Subdivision Covenants and Restrictions

The information is provided as a public service only. The information on this site is general in nature, unofficial and is not a valid reference for any legal purposes. The user agrees to hold harmless, protect, indemnify, and forever release First American Title Insurance Company and its officers, directors, agents, and employees, from and against any and all liabilities, losses, damage, expenses and charges, including but not limited to attorneys' fees and expenses of litigation, which may be sustained or incurred by the user under, or arising directly or indirectly out of the use of the information contained in this site.
COVENANTS

FOR

OAK BEND ESTATES SEC. 5

HENDRICKS COUNTY
subdivision contains 2,449 linear feet of storm sewers, 5,035 linear feet of subsurface drains, 4,070 linear feet of swales, and 656 linear feet of culverts.

The restrictive covenants and requirements given herein, together with those entered for record in Miscellaneous Records page 35, in the office of the Recorder of the aforesaid county, shall operate and be in force for 30 years. The plat hereof shall be known and designated as Oak Bend Estates, Section 5, A Subdivision of the South Half of the Northeast Quarter of the Southwest Quarter of Section 34, Township 10 North, Range 1 East, Hendricks County, Indiana.

RESTRICTIVE COVENANTS

PHW Development Corporation does, by this indenture, and by those restrictive covenants and requirements entered for record in Miscellaneous Record page 35, in said Recorder's office, restrict and covenant the lots and other areas within the boundary of Oak Bend Estates, Section 5, to itself and its grantees, assigns, successors, legal representatives, and to any person, persons, corporations, banks, and associations and/or anyone who may acquire title to any of said lots or other areas, as to the following terms, stipulations, conditions, restrictions, and covenants which shall apply in their entirety to all of said subdivision:

1. DEFINITIONS. "Committee" shall mean the Architectural and Environmental Control Committee composed of the officers and directors of PHW Development Corporation or their duly authorized representatives, all of whom shall serve without compensation for services performed as committee members. In the event PHW Development Corporation is dissolved, the then existing committee shall take said position on the committee. Upon the death or resignation of any member of said committee, the remaining member or members shall have full authority to perform the duties of the committee, or to designate a representative with like authority, who must be an owner.

"Owner" shall mean the person or collection of persons who has or have acquired or is acquiring any right, title, or interest, legal or equitable, in and to a lot in this subdivision, but excluding those persons having such interest merely as security for the performance of an obligation.

2. LAND USE. All lots are restricted to residential use. See Section numbered 21 below. The subdivision of a lot shall not be required to sell and shall create two building sites on any adjoining lots, which building lots comply with Hendricks County's zoning and subdivision control ordinances and with these covenants. Where a lot is subdivided, or where an owner acquires adjoining lots for the purpose of "building one dwelling across the common lot line, the side lot line set back restrictions specified in Section numbered 5 below shall not apply to said common lot line. Construction of buildings across drainage easements and utility easements that coincide with lot lines is prohibited.

3. DWELLING SIZE. No dwelling shall be erected, altered, placed, or permitted to remain on any lot other than one single-family residence three stories or less in height. Dwellings on all lots shall have, at a minimum, attached two-car garages. The ground floor area of the main structure of any one-story dwelling, excluding garages and one-story porches, shall be not less than 2,000 square feet. The ground floor area of the main structure of any two-story dwelling, excluding garages and one-story porches, shall be not less than 1,100 square feet, with no less than a total of 2,000 square feet of finished floor space in such two-story structure.

4. UTILITY BUILDING AND/OR BARN. A utility building, barn, or other accessory building will not be allowed on any lot, except one garage type structure and/or one in-ground pool accessory building/bath house. Said accessory building/bath house must be erected as a part of and in conjunction with a privacy fence surrounding an in-ground pool as provided for in Section numbered 25 below. Before commencement of its construction, any building allowed by this Section numbered 4 must be approved as to location and design by the committee as described in Section numbered 7 below.

