the street, shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting points 25 feet from the intersection of said street lines, or in the case of a rounded property corner from the intersection of the street lines extended. The same sight line limitations shall apply to any lot within 10 feet from the intersection of a street line with the edge of a driveway, pavement or alley line. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight line.

21. The Association, in accordance with the terms of the Declaration, but subject to the obligations of individual lot owners to keep "Drainage Easements" free of obstructions so that the flow of water will be unimpeded, shall maintain the storm drainage system for the subdivision and, for such purposes, shall have an easement over all portions of the subdivision used as part of such storm drainage system. Such maintenance by the Association shall, to the extent necessary, include the maintenance of all inlet, pipes, open ditches, pipes, swales, lakes and lake banks. The costs and expenses of such maintenance of the storm drainage system (including the lakes, ponds or marina shown on this plat) shall be assessed as part of the general assessment against the owners of all lots in this subdivision as provided in the Declaration, such assessments shall be secured by the lien for the same as provided in the Declaration. Septic tanks, gravity drains and other drains serving individual residences on lots shall not outfall or empty onto grass swales between lots, but only into major drainage swales or
storm structures included in the storm drainage system for the subdivision.

22. Lots with frontage on more than one (1) street shall have all of their access points from only one (1) of such street frontages, unless otherwise approved by the Committee. No lots shall enter or exit directly onto 116th Street.

23. The discharge of firearms within Lake Stonebridge, except for the protection of an individual from personal attack or injury, is prohibited. The term "firearms" includes bows and arrows, slingshots, "B-B" guns, pellet guns, and other firearms of all types, regardless of size. Notwithstanding anything to the contrary contained herein or in the Declaration, the Association shall not be obligated to take action to enforce this Section.

24. No above-ground swimming pools shall be erected, constructed or installed on any lot, provided, nothing herein shall preclude installation and use of hot tubs, spas, jacuzzis or any similar apparatus, with prior approval of the Committee.

25. Minibarns and other detached storage buildings, other than enclosures for approved swimming pools, hot tubs or spas, shall be prohibited. Enclosures for swimming pools, hot tubs and spas shall be limited as determined by the Committee.

26. Except as may be permitted by the Board or its designee, no window air conditioning units may be installed on any lot.

27. No solar energy collector panels or attendant hardware or other energy conservation equipment shall be constructed or installed on any lot unless it is an integral and harmonious part of the architectural design of a structure, as determined in the sole discretion of the Committee.

28. The Committee shall have the authority to control or prohibit fences, including the authority to have different rules for fences on waterfront properties. The Committee shall also have authority to establish rules and regulations for decks on any property.

29. The Board of Directors shall have the authority to establish rules and regulations for design and erection of docks and use of any body of water in the Subdivision. Boating shall only be permitted within the rules and regulations established by the Board.

30. An easement shall exist in favor of the golf course and its licensees (golfers and maintenance personnel) to enter upon golf course frontage lots for the sole purpose of retrieving errant golf balls, so long as the licensee does no harm to the property. The licensee shall be responsible for any harm or damage to the property as a result of his or her use of this easement and this easement expressly excludes a right to hit the golf ball from any private lot. The owner of the golf course shall not be responsible to the Association or to any home owner.
for any damage done to a lot or to the common areas by any licensee's usage of this easement.

31. Every Owner shall cause all tenants and/or occupants of his or her Lot to comply with these restrictions, the Declaration, By-Laws, and the rules and regulations adopted pursuant thereto, and shall be responsible for all violations and losses to the Common Areas caused by such occupants, notwithstanding the fact that such occupants of a Lot are fully liable and may be sanctioned for any violation of the Declaration, By-Laws, and rules and regulations adopted pursuant thereto. The Owner must make available to any Lessee copies of these restrictions, the Declaration, By-Laws, and the rules and regulations.

32. Owners of all lots in this subdivision, by acceptance of the deed transferring title to said lots, consent to Declarant or its successor or assigns petitioning for annexation of all real estate in this subdivision, and any additions thereto, into the boundaries of any City or Town.

33. The Association may, but shall not be obligated to, maintain or support certain activities within Lake Stonebridge designed to make Lake Stonebridge safer than it otherwise might be. Neither the Association, the Declarant, nor any successor Declarant shall in any way be considered insurers or guarantors of security with Lake Stonebridge, however, and neither the Association, the Declarant, nor any Successor Declarant shall be held liable for any loss or damage by reason or failure to provide adequate security or ineffectiveness of security measures undertaken. All Owners and Occupants of any Lot, tenants, guests and invitees of any Owner, as applicable, stipulate and acknowledge that the Association and its Board of Directors, Declarant, or any Successor Declarant and the Lake Stonebridge Design Committee do not represent or warrant that any fire protection system, burglar alarm system or the security system designated by or installed according to guidelines established by the Declarant or the Committee may not be compromised or circumvented, that any fire protection or burglar alarm systems or other security systems will prevent loss by fire, smoke, burglary, theft, hold-up, or otherwise, nor that fire protection or burglar alarm systems or other security systems will in all cases provide the detection or protection for which the system is designed or intended. Each Owner and Occupant of any Lot, and each Tenant, guest and invitee of any Owner, as applicable, acknowledges and understands that the Association, its Board of Directors and Committees, Declarant, or any Successor Declarant are not insurers and that each Owner and Occupant of any Lot and each Tenant, guest and invitee of any Owner assumes all risks for loss or damage to person, to Lots and to the contents of homes and further acknowledges that no statement made by or on behalf of the Association, its Board of Directors and Committees,
Declarant, or any Successor Declarant will be deemed to be a representation or warranty nor will any Owner, occupant, tenant, guest or invitee rely upon any representations or warranties, expressed or implied, including any warranty of merchantability or fitness for any particular purpose, relative to any fire and/or burglar alarm systems or other security systems recommended or installed or any security measures undertaken or any claim for failure to take security measures or additional security measures within the properties.

34. If the parties hereto, or any of them, or their heirs or assigns, or any future transfers of the real estate or any part thereof, shall violate or attempt to violate any of these covenants, restrictions, provisions or conditions herein, the Association, the Committee (as to matters for which it has responsibility) or any other person owning any real property situated in this subdivision may prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant, to prevent him or them from doing so, to recover damages or other charges for such violation, including attorney fees and costs, and/or to require the removal of structures erected in violation hereof.

