DECLARATION OF RESTRICTIONS
OF
LAKE CLEARWATER

THIS DECLARATION made this 30th day of April, 2004 by The Marina I L.P.,
an Indiana limited partnership (hereinafter referred to as the "Developer"),

WITNESSETH:

WHEREAS, the Developer is the owner of the lands contained in the area
described in Exhibit "A", Section 1 and has a contract option to acquire the land described
in Exhibit "B", attached hereto and made a part hereof, which lands will be subdivided
(hereinafter referred to as the "Development"); and

WHEREAS, the Developer is about to sell and convey the residential lots situated
within the platted area of the Development and before doing so desires to subject and
impose upon the real estate within the platted area of the Development mutual and
beneficial restrictions, covenants, conditions, and charges (hereinafter referred to as the
"Restrictions") under a general plan or scheme of improvement for the benefit and
complement of the lots and lands in the Development and the future owners thereof.

NOW, THEREFORE, The Developer hereby declares that all of the platted lots
and lands located within the Development as they become platted are held and shall be
held, conveyed, hypothecated or encumbered, leased, rented, used, occupied and
improved, subject to the following Restrictions, all of which are declared and agreed to
be in furtherance of a plan for the improvement and sale of said lots and lands in the
Development, and are established and agreed upon for the purpose of enhancing and
protecting the value, desirability and attractiveness of the Development as a whole and of
each of said lots situated therein. All of the Restrictions shall run with each of said lots
situated therein. All of the Restrictions shall run with the land and shall be binding upon
the Developer and upon the parties having or acquiring any right, title of interest, legal or
equitable, in and to the real property or any part or parts thereof subject to such
Restrictions, and shall inure to the benefit of the Developer and every one of the
Developer's successors in title to any real estate in the Development. The Developer
specifically reserves unto itself the right and privilege to include additional real estate to
the above-described Development.

The additional real estate, which may be added to, Exhibit "A" is contiguous,
adjacent to or in close proximity to the development and lies within the real estate
described in Exhibit "B" attached hereto and made a part hereof and incorporated herein.
The real estate reflected on Exhibit "B" and consists of approximately ±234 acres.

The decision to add or subtract the real estate described in Exhibit "B" remains
the sole discretion of the Developer. All parties who acquire through deed or transfer any
right, title, or interest, legal or equitable in the real property commonly known as Lake
Clearwater subdivision consent to and acknowledge the rights of the Developer to add or subtract the above described real estate reflected in Exhibit "B".

The real estate depicted on Exhibit "B" shall be added or subtracted and when added as additional real estate by the Developer's option, it will become part of the original development, for all purposes hereunder, when Developer places of record in Madison County, Indiana, an instrument entitled "Designation of Additional Real Estate," which would recite therein the real estate described.

Upon the recording of such instrument or instruments, the real estate would be described therein shall for all purposes be deemed additional real estate and the owners of any lots within such additional real estate shall be deemed for all other purposes to have all rights, duties, privileges and obligations of owners of lots within the original real estate Declaration, as herein provided, without regard to whether the common properties have been conveyed by the Developer to the corporation or property owners' association, as hereinafter defined in accordance with the terms of the Declaration and without regard to the record ownership of the common properties. For purposes of this paragraph a plat depicting a portion of the development area shall be deemed Designation of Additional Real Estate Declaration.

1. Definitions. The following are the definitions of the terms as they are used in this Declaration:

A. "Applicable Date". "Applicable Date" means the earlier of the dates when all the lots in the Development have been improved by the construction thereof of residences or December 31, 2020.

B. "Committee" shall mean Lake Clearwater Development Control Committee composed of three members appointed by the Developer who shall be subject to removal by the Developer at any time with or without cause. Any vacancies from time to time existing shall be filled by appointment of the Developer. The Developer may, at its sole option at any time hereafter relinquish to the Association the power to appoint and remove one or more members of the Committee.

C. "Association" shall mean Lake Clearwater, a not-for-profit corporation, the membership and powers of which are more fully described in Paragraph 12 of this Declaration.

D. "Lot" shall mean any parcel of real estate excluding "Blocks", whether residential or otherwise, described by one of the plats of the Development which is recorded in the Office of the Recorder of Madison County, Indiana.

E. Approvals, determinations, permissions, or consents required herein shall be deemed given if they are given in writing, signed with respect to the Developer or the Association, by the President or a Vice President thereof, and with respect to the Committee, by one member thereof.
F. "Owner" shall mean a person who has or is acquiring any right, title or interest, legal or equitable, in and to a lot, but excluding those persons having such interest merely as security for the performance of any obligation.

G. Lake Killbuck. Lake Killbuck is a term used in this Declaration and it is defined as a watercourse and a private lake formed by Little Killbuck Creek with additional watercourses flowing into it including, but not limited to Nelson's Branch and Crystal Lake.

H. Lake Clearwater. Lake Clearwater is a freestanding lake which has no watercourses entering or leaving it. Subdivided lots which abut Lake Clearwater will have access to Lake Clearwater only and the lot owners which abut Lake Clearwater will not have rights to access nor use Lake Killbuck unless they avail themselves of the rental pontoon boats described below.

I. Waterfront Lot. A subdivided lot located in Lake Clearwater subdivision which abuts (touch) Lake Killbuck and other land surrounding Lake Killbuck which has not been formally subdivided. These lot owners which abut the Lake Killbuck watercourse as defined in this declaration will have rights to use and access Lake Killbuck subject to written rules and regulations. The lot owners in Lake Clearwater subdivision which abut Lake Clearwater shall have rights to use and access Lake Clearwater subject to its reasonable rules and regulations.

J. Non-Waterfront Lot. An off-water subdivided lot which does not abut (touch) Lake Killbuck or Lake Clearwater.

2. CHARACTER OF THE DEVELOPMENT.

A. In General. Every lot in the Development, unless it is otherwise designated by the Developer, is a residential lot and shall be used exclusively for single-family residential purposes. No structures shall be erected, placed or permitted to remain upon any of said residential lots except a single-family dwelling house.

Prior to issuance of an Improvement Location Permit, a delineation of the lot shall be submitted for approval to the Development Control Committee. Said delineation shall indicate all trees which have a diameter of more than six (6) inch caliper at a point five feet above the tree's natural base and which are located outside the building, driving, and parking areas. These shall be designated by type and size and shall not be removed unless approved by the Development Control Committee upon proof of unusual hardship in the practical utilization of the lot and such removal shall not cause a materially adverse effect upon the aesthetic values of adjoining lands and rights-of-way.

Removal or destruction of such trees by a lot owner or his successors in title, other than by acts of God or circumstances beyond the lot owner's control, within ninety (90) days notice in writing, shall be replaced by a tree of a type and size established by the Development Control Committee, and upon failure to do so, the Development Control Committee shall cause such tree to be replaced and the cost of such replacement shall be
a lien upon the property collectable in any court of law or equity together with reasonable attorney's fees for the enforcement of such lien. For the purposes of executing this covenant, an easement for ingress and egress shall be reserved on each lot for the performance thereof.

