Covenants for Assessments

Section 1. Creation of Lien and Personal Obligation of Assessments. The owner of each parcel, thereby being a member of the corporation, hereby covenants, and every purchaser and subsequent successor in interest to the title of any parcel by the acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the corporation: (a) regular maintenance assessments; (b) special assessments for maintenance or repairs; and, (c) capital improvement assessments. All such assessments are to be fixed, established and collected from time to time as hereinafter provided. All assessments or charges, together with interest thereon, and costs of collection thereof, as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which assessment is made. Each such assessment, together with interest thereon and costs of collection thereof, as hereinafter provided, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due.

Section 2. Purpose of Assessments. The assessments levied by the corporation shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents of the properties and, in particular, for the improvement and maintenance of properties, services and facilities devoted to this purpose and related to the use and enjoyment of the common properties situated upon the properties, including, but not limited to, the payment of taxes and insurance thereon and repair, replacement and additions thereto and the costs of labor, equipment and materials, management and supervision thereof. Assessments may also be provided for the purpose of providing such municipal services, including, but not limited to, trash and garbage pick-up, which are not provided by local and municipal authorities.

Section 3. Basis of Assessments. All assessments levied by the corporation shall be equally divided among the corporation's members. Assessments may be levied by the corporation in accordance with its articles and by-laws and shall be made upon vote of a simple majority of each class of memberships at the annual meeting of the corporation, or, at a special meeting, called in accordance with the corporation's articles and by-laws.

Section 4. Quorum for Any Action Authorized Under This Article. The quorum for any action required with regard to levying of assessments shall be the presence at the meeting of a majority of persons or entities qualified to vote as members represented in person or by appropriate proxy.
Section 5. Notices. A written or printed notice stating the place, date and hour of the meeting at which any assessment matter is to be discussed, be it an annual meeting or special meeting, shall be delivered or mailed by the secretary or the officer or person calling the meeting to each member of record entitled to vote at such meeting by the articles of incorporation at the address which appears on the records of the corporation at least ten (10) days before the date of meeting. Notice of any meeting of members may be waived in writing and filed with the secretary or by attendance in person.

Section 6. Voting. Except as otherwise provided in the articles of incorporation, every member shall have the right at every meeting to one (1) vote for each membership standing in his name on the books of the corporation. In all elections of directors, every member shall have the right to multiply the number of votes he is entitled to have by the number of directors to be elected and the product shall represent the number of votes he may cast at the election. He may cast all his votes represented by such product for one (1) candidate or distribute them among any two (2) or more candidates. A member may vote in person, by proxy executed in writing or in any other manner the by-laws provide. No proxy shall be valid after eleven (11) months from the date of its execution unless a longer time is expressly provided in the proxy.

Section 7. Due Dates for Payments of Assessments. Payments of any assessments levied under this Article shall be due after appropriate notice to the members as fixed in the resolution authorizing such assessment. Written notice of every assessment shall be sent or delivered to every owner subject thereto. The corporation shall, upon demand, at any time furnish to any owner liable for said assessments a certificate in writing signed by an officer of the corporation setting forth whether said assessment have been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 8. Duties of Board of Directors. The management, affairs and policies of the corporation shall be vested in the board of directors, each of whom must be a member of the corporation in good standing. The number of directors shall be three (3) unless otherwise provided in the by-laws of the corporation. The board of directors of the corporation shall prepare a roster of the properties and assessments applicable thereto at least thirty (30) days in advance of such assessment due date. Such assessment roster shall be kept by the secretary of the corporation and shall be open to inspection by any owner. The board of directors shall have such other duties as provided for in the articles of incorporation and by-laws of the corporation.

Section 9. Affect of Non-Payment of Assessments; the Personal Obligation of the Owner; the Lien; Remedies of the Corporation. If the assessment are not paid on the date when due, then such assessments shall become delinquent and shall, together with such interest thereon and reasonable costs of collection thereof as hereinafter, become a lien as of the time notice of same is recorded by an officer, agent or attorney of the corporation in the Office of the Recorder of Marion County, Indiana, which lien shall be extinguished if released of record or expire if a suit to foreclose the lien is not commenced within one (1) year of the date of the foregoing notice is recorded. Said lien shall bind such property in the hands of the then owner, his heirs, devisees, successors and assigns. The personal obligation of the then owner to pay such assessment, however, shall remain his personal obligation for the statutory period. If the assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the date of the delinquency at the rate of eight percent (8%) per annum, and, the corporation
may bring an action at law against the owner personally obligated to pay same, or, to foreclose the lien against the property and there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action and, in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and reasonable attorney's fees to be fixed by the court, together with costs of the action. Any lien so filed shall likewise include a reasonable attorney's fee as same is determined by the board of directors and, in no event, however, shall such a fee be greater than the amount actually paid by the corporation.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the property subject to assessment; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to the sale of such property pursuant to a decree of foreclosure of any such mortgage. Such sale shall not relieve the property from liability for any assessment thereafter becoming due nor from the lien of any such subsequent assessment.

Section 11. Junior Lien Provision. If any premises subject to the lien hereof shall become subject to the lien of a mortgage; (a) the foreclosure of the lien hereof shall not operate to affect or impair the lien of the mortgage; and (b) the foreclosure of the lien of the mortgage or the acceptance of a deed in lieu of foreclosure by the mortgagor shall not operate to affect or impair the lien hereof, except, the lien hereof for said charges as shall have accrued up and to the foreclosure or the acceptance of the deed in lieu of foreclosure shall be subordinate to the lien of the mortgage with the foreclosure purchaser or deed in lieu of grantee taking title free of the lien hereof for all charges which have accrued up to the time of the foreclosure or a deed given in lieu of foreclosure but subject to the lien hereof for all said charges that shall accrue subsequent to the foreclosure or deed given in lieu of foreclosure.

Section 12. Exempt Property. The following property subject to this Declaration shall be exempted from the assessments, charge and lien created herein: (a) all common properties, as they are defined by conveyance to the corporation; (b) all properties exempted from taxation by the laws of the State of Indiana upon the terms and to the extent of such legal exemption.