35. These covenants are to run with the land, and shall be binding on all parties and all persons claiming under them until December 31, 2015, at which time said covenants shall be automatically extended for successive periods of ten (10) years each, unless by a vote of a seventy-five percent (75%) majority of the then owners of the lots in this subdivision it is agreed to change (or terminate) said covenants in whole or in part; provided, however, that no change or termination of said covenants shall affect any easement hereby created or granted unless all persons entitled to the beneficial use of such easement shall consent thereto.

These plat covenants may be amended, in whole or in part, by an affirmative vote of seventy five percent (75%) of the lot owners, so long as the Declarant owns any interest in any portion of the Lake Stonebridge subdivision, as shown on Exhibit 1 hereto and incorporated herein, or on any addition to Lake Stonebridge pursuant to the terms of the Lake Stonebridge Declaration or the Legends at Geist Declaration.

36. Invalidation of any of the foregoing covenants, provisions, restrictions or conditions by judgment or court order shall in no way affect any of the other provisions, which shall remain in full force and effect.

37. If there is any irreconcilable difference between any of the covenants and restrictions contained in this plat and the covenants and restrictions contained in the Declaration, the conflicting covenant or restriction contained in this plat shall govern and control, only to the extent of the irreconcilable
conflict, it being the intent hereof that all such covenants and restrictions shall be applicable to said real estate to the greatest extent possible. Notwithstanding this provision, the procedures for Architectural Control stated in Article X of the Declaration shall control over the provisions of Paragraph 19 of these Plat Covenants and the Covenants and Restrictions of Article XV of the Declaration shall control over the covenants and restrictions stated herein, if any irreconcilable difference or conflict exists.

IN WITNESS WHEREOF, the undersigned has caused the Plat Covenants for Lake Stonebridge, Section 1-F to be executed this 16th day of May, 1997.

Exhibit "A"
This Instrument, executed this 23rd day of December, 1997, by Land Innovators Company, an Indiana Limited Partnership (referred to herein as "Developer" or as "Declarant") hereby establishes plat covenants, conditions, and restrictions for the real estate to be known as Lake Stonebridge, Section 2-A, which is described in Exhibit "A" hereto. Lake Stonebridge, Section 2-A shall contain Lots 33 through 35 and Lots 45 through 50, inclusive, a total of 9 Lots, plus Block "G".

1. All rights-of-way shown and not heretofore dedicated are hereby dedicated to the public for its use as public ways.

2. In addition to the covenants and restrictions set forth herein, the real estate described in this plat is also subject to certain additional covenants and restrictions contained in the Declaration of Covenants and Restrictions for Lake Stonebridge (hereinafter referred to as the "Declaration" or as the "Lake Stonebridge Declaration"), recorded in the Office of the Recorder of Hamilton County, Indiana, as Instrument Number 94-48496, and as Instrument Number 95-37187, and revised and re-recorded as Instrument No. 95-52046, and the Supplemental Declaration of Covenants, Condition and Restrictions recorded on June 3, 1986 as Instrument No. 960522651, and in the Declaration of Covenants, Conditions, and Restrictions for The Legends at Gaist (the "Legends Declaration"), recorded in the Office of the Recorder of Hamilton County, Indiana, as Instrument Number 92-51926 and to the rights, powers, duties, and obligations of both The Lake Stonebridge Homeowners Association, Inc. (the "Association") and the Lake Stonebridge Architectural Control Committee (the "Committee"), as set forth in the Declaration and Design Guidelines promulgated by the Committee. All owners who take title to lots in this plat take such title subject to the Developer's unilateral right and privilege to supplement the Lake Stonebridge Declaration, as provided therein.

In order to provide adequate protection to all present and future owners of lots in this subdivision, the covenants, restrictions and limitations contained in these plat covenants, in addition to those set forth in the Declaration, are hereby imposed upon and shall run with the land included in this subdivision and shall be binding upon the Developer and anyone at any time owning or occupying a part or portion of such land.

3. Prior to application for an improvement location permit from the appropriate governmental agency for the construction of a residence or other structure, site plans, landscaping plans and building plans shall have been approved in writing by the Lake Stonebridge Architectural Design and Environmental Control.
Committee as defined in the Declaration. Such approval shall include but not be limited to building design, color and location, driveways, tree preservation, and proposed landscaping and fencing, all in accordance with the requirements of the Lake Stonebridge Architectural Control Guidelines.

4. Lots are subject to the following Drainage Easements, Utility Easements, Sewer Easements, and Landscape Easements, either separately or in combination, as shown on the plat, which easements are reserved for the use of the Declarant, the Association, public or private utility companies and governmental agencies, as follows:

"Drainage Easements" are created to provide paths and courses for area and local store drainage, either overland or in adequate underground conduit, to serve the needs of the subdivision and adjoining ground and/or the public or private drainage system. Under no circumstances shall drainage easements be blocked in any manner by the construction or reconstruction of any improvement, nor shall any grading restrict the water flow in any manner. Said areas are subject to construction or reconstruction to any extent necessary to obtain adequate drainage at any time by any governmental authority having jurisdiction over drainage or by Declarant, its successors or assigns.

"Utility Easements" are hereby created for the use of public or private utility companies and cable television companies, not including transportation companies, for the installation of poles, pipes, mains, ducts and cable or other related utility structures, as well as for the uses specified for sewer easements.

"Sewer Easements" are hereby created for the use of the Utility, public or private, having jurisdiction over the sanitary waste disposal system designated to serve Lake Stonebridge. sewer Easements shall be used to construct, operate, inspect, maintain, reconstruct and remove mains, ducts, or other related structures of sanitary sewers that are a part of said system. Sanitary sewer manholes shall not be placed under or within one foot horizontal distance of pavement, including driveways or sidewalks. Sewer Easements are a part of the Utility Easements.

"Landscape Easements" and "Painting Easements" are hereby reserved and created over and across Lots (without specific designation or reservation on the Plat), and throughout the entire Lake Stonebridge subdivision, within which landscaping, earth mounds, screening material, fencing, walls, neighborhood and community identification signs, directories, lighting, irrigation systems and other improvements may be constructed and maintained by the Developer or the Association to provide landscape design continuity and ensure attractive and aesthetically pleasing
areas throughout the Subdivision. It is the plan and design of this Subdivision that all landscaping (with the exception of private planting beds approved by the Association) and the painting or staining of the exterior of all houses be undertaken by the Association as a common expense, as further described under paragraphs 13 and 14 of these Plat Covenants. Within landscape easements, the Developer and the Association shall have the right to install, inspect, maintain, reconstruct and remove such landscape improvements as described herein. Owners of Lots shall have the right to fully use and enjoy their own Lot, except for such use as may impair, impede, or interfere with the exercise by the Developer or Association of the landscaping, painting, and other rights granted herein. Owners of Lots shall not construct, nor permit to be constructed, any structure or obstruction on or over any part of a Lot or interfere with the Developer's or Association's ability to use or gain access to the Lot for purposes permitted by this Landscape Easement.