Also, adequate physical barriers, such as straw bales or snow fence, shall be proved by the builder to protect trees to be preserved from damage by construction equipment or otherwise in the erection of building improvements. Pruning of trees outside the building line shall be permitted subject to the review and approval of the Development Control Committee and shall be undertaken only by qualified persons having adequate equipment to properly protect and preserve such trees.

In addition to individual site plan restrictions and tree preservation requirements administered by the Development Control Committee, platted building lines, minimum distances between buildings and minimum front and rear building lines shall be established on each plat.

B. Residential Use of Accessory Outbuildings Prohibited. No accessory outbuildings shall be erected on any of the residential lots. In no event shall any such accessory outbuilding, which may be constructed upon a residential lot under these restrictions ever, be used as a residence or dwelling house or place for human occupancy or habitation.

C. Occupancy or Residential Use of Partially Completed Dwelling House Prohibited. No dwelling house constructed on any of the residential lots shall be occupied or used for residential purposes or human habitation until it shall have been substantially completed. The determination of whether the house shall have been substantially completed shall be made by the Committee and such decision shall be binding on all parties. The foregoing is subject to the rules, regulations and ordinances of the City of Anderson and of its building commissioners or directors of planning or other appropriate administrative agency with the jurisdiction.

D. Other Restrictions. All tracts of land in the Development shall be subject to the easements, restrictions and limitations of record appearing on the recorded plat of the subdivision, on recorded easements, rights-of-ways, and also to all governmental zoning authority and regulation affecting the Development, all of which are incorporated herein by reference.

3. RESTRICTIONS CONCERNING SIZE, PLACEMENT AND MAINTENANCE OF DWELLING HOUSES AND OTHER STRUCTURES.

A. Minimum Living Space Areas. The minimum square footage of living space of dwellings constructed on various residential lots in the Development, exclusive of porches, terraces, garages, carports, or accessory buildings shall be as specified in the recorded plats of the various sections of the Development. Basements shall not be included in the computation of the minimum living area except for that portion of a
walkout basement which is to be finished as a living area and approved by the Development Control Committee.

B. **Residential Set-Back Requirements**

(i) **In General.** Unless otherwise provided in these Restrictions or on the record plat, no dwelling, house or above-grade structure shall be constructed or placed on any residential lot in the Development except as provided herein.

(ii) **Definitions.** "Side line" means a lot boundary line that extends from the road on which a lot abuts to the rear line of said lot. "Rear line" means the lot boundary line that is farthest from, and substantially parallel to, the road on which the lot abuts, except that on corner lots, it may be determined from either abutting road.

(iii) **Front Yards.** The front building setback lines shall be the designated number of feet from the right-of-way of the road upon which the lot abuts as set forth upon the plats of the Development.

(iv) **Side Yards.** The side yard setback lines shall not be less than nine (9) feet from either sideline of the lot.

(v) **Rear Yards.** Lots which the rear yard abuts Lake Killbuck shall be subject to deed restrictions created by Irving Materials, Inc. and also the lots shall be subject to reasonable rules and regulations to be determined by the Directors of the Lake Clearwater Property Owners' Association, Inc. and the Directors of The Lakes at Killbuck Homeowner's Association, Inc.

C. **Fences and Trees.** In order to preserve the natural quality and aesthetic appearance of the existing geographic areas within the Development, fences will not be allowed and trees are required. Variances may be granted for small enclosures, but no perimeter fencing will be allowed in the Development. A lot must have at least two (2) shade trees growing upon it in the front yard by the time the house is completed.

D. **Mailboxes.** Owners of a lot in the Development shall install or cause to have installed a mailbox, which shall be in accordance with the design, type and location of a mailbox approved by the Committee. The Committee may require, for the purpose of uniformity and appearance that the mailbox be purchased from the Developer or its designee.

E. **Exterior Construction.** The finished exterior of every building constructed or placed on any lot in the Development shall be of material acceptable to and approved by the Development Control Committee. All driveways must be paved with asphalt or concrete from their point of connection with the abutting street or road.
F. **Heating Plants and Garages.** Every house in the Development must contain a heating plant installed in compliance with the required codes and capable of providing adequate heat for year-round human habitation of the house. Every house in the Development must have at least a two-car garage, attached or detached of the same architectural design and material as that of the house constructed on the lot.

G. **Diligence in Construction.** Every building whose construction or placement on any residential lot in the Development is begun shall be completed within twelve (12) months after the beginning of such construction or placement. No improvement which has partially or totally been destroyed by fire or otherwise, shall be allowed to remain in such state for more than three (3) months from the time of such destruction or damage.

H. **Prohibition of Used Structures.** All structures constructed or placed on any numbered lot in the Development shall be constructed with substantially all new materials, and no used structures shall be relocated or placed on any such lot.

I. **Maintenance of Lots and Improvements.** The owner of any lot in the Development shall at all times maintain the lot and any improvements situated thereon in such a manner as to prevent the lot or improvements from becoming unsightly; and, specifically, such owner shall:

(i) Mow the lot at such times as may be reasonably required in order to prevent unsightly growth of vegetation and noxious weeds.

(ii) Remove all debris or rubbish.

(iii) Prevent the existence of any other condition that reasonably tends to detract from or diminish the aesthetic appearance of the Development.

(iv) Cut down and remove dead trees.

(v) Keep the exterior of all improvements in such a state of repair or maintenance as to avoid their becoming unsightly.

(vi) Within sixty (60) days following completion of a house on a lot, the owner shall landscape the lot, weather permitting in accordance with landscaping standards of the Lake Clearwater Developmental Control Committee.

I. **Association’s Right to Perform Certain Maintenance.** In the event that the owner of any lot in the Development shall fail to maintain his lot and any improvements situated thereon in accordance with the provisions of these Restrictions, the Association shall have the right, but not the obligation, by and through its agents or employees or contractors, to enter upon said lot and repair, mow, clean or perform such other acts as
may be reasonably necessary to make such lot and improvements situated thereon, if any, conform to the requirements of these Restrictions. The cost therefore to the Association shall be added to and become a part of the annual charge to which said lot is subject and may be collected in any manner in which such annual charge may be collected. Neither the Association nor any of its agents, employees, or contractors shall be liable for any damage, which may result from any maintenance work performed hereunder.

4. **PROVISIONS RESPECTING DISPOSAL OR SANITARY WASTE.**

A. **Nuisance.** No outside toilets shall be permitted on any lot in the Development (except during a period of construction and then only with the consent of the Committee), and no sanitary waste or other wastes shall be permitted to enter any storm drain or Lake Clearwater or Lake Killbuck. By purchase of a lot, each owner agrees that any violation of this paragraph constitutes a nuisance, which may be abated by the Developer, the Developer, or the Association in any manner provided at law of in equity. The cost or expense of abatement, including court costs and attorney's fees, shall become a charge or lien upon the lot, and may be collected in any manner provided by law or in equity for collection of a liquidated debt.

Neither the Developer, nor the Association, nor the Developer, nor any officer, agent, employee nor contractor thereof, shall be liable for any damage, which may result from enforcement of this paragraph.

