Any such deed, mortgage, lease or other instrument purporting to affect the one without including also the other shall be deemed and taken to include the interest so omitted even though the latter is not expressly mentioned or described therein.

(c) Encroachments. In the event that (i) by reason of the construction, repair, reconstruction, settlement or shifting of the Building, any part of the Common Areas encroaches or shall hereafter encroach upon any part of any Unit, or any part of any Unit encroaches or shall hereafter encroach upon any part of the Common Areas, or any other unit, or (ii) by reason of the design or construction of any Unit, it shall be necessary or advantageous to a Unit Owner to use or occupy any portion of the Common Areas for any reasonable use appurtenant to said Unit, which will not unreasonably interfere with the use or enjoyment of the Common Areas by other Unit Owners, or if by reason of the design or construction of utility and ventilation systems, any coined, duct or conduit serving more than one Unit encroach or shall hereafter encroach upon any part of any Unit; then in any such case valid easements for the maintenance of such encroachment and for such use of the Common Areas are hereby established and shall exist for the benefit of each Unit, or the Common Areas, as the case may be, so long as all or any part of the Building shall remain standing provided, however, that in no event shall a valid easement for any encroachment or use of the Common Areas be created in favor of any Unit Owner if such encroachment or use is detrimental to or interferes with the reasonable use and enjoyment of the Property by the other Unit Owners or has been created by the Unit Owners or their agents through intentional, willful, or negligent conduct.

(c) Easements for Utilities and Additional Purposes. All supplies of utilities serving the Property are hereby granted the right to install, lay, construct, operate, maintain, renew, replace or repair conduits, cables, pipes and wires and other equipment into, over, under, along and on any portion of the Common Areas for the purpose of providing the Property with utility services, together with a reasonable right of ingress to the Property for said purpose, provided, however, that the location of any such easements shall be subject to the approval of the Board. The Declarant, Board, or Association may hereafter grant other or additional easements for utility purposes and for other purposes including such easements as the Declarant may from time to time request including, but not limited to, such easements as may be required to construct, keep and maintain improvements upon the Common Areas for the benefit of the Property, over, under, along, and on any portion of said Common Areas, and each Unit Owner hereby grants the Declarant, Board, or Association as
Irrevocable power of attorney to execute, acknowledge and record for and in the name of such Unit Owner, such instruments as may be necessary to effectuate the foregoing. Easements are also hereby declared and granted to install, lay, operate, maintain, repair and replace any pipes, wires, ducts, flues, shafts, conduits, public utility and communication lines, or structural components, which may run through or within the walls of a Unit, whether or not such walls lie in whole or in part within the Unit Boundaries.

(c) Easements to Run with the Land. All easements and rights described herein are easements appurtenant running with the land, and so long as the Property is subject to the provisions of this Declaration, shall remain in full force and effect, and shall inure to the benefit of and be binding on the undersigned, its successors and assigns and any Unit Owner, Purchaser, Mortgagor and other person having an interest in the Property, or any part or portion thereof. References in the respective deeds of conveyance, or in any mortgage or other evidence of obligation, to the easements and rights described in this Article, or described in any other part of this Declaration, shall be sufficient to create and reserve such easements and rights to respective grantors, mortgagors and trustees of such Unit Owners as fully and completely as though such easements and rights were recited fully and set forth in their entirety in such documents.

4.03 Storage. Each Unit Owner shall be responsible for his personal property located in any storage area of the Common Area. Any such storage shall be allocated to the respective Unit Owners in such manner and subject to such rules, regulations, and fees as the Board may prescribe.

4.04 Use of Common Areas.

(a) Subject to the provisions of this Declaration and rules established by the Board, each Unit Owner shall have the nonexclusive right to use the Common Areas in common with all other Unit Owners as may be required for the purposes of ingress to, egress from, use, access, occupancy and enjoyment of the respective Units owned by such Unit Owners, and such other incidental uses permitted by this Declaration. Such rights to use and possess the Common Areas shall be subject to and be governed by the provisions of the Act, this Declaration, By-Laws, and rules and regulations of the Association.

(b) Guest Privileges. The aforesaid rights shall extend to the Unit Owner and the members of the immediate family (for the residential Units) and authorized guests and other authorized occupants and visitors of the Unit Owner, subject to reasonable rules and regulations with respect thereto. The use of the Common Areas and the rights of the Unit Owners with respect thereto shall be subject to and governed by the provisions of the Act, this Declaration and the By-Laws and rules and regulations of the Board as may be imposed from time to time.

4.05 Maintenance, Repair and Replacements.

(a) By the Board. The Association at its expense shall be responsible for the maintenance, repair and replacement of those portions, if any, of each Unit which contribute to the support of the Building, excluding, however, interior walls, ceilings and floor surfaces. In addition, except as provided in Section 4.08 herein, the Association shall maintain, repair and replace all conduits, ducts, plumbing, wiring and other facilities for the furnishing of utility services.
which may be located within the Unit boundaries as specified in Section 3.02 hereof, exclusive of any portions of the
foregoing which may be located at or beyond the exterior, or which may be the responsibility of an individual Unit Owner
under subparagraph (b) below or any other provision of this Declaration. Maintenance, repairs and replacements of the
Common Areas (except as otherwise specifically provided herein) shall be furnished by the Board as part of the Common
Expenses, subject to the By-Laws or rules and regulations of the Association.

(b) By the Unit Owner. Except as otherwise provided in paragraph (a) above, each Unit Owner shall
furnish and be responsible for, at his own expense:

outside windows appurtenant thereto, and all internal installations of such Unit, such as refrigerators, ranges, and
other kitchen appliances (for the residential unit), stairway and bulk-of any kind, lighting fixtures and other
electrical fixtures, plumbing and any portion of any other utility service facilities located within the Unit
boundaries, including telephone wiring, as specified in Section 2.01 and 2.02. However, such maintenance, repairs
and replacements as may be required for the bringing of water, gas and electricity to the Unit shall be furnished
by the Association as part of the Common Expenses. The Board or Association may provide, by its rules and
regulations as may be imposed from time to time, for ordinary maintenance and minor repairs and replacements of
be furnished to Units and appliances therein by Building Personnel as a Common Expense.

(ii) all of the heating and cooling equipment, lines and related accessories for their individual
unit, whether located within or outside of the unit;

(iii) all of the decorating within an individual Unit (initially and thereafter from time to time),
including painting, wallpapering, washing, cleaning, paneling, floor covering, draperies, window shades, lamps, and
other furnishings and interior decorating. Each Unit Owner shall be entitled to the exclusive use of the interior
surfaces of the Unit's perimeter walls, floors and ceiling and shall maintain such portions in good condition at
their sole expense, as may be required from time to time. The maintenance and use of the interior of each Unit
shall be subject to the rules and regulations of the Board or Association as may be imposed from time to time.

in bathrooms) hard surface floor covering (i.e., wood, parquet, tile, slate, ceramic, etc.) shall be first required to
install a sound absorbent underlayment of such kind and quality as to prevent the transmission of noise to the
Unit below, and shall obtain approval of the Board prior to making such installation. If prior approval is not
obtained, the Board may, in addition to exercising all of the other remedies provided for in the Declaration for
breach of any of the provisions hereof, require the Unit Owner to cover all non-conforming work with carpeting or
may require removal of such non-conforming work, at the expense of the offending Unit Owner. The interior
surface of windows forming part of the perimeter walls of a Unit shall be cleaned or washed at the expense of each
respective Unit Owner. The use of and covering of the interior surface of such windows, whether by draperies,

regulations of the Board as may be imposed from time to time.

(4) **Responsibility for Repair.** In the event that any repair or replacement to the Common Areas is
made necessary by reason of any act or occurrence for which insurance is maintained by the Board pursuant to Section 3.01
hereof and for which insurance proceeds are available as provided in Section 8.01 hereof, the Association, to the extent that
insurance proceeds are available, shall be responsible for the repair or replacement of such Common Areas.