"Maintenance Easements" are created to provide means of access for public utility companies, governmental agencies and the Association to various areas of the subdivision (including, without limitation, the lakes or ponds shown on the within plat and on the Development Plan for The Legends at Geist) to permit said parties to perform their respective responsibilities and to install, maintain and service their respective installations. Maintenance Easements exist throughout the subdivision without specific designation or reservation on the Plat.

The Developer and/or Builder(s) approved by the Developer shall retain the right to display marketing and promotional signs within this subdivision until the sale of the last lot in the Lake Stonebridge subdivision (including Sections not yet platted) owned by either the Developer or the Builder(s).

The owners of Lots in this subdivision shall take and hold title to their Lot subject to all of the foregoing Easements, to the rights of the public utility companies, governmental agencies, the Developer, the Association and others therein (which rights also include the right of ingress and egress in, along, across and through said Easements), to the jurisdiction of the proper authorities and to the covenants herein granted and reserved.

No building, structure or accessory building shall be erected closer than five feet (5') to any side
lot line, unless specifically approved by the Committee, nor less than twenty feet (20') from any rear lot line. In no case shall aggregate side yards between homes be less than ten feet (10'). No building, structure or accessory building shall be erected closer than twenty five feet (25') to any street right-of-way unless a lesser building setback is specifically approved by the Committee.

5. The owners of all lots in Lake Stonebridge shall be required to submit a drainage plan, which shall include a minimum building pad elevation, to the Committee for its approval and which must also be submitted as part of the application for a building permit and be satisfactory to the governmental agency which issues building permits. The minimum pad elevation as so approved by the Committee and the governmental agency shall constitute the minimum elevation for all buildings on said lot. In addition, no buildings, structures or other improvements shall be constructed on any part of a lot lying within the floodway as shown on the within plat (if any) except in accordance with the rules and requirements of, and prior approval of, the Department of Natural Resources of the State of Indiana.

6. Except to the extent any portions of lots in this subdivision are or may become "Common Area" as defined in the Declaration, and which may be used for the purposes for which the same are designated and intended, all lots in this subdivision shall be used solely for residential purposes, unless alternative uses, such as permitted home occupations, are consented to by the Association and are permitted under applicable zoning laws. No structure shall be erected, altered, placed or permitted to remain on any residential lot herein, other than one detached single-family dwelling, and a private garage for not more than three (3) cars. No portion of any lot may be sold or subdivided so that there will be thereby created a greater number of lots than the original number platted.

7. The ground floor of each dwelling constructed on a lot, exclusive of one-story open porches and garages, shall be not less than one thousand (1,000) square feet in the case of a one-story structure, nor less than one thousand (1,000) square feet in the case of a multiple story structure, provided no structure of more than one story shall have less than an aggregate of fourteen hundred (1,400) square feet of finished and liveable floor area.

8. No construction vehicles, shacks or outhouses shall be erected or situated on any lot herein, except for use by a builder during the construction of a proper structure, which builder's temporary construction structure shall be promptly removed upon completion of the proper structure.

9. All motor vehicles belonging to members of a household shall have permanent parking spaces in garages or driveways and no vehicle shall be permanently maintained or kept on the public
streets or areas of the subdivision. The Association shall have the authority to enact rules limiting the number of cars or other vehicles permitted to be parked in a driveway. No disabled vehicle shall be openly stored on any residential lot or elsewhere within the subdivision. Also, no boat, trailer, camper, or motor home of any kind (including, but not in limitation thereof, house trailers, camper trailers, or boat trailers) shall be kept or parked upon any lot unless kept in an approved, enclosed garage.

11. No "for sale", "for rent", "garage sale" or other signs for any purpose shall be placed upon any common area or upon any lot other than the lot which is "for sale", for rent or upon which the garage sale will be held, without the express consent of the Board. Any "for sale", "for rent" or other yard signs, whether placed on any lot or with the Board's consent placed in the common areas, shall be less than 45" in height and less than 36" in width. No more than one sign may be placed on any lot, without the prior consent of the Board. No banners or signs shall be hung from any house or elsewhere on any lot for more than one week, without the prior consent of the Board.

12. All garbage cans, mechanical equipment, and other similar items on Lots shall be located or screened so as to be concealed from view of neighboring lots, streets, and property located adjacent to the Lot. No clotheslines or above ground storage tanks shall be permitted on any Lot or elsewhere on the property. All rubbish, trash, and garbage shall be stored in appropriate containers and shall regularly be removed from the property and shall not be allowed to accumulate thereon.

13. Landscaping and grounds maintenance throughout Lake Stonebridge, including the individual Lots, shall be the sole responsibility of the Association. The cost of landscaping and grounds maintenance shall be a common expense of the Association. No Owner or occupant of a Lot shall be permitted to plant trees or shrubbery; fertilize trees, shrubbery or grass; dig flower or planting beds of any nature; remove existing plantings or lawn; or otherwise alter the landscaping and grounds of the Lot or any common area of the subdivision without the prior consent of the Board. The Association shall have the sole right and responsibility of establishing and maintaining the landscaping and grounds of the subdivision, which right and responsibility may be delegated to the developer or to individual builders as a part of initial construction of the subdivision or of Lots therein. In the event that any Owner of any Lot or any other person interferes with the Association's sole right to control the landscaping and grounds maintenance of the subdivision, any damages or costs to repair or return the landscaping to its prior condition resulting therefrom shall be chargeable to such person, including costs and attorney fees.
14. The Association shall have the sole right and responsibility for painting or staining the exterior of all houses in the Lake Stonebridge subdivision. Paint or stain color shall be determined by the owner, from a selection of colors approved by the Association. The cost of painting or staining the exterior of houses shall be a common expense. Other exterior maintenance, including roofing, gutters and downspouts, and replacing wood or other siding, shall be the sole cost and expense of the owner of the property and shall be a lien against their lot.