B. **Construction of Sewage Lines.** All sanitary sewage lines on the residential building lots shall be designed and constructed in accordance with the provisions and requirements of the City of Anderson.

5. **GENERAL PROHIBITIONS AND REQUIREMENTS.**

A. **In General.** No noxious or offensive activities shall be carried on any lot in the Development, nor shall anything be done on any of said lots that shall become or be an unreasonable annoyance or nuisance to any owner of another lot in the Development.

B. **Signs.** No signs or advertisements shall be displayed or placed on any lot or structures in the Development without the prior written approval of the Committee except for real estate sales signs.

C. **Animals.** No animals shall be kept or maintained on any lot in the Development except the usual household pets, and, in such case, such household pets shall be kept reasonably confined so as not to become a nuisance.

D. **Vehicle Parking.** No trucks (one ton or larger), campers, trailers, commercial vehicles, boats, or similar vehicles shall be parked overnight on any street or lot in the Development.
E. Gasbage and Other Refuse. No owner of a lot in the Development shall burn or permit the burning out of doors of garbage or other refuse, nor shall any such owner accumulate or permit the accumulation out of doors of such refuse on his lot except as may be permitted in Subparagraph F below. All houses built in the Development shall be equipped with a garbage disposal unit.

F. Fuel Storage Tanks and Trash Receptacles. Every tank for the storage of fuel that is installed outside any building in the Development shall be buried below the surface of the ground. Any receptacle for trash, rubbish or garbage shall be so placed and kept as not to be visible from any street or lot within the Development at any time, except at the times when refuse collections are being made.

G. Model Homes. No owner of any lot in the Development shall build or permit the building upon said lot of any dwelling house that is to be used as a model home or exhibit house without permission to do so from the Developer. An exception permitted is a temporary mobile sales office for use by the Developer.

H. Temporary Structures. No temporary structure of any kind, such as a house, trailer, tent, storage building, garage or other outbuilding shall be placed or erected on any lot nor shall any overnight camping be permitted on any lot.

I. Ditches and Swales. It shall be the duty of the owner on every lot in the Development on which any part of any open storm drainage ditch or swale is situated to keep such portion thereof as may be situated upon the lot continuously unobstructed and in good repair, and to provide for the installation of such culverts upon said lot as may be reasonably necessary to accomplish the purposes of this subsection. All owners, if necessary, shall install dry culverts between the road rights-of-way and their lots in conformity with the recommendations of the appropriate governmental zoning entity.

J. Docks and Piers. All docks and piers constructed adjacent to any lot in the Development shall be for the personal use of the lot owner. No pier, dock or other structure may be constructed in such a manner that any portion thereof extends beyond a reasonable distance from the shore into Lake Clearwater or Lake Killbuck. When the Developer or the Development Control Committee shall allow the placing of a structure within the lake block, the permit shall constitute a license.

The Developer will also impose certain boat dock restrictions on the lots abutting Lake Killbuck where there is a narrow channel in order to allow maximum benefit for other recreational users of Lake Killbuck and so as to not be a danger to navigation. The lot owners which abut this channel will be required to obtain approval in writing from the Development Control Committee prior to the placement of the boat docks on lots abutting the channel.

In no event shall any pier, dock or other structure be erected that does not conform to the specifications established by the Committee, which are as follows:

(i) All docks must be floating and secured to avoid release by flood waters.
(ii) There shall be no covered boat docks without the specific written approval of the Development Control Committee.

(iii) All docks shall be white, gray or natural in color.

(iv) Anchoring devices must be hidden.

(v) Plans for the placement of all boat docks must be submitted to the Development Control Committee for approval before installation is commenced.

(vi) There shall be no individual launch sites or ramps constructed on any residential lot.

(vii) Any boathouse constructed upon a lot may not protrude into Lake Clearwater or Lake Killbuck, but must be constructed and excavated back into the lot. In addition to approval by the Development Control Committee such construction may require approval by the U.S. Army Corps of Engineers or other governmental body or the Developer or the Developer's designee.

(viii) In all instances of the above recited installations such construction shall conform to the requirements of such governmental bodies as may be applicable.

K. Beaches. No beach may be constructed on Lake Clearwater or Lake Killbuck unless the plans and specifications for the beach are submitted to and approved by the Committee and the Developer if required. Beaches shall be constructed of sand only. No spoil materials shall be placed or allowed to collect in Lake Clearwater or Lake Killbuck, which result from beach construction. Placement of materials to construct a beach may require a federal permit. If such a permit is required, it is the purchaser’s responsibility to obtain such permit.

L. Seawalls and Shoreline Protection. It shall be the responsibility of Purchasers of waterfront lots in the Development who desire to construct seawalls or other types of shoreline protection on their lots to obtain any and all permits, consents, licenses, and approvals which may be required by any federal and/or state governmental agency, department, commission, or body.

M. Utility Services. Utility services shall be installed underground in or adjacent to public rights-of-way to minimize removal of trees. No utility services shall be installed, constructed, repaired, replaced and/or removed under finished streets except by jacking, drilling or boring and shall require the approval of the appropriate governmental body where the streets are public and by the property owners where there are private drives, if any.
N. **Septic Tanks.** No septic tanks shall be installed on any of the lots.

O. **Prohibition of Antennas.** No exposed radio, cable or television antennas and/or large satellite dishes shall be permitted within the Development. However, small diameter (2 feet and less diameter) roof-mounted satellite dishes and devices shall be allowed after they are approved by the Developmental Control Committee.

P. **Pumping.** The pumping of water from Lake Clearwater and Lake Killbuck is prohibited.

6. **LAKE CLEARWATER DEVELOPMENT CONTROL COMMITTEE.**

A. **Statement of Purposes and Powers.** The Committee shall regulate the external design, appearance, use, location and maintenance of lands subject to these Restrictions and improvements thereon, in such a manner as to preserve and enhance values and to maintain a harmonious relationship among structures and the natural vegetation and topography and adopt rules and regulations concerning the use and operation of all watercraft on Lake Clearwater and Lake Killbuck.

(i) **Generally.** No dwelling, building structure or improvement of any type or kind shall be constructed or placed on any lot in the Development without the prior approval of the Committee. Such approval shall be obtained only after written application has been made to the Committee by the owner of the lot requesting authorization from the Committee. Such written application shall be in the manner and form prescribed from time to time by the Committee, and shall be accompanied by three (3) complete sets of plans and specifications for any such proposed construction or improvement. Such plans shall include plot plans showing the location of all improvements existing upon the lot and the location of the improvement proposed to be constructed or placed upon the lot, each properly and clearly designated. Such plans and specifications shall set forth the color and composition of all exterior materials proposed to be used and any proposed landscaping, together with any other materials or information which the Committee may require. All building plans and drawings required to be submitted to the Committee shall be drawn to a scale of 1/4" = 1' and all plot plans shall be drawn to a scale of 1" = 30', or to such other scale as the Committee shall require.