(5) **Nature of Obligations.** Nothing herein contained shall be construed to impose a contractual liability
upon the Association for maintenance, repair and replacement, but the Association's liability shall be limited to actual
damages resulting from negligence. The respective obligations of the Association and Unit Owners set forth in this
Declaration shall not be limited, discharged or postponed by reason of the facts that any such maintenance, repair or
replacement is required to cure a latent or patent defect in material or workmanship in the construction of the Buildings,
nor because they may become entitled to proceeds under policies of insurance. In addition, and notwithstanding anything
herein to the contrary, no Unit Owner shall have a claim against the Board, the Association or against the Decedent for
any work (such as for repair of the Common Areas), ordinarily the responsibility of the Board or Association, but for

the Common Areas. The cost of any such work to the Common Areas may be paid out of a special assessment or out of
its reserves.

(b) No additions, alterations or improvements shall be made by any Unit Owner in any part of the
Common Areas, and no additions, alterations, or improvements which could affect the safety or structural integrity of the
Building, reduce the value thereof or impair any easement granted to a Unit Owner may be made by any Unit Owner
without the written consent of all Unit Owners. Such consent, if granted, may be conditioned upon the Unit Owner's
agreement either (i) to be solely responsible for the maintenance of such addition, alteration, or improvement, subject to
such standards as the Board may from time to time set or (ii) to pay the Association from time to time the additional cost
of maintenance as a result of the addition, alteration or improvement. If an addition, alteration or improvement is made by
a Unit Owner without the prior written consent of all of the Unit Owners, the Board may, in its discretion, bring any of the
following actions:

1. Require the Unit Owner to remove the addition, alteration or improvement and restore the Property
to its original condition, all at the Owner's expense, or

2. If the Unit Owner refuses or fails to properly perform the work required under (1), the Board may
cause such work to be done and may charge the Owner for the cost thereof as determined by the Board; or
(3) Ratify the action taken by the Unit Owner, and the Board may (but shall not be required to) condition such ratification upon the same conditions which it may impose upon the giving of its prior consent under this Section.

4.07 Repairs of Unit Owners. If, due to the negligent act or omission of a Unit Owner, or a family member, household pet, guest, or other occupant or visitor of such Unit Owner, damage shall be caused to the Common Areas or to a Unit or Units owned by others, or maintenance, repairs or replacements shall be required which would otherwise be a Common Expense, then such Unit Owner shall pay for all such damage and maintenance, repairs or replacements, as may be determined by the Board.

4.08 Joint Facilities. To the extent that equipment, facilities and fixtures within any Unit or Units shall be connected to similar equipment, facilities or fixtures affecting or serving other Units or the Common Areas, then the use thereof by the individual Unit Owners shall be subject to the rules and regulations of the Board, as may be imposed from time to time. The authorized representatives of the Association or the Board, or of the managing agent, shall be entitled to reasonable access to the individual Units as may be required in connection with maintenance, repairs or replacements of or to the Common Areas or any equipment, facilities or fixtures affecting or serving other Units or the Common Areas.

4.09 Cable Television Plans. Each Unit has been equipped with at least one outlet activated for connection to the cable television utility system serving the Building, which outlet and lines are integral parts of the Common Areas.

Additional outlets for connection to the cable television antenna system are obtainable only from the utility and may be installed only by an authorized cable television company, with the prior approval of the Board or the Association and the payment of any required additional fees. Unit Owners are prohibited from making any modifications to or tampering with said outlets and from making any unauthorized connection to the cable television antenna system, and the Board or Association may charge any Unit Owner with the cost of locating and removing any unauthorized connection thereto and of repairing any modification thereto.

ARTICLE V
ADMINISTRATION

5.01 Administration of the Property. The direction and administration of the Property shall be vested in the Board of Directors (herein sometimes referred to as the "Board" or the "Board of Managers"), which may consist as few as three (3) or as many as twelve (12) persons, as determined from time to time by the Unit Owners, who shall be elected in the manner hereinafter set forth; provided however, that irrespective of anything else contained in this Declaration, for a period commencing on the date this Declaration is executed and ending upon the qualification of the directors elected at the initial meeting of voting members, the Declarant shall have the right to designate three (3) persons who shall serve as members of the Board and exercise the powers of the Board as provided in the Act. Except for Directors so designated by the Declarant, each member of the Board shall be one of the Unit Owners and, if representing a residential unit, shall reside on the property; provided however, that in the event a Unit Owner is a corporation, partnership, trust or other legal entity
other than a natural person or persons, then any designated agent of such entity shall be eligible to serve as a member of the Board so long as any such person (other than a person designated by the Declarant) actually resides on the Property.

3.02 Association. The Association has been formed, prior to the recording hereof, as a not-for-profit corporation under the Indiana Not-For-Profit Corporation Act, having the name The Massachusetts Homeowner's Association, Inc., which shall be the governing body for all Unit Owners for the maintenance, repair, replacement, administration and operation of the Property. The Association shall not be deemed to be conducting a business of any kind, and all funds received by the Association shall be held and applied by it for the use and benefit of the Association in accordance with the provisions contained herein. Each Unit Owner shall be a member of the Association so long as they shall be a Unit Owner, and such membership shall automatically terminate when they cease to be a Unit Owner and upon the transfer of their ownership interest. The new Unit Owner acquiring such ownership interest shall likewise succeed to such membership in the Association, but shall not automatically succeed to any position on the Board held by the transferor at the time of conveyance. The Association may issue certificates as may be designated by the Board. Such certificates shall not be transferable. The Association shall have no real.

3.03 Voting Rights. There shall be one person with respect to each Unit Ownership who shall be entitled to vote at any meeting of the Unit Owners. Such person shall be known (and hereinafter referred to) as a "voting member." Such voting member may be the Unit Owner or one of a group composed of all the owners of a Unit Ownership, or be some person designated by one or more Unit Owners to act as proxy on their behalf, and who must be a Unit Owner. Such designation shall be made in writing and filed with the Secretary of the meeting before the commencement of any such meeting at which it may be voted. This designation shall be revocable at any time by actual notice to the Board. The total number of votes of all the members shall be fifteen (15). Each residential Unit Owner or group of owners of a Unit shall be entitled to one (1) vote, and each commercial Unit Owner or group of owners of a Commercial Unit shall be entitled to two (2) votes. The presence in person or by proxy at any meeting of the voting members having fifty one (51%) percent of the total votes shall constitute a quorum. Unless otherwise expressly provided herein, any action may be taken at any meeting of the voting members, at which a quorum is present, upon a majority vote of the voting members present at such meeting. The Board may prescribe reasonable rules for the conduct of all meetings of the Board and Unit Owners, or, in the absence of such rules, Robert's Rules of Order shall be used.

(b) Initial and Annual Meeting. The initial meeting of the voting members shall be held upon not less than ten (10) days notice given by the Declarant. Said initial meeting shall be held no later than the first to happen of: (1)

Thereafter, there shall be an annual meeting of the voting members on the second Wednesday of October following such initial meeting, and on the second Wednesday of October of each succeeding year thereafter at 7:30 p.m. or at such other reasonable time or date as may be designated by written notice of the Board delivered to the voting members.

(c) Special Meetings. Special meetings of the voting members may be called at any time after the initial meeting provided for in Section 5.04(b) hereof for the purpose of considering matters which, by the terms of this Declaration, require the approval of the voting members, or for any other reasonable purpose, provided, however, that the following matters shall require the approval of voting members having not less than two thirds (2/3) of the total votes: (i) the merger or consolidation of the Association; (ii) the sale, lease, exchange, mortgage, pledge or other disposition of all, or substantially all, of the property or assets of the Association; (iii) the purchase, sale or lease of Units or other real estate on behalf of all Unit Owners. 5.05 Notice of Meetings. Except as otherwise provided herein, notices of annual or special meetings of the voting members shall be delivered either personally or by mail to the voting members, addressed to each such person at the address given by such Unit Owner to the Board for such purpose, or to the Unit or the Unit Owner with respect to which such voting right pertains, if no address has been given to the Board. Any such notice shall be delivered no less than ten (10) days and no more than thirty (30) days prior to the date fixed for such meeting and shall state the date, time, place and purpose of such meeting.

