WHEREAS, pursuant to the Master Declaration, Declarant contemplated that this
Supplemental Declaration would be recorded to amend the Real Estate as provided for in the Master
Declaration and to set forth specific and particular restrictions affecting the Community which would
be in addition to those imposed by the Master Declaration, for the purposes, among other things, of

attractiveness of the Community as a whole and of each of said Lots situated therein. This
Declaration shall run with the land and shall be binding upon Declarant and upon the parties having

Except in an emergency situation, entry shall only be during reasonable hours and after reasonable notice to the Owner or occupant of the Lot.

ARTICLE VIII

COMMUNITY ASSESSMENTS

Section 8.1. Purpose of Community Assessment. The Community Assessments provided for herein shall be used for the general purposes of promoting the recreation, health, safety, welfare,
common benefit, and enjoyment of the Owners and occupants of Lots, including the maintenance of real and personal property, all as may be more specifically authorized from time to time by the Board of Directors.

Section 8.2 Creation of Community Assessments.

(a) Community Assessments, together with interest, costs, and reasonable attorney's fees and paraprofessional fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time the assessments arose, and his or her grantee shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance, except no first mortgagee who obtains title to a Lot pursuant to the remedies provided in the Mortgage shall be liable for unpaid assessments which accrued prior to such acquisition of title. Community Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors which may include, without limitation, monthly, quarterly, semi-annually or annually and acceleration of the annual assessment for delinquents. Unless the Board otherwise provides, all assessments shall be paid quarterly. In addition to collection of Community Assessments, the Board shall collect the assessments set forth in the Master Declaration in the amounts and at the times set forth by the Association's Board of Directors and the Association, and upon receipt shall immediately deliver such amounts to the Association. The Association may, at any time and from time to time, invoice the Owner directly for the assessments due under the Master Declaration, and, in such event, the Owners shall pay such amounts directly to the Association, and not to the Community Association.

Section 8.3 Computation of Assessments.

(a) It shall be the duty of the Board, at least sixty (60) days before the beginning of the fiscal year and thirty (30) days prior to the meeting at which the budget shall be presented to the Membership, to prepare a budget covering the estimated costs of operating the Community Association during the coming year. The budget may include a capital contribution establishing a reserve fund in accordance with a capital budget separately prepared. Each Owner covenants and agrees to pay to the Community Association his or her share of Community Assessments. The Board shall cause a copy of the budget, the amount of the assessments to be levied against each Lot for the following year and a description of the method used in determining the assessments to be delivered to each Owner at least fifteen (15) days prior to the meeting. Each segment of the budget including, without limitation, the Community Assessments, shall become effective unless disapproved at a meeting by a vote of at least two-thirds (2/3) of a Quorum of the Members.

(b) Notwithstanding the foregoing, however, in the event that (i) the proposed budget or Community Assessments are disapproved in accordance with 8.3 (a) or (ii) the Board fails for any reason to determine the budget for the succeeding year, then and until such
time as a budget (or such portion thereof or assessments as shall have been disapproved in accordance with the foregoing) shall have been determined as provided herein, the budget (or applicable portion thereof or assessments) in effect for the then current year shall continue for the succeeding year.

(c) In the event that the amounts actually expended by the Community Association for Community Assessments in any fiscal year exceed the amounts budgeted and assessed for Community Assessments for that fiscal year, the amount of such deficit shall be carried over and become an additional basis for assessments for the following fiscal year, except that so long as the Declarant controls the Community Association, Declarant may, but shall be under no obligation, to fund such deficit; provided, however, that Declarant shall be reimbursed by the Community Association for any deficits so funded, together with interest at ten percent (10%) per annum until so reimbursed, from available surpluses in later years or through Special Assessments. Thereafter, such deficit may be recouped either by inclusion in the budget for annual assessments or by the making of one or more Special Assessments for such purpose, at the option of the Community Association. In the event that the amounts budgeted and assessed for Community Assessments in any fiscal year exceed the amount actually expended by the Community Association for Community Assessments for that fiscal year, an allocable share of such excess (based on the amounts originally levied as assessments) shall be a credit against the assessment due from each Owner for the next fiscal year(s); provided, that Declarant shall first be reimbursed for deficits previously paid, with interest, as required above before such excess shall be so credited to Owners.