(ii) **Power of Disapproval.** The Committee may refuse to grant permission to construct, place or make the requested improvement, when:

(a) The plans, specifications, drawings or other material submitted are themselves inadequate or incomplete, or show the proposed improvement to be in violation of these Restrictions;
(b) The design, building materials or color scheme of a proposed improvement is not in harmony with the general surroundings of the lot or with adjacent buildings or structures;

(c) The proposed improvement, or any part thereof, would in the opinion of the Committee be contrary to the interests, welfare or rights of all or any part of other owners.

(iii) Power to Grant Variances. The Committee may allow reasonable variances or adjustments of these Restrictions where literal application would result in unnecessary hardship, but any such variance or adjustment shall be granted in conformity with the general intent and purposes of these Restrictions and no variance or adjustment shall be granted which is materially detrimental or injurious to other lots in the Development.

B. Duties of Committee. The Committee shall approve or disapprove proposed improvements within a reasonable time after all required information shall have been submitted to it. One copy of submitted material shall be retained by the Committee for its permanent files. All notifications to applicants shall be in writing, and, in the event that such notification is one of disapproval, it shall specify the reason or reasons.

C. Liability of Committee. Neither the Committee nor any agent thereof, nor the Developer, shall be responsible in any way for any defects in any plans, specifications or other materials submitted to it, nor for any defects in any work done according thereto. Further, the Committee does or make any representation or warranty as to the suitability or advisability of the design, the engineering, the method of construction involved, or the materials to be used.

D. Inspection. The Committee may inspect work being performed with its permission to assure compliance with these Restrictions and applicable regulations.

E. Continuation of Committee. When the Developer notifies the Association of discontinuance of its Development Control Committee, then the Directors of the Association, or their designees, shall continue the functions of the Committee with like powers.

7. RULES GOVERNING BUILDING ON SEVERAL CONTIGUOUS lots HAVING ONE OWNER.

Whenever two or more contiguous lots in the Development shall be owned by the same person, and such owner shall desire to use two or more of said lots as a site for a single-dwelling house, he shall apply in writing to the Committee for permission to so use said lots. If permission for such a use shall be granted, the lots constituting the site for such single-dwelling house shall be treated as a single lot for the purpose of applying
these Restrictions to said lots, so long as the lots remain improved with one single-
dwelling house.

8. PROPERTY RIGHTS IN BLOCKS AND PRIVATE DRIVES AND
EASEMENTS

(i) LANDSCAPE BLOCKS AND EASEMENTS. Certain alphabetical blocks
are created for the benefit of the Developer and the Lake Clearwater Property Owners’
Association, Inc. for the installation, construction, maintenance, repair, reconstruction
and replacement of roads, earthen mounds, plantings and other landscaping, walls,
fences, entry ways, columns, landscape irrigation systems, accent lighting systems, street
lights, subdivision, signage, identification and other items. The Developer also may
create landscape easements for the above-described purposes of entryway columns, irrigation systems, accent lighting, subdivision identification and other items.

(ii) OWNERSHIP, USE AND ENJOYMENT OF LANDSCAPE EASEMENTS.
LANDSCAPE BLOCKS AND COMMON AREA BLOCKS. "Commons" and
"Commons Area" and "Landscape Easements" shall mean those areas set aside for
conveyance to the Association, as shown on the plat. Any commons depicted on the
recorded plats of the Development shall remain private, and neither the Developer's
execution or recording of the plats nor the doing of any other act by the Developer is, or
is intended to be, or shall be construed as, a dedication to the public of the commons.

(iii) A license upon such terms and conditions as the Developer, and the
successors, assigns or licensees of the Developer, shall from time to time grant, for the
use and enjoyment of the commons, is granted to the persons who are from time to time
members of the Association. Ownership of any commons shall be conveyed in fee
simple title, free of financial encumbrances to the Association upon their completion.
Such conveyance shall be subject to easements and restrictions of record, and such other
conditions as the Developer may at the time of such conveyance deem appropriate. Such
conveyance shall be deemed to have been accepted by the Association and those persons
who shall from time to time be members thereof upon the recording of a deed or deeds
conveying such commons to the Association.

B. Common Area Blocks. Common Area blocks are developed and are created
and reserved for the use and benefit of the Developer and the Lake Clearwater Property
Owners’ Association, Inc. for providing open space, green space, landscaping, allowing
for recreational type activities including, but not limited to providing access to boat docks
and/or recreational lake blocks. However, no launching of watercraft including, but not
limited to motor boats shall take place from these common area blocks without the
approval of the Developer.

C. Exclusive Ownership Blocks. Exclusive blocks may be created for the
exclusive use, benefit and enjoyment of certain lot owners as designated herein, to
provide among other things, access to Lake Killbuck and Lake Clearwater. These
exclusive blocks may provide among other things potential access to boat docks

12
adjoining the block. If the Developer makes a boat dock available the exclusive blocks may be deeded in fee based upon the percentage ownership interest to the owners of the lots, which have ownership rights therein based upon the percentage. The ownership of the undivided interest in these exclusive blocks shall not be separately conveyed nor transferred.

(i) **Maintenance of Exclusive Blocks.** The Developer may install walkways and, where applicable, stairways and other improvements, within exclusive blocks designated on this plat for the use, benefit and enjoyment of the lot owners referred to the preceding paragraph. It shall be the obligation of each of the lot owners entitled to the use and benefit of exclusive blocks and any improvement situated thereon to maintain said exclusive blocks and improvements in a safe, orderly and sightly condition at all times. In furtherance thereof, it shall be the obligation of each of the owners of the lots entitled to the use and benefit of exclusive blocks to contribute an equal share of the costs of the repairs and maintenance of the Block and any improvements located within said exclusive blocks, where a majority of the owners of lots entitled to the use and benefit of a particular walkway to repair, maintain, and/or make improvements to any walkway or other improvements located within exclusive blocks and one or more of the owners entitled to use said exclusive blocks, fail to pay their allocable share of such repair, maintenance, or improvements, then the owners paying such costs may file a lien for reasonable value of labor performed and materials furnished as prescribed by the lien laws of the State of Indiana against any such lot and the owner thereof and recover the full assessment owed, together with interest from due date and reasonable attorney fees.

D. **Private Drives, Blocks Designated as "P.D."** Where private drives are shown on this plat and designated "P.D." those lot owners abutting such drives shall own equal and undivided interest in such drives as tenants in common, and it shall be the obligation of each owner in common with the other lot owners abutting such drives to contribute an equal share of the cost of maintenance of such drives. Where a majority of lot owners served by a private drive elect to repair such drive and one or more lot owners fail to pay their allocable share of such repair, then the owners paying such cost may file a lien for the reasonable value of labor performed and materials furnished as prescribed by the lien laws of the State of Indiana against any such lot and the owner thereof and recover the full assessments owed together with interest from due date and reasonable attorney's fees. The private drive may contain utilities (private or public) to serve said lots in which event the several property owners shall maintain the utilities not otherwise maintained by the respective utility in the same manner as set out for drives. All private drives (P.D.) shall be utility easements (U.E.).