5.06 Board of Directors.

(a) The interim Board of Directors shall serve without compensation. Such interim Board shall serve for a period commencing on the date that the Declaration is executed and ending upon the qualification of the Directors elected at the initial meeting of voting members. At the initial meeting of voting members held as provided in Section 5.04(b) hereof, the voting members shall elect the Board. In all elections for members of the Board, each voting member shall be entitled to vote on a cumulative voting basis and the candidates receiving the highest number of votes with respect to the number of offices to be filled, shall be deemed to be elected. Members of the Board elected at the initial meeting shall serve until the first annual meeting. At the first annual meeting five (5) Board members shall be elected. The two (2) persons receiving the highest number of votes at the first annual meeting shall be elected to the Board for a term of two (2) years and the three (3) persons receiving the next highest number of votes shall be elected to the Board for a term of one (1) year. The election and term of office as between candidates receiving the same number of votes shall be determined by
run off vote. Upon the expiration of the terms of office of the Board members so elected at the first annual meeting and thereafter, successors shall be elected for a term of two (2) years each.

(b) Voting members having a majority of the total votes may from time to time increase or decrease such number of persons on the Board or may decrease the term of office of Board Members at any annual or special meeting, provided that (i) such members shall not be less than three (3), (ii) the terms of at least one-third (1/3) of the persons on the Board shall expire annually, and (iii) no Board member shall be elected for a term of more than two (2) years, although Board Members may succeed themselves. Members of the Board shall receive no compensation for their services.

(c) Vacancies in the Board, except vacancies due to the increase in the number of persons on the Board, shall be filled by majority vote of the Board (except that a vacant position of the Board last filled by a person appointed by the Declarant shall be filled by another person appointed by the Declarant). Any Director elected or appointed to fill a vacancy shall hold office for a term equal to the unexpired term of the Director he or she succeeds.

(d) Except as otherwise provided in this Declaration, the Property shall be managed by the Board, and the Board shall act by majority vote of those present at its meetings when a quorum exists. Meetings of the Board may be called, held and conducted in accordance with such regulations as the Board may adopt. A majority of the total number of members of the Board shall constitute a quorum.

(e) The Board shall elect from its members for the term of one (1) year: (i) a President who shall preside over both its meetings and those of its voting members, who shall be the chief executive officer of the Board and the Association and who shall be designated to mail and receive all notices and execute all amendments hereof as provided herein and in the Act; (ii) a Secretary who shall keep the minutes of all meetings of the Board and of the voting members and who shall, in general, perform all the duties incident to the office of the Secretary; (iii) a Treasurer to keep the financial records and books of account; and (iv) such additional officers as the Board shall see fit to elect. Vacancies in any office shall be filled, for the unexpired term, by the Board by majority vote of the remaining members. Any officer may be removed for cause at any time by the vote of two-thirds (2/3) of the total membership of the Board at a special meeting expressly called for such purpose.

(f) Except for directors designated by Declarant pursuant to Section 5.01 herein, any Board member may be removed from office by affirmative vote of the voting members having at least two-thirds (2/3) of the total votes, at any special meeting called for such purpose. A successor to fill the unexpired term of a Board Member removed may be elected by the voting members at such meeting or any subsequent meeting called for that purpose.

(g) Written notices stating the place, date and hour of any meeting of the Board shall be delivered to each member of the Board not less than five (5) days prior to the date of such meeting. The purpose for which the meeting is called shall be stated in the notice.
(b) All meetings of the Board shall be open to attendance by any Unit Owner and notice of such meetings shall be mailed or delivered to each Unit not later than forty-eight (48) hours prior to such meeting.

(c) Any action required or permitted to be taken at any meeting of the Board may be taken without a meeting if such notice, notice required in Section 3.06(b) is given and a written consent to such action is signed by all members of the Board and filed with the minutes of the Board.

(d) Within sixty (60) days following the election of a majority of members of the Board other than those members designated by the Declarant, the Declarant shall deliver to the Board the following: (i) all original documents pertaining to the Property and its administration including this Declaration, the Articles of Incorporation for the Association, a minutes book containing the minutes of any meetings held by the Association and any rules and regulations governing the Property; (ii) a detailed accounting by the Declarant, setting forth the source and nature of receipts and expenditures in connection with the management, maintenance and operation of the Property; (iii) any Association funds on hand which shall at all times be segregated from any other funds of the Declarant; (iv) a schedule of all personal property, equipment and fixtures owned by the Association, including documents, such as invoices and bills of sales, if available, evidencing transfer of title to such property.

(a) The Board shall provide for the operation, maintenance, repair, replacement, and improvement of the Common Areas.

(b) The Board shall prepare, adopt and distribute an annual budget for the Association and provide the means of assessing and collecting from the Unit Owners their respective shares of the estimated expenses.

(c) The Board shall have the power and duty to provide for the designation, hiring and removal of employees and other personnel, including lawyers and accountants, to engage or contract for the services of others; to make purchases for the maintenance, repair, replacement, administration, management and operation of the Property; and to delegate any such powers to the manager or managing agent (and any such employee or other personnel as may be employees of the managing agent).

(d) The Board shall have the power to own, convey, encumber, lease or otherwise deal with Units conveyed to or acquired by the Association.

(e) The Board by a vote of at least sixty percent (60%) may adopt such reasonable rules and regulations as it may deem advisable for the maintenance, conservation and beautification of the Property, and for the health, comfort, safety and general welfare of the Unit Owners and occupants of the Property. Written notice of rules and regulations adopted by the Board shall be mailed or delivered to all voting members within five (5) days of their adoption. It, within thirty (30) days from the date of such notice, voting members holding at least one-fourth (1/4) of the total number of Units shall file with the Board a written objection to any rule or regulation which affects any portion of the Property, then

(c) The Board, or its agents, upon written notice, may enter any Unit when necessary in connection with any maintenance or construction for which the Board is responsible or to make emergency repairs as may be necessary to prevent damage to Common Areas or to any other Unit or Units.

(d) Subject to the rights reserved by the Declarant pursuant to Section 11.01 thereof, the Board may engage the services of an agent to manage portions of the Property for which the Board is responsible pursuant to this Declaration to the extent deemed advisable by the Board, provided, however, that any agreement for professional management or any agreement for services to be provided for by the Declarant shall provide for termination by either party without cause or payment of any termination fee, upon ninety (90) days or less written notice, and shall be for a term not to exceed two (2) years.

(e) The Board's powers hereby enumerated shall be limited in that the Board shall have no authority to hire and pay for, out of the maintenance fund, any structural alterations, additions, or improvements to the Common Areas (other than for the purpose of replacing or restoring portions of the Common Areas subject to all of the provisions of this Declaration or unless required for emergency repair, protection or operation of the Common Areas) requiring expenditures in excess of Ten Thousand Dollars ($10,000.00) without in each case obtaining the prior consent and approval of Unit Owners owning at least sixty percent (60%) of the ownership interest in the Common Areas.

(f) All agreements, contracts, deeds, leases, vouchers for payment of expenditures, and other instruments shall be signed by such officers or officials, agent or agents of the Board and in such manner as from time to time shall be determined by the written resolution of the Board. In the absence of such determination by the Board, such documents shall be signed by the Treasurer and countersigned by the President of the Board. The managing agent of the Property may be authorized to execute these documents required to enable it to perform its duties under this management agreement.

(g) Prior to the election of the first Board, the Declarant shall, subject to the terms of this Declaration, have the authority to lease or to grant licenses, concessions, and contracts with respect to any part of the Common Areas, upon such terms as the Declarant deems appropriate. Upon election of the first Board, and thereafter, the Board, by a vote of at least sixty percent (60%) of the persons on the Board shall have the same authority as the aforesaid.

(h) Nothing herein contained shall be construed to give the Board authority to conduct as set of business for profit on behalf of all the Unit Owners or any of them.

(i) The Board shall have the power to bid for and purchase any Unit Ownership at a sale pursuant to a mortgage foreclosure, or a foreclosure of the lien for Common Expenses under the Act, or at a sale pursuant to an order or direction of the court, or other involuntary sale, upon consent or approval of the Unit Owners owning not less than sixty percent (60%) of the undivided ownership of the Common Areas.
(m) The Board shall have the power to exercise all powers and duties of the Board of Directors or Unit Owners as a group referred to in the Declaration or the Act.