15. The Association may make assessments to cover any costs incurred in enforcing these covenants or in undertaking any maintenance or other activity which is the responsibility of the Association or any maintenance or other activity of a lot owner hereunder or under the Declaration, which the lot owner has not undertaken as required. Any such assessments shall be only against those lot owners whose failure to comply with the requirements of the covenants hereunder and under the Declaration necessitated the action to enforce such covenants or the undertaking of the maintenance or other activity.

16. No farm animals or fowl of any kind, nor any domestic animals for commercial purposes, shall be kept or permitted on any lot or lots in this subdivision at any time. The Association shall have the authority to restrict the number of domestic animals kept on any Lot and to establish rules and regulations for the maintenance of pets within the subdivision.

17. No noxious, unlawful, or otherwise offensive activity shall be carried out on any lot in this subdivision, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood or to any neighbor. Included within this covenant shall be noise, light, odor and appearance. The sole discretion of the Developer or the Association shall determine what is offensive or a nuisance.

18. No private, or semi-private, water supply and/or sewage disposal system may be located upon any lot in this subdivision unless the municipal system is discontinued or establishes itself to be unreliable, as determined by the Association. In which event, any such water or sewer system, including any absorption field or finger system, must be in compliance with regulations or procedures as provided by the applicable public health agencies, or other civil authority having jurisdiction, and approved by the Committee.

If the Committee fails to act upon any plans submitted to it for its approval within a period of thirty (30) days from the submission date of a completed application not in conflict with the Architectural Guidelines, the owner may then proceed with the building or construction activity according to the plans as submitted. No owner shall be permitted to substitute different plans or materials or alter the location of the improvements from that submitted to the Committee without first obtaining the approval of the Committee. Neither the Committee nor any of its members shall be entitled to any compensation for services performed pursuant to this covenant or in performing any of its duties or obligations set forth in the Declaration.

20. No wall, hedge or shrub planting which obstructs sight lines at elevations between 2 and 6 feet above the street, shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting points 25 feet from the intersection of said street lines, or in the case of a rounded property corner from the intersection of the street lines extended. The same sight line limitations shall apply to any lot within 10 feet from the intersection of a street line with the edge of a driveway, pavement or alley line. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight line.

21. The Association, in accordance with the terms of the Declaration, but subject to the obligations of individual lot owners to keep "Drainage Basements" free of obstructions so that the flow of water will be unimpeded, shall maintain the storm drainage system for the subdivision and, for such purposes, shall have an easement over all portions of the subdivision used as part of such storm drainage system. Such maintenance by the Association shall, to the extent necessary, include the maintenance of all inlet pipes, open ditches, pipes, swales, lakes and lake banks. The costs and expenses of such maintenance of the storm drainage system (including the lakes, ponds or marina shown on this plat) shall be assessed as part of the general assessment against the owners of all lots in this subdivision as provided in the Declaration. Sump pumps, gravity drains and other drains serving individual residences on lots shall not outfall or empty onto grass swales between lots, but only into major drainage swales or storm structures included in the storm drainage system for the subdivision.

shall enter or exit directly onto 115th Street.

23. The discharge of firearms within Lake Stonebridge, except for the protection of an individual from personal attack or injury, is prohibited. The term "firearms" includes bows and arrows, slingshots, "BB" guns, pellet guns, and other firearms of all types, regardless of size. Notwithstanding anything to the contrary contained herein or in the Declaration, the Association shall not be obligated to take action to enforce this covenant.

26. Except as may be permitted by the Board or its designee, no window air conditioning units may be installed on any Lot.

27. No solar energy collector panels or attendant hardware or other energy conservation equipment shall be constructed or installed on any Lot unless it is an integral and harmonious part of the architectural design of a structure, as determined in the sole discretion of the Committee.

28. The Committee shall have the authority to control or prohibit fences, including the authority to have different rules for fences on waterfront properties. The Committee shall also have authority to establish rules and regulations for decks on any property.

29. The Board of Directors shall have the authority to establish rules and regulations for design and erection of docks and use of any body of water in the Subdivision. Boating shall only be permitted within the rules and regulations established by the Board.

30. An easement shall exist in favor of the golf course and its licensees (golfers and maintenance personnel) to enter upon golf course frontage lots for the sole purpose of retrieving errant golf balls, so long as the licensee does no harm to the property. The licensee shall be responsible for any harm or damage to the property as a result of his or her use of this easement and this easement expressly excludes a right to hit the golf ball from any private lot. The owner of the golf course shall not be responsible to the Association or to any home owner for any damage done to a lot or to the common areas by any licensee's usage of this easement.

31. Every owner shall cause all tenants and/or occupants of his or her Lot to comply with these restrictions, the Declaration, By-laws, and the rules and regulations adopted
pursuant thereto, and shall be responsible for all violations and
losses to the Common Areas caused by such occupants,
notwithstanding the fact that such occupants of a Lot are fully
liable and may be sanctioned for any violation of the
Declaration, By-Laws, and rules and regulations adopted pursuant
thereto. The Owner must make available to any lessee copies of
these restrictions, the Declaration, By-Laws, and the rules and
regulations.
32. Owners of all lots in this subdivision, by acceptance
of the deed transferring title to said lots, consent to Declarant
or its successor or assigns petitioning for annexation of all
real estate in this subdivision, and any additions hereto, into
the boundaries of any City or Town.
33. The Association may, but shall not be obligated to,
maintain or support certain activities within Lake Stonebridge
designed to make Lake Stonebridge safer than it otherwise might
be. Neither the Association, the Declarant, nor any successor
Declarant shall in any way be considered insurers or guarantors
of security with Lake Stonebridge, however, and neither the
Association, the Declarant, nor any Successor Declarant shall be
held liable for any loss or damage by reason or failure to
provide adequate security or ineffectiveness of security measures
undertaken. All Owners and Occupants of any Lot, tenants, guests
and invitees of any Owner, as applicable, stipulate and
acknowledge that the Association and its Board of Directors,
Declarant, or any Successor Declarant and the Lake Stonebridge
Design Committee do not represent or warrant that any fire
protection system, burglar alarm system or the security system
designated by or installed according to guidelines established by
the Declarant or the Committee may not be compromised or
circumvented, that any fire protection or burglar alarm systems
or other security systems will prevent loss by fire, smoke,
burglary, theft, hold-up, or otherwise, nor that fire protection
or burglar alarm systems or other security systems will in all
cases provide the detection or protection for which the system is
designed or intended. Each Owner and Occupant of any Lot, and
each tenant, guest and invitee of any Owner, as applicable,
acknowledges and understands that the Association, its Board of
Directors and Committees, Declarant, or any Successor Declarant
are not insurers and that each Owner and Occupant of any Lot and
each Tenant, guest and invitee of any Owner assumes all risks for
loss or damage to person, to Lots and to the contents of homes
and further acknowledges that no statement made by or on behalf
of the Association, its Board of Directors and Committees,
Declarant, or any Successor Declarant will be deemed to be a
representation or warranty nor will any Owner, occupant, tenant,
guest or invitee rely upon any representations or warranties,
expressed or implied, including any warranty of merchantability
or fitness for any particular purpose, relative to any fire
and/or burglar alarm systems or other security systems recommended or installed or any security measures undertaken or any claim or failure to take security measures or additional security measures within the properties.