5. BUILDING SETBACK DISTANCES. Between the front lot lines and the building lines shown on this plat, no buildings shall be erected, placed, altered, or permitted to remain, nor shall any building be erected on the lot to which these restrictions apply. To any side line of a lot or side line, and the total of both side setbacks shall be not less than 20 percent of the lot width, as measured at the building line. Architectural appurtenances projecting not more than 24 inches, stairways projecting not more than 4 feet, unenclosed and unenclosed porch slots on the front sides of buildings, steps, and walks are exceptions to these setback requirements.

6. OCCUPANCY OF STRUCTURES. No dwelling shall be occupied or used for residential purposes or human habitation until it has been fully completed upon the outside and substantially completed on the inside and a Certificate of Occupancy has been issued therefor by the Hendricks County Building Commissioner. The use of any other structure or mobile home as a residence, either temporarily or permanently, is prohibited.

7. ARCH ERECTED, PLACED ANDprus ingal, have been first "quality, and to first floor eleva. such matter as be disapproval as to represent, such plans and has commerce shall be deemed

C. Richard Whicker, President

Robert E. Jenks, Secretary
7. ARCHITECTURAL DESIGN. No building, wall, fence, or other structure shall be constructed, erected, placed, or altered in this subdivision until the location plan, building plans, and specifications have been filed and approved by the committee as to harmony with the exterior design, quality, and aesthetic appearance of structures already built, and as to conformity with grading plans, first floor elevations, locations of water wells, destruction of trees and other vegetation, and any other such matter as may affect the environment or ecology of the subdivision. The committee's approval or disapproval as required in these covenants shall be in writing. If the committee, or its appointed representative, fails to approve or disapprove any plans and specifications within fifteen (15) days after such plans and specifications are submitted to it or, in any event, if no suit to enjoin the construction has commenced before the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with.

8. IMPROVEMENT LOCATION PERMIT. In addition to the approval required in Section numbered 7 above, the Hendricks County Building Commissioner must issue an Improvement Location Permit before any lot, site, or land may be altered, changed, placed, erected, or located in this subdivision. The Hendricks County Plan Commission has approved the soil and water conservation plan (erosion control plan) and a development plan showing house locations and first floor elevations, with slopes for positive surface drainage therefrom. Each owner is obligated to develop his lot in a way that assures that first floor, slopes, grades, and erosion control measures comply with said soil, water, and development plans after completion of all improvements and landscaping. See Section numbered 23 below. Said plans may be inspected in the office of said commission during regular office hours. Deviations from these plans require prior commission approval and may necessitate a site reevaluation and redesign by a Registered Professional Engineer or Registered Land Surveyor at the time of the improvement location permit and cost for a site occupancy permit, which engineer or surveyor shall certify positive surface drainage and that wastewater will gravity flow from the first floor of the dwelling to a sanitary sewer. The Table of Elevations appearing on said development plan and at the end of these covenants, shows, for each lot, first floor elevations for houses if constructed at the locations shown on said development plan. The entrance of ground water into basements shall be prevented by special design and construction.

9. WATER SUPPLY SYSTEMS AND GEOTHERMAL HEAT PUMP SYSTEMS shall comply with minimum standards set forth in an ordinance passed and adopted by the Board of Commissioners of Hendricks County, Indiana, October 7, 1985, entitled Chapter 3.1, Minimum Standards for Water Systems and Geothermal Heat Pump Systems. The public water supply system in lieu of water wells shall be used in this subdivision. The Hendricks County Plan Commission is hereby granted right of enforcement of this covenant.

10. FENCES require committee approval before erection as provided in Section numbered 7 above. No fence shall be placed on any lot or boundary thereof that will obstruct reasonable light, air, or views or the use or enjoyment thereof, nor that will hinder or damage the aesthetics of the subdivision. Fences erected in the front yards of dwellings shall be open wood fences of a decorative type not exceeding four (4) feet in height. Swimming pools shall be properly fenced to protect the safety of others as required by Section numbered 25 below. Fences in easements are erected at owners' risk as such fences may be partially or completely torn down by the pool owner and the pool owner is responsible for the fence's installation, operation, and maintenance of the facilities for which the easements have been reserved.

11. CONSTRUCTION TIME. Any dwelling, fence, water line, sewer, ditch, or any structure excepted and approved and under construction, must be completed one (1) year from the date construction starts. For sidewalk construction time, see Section numbered 31 below.