(n) Subject to the provisions of Section 4.06 and Section 4.07 hereof, the Board for the benefit of all the Unit Owners shall require and shall pay out of the maintenance fund herein provided for, the following:

(i) Operating expenses of the Common Areas, including water, electricity, telephone and other necessary utility services for the Common Areas, and if not separately meter charged for the Units.

(ii) Services of any person or firm to act as an agent of the Board in connection with real estate taxes and special assessments on Unit Ownership, and in connection with any other matter where the respective interests of the Unit Owners are deemed by the Board to be similar and not adverse to each other. The cost of such services shall be Common Expenses.

(iii) Painting, cleaning, outside window washing, maintenance, decorating, repair and replacement of the Common Areas (but not including the interior surfaces of the Unit and of the hallway doors appointed thereto and the outer window or doors which the Unit Owners shall paint, clean, decorate, maintain and repair) and such furnishings and equipment for the Common Areas as the Board shall determine are necessary and proper.

(iv) Any other materials, supplies, utilities, furniture, equipment, labor, services, maintenance, repair or structural alterations which the Board is required to secure or pay for, pursuant to the terms of this Declaration and By-Laws or which in its opinion shall be necessary or proper for the maintenance and operation of the Property as a first class condominium building or for the enforcement of its restrictions.

(v) Any amount necessary to discharge any mechanic's lien or other encumbrance levied against the entire property or any part thereof which may in the opinion of the Board constitute a lien against the Property or against the Common Areas, rather than merely against the interest therein of particular Unit Owners. Where one or more Unit Owners are responsible for the existence of such lien, they shall be jointly and severally liable for the cost of discharging it, and any cost incurred by the Board by reason of said lien or liens shall be specifically assessed to said Unit Owners.

(vi) Maintenance and repair of any Unit if such maintenance or repair is necessary, in the discretion of the Board, to protect the Common Areas, or any other portion of the Building, where a Unit Owner has failed or refused to perform said maintenance or repair within a reasonable time after written notice of the necessity of said maintenance or repair delivered to such Unit Owner by the Board, provided that the Board shall levy a special assessment against such Unit Owner for the cost of said maintenance.

5.08 Insurance.

(a) The Board shall have the authority to and shall obtain insurance for the Property as follows:

(i) Insurance on the Property, including the Units and the Common Areas, against loss or damage by fire, against loss or damage by risk now or hereafter embraced by standard extended coverage and vandalism and malicious mischief endorsements, in an amount sufficient to prevent the insured from being a co-maker within the terms of the applicable policies, but in any event an amount not less than one hundred percent (100%) of the full replacement cost thereof. The "full replacement cost" of the Property, including the Units and the Common Areas, shall be determined from time to time by the Board, which determination may be based on appropriate insurance appraisals. The cost of any and all such appraisals shall be Common Expenses.

(b) Insurance upon the Property (exclusive of the piers and excavations, foundations and footings) against all loss or damage from the breaking, collapse, destruction, removal or removal of any or all part thereof such as the Board shall deem destructible;

(c) Comprehensive Public Liability and Property Damage Insurance against claims for personal injury or death or property damage suffered by the public or a Unit Owner occurring in, on or about the Common Areas or upon, in, or about the streets or passageways or other areas adjoined the Property, such public liability and property damage insurance to afford protection in such limits as the Board shall deem destructible (but in no event less than One Million Dollars ($1,000,000.00) with respect to liability for personal injury or property damage arising out of a single accident);

(d) Such Worker's Compensation insurance as may be necessary to comply with applicable laws.
(v) Employer's Disability Insurance in such amount as the Board shall deem desirable;

(vi) A fidelity bond insuring the Association, the Board and the Owners for loss of funds resulting from fraudulence or dishonesty acts of any employee of the Association or its management agent or of any other person handling funds of the Association and the Board in such amount as the Board shall deem desirable;

(vii) Such other insurance in such reasonable amounts as the Board shall deem desirable.

The premiums for the above-described insurance, except as otherwise provided in this Section 5.08, shall be

Common Expenses.

(b) All insurance provided in this Section 5.08 shall be effected under valid and enforceable policies issued by insurers of recognized responsibility authorized to do business in the State of Indiana.

(c) All policies of insurance of the character described in clauses (i) and (ii) of Paragraph (a) of this Section 5.08:

(i) shall name as insured, the Declarant, so long as it has an insurable interest, and the Board as trustees for the Unit Owners as the respective interests of all of such owners may appear;

(ii) shall be without contribution as respects other such policies of insurance carried individually by the Unit Owners whether such insurance covers their respective Units and/or the additions or improvements made by such Owners to their respective Units;

(iii) shall provide that notwithstanding any provision thereof which gives the insurer an election to remove damage in lieu of making a cash settlement, such option shall not be exercisable in the event the Unit Owners elect to sell the Property or remove the Property from the provisions of the Act; and

(iv) shall contain an endorsement to the effect that such policy shall not be terminated for nonpayment of premiums without at least ten (10) days prior written notice to the mortgagees of each Unit.

Policies of insurance of the character described in clause (i) of Paragraph (a) of this Section 5.08 may contain an endorsement extending coverage so as to include the payment of Common Expenses with respect to damaged units during the period of reconstruction thereof. Notwithstanding the issuance of standard mortgage clause endorsements under the policies of insurance of the character described in clauses (i) and (ii) of Paragraph (a) of this Section 5.08, any losses under such policy shall be payable, and all insurance proceeds covered thereunder shall be applied and disbursed, in accordance with the provisions of this Declarant.

(d) All policies of insurance of the character described in (iii), (iv), (v), (vi), and (vii) of Paragraph (a) of this Section 5.08 shall name each Unit Owner and their spouses individually and severally, and the Association, Board and its managing agents, and the other agents and employees of such Association, Board and managing agent of the Declarant so long as they have an insurable interest. In addition, all policies of insurance of the character described in clause (iii) of Paragraph (a) of this Section 5.08 shall contain an endorsement or clause whereby the insurer waives any right to be subrogated to any claim against the Association, its officers, members of the Board, the Declarant, the managing agent, respective employees and agents and the Unit Owners and the Occupants and shall cover claims of one or more insured parties against other insured parties.
(c) The Association, for the benefit of the Unit Owners and the mortgagees of each Unit, shall pay the premium on the policies of insurance described in Paragraph (a) of this Section 5.08 at least thirty (30) days prior to the expiration date of the respective policies.

(3) The loss, if any, under any policies of insurance of the character described in clause (i) in Paragraph (a) of this Section 5.08 shall be payable, and the insurance proceeds paid in account account of any such loss, shall be paid to the Board, as trustees for each of the Unit Owners in their respective percentages of ownership as established in this Declaration, which insurance proceeds, less the actual cost, fees and expenses, if any, incurred in connection with the adjustment of the loss, shall be applied to payment of the cost of restoring the Property to substantially the same condition in which it existed immediately prior to the damage or destruction, with each Unit and the Common Areas having the same vertical and horizontal boundaries as before, free from vendor's, mechanic's, materialmen's and other similar liens.

(3) Each Unit Owner shall be responsible for maintaining insurance on the contents of their own Unit, including all interior portions of such Unit, furnishings and personal property therein, their personal property stored elsewhere on the Property, and their personal liability to the extent not covered by the policies of liability insurance paid by the Board for the benefit of all of the Unit Owners as above provided. All policies of casualty insurance carried by each of the Unit Owners shall be without contribution as respects the policies of casualty insurance obtained by the Board for the benefit of all Unit Owners as above provided.

(3) Each Unit Owner shall be required to report all additions or alterations to their Unit promptly in writing to the Board, and to reimburse the Board for any additional insurance premiums attributable thereto, and shall be responsible for any deficiency in any insurance claim resulting from their failure to so notify the Board. The Board shall not be responsible for obtaining insurance on such additions, alterations, or improvements unless and until such Unit Owner shall make such report and shall have requested in writing that the Board obtain such insurance, and shall make arrangements satisfactory to the Board for such additional premiums. Upon the failure of such Unit Owner to so notify the Board, the Board shall not be obligated to apply insurance proceeds to restore the afforested unit to a condition better than the condition existing prior to the making of such additions, alterations or improvements. "Additions" or "alterations" shall mean property attached to the Unit and not readily removable without damage to the Unit, including but not limited to carpeting, special flooring (such as marble or parquet), special wall covering and paneling. The insurance coverage described in Paragraph (b) of Section 5.08 shall not be deemed to include personal property owned by the Unit Owners and not attached to the Unit.