34. If the party hereto, or any of them, or their heirs or assigns, or any future transferee of the real estate or any part thereof, shall violate or attempt to violate any of these covenants, restrictions, provisions or conditions herein, the Association, the Committee (as to matters for which it has responsibility) or any other person owning any real property situated in this subdivision may prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant, to prevent him or them from doing so, to recover damages or other charges for such violation, including attorney fees and costs, and/or to require the removal of structures erected in violation hereof.

35. These covenants are to run with the land, and shall be binding on all parties and all persons claiming under them until December 31, 2015, at which time said covenants shall be automatically extended for successive periods of ten (10) years each, unless by a vote of a seventy five percent (75%) majority of the then owners of the lots in this subdivision it is agreed to change (or terminate) said covenants in whole or in part; provided, however, that no change or termination of said covenants shall affect any easement hereby created or granted unless all persons entitled to the beneficial use of such easement shall consent thereto.

These plat covenants may be amended, in whole or in part, by an affirmative vote of seventy five percent (75%) of the lot owners, so long as the Declarant has also consented to such amendment, if the Declarant owns any interest in any portion of the Lake Stonebridge subdivision, as shown on Exhibit 1 hereto and incorporated herein, or on any addition to Lake Stonebridge pursuant to the terms of the Lake Stonebridge Declaration or the Legends at Geist Declaration.

36. Invalidation of any of the foregoing covenants, provisions, restrictions or conditions by judgment or court order shall in no way affect any of the other provisions, which shall remain in full force and effect.

37. If there is any irreconcilable difference between any of the covenants and restrictions contained in this plat and the covenants and restrictions contained in the Declaration, the conflicting covenant or restriction contained in this plat shall govern and control, only to the extent of the irreconcilable conflict, it being the intent hereof that all such covenants and restrictions shall be applicable to said real estate to the greatest extent possible. Notwithstanding this provision, the procedures for Architectural Control stated in Article X of the Declaration shall control over the provisions of Paragraph 15 of...
these Plat Covenants and the Covenants and Restrictions of Article XV of the Declaration shall control over the covenants and restrictions stated herein, if any irreconcilable difference or conflict exists.

IN WITNESS WHEREOF, the undersigned has caused the Plat Covenants for Lake Stonebridge, Section 2-A to be executed this 29 day of DEC., 1991.

In addition to the covenants and restrictions set forth herein, the real estate described in this plat is also subject to certain additional covenants and restrictions contained in the Declaration of Covenants and Restrictions for Lake Stonebridge (hereinafter referred to as the "Declaration" or as the "Lake Stonebridge Declaration"), recorded in the Office of the Recorder of Hamilton County, Indiana, as Instrument Number 94-48456, and as Instrument Number 95-57187, and revised and re-recorded as Instrument No. 95-52046, the Supplemental Declaration of Covenants, Conditions and Restrictions recorded on June 3, 1996 as Instrument No. 9609622957, and the Amendment to the Declaration recorded on January 27, 2000 as Instrument No. 2000-00004174, and in the Declaration of Covenants, Conditions, and Restrictions for The Legende at Geist (the "Legenda Declaration"), recorded in the Office of the Recorder of Hamilton County, Indiana, as Instrument Number 92-51166 and to the rights, powers, duties, and obligations of both The Lake Stonebridge Homeowners Association, Inc. (the "Association") and the Lake Stonebridge Architectural Control Committee (the "Committee"), as set forth in the Declaration and Design Guidelines promulgated by the Committee. All owners who take title to lots in this plat take such title subject to the Developer's unilateral right and privilege to supplement the Lake Stonebridge Declaration, as provided therein.

In order to provide adequate protection to all present and future owners of lots in this subdivision, the covenants, restrictions and limitations contained in these plat covenants, in addition to those set forth in the Declaration, are hereby imposed upon and shall run with the land included in this subdivision and shall be binding upon the Developer and anyone at any time owning or occupying a part or portion of such land.

3. Prior to application for an improvement location permit from the appropriate governmental agency for the construction of a residence or other structure, site plans, landscaping plans and...
building plans shall have been approved in writing by the Lake Stonebridge Architectural Design and Environmental Control Committee as defined in the Declaration. Such approval shall include but not be limited to building design, color and location, driveways, tree preservation, and proposed landscaping and fencing, all in accordance with the requirements of the Lake Stonebridge Architectural Control Guidelines.

4. Lots are subject to the following Drainage Easements, Utility Easements, Sewer Easements, either separately or in combination, as shown on the plat, and subject to Landscape Easements and Maintenance Easements as described herein, which easements are reserved for the use of the Declarant, the Association, public or private utility companies and governmental agencies, as follows:

"Drainage Easements" are created to provide paths and courses for area and local storm drainage, either overland or in adequate underground conduit, to serve the needs of the subdivision and adjoining ground and/or the public or private drainage system. Under no circumstances shall drainage easements be blocked in any manner by the construction or reconstruction of any improvement, nor shall any grading restrict the water flow in any manner. Said areas are subject to construction or reconstruction to any extent necessary to obtain adequate drainage at any time by any governmental authority having jurisdiction over drainage or by Declarant, its successors or assigns.

"Utility Easements" are hereby created for the use of public or private utility companies and cable television companies, not including transportation companies, for the installation of poles, pipes, mains, ducts and cable or other related utility structures, as well as for the uses specified for sewer easements.