9. **Ownership and Maintenance of Boat Docks:** The Developer may convey ownership of certain boat docks to a lot by bill of sale at such time that the lot owner pays the Developer in full for the subject lot. Said bill of sale shall be for an undivided interest in the boat dock system to be installed by the Developer subject to the lot owner using the dock corresponding to his lot number. Maintenance of the boat docks, which have been installed by the Developer, shall be the responsibility of the respective lot owners thereof. The ownership of the boat dock system and the use thereof
as designated in the Boat Dock Detail shall run with the ownership of a particular lot and shall not be separately conveyable or transferable therefrom. Such boat docks shall not be used by a party other than the residents of the aforementioned lots. Each owner of a boat dock shall maintain the boat dock designated for his use in a safe, orderly and sightly condition at all times in compliance with all restrictions of record and applicable rules and regulations established from time-to-time by Lake Clearwater Development Control Committee or its assignees. Specifically, no improvements or alterations shall be made to any boat dock without the prior written approval of aforementioned Control Committee or its assignees. It shall be the obligation of each of the lot owners referred to herein to contribute an equal share for the cost of maintenance or repair of any common cables, platforms, walkways, ramps or catwalks which are used by all boat dock owners and are part of the boat dock system installed by the Developer on Lake Killbuck. Cost of maintenance and repairs for the above referenced common facilities shall be collected and enforced in the same manner as the maintenance and repair costs as provided for and as set forth above. The boat dock systems may be located adjacent to exclusive ownership blocks or adjacent to common area blocks in Lake Clearwater subdivision.

10. LAKE BLOCKS.

A. Lake Clearwater Lake Block A. Lake Clearwater is a man made lake owned by the Developer. The Lake Clearwater block will be conveyed as an exclusive ownership block to the subdivided lot owners whose lots abut Lake Clearwater. The Developer may impose prior to the grant reasonable conditions or a license upon such terms and conditions as the Developer, its successors, assigns or licensees from time to time grant for the use and enjoyment of the lake. The exclusive ownership block depicted in Lake Clearwater’s block will be deeded in fee based upon the percentage of ownership interest to the owners of the lots which abut the lake and their ownership rights will be based upon that percentage. The ownership of the undivided interest in this exclusive block shall not be separately conveyed nor transferred from the lot.

(i) Maintenance of Exclusive Lake Clearwater Block. It shall be the obligation of each lot owner entitled to use in the benefit of the exclusive block and any improvement situated thereon to maintain the exclusive block in a safe, orderly and sightly condition all times. It will be the obligation of each owner of the lot entitled to use and benefit of the exclusive block to contribute an equal share of the costs of repairs of maintenance of the block and any improvements located therein. Failure to pay their allocable share of such repair, maintenance, or improvements, then the owners paying such costs may file a lien for reasonable value of labor performed and materials furnished as prescribed by the lien laws of the State of Indiana against any such lot and the owner thereof and recover the full assessment owed, together with interest from due date and reasonable attorney fees. This block on the Lake Clearwater, Section One plat is identified as Block “A”.

(ii) Lake Clearwater Assessment. Any charge or assessment levied against the lot, together with interest or charges or costs hereinafter provided, shall become and remain a lien upon the lot until paid in full and shall also be the personal obligation of the
owner or owners of that lot at the time the charge fell due. Such charge shall bear interest at the rate of twelve percent (12%) per annum until paid in full. If, in the opinion of the Board of Directors of the Association, such charge has remained due and payable for an unreasonably long period of time, the Board may, on behalf of the Association, institute such procedures, either at law or in equity, by foreclosure or otherwise, to collect the amount owing in any court of competent jurisdiction. The owner of the lot or lots subject to the charge, shall, in addition to the amount of the charge at the time legal action is instituted, be obliged to pay any expense or costs, including attorneys' fees, incurred by the Association in collecting the same. Every owner of a lot in the Development and any person who may acquire any interest in such lot, whether as an owner or otherwise, is hereby notified, and by acquisition of such interest agrees, that any such liens which may exist upon said lot at the time of the acquisition of such interest are valid liens and shall be paid. Every person who shall become an owner of a lot in the Development is hereby notified that by the act of acquiring, making such purchase or acquiring such title, such person shall be conclusively held to have covenanted to pay the Association all charges that the Association shall make pursuant to this subparagraph of the Restrictions.

B. Lake Killbuck Lake Block "K". Lake Killbuck is a lake block and it is defined in this declaration as a watercourse which is abutting to the Lake Clearwater subdivision. Lake Killbuck is a lake which is created to provide recreational type water activities to lot owner which abut Lake Killbuck and potential water access dock owners.

(i) Lake Killbuck Lake Block Ownership. The Lake Killbuck lake block will be conveyed to the Lake Clearwater Property Owners' Association, Inc. and to the Lake Killbuck Homeowner's Association, Inc. as tenants entirety on or before the 24th day of February, 2005.

(ii) Use Restrictions. The Developer will impose use restrictions on the access and use of the Lake Killbuck watercourse as defined in this declaration. Only those lot owners in the Lake Clearwater subdivision who will acquire title to lots which abut Lake Killbuck watercourse as defined in this declaration will have rights to access and use Lake Killbuck. However, the Developer will make available to twenty (20) subdivided off-water lot owners as defined in this declaration, the rights to a boat dock system located on Lake Killbuck and to have rights to use and access Lake Killbuck.

Thirdly, the Developer or its successors or assigns may make available a maximum of ten (10) pontoon boats to have access rights to use and operate on Lake Killbuck as defined in this declaration.

(iii) Lake Killbuck Assessment. It shall be the obligation of each lot owner who has the rights to use and access Lake Killbuck to be responsible for Lake Killbuck use assessment. This assessment will be in addition to assessments annually or semi-annually or charges or special assessments for capital improvements and operating deficits defined in paragraph 11. The assessments will be prorated between all lot owners which have rights to use and access Lake Killbuck. Any charge or assessment levied against the lot, together with interest or charges or costs hereinafter provided, shall
become and remain a lien upon the lot until paid in full and shall also be the personal obligation of the owner or owners of that lot at the time the charge fell due. Such charge shall bear interest at the rate of twelve percent (12%) per annum until paid in full. If, in the opinion of the Board of Directors of the Association, such charge has remained due and payable for an unreasonably long period of time, the Board may, on behalf of the Association, institute such procedures, either at law or in equity, by foreclosure or otherwise, to collect the amount owing in any court of competent jurisdiction. The owner of the lot or lots subject to the charge, shall, in addition to the amount of the charge at the time legal action is instituted, be obliged to pay any expense or costs, including attorneys' fees, incurred by the Association in collecting the same. Every owner of a lot in the Development and any person who may acquire any interest in such lot, whether as an owner or otherwise, is hereby notified, and by acquisition of such interest agrees, that any such liens which may exist upon said lot at the time of the acquisition of such interest are valid liens and shall be paid. Every person who shall become an owner of a lot in the Development is hereby notified that by the act of acquiring, making such purchase or acquiring such title, such person shall be conclusively held to have covenanted to pay the Association all charges that the Association shall make pursuant to this subparagraph of the Restrictions.