(0) Each Unit Owner (and the Association) hereby waive and release any and all claims which they may have against any other Unit Owner, the Association, its officers, members of the Board, the Declarant, and the manager and managing agent of the Property, if any, and their respective employees and agents for damages to the Common Areas, the Units or to any personal property located in the Unit or Common Areas caused by fire or any other casualty to the extent that such damage is covered by fire or other form of casualty insurance.
(f) Any insurance premiums assessed on a basis requesting increased charges for coverage on certain
units may be assessed to such units.

5.09 Cancellation of Insurance. The Board shall be responsible, in the event any insurance required under Section
5.08(a)(8), (9), or (10) is cancelled and not replaced through another insurance company, for serving notices of such
cancellation upon any person insured thereunder. In addition, written notice of the procurement of any insurance obtained
by the Association and subsequent changes in coverage shall be furnished to any such person or entity insured thereunder.

5.10 Liability of the Board of Directors. Neither the members of the Board nor the Officers of the Association
shall be liable to the Unit Owners for any mistakes of judgment or any acts or omissions of any nature whatsoever as
such Board Members and Officers, except for any acts or omissions found by the Court to constitute gross negligence or
fraud. The Unit Owners shall indemnify members of the Board, and Officers and employees of the Association in the
manner and to the extent provided in the Articles of Incorporation of the Association. It is also intended that the liability
of any Unit Owner arising out of any contract made by acts of the Board or officers of the Association, or out of the
aforesaid indemnity in favor of the members of the Board and officers of the Association shall be limited to such
proportion of the total liability hereunder as their percentage of interest in the Common Areas bears to the total
percentage of interest of all the Unit Owners in the Common Areas. Every agreement made by the Board or the managing
agent or on behalf of the Unit Owners shall provide that the members of the Board, or the managing agent as the case may be,
are acting only as agents for the Unit Owners and shall have no personal liability thereunder except as Unit Owners. Each
Unit Owner's liability shall be limited to such proportion of the total liability as their percentage interest in the Common
Areas.

ARTICLE VII

COMMON EXPENSE/Maintenance Fund.

6.01 Preparation of Estimated Budget. Each year on or before October 15th, the Board shall estimate the full
amount necessary to pay utilities, taxes, maintenance, wages, insurance, services and supplies which will be required during
the ensuing calendar year for the rendering of all services, together with a reasonable amount considered by the Board to be
necessary as a reserve for contingencies and replacements, and shall on or before November 1st, notify each Unit Owner in
writing the amount of such estimate, with reasonable itemization, containing each Unit Owner's respective assessment;
provided, however, that the annual budget shall be furnished to each Unit Owner at least thirty (30) days prior to its
adoption by the Board. Subject to the provisions of Section 6.02(b)(i), said "estimated cash requirement" shall be assessed
to the Unit Owners according to each Unit Owner's percentage of ownership in the Common Areas. On or before January
1st of the ensuing year, and the first of each and every month of said year, each Unit Owner jointly and severally, shall be
personally liable for and obligated to pay the Board or to such person or entity as the Board may direct, one-twelfth (1/12)
of the assessment determined pursuant to this paragraph. The Association may, by an affirmative vote of at least sixty
percent (60%) of its Unit Owners, establish payments of association fees to be quarterly or semi-annually.
On or before March 15th of each calendar year following the initial meeting, the Board shall supply to each Unit Owner an itemized accounting of the maintenance expenses for the preceding calendar year actually incurred and paid, together with a tabulation of the amounts collected pursuant to the estimates provided, and showing the net amount over or short of the actual expenditures plus reserves. Any net short or excess shall be applied as an adjustment to the installments due for the current year’s estimate in the succeeding six (6) months after rendering the accounting, subject, however, to the provisions of Section 6.02 hereof.

6.03 Reserve for Contingencies and Replacements—Supplemental Budget. The Board shall establish and maintain a reasonable reserve for contingencies and replacements, which reserve shall be segregated and allocated for specific purposes. Extraordinary expenditures not originally included in the annual estimate which may become necessary during the year shall be charged first against such portion of the contingency and replacement reserve which remain unallocated. If the “estimated cash requirement” proves inadequate for any reason or in the event a non-recurring “Common Expense” is anticipated for any year, then the Board may prepare and approve a supplemental budget covering the estimated deficiency or non-recurring expense for the remainder of such year, copies of which supplemental budgets shall be furnished to each Unit Owner, and thereupon a separate assessment shall be made to each Unit Owner for his proportionate share of such supplemental budget. All Unit Owners shall be personally liable for and committed to pay their respective adjusted monthly amount. Any such separate assessment, if it involves a proposed expenditure resulting in a total payment assessed to each Unit equal to the greater of (i) four times the Unit’s most recent monthly adjustment, or (ii) Three Hundred Dollars ($300.00), shall be subject to the affirmative vote of at least two-thirds (2/3) of the total ownership at a meeting specifically called for approving such separate assessment.

6.04 Failure to Prepare Annual Budget. The failure or delay of the Board to prepare or serve the annual or adjusted budget on the Unit Owner shall not constitute a waiver or release in any manner of such Unit Owner’s obligation to pay the maintenance costs and necessary reserves, as herein provided, whenever the same shall be determined, and in the absence of any annual estimate or adjusted estimate, the Unit Owners shall continue to pay the monthly maintenance charge at the then existing monthly rate until the adoption of the new annual budget and notice thereof shall have been mailed or delivered.

6.05 Books and Records. The Board shall keep full and accurate records of account in chronological order of the receipts and expenditures affecting the Common Areas, specifying and itemizing the maintenance and repair expenses of the
Common Areas and any other expenses incurred. Such records and the vouchers authorizing the payment shall be available for inspection to any Unit Owner or any holder of a first mortgage lien on a Unit Ownership, at such reasonable time or times during normal business hours as may be requested by the Unit Owner. Upon ten (10) days notice to the Board and payment of a reasonable fee, any Unit Owner shall be furnished a statement of his account setting forth the amount of any unpaid assessments or other charges due and owing from such Unit Owner.

6.06 STATUS OF UNCOLLECTED FUNDS. All funds collected hereunder shall be held and expended for the purposes designated herein, and (except for such adjustments as may be required to reflect delinquency or prepaid assessments of user charges) shall be deemed to be held for the benefit, use and account of all the Unit Owners.

6.07 INITIAL DEPOSIT FOR CONTINGENCIES AND REPLACEMENTS. At the time the initial sale of each Unit is closed, the purchaser of the Unit shall pay to the Association an amount equal to two (2) times the first full monthly assessment for each Unit. This sum shall be used to initially fund the reserve for contingencies and replacements described in Section 6.02 hereof. This payment shall not be refundable or applied as a credit against the Unit Owner’s monthly assessments.

6.08 NON-USE AND ABANDONMENT. No Unit Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Areas or abandonment of their Units.

6.09 OCCUPANCY MAINTENANCE. Notwithstanding any other provision herein, the Board shall take such actions as are necessary and appropriate to correct any maintenance problem which could lead to damage to any Unit or to the Common Areas including, but not limited to, roof repair, replacement of broken windows, plumbing or electrical problems, and deterioration of foundation, walls or floors. Any such maintenance repair shall not require the vote of the Unit Owners, and, in the event of total destruction of some but not all of the Units, steps shall be taken to secure the remaining Units from any further or additional damage. The cost of any such maintenance repair shall be paid first out of the Reserve for Contingencies and Replacements, and if such Reserves are not sufficient, out of the Annual Budget. In the event that there are insufficient funds in either or both of said accounts, each Unit Owner shall be assessed their proportionate share of the deficiency.