(d) During the first year following the date of recordation of this Declaration, the monthly Community Association Fee shall be the amount listed on Exhibit "C" attached. This monthly fee shall be subject to annual review and adjustment.

Section 8.4 Special Assessments. In addition to the other assessments authorized herein, the Community Association may levy Special Assessments in any year. So long as the total amount of Special Assessments allocable to each Lot does not exceed Twenty Percent (20%) of the Monthly Community Assessment in any one fiscal year, the Board may impose the Special Assessment. Any Special Assessment which would cause the amount of Special Assessments allocable to any Lot to exceed this limitation shall be effective only if approved by two-thirds (2/3) of a Quorum of the Members. Special Assessments shall be paid as determined by the Board, and the Board may permit Special Assessments to be paid in installments extending beyond the fiscal year in which the Special Assessment is imposed.

Section 8.5 Lien for Assessments.

(a) All sums assessed against any Lot pursuant to this Declaration, together with late charges, interest, costs, and reasonable attorney's fees and paraprofessional fees actually incurred, as provided herein, shall be secured by a lien on such Lot in favor of the Community Association. Such lien shall be superior to all other liens and encumbrances.
on such Lot, except for (i) liens of ad valorem taxes; or (ii) liens for all sums unpaid on a first Mortgage or on any Mortgage to Declarant duly recorded in the land records of the Appropriate Indiana County and all amounts advanced pursuant to such Mortgage and secured thereby in accordance with the terms of such instrument.

(b) All other persons acquiring liens or encumbrances on any Lot after this Declaration shall have been recorded in such records shall be deemed to consent that such liens or encumbrances shall be inferior to future liens for assessments, as provided herein, whether or not prior consent is specifically set forth in the instruments creating such liens or encumbrances.

Section 8.6 Effect of Nonpayment of Assessments: Remedies of the Community Association.

(a) Any assessments which are not paid when due shall be delinquent. Any assessment delinquent for a period of more than ten (10) days shall incur a late charge in an amount as the Board may from time to time determine. The Community Association shall cause a notice of delinquency to be given to any Member who has not paid within ten (10) days following the due date. If the assessment is not paid within thirty (30) days, a lien, as herein provided, shall attach and, in addition, the lien shall include the late charge, interest, not to exceed the maximum legal rate, on the principal amount due, and all late charges from the date first due and payable, all costs of collection, reasonable attorney's fees and paraprofessional fees actually incurred, and any other amounts provided or permitted by law. In the event that the assessment remains unpaid after sixty (60) days, the Community Association may, as the Board shall determine, institute suit to collect such amounts and to foreclose its lien. Each Owner, by acceptance of a deed or as a party to any other type of a conveyance, vests in the Community Association or its agents the right and power to bring all actions against him or her, personally, for the collection of such charges as a debt or to foreclose the aforesaid lien in the same manner as other liens for the improvement of real property. The lien provided for in this Article shall be in favor of the Community Association and shall be for the benefit of all other Owners. The Community Association, acting on behalf of the Owners, shall have the power to bid on the Lot at any foreclosure sale or to acquire, hold, lease, mortgage, or convey the Lot. No Owner may waive or otherwise except liability for the assessments provided for herein, including, by way of illustration, but not limitation, abandonment of the Lot.

(b) All payments shall be applied first to costs and attorneys' and paraprofessional fees, then to late charges, then to interest, then to delinquent assessments, then to any unpaid installments of the annual assessment or special assessments which are not the subject matter of suit in the order of their coming due, and then to any unpaid installments of the annual assessment or special assessments which are the subject matter of suit in the order of their coming due.
Section 8.7 Capital Budget and Contribution. The Board of Directors shall annually prepare a capital budget which shall take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost for items of a capital nature within the Community. The Board shall set the required capital contribution, if any, in an amount sufficient to permit meeting the projected capital needs of the Community Association as shown on the capital budget, with respect to both amount and timing by annual assessments over the period of the budget. The capital contribution required shall be fixed by the Board and included within the budget and Community Assessments, as provided in Section 8.3. A copy of the capital budget shall be distributed to each Member in the same manner as the operating budget.