"Sewer Easements" are hereby created for the use of the Utility, public or private, having jurisdiction over the sanitary waste disposal system designated to serve Lake Stonebridge. Sewer Easements shall be used to construct, operate, inspect, maintain, reconstruct and remove mains, ducts, or other related structures of sanitary sewers that are a part of said system. Sanitary sewer manholes shall not be placed under or within one foot horizontal distance of pavement, including driveways or sidewalks. Sewer Easements are a part of the Utility Easements.

"Landscape Easements" are hereby reserved and created over and across Lots (without specific designation or reservation on the Plat), and throughout the entire Lake Stonebridge subdivision, within which landscaping, earth
mounds, screening material, fencing, walls, neighborhood and community identification signs, directories, lighting, irrigation systems and other improvements may be constructed and maintained by the Developer or the Association to provide landscape design continuity and ensure attractive and aesthetically pleasing areas throughout the Subdivision. It is the plan and design of this Subdivision that all landscaping (with the exception of private planting beds approved by the Association) be undertaken by the Association as a common expense, as further described under paragraph 13 of these Plat Covenants. Within landscape easements, the Developer and the Association shall have the right to install, inspect, maintain, reconstruct and remove such landscape improvements as described herein. Owners of Lots shall have the right to fully use and enjoy their own Lot, except for such use as may impair, impede, or interfere with the exercise by the Developer or Association of the landscaping and other rights granted herein. Owners of Lots shall not construct, nor permit to be constructed, any structure or obstruction on or over any part of a Lot or interfere with the Developer's or Association's ability to use or gain access to the Lot for purposes permitted by this Landscape Easement.

"Maintenance Easements" are created to provide means of access for public utility companies, governmental agencies and the Association to various areas of the subdivision (including, without limitation, the lakes or ponds shown on the within plat and on the Development Plan for the legends at Galeti) to permit said parties to perform their respective responsibilities and to install, maintain and service their respective installations. Maintenance Easements exist throughout the subdivision without specific designation or reservation on the Plat.

No permanent structures shall be erected or maintained upon any easement retained by these plat covenants. d) No mounding, lighting, fencing, signs, retaining, landscaping or entrance walls, irrigation lines, etc. shall be placed within ten (10) feet of the center of the sanitary sewer infrastructure. Any of the above listed items placed within easements or right-of-ways is at risk of being removed by Utilities without the obligation of replacement.

f) The discharge of clear water sources (foundation drains, sump pumps, roof drains, etc.) into the sanitary sewers is prohibited.

g) Grade changes across sanitary sewer facilities must be approved in writing by Hamilton Southeastern Utilities, Inc.

The Developer and/or Builder(s) approved by the Developer shall retain the right to display marketing and promotional signs within this subdivision until the sale of the last lot in the Lake Stonebridge Subdivision (including Sections not yet platted) owned by either the Developer or the Builder(s).

The owners of lots in this subdivision shall take and hold title to their lot subject to all of the foregoing easements, to the rights of the public utility companies, governmental agencies, the Developer, the Association and others therein (which rights also include the right of ingress and egress in, along, across and through said easements), to the jurisdiction of the proper authorities and to the covenants herein granted and reserved.

The minimum pad elevation as so approved by the Committee and the governmental agency shall constitute the minimum elevation for all buildings on said lot. In addition, no buildings, structures or other improvements shall be constructed on any part of a lot lying within the floodway as shown on the within plat (if any) except in accordance with the rules and requirements of, and prior approval of, the Department of Natural Resources of the State of Indiana.

7. or otherwise alter the landscaping and grounds of his or her own lot or of any common area of the subdivision without the prior consent of the Board. The Association shall have the sole right and responsibility of establishing and maintaining the landscaping and grounds of the subdivision, which right and responsibility may be delegated to the developer or to individual builders as a part of initial construction of the subdivision or of lots thereon. In the event that any owner of any lot or any other person interferes with the Association’s sole right to control the landscaping and grounds maintenance of the subdivision, any damages or costs to repair or return the landscaping to its prior condition resulting therefrom shall be chargeable to such person, including costs and attorney fees.

14. (This paragraph is intentionally omitted.)

15. The Association may make assessments to cover any costs incurred in enforcing these covenants or in undertaking any maintenance or other activity which is the responsibility of the Association or any maintenance or other activity of a lot owner hereunder or under the Declaration, which the lot owner has not undertaken as required. Any such assessments shall be only against those lot owners whose failure to comply with the requirements of the covenants hereunder and under the Declaration necessitated the action to enforce such covenants or the undertaking of the maintenance or other activity.

16. No farm animals or fowl of any kind, nor any domestic animals for commercial purposes, shall be kept or permitted on any lot or lots in this subdivision at any time. The Association shall have the authority to restrict the number of domestic animals kept on any lot and to establish rules and regulations for the maintenance of pets within the subdivision.

17. No noxious, unlawful, or otherwise offensive activity shall be carried out on any lot in this subdivision, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood or to any neighbor included within this covenant shall be noise, light, odor and appearance. The sole discretion of the Developer or the Association shall determine what is offensive or a nuisance.

18. No private, or semi-private, water supply and/or sewage disposal system may be located upon any lot in this subdivision unless the municipal system is discontinued or establishes itself to be unreliable, as determined by the Association. In which event, any such water or sewer system, including any absorption field or filter system, must be in compliance with regulations or procedures as provided by the applicable public health agencies.
or other civil authority having jurisdiction, and approved by the Committee.

19. No construction shall be commenced or shall any building, structure or other improvements be erected, placed or altered on any lot in this subdivision until the building plans, specifications and plot plan showing the location of such construction have been approved being the compatible with existing structures and with the intent of these covenants and those set forth in the Declaration, by the Lake Stonebridge Design Committee (the "Committee"), in accordance with the approval procedures contained in the Declaration and all rules, regulations and guidelines adopted by the Committee. If the Committee fails to act upon any plans submitted to it for its approval within a period of thirty (30) days from the submission date of a completed application not in conflict with the Architectural Guidelines, the owner may then proceed with the building or construction activity according to the plans as submitted. No owner shall be permitted to substitute different plans or materials or alter the location of the improvements from that submitted to the Committee without first obtaining the approval of the Committee. Neither the Committee nor any of its members shall be entitled to any compensation for services performed pursuant to this covenant or in performing any of its duties or obligations set forth in the Declaration.

20. No wall, hedge or shrub planting which obstructs sight lines at elevations between two (2) and six (6) feet above the street shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting points 25 feet from the intersection of said street lines, or in the case of a rounded property corner from the intersection of the street lines extended. The same sight line limitations shall apply to any lot within 10 feet from the intersection of a street line with the edge of a driveway pavement or alley line. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight line.