ARTICLE VII

Covenants and Restrictions as to Use and Occupancy

7.01 Use and Occupancy. The Property shall be occupied and used as follows:

(a) Residential Units. Each Unit on the second and third floors of the building shall be used for housing and other purposes consistent therewith and for no other purpose. No residential unit may be maintained or used in a manner which interferes with the use, benefit and enjoyment of the other residential and commercial Unit Owners. The use of residential units will be restricted so as not to create noise, odor, vibration, heating and cooling, and appearance disturbances to other Unit Owners.

(b) Commercial Units. Each Unit on the first floor and the lower level shall be used for retail, commercial, and related purposes consistent with sharing the Property with residential owners and occupants. These Units
may not be used in any manner which disturbs the use and quiet enjoyment of the occupants of the residential units. Restrictions upon the common areas include, but are not limited to:

(3) Vibration. No activity may be conducted or permitted in or around the common areas which creates vibrations which may be felt in the residential units or the adjoining residential units.

(4) Heating and Cooling. No activity may be conducted or permitted in or around the commercial units which interferes with the normal function and efficiency of the heating and cooling of the residential units or of the adjoining commercial units.

(5) Appearance. Each commercial unit shall maintain a clean and attractive appearance from the street, compatible with the other commercial units in the Building.

(6) Specific additional restrictions. In addition to the qualifications and restrictions above, no Unit may be used as a hospital, veterinary facility, commercial laundromat, dry cleaner, strip bar, adult book store, massage parlor, dating or escort service, nor may any Unit be used for the sale or serving of alcoholic beverages.

(c) Complaint; Resolution of Disputes. In the event that any Unit Owner has a complaint about the use of any other Unit, they may submit their complaint to the Board for resolution. The Board shall provide the Owner of the Unit which is the subject of the complaint with a copy of this complaint and give the Owner an opportunity to respond. If the dispute cannot be resolved through informal mediation, it shall be submitted to the Board for binding arbitration. The Board shall have all the rights and remedies of Section 9.01 and Section 9.02 hereof to carry out its arbitration decision.

7.02. Other Provisions

(a) That part of the Common Areas separating any two or more of the Units which are owned by the same Unit Owner may be altered or removed to afford ingress or egress to and from such adjoining Units provided, however, that (i) such alteration or removal shall not impair or weaken the structural integrity of any Unit or any portion of the Common Area; (ii) the Unit Owner shall have furnished to the Board not less than thirty (30) days prior to the date the alteration is to commence such work, plans detailing the work to be done; (iii) the Board consents to the performance of such work; (iv) the expenses of such alteration shall be paid in full by the Unit Owner making such
alterations; (v) such Unit Owners shall pay in full the expense of restoring such Common Areas to their former condition prior to such alterations in the event the Units cease to be used together; and (vi) the adjoining Unit shall continue to carry the rights and responsibilities of the two units, prior to the change.

(b) There shall be no obstruction of the Common Areas nor shall anything be stored in the Common Areas without the prior consent of the Board or except as hereinafter expressly provided. Each Unit Owner shall be obligated to maintain and keep in good order and repair their own Unit.

(c) Nothing shall be done or kept in any Unit or in the Common Areas which will increase the rate of insurance on the Building or contents thereof without the prior written consent of the Board. No Unit Owner shall permit anything to be done or kept in their Unit or in the Common Areas which would be in violation of any law.

(d) Without the prior consent of the Board, Unit Owners shall not cause or permit anything to be placed on the windows or outside walls of the Building and no sign, awning, canopy, shutters, radio or television antennas shall be affixed to or placed on the exterior walls or roof or any part thereof; and Unit Owners shall not cause or permit the existence (whether partially or entirely) of any exterior portion of the Building.

(e) In order to enhance the sound conditioning of the Building, the floor covering for all occupied Units shall meet such minimum standards as may be specified by the rules and regulations of this Board.

(f) No animals of any kind shall be raised, bred, or kept in any Unit or in any Common Areas, except that dogs and cats or other usual household pets may be kept in the Units subject to rules and regulations adopted by the Board, provided that they are not kept, bred or maintained for any commercial purpose; and provided further that any pet causing or creating a nuisance or unreasonable disturbance, shall be permanently removed from the Property upon ten (10) days written notice from the Board. The Board may restrict pets from access to any portion of the Common Areas, and may designate other portions of the Common Areas to accommodate the reasonable requirements of the Unit Owners who keep pets. Without limiting the generality of the foregoing, no pet or live animal shall be permitted in any commercial Units serving food and no violation of any state or county board of health regulation, rule or ordinance shall be permitted.

(g) No noxious or offensive activity shall be carried on in any Unit or the Common Areas, nor shall anything be done therein, wilfully or negligently, which may be or become an annoyance or nuisance to the other Unit Owners or Occupants.

(h) Nothing shall be done in a Unit or in, on, or to the Common Areas which will impair the structural integrity of the Building or which will structurally change the Building except as otherwise provided herein. No Unit Owner shall overload the electrical wiring in the Building or operate machines, appliances, accessories or equipment in such manner as to cause, in the judgment of the Board, an unreasonable disturbance to others. No Unit Owner shall overload the floors of any Unit.
(1) No clothes, sheets, blankets, laundry or other articles shall be hung out or exposed in any part of the Common Areas or the exterior of the Building. The Common Areas shall be kept free and clear of rubbish, debris and other unattractive materials which are not in receptacles provided for such materials.

(2) No "nudist colony", business, trade, occupation or profession (commercial, religious, educational or otherwise) whether or not designated for profit, shall be conducted, maintained or permitted in any Unit on the second or third floor of the Property without the prior written consent of the Board of Directors of the Association and no activity shall violate any zoning or other law or regulation of any government agency.

(3) No "For Sale" or "For Rent" signs shall be maintained or permitted on any part of the Property. Also, no advertising or other displays shall be permitted in the windows of the second and third floors of the Property. Advertising and displays shall be permitted on the first floor of the Property, suitable for the type of commercial venture permitted therein, subject to reasonable rules and regulations set by the Board.

Notwithstanding the foregoing, the right is reserved by the Declaration or its agents to place and maintain on the Property all models, sales offices, advertising signs and banners and writing in connection therewith at such locations and in such form as shall be determined by the Declaration or its agents and prospective purchasers and lessees of any Unit from the Declaration are hereby granted the right of ingress and egress through the Common Areas for sale or leasing purposes. The Declaration or agents further reserve the right to use vacant units for rental, temporary storage, office and related purposes.

(1) The Unit restrictions in Paragraphs (a) and (j) of this Section 7.01 shall not, however, be construed in such a manner as to prohibit a Unit Owner from: (i) maintaining their personal, professional library therein; (ii) keeping their personal business or professional records or accounts therein; or (ii) handling their personal business or professional telephones calls or correspondence therefrom. Such use is expressly declared customarily incident to principal residential use and not in violation of paragraphs (a) and (j) of this Section 7.01.

ARTICLE VIII

DAMAGE, DESTRUCTION, CONdemnation AND RестORATION OF BUILDINGS

8.01 Partial Destruction. In the event of partial destruction of the improvements forming a part of the Property, or any portion thereof, including any Units, from any cause, the Association shall cause the Property to be promptly repaired and restored, and the proceeds of the insurance carried by the Association shall be applied to the cost of such restoration. If the insurance proceeds are not adequate to cover the cost of such reconstruction, or if the event there are no proceeds, or in the event the Property is not withdrawn from the provisions of this Declaration and from the provisions of the Act, then the costs of such reconstruction shall be borne by each Unit Owner in an amount equal to that Unit Owner's percentage of ownership interest in the Common Areas. Such amount shall be assessed as a Common Expense.

8.02 Complete Destruction. Within sixty (60) days after the date of any damage or destruction to any improvements forming a part of the Property, or any portion thereof, including any Units, from any cause, a special
meeting of the Unit Owners called for that purpose shall be held to determine, by a vote of no less than two-thirds (2/3) of all of the Unit Owners, whether a complete destruction has occurred pursuant to the terms of Section 19(b) of the Act. If the Unit Owners determine that a complete destruction has not occurred, then the provisions of Section 8.01 hereof shall apply. If the Unit Owners determine that a complete destruction has occurred, then, by a vote of no less than two-thirds (2/3) of all of the Unit Owners, which vote shall occur at the same meeting, the Unit Owners shall determine whether to rebuild the Property. In the event such approval to rebuild is not obtained, then the provisions of Section 21 of the Act shall apply.