12. STORAGE TANKS. Oil or gas storage tanks shall be buried or located in a dwelling or garage.

13. SIGNS. The only signs that may be erected by lot owners in this subdivision are: Those required by law, a single sign placed by a builder or financial institution to advertise a property during the construction and sales period, a single yard sale or garage sale sign placed by the owner no more often than once each year, a single sign placed by an owner to advertise the property for sale or rent or to prohibit hunting or trapping. No sign shall exceed nine (9) square feet in size.

14. HUNTING AND TRAPPING are prohibited in this subdivision.

15. DISTANCES. At driveways no one may place, construct, plant, maintain, allow, or suffer any improvements, landscaping, or other obstructions to vision (excepting mailboxes) between 2 and 8 feet above the finished grade with the purpose that at least 150 feet of sight distance will be provided in all directions along streets from points in the driveways 25 feet from the street curb. Where the committee determines that the driveway is impractical or unreasonable, it may allow an alternative that offers the least hazard and interference with traffic.

16. ANIMALS. No one shall keep or maintain animals or poultry in this subdivision except household pets such as cats and dogs, but no pet shall be kept, bred, or maintained for commercial
purposes. Household pets kept shall be confined by fence or leash and kept quiet so as not to disturb the peace and tranquility of the neighborhood. Should an animal be walked by leash, any debris or animal waste resulting therefrom shall be cleaned up, removed, and disposed of by the owner of said animal.

17. VEHICLE PARKING. No trucks larger than pickup trucks, disabled vehicles, unused vehicles, campers, trailers, recreational vehicles, boats, motorcycles, or other vehicles shall be parked on any road, street, service drive, or lot in this subdivision unless parked in a way such a way as to be visible to the occupants of the other lots in the subdivision. No vehicle of any kind shall park on any road in this subdivision except for a reasonable length of time. The committee shall determine what constitutes a reasonable screening and reasonable length of time.

18. LANDSCAPING. The lot owner shall landscape the lot within sixty (60) days following completion of a house thereon, weather permitting. Landscaping required for sidewalks construction shall be in accordance with Section numbered 31 below.

19. MAINTENANCE OF LOTS AND IMPROVEMENTS. Each lot owner shall maintain his lot and any improvements therein to prevent the same from becoming unsightly by removing all debris, rubbish, dead trees, and other materials or conditions that reasonably tend to detract from or diminish the aesthetic appearance of the subdivision, and by keeping the exterior of all improvements in a good state of repair. Garbage, trash, and other wastes shall be kept in odors and sanitary containers which shall be emptied weekly by a refuse collection service. At least twice during each of the months of April through September, lot owners or their designated representatives shall mow their lots, whether or not improved.

20. NUISANCES. No one shall carry out, or allow to be carried out, any obnoxious or offensive activity on any lot, nor shall anything be done or allowed to be done thereon which may become or be an annoyance or nuisance to the neighborhood.

21. BUSINESS. No mercantile building shall exist, nor shall any manufacturing, wholesaling, or retailing business operate in this subdivision.

22. DEDICATED EASEMENTS. Each owner of a lot in this subdivision will take his title subject to the rights of utility companies, the Hendricks County Drainage Board, the Commissioners of Hendricks County, the committee, and the other lot owners in those certain strips or areas of ground designated "utility easements," "drainage easements," and "retention pond easements" that are reserved hereinafter. No permanent or other structures may occupy said easements excepting fences and the facilities for which the easements are reserved. Fences erected on easements may be removed by easement holders if necessary to the proper operation and maintenance of the facilities for which the easements are reserved. No facility shall occupy any easement in a position that will obstruct a property line or corner.

23. LOT GRADING. Lots shall be graded so as not to restrict the surface water runoff or cause ponding or stoppage of said runoff over any lot in this subdivision. See Section numbered 8 above.

24. DRIVEWAYS. Residential driveways shall be constructed of portland cement concrete, asphalt, or other hard-surface material which may be approved by the committee. Pavement shall be a minimum of four (4) inches thick excluding subsurface material.