21. The Association, in accordance with the terms of the Declaration, but subject to the obligations of individual lot owners to keep "Drainage Easements" free of obstructions so that the flow of water will be unimpeded, shall maintain the storm drainage system for the subdivision and, for such purposes, shall have an easement over all portions of the subdivision used as part of such storm drainage system. Such maintenance by the Association shall, to the extent necessary, include the maintenance of all inlet pipes, open ditches, pipes, swales,
lakes and lake banks. The costs and expenses of such maintenance
of the storm drainage system (including the lakes, ponds or
marinas shown on this plat) shall be assessed as part of the
general assessment against the owners of all lots in this
subdivision as provided in the Declaration. Sump pumps, gravity
drains and other drains serving individual residences on lots
shall not outfall or empty onto grass swales between lots, but
only into major drainage swales or storm structures included in
the storm drainage system for the subdivision.

22. Lots with frontage on more than one street shall have
all of their access points from only one of such street
frontages, unless otherwise approved by the Committee. No lots
shall enter or exit directly onto 115th Street.

23. The discharge of firearms within Lake Stonebridge,
except for the protection of an individual from personal attack
or injury, is prohibited. The term "firearms" includes bows and
arrows, slingshots, "B.B." guns, pellet guns, and other firearms
of all types, regardless of size. Notwithstanding anything to
the contrary contained herein or in the Declaration, the
Association shall not be obligated to take action to enforce this
covenant.

24. No above-ground swimming pools shall be erected,
constructed or installed on any Lot, provided, nothing herein
shall preclude installation and use of hot tubs, spas, jacuzzis,
or any similar apparatus, with prior approval of the Committee.

25. Minibarns and other detached storage buildings, other
than enclosures for approved swimming pools, hot tubs or spas,
shall be prohibited. Enclosures for swimming pools, hot tubs and
spas shall be limited as determined by the Committee.

26. Except as may be permitted by the Board or its
designee, no window air conditioning units may be installed on
any Lot.

27. No solar energy collector panels or attendant hardware
or other energy conservation equipment shall be constructed or
installed on any Lot unless it is an integral and harmonious part
of the architectural design of a structure, as determined in the
sole discretion of the Committee.

28. The Committee shall have the authority to control or
prohibit fences, including the authority to have different rules
for fences on waterfront properties. The Committee shall also
have authority to establish rules and regulations for decks on
any property.
29. The Board of Directors shall have the authority to 
establish rules and regulations for design and erection of docks 
and use of any body of water in the Subdivision. Boating shall 
only be permitted within the rules and regulations established by 
the Board.

30. An easement shall exist in favor of the golf course and 
its licensees (golfers and maintenance personnel) to enter upon 
golf course frontage lots for the sole purpose of retrieving 
errant golf balls, so long as the licensee does no harm to the 
property. The licensee shall be responsible for any harm or 
damage to the property as a result of his or her use of this 
easement and this easement expressly excludes a right to hit the 
golf ball from any private lot. The owner of the golf course 
shall not be responsible to the Association or to any home owner 
for any damage done to a lot or to the common areas by any 
licensee’s usage of this easement.

31. Every Owner shall cause all tenants and/or occupants of 
his or her lot to comply with these restrictions, the 
Declaration, By-Laws, and the rules and regulations adopted 
pursuant thereto, and shall be responsible for all violations and 
losses to the Common Areas caused by such occupants, 
notwithstanding the fact that such occupants of a Lot are fully 
liable and may be sanctioned for any violation of the 
Declaration, By-Laws, and rules and regulations adopted pursuant 
thereto. The Owner must make available to any lessee copies of 
these restrictions, the Declaration, By-Laws, and the rules and 
regulations.

32. Owners of all lots in this subdivision, by acceptance 
of the deed transferring title to said lots, consent to Declarant 
or its successor or assigns petitioning for annexation of all 
real estate in this subdivision, and any additions hereto, into 
the boundaries of any City or Town.

33. The Association may, but shall not be obligated to, 
maintain or support certain activities within Lake Stonebridge 
designated to make Lake Stonebridge safer than it otherwise might 
be. Neither the Association, the Declarant, nor any successor 
Declarant shall in any way be considered insurers or guarantors 
of security with Lake Stonebridge, however. And neither the 
Association, the Declarant, nor any Successor Declarant shall be 
held liable for any loss or damage by reason or failure to 
provide adequate security or ineffectiveness of security measures 
undertaken. All Owners and Occupants of any Lot, tenants, guests 
and invitees of any Owner, as applicable, stipulate and 
acknowledge that the Association and its Board of Directors, 
Declarant, or any Successor Declarant and the Lake Stonebridge
Design Committee do not represent or warrant that any fire protection system, burglar alarm system or the security system designated by or installed according to guidelines established by the Declarant or the Committee may not be compromised or circumvented, that any fire protection or burglar alarm systems or other security systems will prevent loss by fire, smoke, burglary, theft, hold-up, or otherwise, nor that fire protection or burglar alarm systems or other security systems will in all cases provide the detection or protection for which the system is designed or intended. Each Owner and Occupant of any Lot, and each tenant, guest and invitee of any Owners, as applicable, acknowledges and understands that the Association, its Board of Directors and Committees, Declarant, or any Successor Declarant are not insurers and that each Owner and Occupant of any Lot and each Tenant, guest and invitee of any Owner assumes all risks for loss or damage to person, to lots and to the contents of homes and further acknowledges that no statement made by or on behalf of the Association, its Board of Directors and Committees, Declarant, or any Successor Declarant will be deemed to be a representation or warranty nor will any Owner, occupant, tenant, guest or invitee rely upon any representations or warranties, expressed or implied, including any warranty of merchantability or fitness for any particular purpose, relative to any fire and/or burglar alarm systems or other security systems recommended or installed or any security measures undertaken or any claim for failure to take security measures or additional security measures within the property.

34. If the parties hereto, or any of them, or their heirs or assigns, or any future transferees of the real estate or any part thereof, shall violate or attempt to violate any of these covenants, restrictions, provisions or conditions herein, the Association, the Committee (as to matters for which it has responsibility) or any other person owning any real property situated in this subdivision may prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant, to prevent him or them from doing so. To recover damages or other charges for such violation, including attorney fees and costs, and/or to require the removal of structures erected in violation hereof.