8.03 Eminent Domain. If any portion of the Property is taken by condemnation or eminent domain proceedings, provision for withdrawal from the provisions of the Act of such portion so taken may be made by the Board. Upon the withdrawal of any Unit due to eminent domain, the percentage of interest in the Common Areas appurtenant to such Unit shall be reallocated among the remaining Units on the basis of the percentage of interest of each remaining Unit. The allocation of any condemnation award or other proceeds to any withdrawing or remaining Unit Owner shall be on an equitable basis. Any condemnation award or other proceeds available in connection with the withdrawal of any portion of the Common Areas shall be allocated on the basis of each Unit Owner's percentage interest therein. Upon the withdrawal of any Unit the responsibility for the payment of assessments on such Unit by the Unit Owner shall cease.

8.04 Reuse. Restoration or Reconstruction of the Improvements. As used in this Article, "repair, restoration or reconstruction" of improvements means restoring the improvements to substantially the same condition in which they existed prior to the damage or destruction, with each Unit and the Common Areas having the same vertical and horizontal boundaries as before.

ARTICLE IX
REMEDIES

9.01 Abatement and Enforcement. The violation of any restriction, condition or regulation adopted by the Board, or the breach of any covenant or provision hereof, contained, shall give the Board the right, upon not less than ten (10) days notice, in addition to the rights set forth elsewhere herein:

(a) to enter upon that part of the Property where such violation or breach exists and sumptuously search and remove, at the expense of the Unit Owner, any structure, thing, or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Deed, or their successors or assigns, or the Board, or its agents, shall not thereby be deemed guilty in any manner of trespass; or

(b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach. All expenses of the Board in connection with such suits or proceedings, including court costs and attorney fees and other fees and expenses, and all damages, liquidated or otherwise, together with interest thereon at the highest rate then allowed by law until paid, shall be charged to and assessed against such defaulting Unit Owner, and shall be added to and deemed part of their respective share of the Common Expenses; and the Board shall have a lien for all of
the same upon the Unit Ownership of such defaulting Unit Owner and upon all of their additions and improvements thereto and upon all of their personal property in their Unit or located elsewhere on the Property. Any and all of such remedies may be exercised at any time and from time to time expeditiously or otherwise by the Board. No action by the Board shall be construed to be a waiver of any right or remedy hereunder.

9.02 Remedies for Violation of Covenants. If any Unit Owner (either by their own conduct or that of any other occupant of their Unit) shall violate any of the covenants or restrictions or provisions of this Declaration or the regulations adopted by the Board, if such violations shall continue for more than one (1) year after notice in writing from the Board, or upon more than one (1) notice in writing terminating the right of said defaulting Unit Owner to continue as a Unit Owner and to continue to occupy, use or control their Unit and thereupon an action to quiet title may be filed by the members of the Board against the defaulting Unit Owner for a decree of mandatory injunction against the Unit Owner or Occupant or, in the alternative, a decree declaring the termination of the defaulting Unit Owner's right to occupy, use or control the Unit owned by such Unit Owner on account of the breach of covenant and ordering that the right, title and interest of the Unit Owner in the Property shall be sold (subject to the lien of any existing mortgage or prior lienholder) and judicial sale upon such notice and terms as the Court shall establish, except that the Court shall enjoin and restrain the defaulting Unit Owner from reentering the interest in the Property at such judicial sale. The proceeds of any such judicial sale shall be paid to discharge court costs, court reporter charges, reasonable attorney fees and all other expenses of the proceedings and sale, and all such items shall be taxed against the defaulting Unit Owner in said decree. Any余额之proceeds, after satisfaction of such charges and any unpaid assessments hereunder or any lien, shall be paid to the Unit Owner. Upon the confirmation of sale, the purchaser thereunder shall thereupon be entitled to a deed to the Unit Ownership and to immediate possession of the Unit and may apply to the Court for a writ of assistance for the purpose of acquiring such possession, and it shall be a condition of any such sale, and the decree shall provide, that the purchaser shall take the interest in the Property sold subject to this Declaration.

9.03 Remedies for Failure to Pay Common Expenses. Each Unit Owner shall pay their proportionate share of the Common Expenses. Such proportionate share shall be in the same ratio as their percentage of ownership in the Common Areas. In the event of the failure of a Unit Owner to pay such Common Expenses when due, the amount thereof shall constitute a lien on the interest of such Unit Owner as provided by the Act provided, however, that such lien shall be subordinate to the lien of a prior recorded first mortgage on the interest of such Unit Owner. If any Unit Owner fails to pay any installment of such expense within thirty (30) days after notice of default, the Board may accelerate the maturity of the remainder of the installments of such Common Expenses due from such Unit Owner for the balance of the assessment year, and may enforce collection thereof. A "late charge" in the amount of Thirty Dollars ($30.00) per month shall be charged and assessed against each defaulting Unit Owner until paid, which late charge as are hereby shall be subject to review and revision by the Board from time to time. In addition to the foregoing, the Board or the Detractors, in the exercise of
these powers, rights, duties and functions of the Board as provided in Section 11.01 hereof, or its agents, shall have such
tights and remedies to enforce collection as shall otherwise be provided or permitted by law from time to time. Without
limiting the generality of the foregoing, if any Unit Owner shall fail to pay their proportionate share of the Common
Expenses or any other expenses required to be paid hereunder when due, such rights and remedies shall include the right
to take possession of such Unit Owner's interest in the Property and to maintain for the benefit of all the other Unit
Owners an action for possession in the manner prescribed by applicable law.

ARTICLE X

MISCELLANEOUS PROVISIONS REGARDING MORTGAGES

10.01 Proportion of the Rights of Holders of First Mortgages upon a Unit. The following provisions are intended
for the benefit of each holder of a first mortgage upon a Unit, and to the extent if at all, that any other provisions of this
Declaration conflict with the foregoing provisions, the following provisions shall control:

(a) Upon request in writing by the mortgagee, the Association shall furnish the holder of a first
mortgage upon a Unit written notice of any default by the Owner of such Unit in the performance of such Unit Owner's
obligation under this Declaration which is not cured within sixty (60) days. Any first mortgagee of a Unit who comes into
possession of the Unit pursuant to the remedy provided in the mortgage, foreclosure of the mortgage, or deed (or
assignment) in lieu of foreclosure shall take such property free of any claims for unpaid assessments or charges in favor of
the Association against the mortgaged Unit which accrue prior to the time such holder comes into possession of the Unit
(except for claims for a pro-rata share of such assessments and charges resulting from a pro-rata reallocation of such
assessments or charges to all Units including the mortgaged Unit).

(b) Upon request in writing, each first mortgagee of a Unit shall have the right:

(i) to examine the books and records of the Association during normal business hours;

(ii) to receive an annual financial statement from the Association within ninety (90) days
following the end of each of its respective fiscal years;

(iii) to receive notice of any and all meetings of the Association, and to designate a
representative to attend all such meetings; and

(iv) to receive notice of any decision by Unit Owners to make material amendment to this
Declaration, the By-Laws restated herein, or the Articles of Incorporation of the Association.

(c) No provision of this Declaration or Articles of Incorporation of the Association or any similar
instrument pertaining to the Property or Units therein shall be deemed to give a Unit Owner or any other party priority
over the rights of the first mortgagees of Units, pursuant to their mortgages, in the case of a distribution to Unit Owners of
insurance proceeds or condemnation awards for losses to or taking of a Unit and/or the common elements, or any portion
thereof or interest therein. In such event, the holder of any mortgage on a Unit shall be entitled to timely written notice of
such loss.