(iv) Common Area Block in Lake Clearwater, Section One. There are common area blocks located in Lake Clearwater, Section One. Blocks "B" and "C" are areas depicted on the plat which will provide access to Lake Clearwater or Lake Killbuck. These areas will be conveyed to the appropriate lots in the subdivision at the sole discretion of the Developer and the Developer may impose reasonable conditions and restrictions on the deed of conveyance to these individual lot owners. Block "D" is a common area block which is owned by the Developer. The Developer reserves the right but not the obligation to convey Block "D" to third-parties. The conveyance by the Developer will be to third-parties to allow those third-parties access rights. The decision to convey Block "D" to these third-parties shall be at the sole discretion of the Developer.

Any violation of the above rights and obligations with respect to the blocks, private drives and maintenance of boat docks, or ingress and egress easements shall give the developer and/or the association the right to seek immediate injunctive relief to preclude such activities and, in addition, may collect reasonable attorneys' fees for violation of the above restrictions.

C. RULES AND REGULATIONS WITH RESPECT TO WATERCRAFT OPERATION ON LAKE CLEARWATER AND LAKE KILLBUCK.

Lake Clearwater. Due to the small size, Lake Clearwater will have imposed that no watercraft shall have a propulsion or motor engine in excess of ten (10) horsepower and, specifically, there will be no personal watercrafts allowed on Lake Clearwater. The Developmental Control Committee may impose other regulations with respect to the operation on the lake which will bind every property owner which has ownership of Lake Clearwater. These rules and regulations will supersede the ownership rights of the Lake Clearwater block property owners. After the Applicable Date when the Developer turns
over control to the Development Control Committee, the property ownership, owned by
tenancy in common, of Lake Clearwater made by majority vote modify or impose
additional rules and regulations with respect to Lake Clearwater.

Lake Killbuck. The rules and regulations with respect to operation of all
watecraft, including personal watercraft, motorboats or other floatation devices, shall be
determined by the Directors of Lake Killbuck and Lake Clearwater. In the event they are
unable to agree, the parties acknowledge that they will submit to rules and regulations of
the American Arbitration Association with respect to operational rules on Lake Killbuck
lake block as defined in these Restrictions.

11. LAKE CLEARWATER PROPERTY OWNERS' ASSOCIATION

A. In General. There has been or will be created, under the laws of the State
of Indiana, a not-for-profit corporation to be known as Lake Clearwater Property
Owners' Association, Inc., which is referred to as the "Association". Every owner of a
residential lot in the Development shall be a member of the Association and shall be
subject to all the requirements and limitations imposed in these Restrictions on other
owners of residential lots within the Development and on members of the Association,
including those provisions with respect to the payment of a semi-annual charge.

B. Classes of Membership. The Association shall have two classes of voting
membership.

Class A. Class A members shall be all owners with the exception of the
Developer and shall be entitled to one vote for each lot owned. When more than one
person holds an interest in any lot, all such persons shall be members. The vote for such
lot shall be exercised as they themselves determine, but in no event shall more than one
vote be cast with respect to any lot.

Class B. The Class B member(s) shall be the Developer, who shall be
entitled to five (5) votes for each lot owned. The Class B membership shall cease and be
converted to Class A membership on the happening of the following event:

(i) On the date the Developer sells the last lot and no longer owns any lots
or land in the Development.

C. Board of Directors. The members shall elect a Board of Directors of the
Association as prescribed by the Association's By-Laws. The Board of Directors shall
manage the affairs of the Association.

(i) Appointment of Directors. Prior to the Applicable Date, members of the
Board of Directors shall be appointed by Developer. Thereafter they shall be
elected by the Members in accordance with the provisions of the Code of By-
Laws.
D. Professional Management. No contract or agreement for professional management of the Association shall be for a term in excess of three (3) years. Any such agreement or contract shall provide for termination by either party with or without cause without termination fee by written notice of ninety (90) days or less.

E. Responsibilities of the Association.

(i) The Association shall maintain and repair the Common Area Blocks and Lake Blocks and Landscape Easements or Blocks shown on the plat(s) including improvements thereof.

(ii) The Association shall maintain the landscaping located in Landscape Easements, Common Area Blocks and/or Landscaping Blocks, and the landscaping and any entrance treatments located in the right-of-way at the entrance and shall keep such areas in a neat, clean and presentable condition at all times.

(iii) The Association shall procure and maintain casualty insurance for the Common Areas, liability insurance and such other insurance as it deems necessary or advisable.

(iv) The Association may contract for such services as management, snow removal, security control, trash removal, and such other services as the Association deems necessary or advisable.

(v) The Association shall provide a means for the promulgation and enforcement of regulations necessary to govern the use and enjoyment of Common Areas.

(vi) The Association may be required to care for, maintain and repair and rebuild common drives, private drives or walkways within the project that are not subject to maintenance by governmental authority. (A private drive is a drive which serves more than one dwelling unit.)

12. COVENANT FOR MAINTENANCE ASSESSMENTS.

A. Creation of the Lien and Personal Obligation of Assessments. Each owner of any lot in the subdivision, except the Developer, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual or semi-annual assessments or charges; and (2) special assessments for capital improvements and operating deficits; such assessments to be established and collected as hereinafter provided. The annual or semi-annual and special assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed.
by them. No charge or assessment shall ever be levied by the Association against the Developer.

B. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety and welfare of the residents in the properties and for the improvement and maintenance of the Common Area and improvements, operated or maintained by the Association, and the landscape easements on the Development and other purposes as specifically provided herein.

C. Special Assessments for Capital Improvements and Operating Deficits. In addition to the semi-annual assessments authorized above, the Association may levy a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement which the Association is required to maintain or for operating deficits which the Association may from time to time incur, provided that any such assessment shall have the assent of a majority of the votes of the members who are voting in person or by proxy at a meeting duly called for this purpose.

D. Private Drives. The Developer and/or Lake Clearwater Property Owners’ Association may levy special assessment against the owners with regard to private drives.

E. Notice and Quorum for Any Action Authorized Under Sections C and D. Written notice of any meeting called for the purpose of taking any action authorized under Section C or D shall be sent to all members not less than thirty (30) days or more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

F. Date of Commencement of Semi-Annual Assessments: Due Dates. The annual or semi-annual assessment provided for herein shall commence for each lot on the date of conveyance to the owner by deed or on the date the owner signs a land contract to purchase a lot. The Board of Directors shall fix any increase in the amount of the assessment at least thirty (30) days in advance of the effective date of such increase. Written notice of special assessments and such other assessment notices as the Board of Directors shall deem appropriate shall be sent to every owner subject thereto. The due dates for all assessments shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in recordable form signed by an officer of the Association setting forth whether the assessments on a specified lot have been paid. A properly executed certificate from the Association regarding the status of assessments for any lot shall be binding upon the Association as of the date of its issuance.