35. These covenants are to run with the land, and shall be binding on all parties and all persons claiming under them until December 31, 2015, at which time said covenants shall be automatically extended for successive periods of ten (10) years each, unless by a vote of a seventy five percent (75%) majority of the then owners of the lots in this subdivision it is agreed to change (or terminate) said covenants in whole or in part; provided, however, that no change or termination of said
covenants shall affect any easement hereby created or granted unless all persons entitled to the beneficial use of such easement shall consent thereto.

These plat covenants may be amended in whole or in part, by an affirmative vote of seventy-five percent (75%) of the Lot owners, so long as the Declarant has also consented to such amendment, if the Declarant owns any interest in any portion of the Lake Stonebridge subdivision, as shown on Exhibit A hereto and incorporated herein, or on any addition to Lake Stonebridge pursuant to the terms of the Lake Stonebridge Declaration or the Legends at Geist Declaration.

36. Invalidation of any of the foregoing covenants, provisions, restrictions or conditions by judgment or court order shall in no way affect any of the other provisions, which shall remain in full force and effect.

37. If there is any irreconcilable difference between any of the covenants and restrictions contained in this plat and the covenants and restrictions contained in the Declaration, the conflicting covenant or restriction contained in this plat shall govern and control, only to the extent of the irreconcilable conflict, it being the intent hereof that all such covenants and restrictions shall be applicable to said real estate to the greatest extent possible. Notwithstanding this provision, the procedures for Architectural Control stated in Article X of the Declaration shall control over the provisions of Paragraph 19 of these Plat Covenants and the Covenants and Restrictions of Article XV of the Declaration shall control over the covenants and restrictions stated herein, if any irreconcilable difference or conflict exists.

SECOND AMENDMENT TO THE DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS FOR THE
THE LAKE STONEBRIDGE COMMUNITY

This Second Amendment to the Declaration of Covenants, Conditions and Restrictions for Lake Stonebridge (hereinafter referred to as the "Declaration") is made this 27 day of March, 2004, by the Lake Stonebridge Homeowners Association, Inc., pursuant to Section 16.1 of the Declaration;

WHEREAS:

The Declaration of Covenants, Conditions and Restrictions for the Lake Stonebridge Community was recorded in the Office of the Recorder of Hamilton County, Indiana on September 18, 1995 as Instrument No. 95-52046

A Supplemental Declaration of Covenants, Conditions and Restrictions was recorded in the Office of the Recorder of Hamilton County, Indiana on June 3, 1996 as Instrument No. 9609522651, and an Amendment to the Declaration was recorded on January 27, 2000 as Instrument No. 2000-00004374.

The Homeowners Association, after complying with the provisions for amendment to the Declaration provided in Section 16.1, now revises certain provisions in the Lake Stonebridge Declaration as provided herein.

NOW, THEREFORE, the Lake Stonebridge Declaration is amended as follows:

ARTICLE I
MEMBERSHIP

Section 1.6 of the Declaration is replaced with the following:

SECTION 1.6 Membership in Lake Stonebridge Homeowners Association. Each Owner of a Lot shall also automatically be a member of the Lake Stonebridge Homeowners Association and shall be subject to the terms, conditions, and restrictions of the Declaration for Lake Stonebridge. Each Owner shall also be subject to, and responsible for, all annual and special assessments duly established for Lot Owners of Lake Stonebridge.
ARTICLE II
ANNUAL MEETING

Section 5.1 of the Declaration is replaced with the following:

SECTION 5.1 Annual Meeting. The annual meeting of the Owners shall be held in November or December of each year for the purpose of electing directors, approving an annual budget and Regular Assessment and the transaction of such other business as may properly come before the meeting. If the meeting cannot be conducted or concluded on the chosen day, it shall be held as soon thereafter as the meeting may practically be held.

ARTICLE III
INITIAL WORKING CAPITAL

Section 11.6 of the Declaration is replaced with the following:

Section 11.6 Initial Working Capital and Start-Up Fund. Upon closing, buyers of new homes and previously owned homes in Lake Stonebridge shall pay the Corporation, in addition to any other amounts then owed or due to the Corporation, as a contribution to its working capital and start-up fund, an amount equal to one-sixth (1/6th) of the then current annual Base Assessment against such Lot, which payment shall be non-refundable and shall not be considered as an advance payment of any Assessment or other charge owed the Corporation with respect to such Lot.

ARTICLE IV
PREAMBLE

The following provisions are removed from the Preamble to the Declaration:

Declarant recorded the Declaration of Covenants and Restrictions for The Legends at Geist in the Office of the Recorder of Hamilton County, Indiana on December 22, 1992 as Instrument Number 92-51016, which instrument created a community of neighborhoods known collectively as "The Legends at Geist" and which instrument encumbered the Real Estate;

Declarant reserved the right to supplement the Declaration of Covenants and Restrictions for The Legends at Geist with additional restrictions and obligations on the Real Estate;

Declarant desires and intends to create on the Real Estate a neighborhood as defined in the Declaration of Covenants and Restrictions for The Legends at Geist with private and public streets, landscaped areas, open spaces, lakes and/or ponds and common areas and amenities for the benefit of such residential neighborhood, which neighborhood shall be known as "Lake Stonebridge"
ARTICLE V
REQUIREMENTS FOR AMENDMENT

Compliance with Requirements for Amendment. A resolution to adopt this proposed Amendment was approved by the Board of Directors of the Lake Stonebridge Homeowners Association, Inc. by resolution dated March 4, 2003, a copy of which was filed with the records of the Corporation. This issue was voted upon at the Special Meeting of the Lake Stonebridge Homeowners Association on August 13, 2003, at which a quorum was present and was approved by the owners of 93 lots, which is more than seventy five percent (75%) in the aggregate of the votes of all Owners. Because no Mortgagees have notified the Board pursuant to Section 12.1 of the Declaration, no notice to Mortgagees was required.

ARTICLE VI

Other Provisions Not Affected. Except as specifically provided in this Amendment to the Lake Stonebridge Declaration, all other provisions of the Declaration of Covenants, Conditions and Restrictions for Lake Stonebridge recorded in the Office of the Recorder of Hamilton County, Indiana on September 18, 1995 as Instrument No. 95-52046 shall remain in force and not be affected by this Amendment.

IN WITNESS WHEREOF, the undersigned has caused this Amendment to be executed this 23 day of March, 2004.