(d) There shall be included in each annual assessment levied by the Association (but not as a special
assessment) amounts sufficient to establish an adequate reserve fund for the replacement of the Common Areas.
(a) Unless at least eighty-five (85%) percent of the first mortgages of each of the individual Units and eighty-five (85%) percent of the Unit Owners of each individual Unit have given their prior approval, the Association shall not be entitled to:

(i) by act or omission seek to abandon or terminate the condominium regime, except for abandonment provided by the Act in case of substantial loss to the Unit and/or Common Areas;

(ii) change the pro-rata interest or obligations of any Unit Owner (1) for purposes of incurring assessments or charges or allotting distributions of hazard insurance proceeds or condemnation awards; and (2) for determining the pro-rata share of ownership of each of the Unit Owners in the Common Areas;

(iii) partition or subdivide any Unit;

(iv) by act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Common Areas. The granting of easements for public utilities or other public purposes consistent with the intended use of the Common Areas shall not be deemed a transfer within the meaning of this clause; and

(v) invest insurance proceeds received for losses to any Property (whether in Units or Common Areas) for other than the repair, replacement, or construction of such improvements, except as provided by statute in the case of substantial loss to the Unit and/or the Common Areas of the Property.

(b) Upon specific written request to the Association, each first mortgagee of a Unit shall be furnished notice in writing by the Association of any damage to, destruction or taking of the Common Areas if such damage or destruction or taking exceeds Ten Thousand Dollars ($10,000.00) in value; or if damage shall occur to a Unit in excess of Five Thousand Dollars ($5,000.00) in value, notice of such event shall also be given.

(c) If any portion of the Property is made the subject matter of any condemnation or eminent domain proceeding or is otherwise to be acquired by a condemning authority, then such affected first mortgagee will be entitled to timely written notice thereof, and no provision of any document will entitle the owner of a Unit or other party in privity over such mortgagee with respect to distribution of the proceeds of any award or settlement.

ARTICLE XI
GENERAL PROVISIONS

11.01 Certain Rights of the Trustees. Until the time established by this Declaration for the election of the initial Board by the Unit Owners, the rights, titles, powers, privileges, duties and obligations vested in or imposed upon the Board in the Act and in this Declaration shall be held and performed by the Interim Board as hereinafter provided. If the initial Board is not elected by the Unit Owners as the time established by the Declaration, the Interim Board shall continue in office for a period of thirty (30) days after written notice is sent to all of the Unit Owners entitled to vote at such election. In exercising such rights, and the other rights reserved by the Declaration pursuant to this Declaration, the Trustees (or their designees on the Board) shall not be under any disability which would otherwise be imposed by law by reason of the Trustees's interest in the subject matter of any transaction, provided, however, that any such transaction shall have been entered into in good faith.

11.02 Notice to Mortgagees. Upon written request to the Board, the holder of any duly executed and recorded mortgage against any Unit Ownership shall be given a copy of any and all notices permitted or required by this Declaration to be given to the Unit Owner whose Unit Ownership is subject to such mortgage.
11.03 Manner of Giving Notices. Notices provided for in this Declaration and as shall be in writing and shall be addressed to the Board or Association, or any Unit Owner, as the case may be, at the Unit address of any member of the Board or any Unit Owner, or at such other address as herein provided. Any Unit Owner may designate a different address for notices by giving written notice to the Board or Association. Notices addressed as above shall be deemed delivered when mailed by United States Certified mail or when delivered in person with written acknowledgments of the receipt thereof or, if addressed to a Unit Owner, when deposited in the mailbox in the building or at the door of the Unit in the Building.

11.04 Notices to Heirs or Personal Representatives. Notices required to be given to any devisee, heir or personal representative of a deceased Unit Owner may be delivered either personally or by mail to such party at his or its address appearing in the records of the Court wherein the estate of such deceased Unit Owner is administered. If no estate has been opened with notice to the Board, notices may continue to be sent to the address of the deceased Unit Owner.

11.05 Conveyance and Leases. Each grantee of the Declaration and each subsequent grantee, by the acceptance of a deed of conveyance, and each purchaser under a purchase contract hereafter and each tenant of a Unit, accepts such property interest subject to all restrictions, covenants, reservations, and charges, and the jurisdiction, rights and powers reserved or reserved by the Declaration and all rights, benefits and privileges of every character herein granted, created, reserved or declared. All covenants and obligations hereby imposed shall be deemed and taken to be covenants running with the land and shall bind any person having any interest or estate in the Property, and shall inure to the benefit of any Unit Owners in like manner as though the provisions of the Declaration were recited and stipulated at length in each and every deed of conveyance.

11.06 No Waiver. No covenants, restrictions, conditions, obligations or provisions contained in this Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches that may occur.

11.07 Change, Modification or Rescission. No provision of this Declaration affecting the rights, privileges and duties of the Declarant may be modified without its written consent. The provisions of Section 9.03, Article X and the following provisions of Section 11.07 of this Declaration may only be changed, modified or rescinded by an instrument in writing setting forth such change, modification or rescission, signed and acknowledged by the Board, and by all of the Unit Owners and all mortgagees having bona fide liens of record against any of the Unit Owners. Other provisions of this Declaration may be changed, modified or rescinded by an instrument in writing for such change, modification, or rescission, signed and acknowledged by the Board and approved by Unit Owners having at least seventy-five (75%) percent of the total vote at a meeting called for that purpose provided, however, that all holders of the first mortgage of record have been notified by certified mail of any change, modification, or rescission, and an affidavit by the Secretary of the Association certifying to such mailing is made a part of such instrument; and provided further that any provisions herein which specifically grant rights to holders of first mortgage of record may be amended only with the written consent of all such holders.
holders of first mortgages. The change, modification or rescission shall be effective upon recordation of such instrument in
the office of the Recorder of Marion County, Indiana.

11.08 Partial Ineffectiveness. If any of the options, privileges, covenants or rights created by this Declaration would
otherwise be unlawful and void for violation of:

(a) the rule against perpetuity or some analogous statutory provision;
(b) the rule requiring restraint on alienation; or
(c) any other statutory or common law rules imposing time limits, then such provisions shall continue
only until twenty-one (21) years after the death of the survivor of the now living, lawful descendants of Ray Silby,
an agent of the Developer.

11.09 Liberal Construction. The provisions of this Declaration shall be liberally construed to effectuate its
purpose of creating a uniform plan for the operation of a first-class condominium development.

11.10 Floor Plans. The plans setting forth the layout, location, identification numbers and dimensions of the
Units and the Property are incorporated in this Declaration by reference, and have been filed in the Office of the Recorder
of Marion County, Indiana, in Horizontal Property Plan File 1993, as of

October 25 1993, as Instrument Number 0157490.

11.11 Special Amendments. The Declaration reserves the right and power to record a special amendment ("Special
Amendment") to this Declaration at any time and from time to time which amends this Declaration (i) to comply with
requirements of the Federal National Mortgage Association, the Government National Mortgage Association, the Federal
Home Loan Mortgage Association, the Department of Housing and Urban Development, the Federal Housing Administration,
the Veterans Administration, or any other governmental agency or any other public, quasi-public or private entity which
performs (or may in the future perform) functions similar to those currently performed by such entities, (ii) to induce any
of such agencies or entities to make, purchase, sell, issue, or guarantee first mortgages covering Unit Ownership, (iii) to
bring this Declaration into compliance with the Act, or (iv) to correct clerical or typographical errors in this Declaration or
in any Exhibit hereof or any supplement or amendment thereto. In furtherance of the foregoing, a power coupled with an
interest is hereby reserved and granted to the Declarant to vote, in favor of, make, or consent to a Special Amendment on
behalf of each Owner as proxy or attorney-in-fact, as the case may be. Each deed, mortgage, trust deed, or other evidence
of obligation, or other instrument affecting a Unit and the acceptance thereof shall be deemed to be a grant and
acknowledgment of, and a consent to reservation of, the power of the Declarant to vote in favor, make, consent, and record
Special Amendments. The right of the Declarant to set pursuant to rights reserved or granted under this Section shall
terminate at such time as the Declarant no longer holds or controls title to any Unit.
IN WITNESS WHEREOF, The Massachusetts Apartment Company, an Indiana Limited Partnership, and The Massachusetts Homeowner's Association, Inc., an Indiana Corporation, have caused this Declaration to be executed the day and year first above written.