19
G. **Effect of Non-Payment of Assessments: Remedies of the Association.** Any charge levied or assessed against any lot, together with interest and other charges or costs as hereinafter provided, shall become and remain a lien upon that lot until paid in full and shall also be a personal obligation of the owner or owners of that lot at the time the charge fell due. Such charge shall bear interest at the rate of twelve percent (12%) per annum until paid in full. If, in the opinion of the Board of Directors of the Association, such charge has remained due and payable for an unreasonably long period of time, the Board may, on behalf of the Association, institute such procedures, either at law or in equity, by foreclosure or otherwise, to collect the amount owing in any court of competent jurisdiction. The owner of the lot or lots subject to the charge, shall, in addition to the amount of the charge at the time legal action is instituted, be obliged to pay any expense or costs, including attorneys’ fees, incurred by the Association in collecting the same. Every owner of a lot in the Development and any person who may acquire any interest in such lot, whether as an owner or otherwise, is hereby notified, and by acquisition of such interest agrees, that any such liens which may exist upon said lot at the time of the acquisition of such interest are valid liens and shall be paid. Every person who shall become an owner of a lot in the Development is hereby notified that by the act of acquiring, making such purchase or acquiring such title, such person shall be conclusively held to have covenanted to pay the Association all charges that the Association shall make pursuant to this subparagraph of the Restrictions.

H. **Subordination of the Lien to Mortgage.** The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due from the lien thereof. Provided, however, the sale or transfer of any lot pursuant to the foreclosure of any first mortgage on such lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer.

I. **Suspension of Privileges of Membership.** Notwithstanding any other provision contained herein, the Board of Directors of the Association shall have the right to suspend the voting rights, if any, and the services to be provided by the Association together with the right to use the facilities of the Association, of any member (i) for any period during which any of the Association’s charges or any fines assessed under these Restrictions owed by the member remains unpaid, (ii) during the period of any continuing violation of the restrictive covenants for the Development, after the existence of the violation shall have been declared by the Board of Directors of the Association; and (iii) during the period of any violation of the Articles of Incorporation, By-Laws or regulations of the Association.

13. **SUBDIVIDED LOTS WHICH DO NOT ABUT LAKE KILLBUCK.**

The Developer, The Marina I L.P., acknowledges that there will be a substantial number of non-waterfront lots sold to individuals in the Lake Clearwater subdivision. However, only twenty (20) of these non-waterfront lots will be conveyed to individuals with full rights of access to use Lake Killbuck lake block. These identified twenty (20)
non-waterfront lots will be conveyed to individuals and these individuals will acquire a BoaDock Bill of Sale conveying a boat dock system which will be located in the southwest quadrant of Lake Killbuck.

The schedule for the implementation of the twenty (20) non-waterfront lots will be as follows: (a) there will be a maximum of ten (10) off-water lots and ten (10) off-water boat docks made available in April, 2004, or later; and (b) an additional ten (10) off-water lots and ten (10) off-water boat docks will be made available in April, 2007, or later, for total maximum of twenty (20) off-water boat docks. These boat docks will be sold by Bill of Sale and the lots will have deed restrictions which will preclude the owners from selling, assigning or transferring the access rights to Lake Killbuck away from the lots.

The parties acknowledge that the twenty (20) non-waterfront lots owners will only be allowed to have one (1) motorized watercraft authorized for use hereunder on Lake Killbuck.

14. **PONTOON RENTAL BOATS.**

The Marina I L.P. acknowledges that there may be a maximum of ten (10) pontoon rental boats made available to property owners of both Lake Killbuck and Lake Clearwater subdivision. The availability schedule for the ten (10) pontoon boats will be as follows: a maximum of five (5) pontoon rental boats will be made available in April, 2004, or later. The parties acknowledge that if there is an additional demand for pontoon rental boats on Lake Killbuck and that the additional demand can be verified by objective evidence to both the Board of Directors of The Lakes at Killbuck Property Owner’s Association, Inc. w/k/a The Lakes at Killbuck Homeowner’s Association, Inc. and the Lake Clearwater Property Owners’ Association, then additional pontoon rental boats based upon the demand can be made available in May, 2007 or later. However, the maximum additional amount of pontoon rental boats may not exceed five (5).

15. **TOTAL WATERFRONT LOTS TO BE DEVELOPED ON LAKE KILLBUCK.**

The Marina I L.P. agrees that they will not develop or seek approval for more than an additional 118 waterfront lots in the Lake Clearwater subdivision, Section One, or future sections of the Lake Clearwater subdivision as defined on Exhibit B.

16. **REMEDIERS.**

A. **In General.** The Association or any party to whose benefit these Restrictions inure, including the Developer, may proceed at law or in equity to prevent the occurrence or continuation of any violation of these Restrictions, including but not limited to a violation of lake access restrictions or boat dock restrictions, but neither the Developer nor the Association shall be liable for damages of any kind to any person for failing either to abide by, enforce or carry out any of these Restrictions. If a legal action is instituted to enforce any restriction, the lot owner or owners shall be obliged to pay any
expenses or costs, including attorney fees, incurred by Developer or Association in enforcing any violation of Restrictions.

B. Delay or Failure to Enforce. No delay or failure on the part of any aggrieved party to invoke any available remedy with respect to a violation of any one or more of these Restrictions shall be held to be a waiver by that party (or an estoppel of that party to assert) any right available to him upon the occurrence, reoccurrence or continuation of such violation or violations of these Restrictions.

C. If any of the parties violate any of the rules and regulations including the placement of boat docks, the launching of boats and operation of boats, the Developer and/or the Association may proceed to enforce these regulations by injunction and/or other legal remedies. If a legal action is initiated, the violator will be obligated to pay expenses and costs including reasonable attorney fees incurred by the Developer or the Association in enforcing any violations of these restrictions.

17. EFFECT OF BECOMING AN OWNER

The owners of any lot subject to these Restrictions by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from the Developer or a subsequent owner of such lot, shall accept such deed and execute such contract subject to each and every Restriction and agreement herein contained. By acceptance of such deed or execution of such contract, the owner acknowledges the rights and powers of the Developer, Committee and of the Association with respect to these Restrictions and, also, for themselves, their heirs, personal representatives, successors and assigns, such owners covenant and agree and consent to and with the Developer, Committee and the Association and to and with the owners and subsequent owners of each of the lots affected by these Restrictions to keep, observe, comply with and perform such Restrictions and agreements.

18. TITLES.

The titles preceding the various paragraphs and subparagraphs of the Restrictions are for convenience of reference only, and none of them shall be used as an aid to the construction of any provision of the Restrictions. Wherever and whenever applicable, the singular form of any word shall be taken to mean or apply to the plural, and the masculine form shall be taken to mean or apply to the feminine or to the neutral.

19. DURATION.

The foregoing Covenants and Restrictions are to run with the land and shall be binding on all parties and all persons claiming under them until January 1, 2082, at which time said Covenants and Restrictions shall be automatically extended for successive periods of ten (10) years, unless changed in whole or in part by vote of those persons who are then the owners of a majority of the numbered lots in the Development.
20. SEVERABILITY.