Section 8.8 Subordination of the Lien to First Deeds of Trust and First Mortgages. The lien of the assessments, including interest, late charges, costs (including attorneys' fees and paraprofessional fees) provided for herein, shall be subordinate to the lien of any first Mortgage upon any Lot. The sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to judicial or nonjudicial foreclosure of a first Mortgage shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer (subject to the right of the Community Association to payment out of available foreclosure sale proceeds). No sale or transfer of a first Mortgage of record or other purchaser of a Lot obtains title, his or her successors and assigns shall not be liable for the share of the Community Assessments by the Community Association chargeable to such Lot which became due prior to the acquisition of title to such Lot by such acquirer. Such unpaid share of Community Assessments shall be deemed to be Community Assessments collectible from all the Lots, including such acquirer, his or her successors and assigns.

Section 8.9 Date of Commencement of Annual Assessments. The annual assessments provided for herein shall commence as to Lots generally in January, 1998, and as to a particular Lot on the first day of the month following the conveyance of such Lot by the Declarant to a Builder and/or Owner and shall be due and payable in a manner and on a schedule as the Board of Directors may provide. The first annual assessment shall be adjusted according to the number of months then remaining in that fiscal year and billed to the Builder in the Closing Statement between the Builder and the Developer. The Developer shall pay the assessment collected from the Builder to the Association. The date any Lot becomes subject to assessment hereunder shall be the date on which such Lot is transferred by Declarant to a Builder and/or Owner, provided, however, that Declarant may, in its sole and absolute discretion delay the starting date for assessments for as long as Declarant shall deem appropriate in its sole and absolute discretion but assessments shall in all events be payable commencing on the first day of the first month following the date the Lot is occupied for the residential purposes or is suitable for such occupancy as evidenced, for example, by the appropriate official of Morgan County, Indiana or an architect issuing a certificate of occupancy or its equivalent stating that the residential structure on such Lot is substantially complete and available for occupancy.

Section 8.10 Assessments Due From Declarant.

(a) Declarant covenants and agrees to pay the full amount of the annual assessment for each Lot occupied for residential purposes that it owns, notwithstanding anything
contained herein to the contrary, the Declarant shall not be required to pay any assessments for any Lots not occupied for residential purposes (other than completed vacant apartment units held for rental in the ordinary course of business) that it owns, including but not limited to model homes.

(b) Notwithstanding anything to the contrary herein, the Declarant may contribute assessments due from it in services or materials or a combination of services and materials, rather than in money, (herein collectively called in-kind contribution). The amount by which monetary assessments shall be decreased as a result of any in-kind contribution shall be the fair market value of the contribution. If the Declarant and the Community Association agree as to the value of any contribution, the value shall be as agreed. If the Community Association and the Declarant cannot agree as to the value of any contribution, the Declarant shall supply the Community Association with a detailed explanation of the services performed and material furnished, and the Community Association shall acquire bids for performing like services and furnishing like materials from three (3) independent contractors approved by the Declarant who are in the business of providing such services and materials. If the Community Association and the Declarant are still unable to agree on the value of the contribution, the value shall be deemed to be the average of the bids received from the independent contractors.

ARTICLE IX
MORTGAGEE RIGHTS

Section 9.1 Notices of Action. An institutional holder, insurer, or guarantor of a first Mortgage, who provides written request to the Community Association (such request to state the name and address of such holder, insurer, or guarantor and the Lot number), (therefore becoming an Eligible Mortgage Holder), will, upon payment of the reasonable expense of the Community Association associated therewith, be entitled to timely written notice of:

(a) any proposed termination of the Community Association;

(b) condemnation, damage or destruction to the Community or which affects any Lot on which there is a first Mortgage held, insured, or guaranteed by such Eligible Mortgage Holder;

(c) any delinquency in the payment of assessments or charges owed by an Owner of a Lot subject to the Mortgage of such Eligible Mortgage Holder where such delinquency has continued for a period of sixty (60) days;

(d) any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Community Association; or
MASTER ASSOCIATION FEE:*

$18 per month covers common area and facilities maintenance costs in Heartland Crossing and access to all the TCCD facilities.

*The fees are estimated amounts and subject to annual adjustment.