Every one of the Restrictions is hereby declared to be independent of, and severable from, the rest of the Restrictions and of and from every other one of the Restrictions, and of and from every combination of the Restrictions.

Any violation of the above rights and obligations with respect to the blocks, private drives and maintenance of boat docks, or ingress and egress easements shall give the developer and/or the association the right to seek immediate injunctive relief to preclude such activities and, in addition, may collect reasonable attorneys’ fees for violation of the above restrictions.

If any of the Restrictions shall be held to be invalid or to be unenforceable, or to lack the quality of running with the land, that holding shall be without effect upon the validity, enforceability or “running” quality of any other one of the Restrictions.

21. LAKE CLEARWATER BLOCK “A” AND LAKE KILLBUCK BLOCK “K”.

The parties acknowledge that the Lake Clearwater Property Owners’ Association, Inc. and The Lakes at Killbuck Homeowner’s Association, Inc. will own as tenants in common the Lake Killbuck watercourse lake block, which will be defined in the future as “Block K”, and any and all costs for maintaining the lake area. The maintenance cost shall be assessed as a general assessment against all lots which have access right to Lake Killbuck. The Developer shall have no liability to any person with respect to operation or activity on Lake Killbuck and/or Lake Clearwater watercourses or use thereof or access thereto with respect to any damage or injury. Additionally, the Developer shall have no liability to any person with respect to operation or activity on the lake block or use thereof or access thereto with respect to any damage to any lot resulting from the lake area or in proximity of the lot thereto, including loss or damage from water erosion.

22. BUILDING LOCATION AND FINISH FLOOR ELEVATION.

No building shall be erected between the building lines shown on the plat and the front lot line and not structure or part thereof may be built or erected nearer than 9 feet to any side lot or nearer than 20 feet to any rear lot line. The aggregate side yard shall be not less than 18 feet. A minimum finished floor elevation shown on each development plan for the tract has been established for lot and no finished floor elevation with the exception of flood protection basement shall be constructed lower than said minimum without the written consent of the Development Control Committee.

Demonstration of adequate storm water drainage and conformity with the both on lot and overall project drainage plans shall be a prime requisite for alternative finished floor elevation. The ultimate decision to issue an improvement location permit and establish minimum finished floor elevations shall be with the requisite governmental authority, including, but not limited to the City of Anderson. The Developmental Control
Commitment assumes no liability with respect to its approval of any finished floor elevation.

23. **STORM WATER DRAINAGE.**

In the event storm water drainage from any lot or lots flows across another lot, provisions shall be made by the Owner of such a lot to permit such drainage to continue without restriction or reduction, across the downstream lot and then to the natural drainage channel or course, although no specific drainage easement for such flow of waters provided for on the plat. To the extent not maintained by the Drainage Board, drainage easements reserved as drainage swales shall be maintained by the Owner of the Lot upon which such easements are located such that water from adjacent lot shall have adequate drainage along such swale.

Lots within the plat may be included in the legal established by the Drainage Board. In such events, each Lot in the plat will be subject to assessment by the Drainage Board for the costs of maintenance to the portion of the drainage system and/or retention area included in such legal drain, which assessment will be a lien against the Lot.

24. **LAKE KILBBUCK BLOCK WATER LEVEL.**

The individuals who take title from the Declarant/Developer recognize that there is created on the lake block side of the lots in the Development an easement which will fluctuate between One Hundred (100) year and Five Hundred (500) year flood event and they recognize that the real estate may, due to the fact that Lake Killbuck is a watercourse, will fluctuate up and down on the property and within the defined easement on the plat.

25. **DEVELOPER’S EASEMENT TO CORRECT DRAINAGE.**

For a period of ten (10) years from the date of conveyance of the first lot in the plat, Developer reserves the blanket easement and right on, over, and under the ground within the plat to maintain and correct drainage of surface water in order to maintain reasonable standards of health, safety, and appearance. Such right expressly includes the right to cut trees, brush, shrubbery, or make any gradings of soil or to take other similar action reasonably necessary following which, the Developer shall restore the effective property to its original condition as near as practical.

26. **ENFORCEMENT.**

The Property Owners’ Association and/or the Developer shall have the right to enforce by proceeding at law or in equity all restrictions, conditions, covenants, reservations, liens, and charges now or hereinafter imposed by the provisions of this Declaration, but neither Developer nor the Corporation shall be liable for damage of any kind to any person for failure either to abide by, enforce, or carry out any of these restrictions. No delay or failure by any person to enforce any of the restrictions or to
invoke any available remedy with respect to a violation or violations thereof shall, under any circumstances be deemed or held to be a waiver by that person of the right to do so thereafter, or an estoppel of that person to assert any right available to him upon the occurrence, recurrence, or continuation of any violation or violations of the restrictions. In any action to enforce this Declaration, the person seeking enforcement shall be entitled to recover all costs of enforcement, including attorneys' fees if substantially prevails in such action.

Limitations on rights of the Association prior to the applicable date, Lake Clearwater Property Owners' Association may not use its resources nor take a public position in opposition to the general plan of development or to changes thereto proposed by Developer. Nothing in this paragraph shall be construed to limit the rights of the members acting as individuals or affiliation with other members or groups as long as they do not employ their resources of the Association or identify themselves as acting in the name, or on the behalf of, the Association.

27. **AMENDMENT**

The Declaration may be amended, from time to time as follows:

A. **Class B Members.** Developer reserves, for the benefit of the Developer, the right and power and each Owner by acceptance of a deed to a Lot is deemed to and does grant to the Developer a Power of Attorney coupled with an interest, the burden of which interest shall run with the title to the Lot, and shall be irrevocable except by Developer for a period of seven (7) years from the date hereof, to amend this Declaration to the extent necessary to conform to any requirements imposed or requested by the developer or any governmental agency, public authority or financial institution, (including the U.S. Department of Housing and Urban Development, the U.S. Veteran's Administration, Federal National Mortgage Association, Federal Home Loan Mortgage Corporation, or similar agency), without the approval of the Lot Owners, or to the extent necessary to enable Developer to meet any other reasonable need or requirement including those associated with completion of the development of the Property and to facilitate the making and marketing of first mortgages upon any of the Lots, any amendment must be recorded and shall be effective upon recording.

28. **ZONING COMMITMENTS.**

Many of the zoning restrictions and use restrictions in these Declaration of Restrictions are pursuant to an Agreement entered into between the Lake Killbuck Homeowners' Association, Inc. a/k/a Lake Killbuck Property Owners' Association, Inc., the Lake Clearwater Property Owners' Associations, Inc., The Marina I L.P., and Irving Materials, Inc. dated the 24th day of February, 2004 and presented to the City of Anderson Plan Commission contemporaneous with the subdivision of Lake Clearwater.
IN TESTIMONY WHEREOF, witness the signature of the Developer this 30th day of April, 2004.

THE MARINA I L.P.

By: Allen E. Rosenberg, President of The Marina I Corp., General Partner of The Marina Limited Partnership, General Partner of The Marina I L.P.