25. SWIMMING POOLS. No swimming pools, where the water level is either partially or completely above ground level, shall be permitted. Any in-ground swimming pool shall be properly fenced to protect the safety of others. Before erection, such fence shall receive committee approval as required by Section numbered 19 above.

26. CRAWL SPACE, BASEMENT, AND FOUNDATION DRAINS. No crawl spaces, basements, caves, trenches, sumps, or foundation drains shall be constructed to discharge water onto a street. Crawl space drains, foundation drains, and basement drains intersecting and served only excess ground water may connect to lateral already in place for that purpose. Said laterals connect with 6" diameter subsurface drains that parallel street curbs. However, no foundation perimeter drain shall discharge at an elevation below 849.5 feet (National Geodetic Vertical Datum of 1929). Where any lateral is higher than said 849.5 feet, the connection to the drain shall not occur but, instead, an alternate discharge location must be selected. Should any said laterals and/or subsurface drains become blocked, partially blocked, or damaged, resulting damage to another lot owner and/or to the drainage system of any street, the owner causing said blockage and/or damage shall be liable for all damages to the injured party or parties, the developer, or Hendricks County, and shall hold all contractors, engineers, developers, other lot owners, and said county harmless from liability therefor.

27. BASEMENTS are allowed in this subdivision but pump ejection systems for withdrawing wastewater from basement facilities, as well as other pumps for foundation drains, may be required.
states, section 5

28. PROScribed AND OTHER IMPROVEMENTS. No improvements of any kind shall be permitted in a dedicated street right of way except erosion control, driveway entrances, sidewalks, landscaping, and mailboxes. The minimum allowable distance between a street boundary and a signal receiver or other similar device, is seventy (70) feet. No antenna on any lot shall exceed ten (10) feet above the roof peak of the house on said lot.

29. Sanitary sewer connection. Every pipe connecting a dwelling and a public sanitary sewer shall conform to check valve to prevent backflow.

30. UTILITIES CONNECTION Inspection. All materials and workmanship in the installation of connections between dwellings and utility facilities shall be subject to access and inspection by the utility companies having jurisdiction, or by their duly authorized representatives or successors, who shall have the right to require correction of any defects discovered.

31. SIDEWALKS. Each initial lot owner taking his title from the developer, by acceptance of a deed for said lot, even if not expressed in said deed, is deemed to have consented and agree to build and maintain in good condition sidewalks on both sides of all streets upon which his lot abuts. Said sidewalks shall conform with the lines and grades as established by the committee. Said owner shall be responsible for slope modifications, erosion control, and decorative landscaping as required by the committee for all sidewalk construction. Said sidewalks shall conform with the development plans for the subdivision on file in the office of the Hendricks County Plan Commission and shall be placed on a 4-inch aggregate subbase. Sidewalks shall be constructed within two years (60) days after completion of the dwelling on the lot, weather permitting, or within two (2) years of the date of said deed if no dwelling is constructed or before the conveyance of title to another party, whichever first occurs.

32. STAKING. P1W Development Corporation will set lot corner stakes one time. Wherever possible to be driven, corner stakes will consist of 3/4-inch metal pipes about 30 inches long set so as to leave about one or more inches of pipe protruding above ground unless a different monument appears on the plan. Said stakes will not only furnish a means for determining lot boundaries, but may aid in the location and orientation of improvements to be constructed on the lots. Lot owners shall have charge and care of stakes marking their respective lots and shall be responsible for their preservation. Lot owners may hire said corporation to replace stakes damaged or destroyed from any cause, or may engage any registered land surveyor to perform that work. Since such restoration will be at the lot owner's expense, said owners should become familiar with stake locations and do all things necessary to maintain and protect them. Latinos, with or without flagging, driven beside metal pipe stakes do not constitute corner stakes but serve only to signalize and identify corner stakes.

Acidental displacement of stakes and backs during the construction of public and private improvements, and intentional displacement due to vandalism, may cause conflicts between plot locations and staked locations of lot corners and lines. Neither the P1W Development Corporation nor its engineers or surveyors make any express or implied warranty with regard to the correctness of disturbed stakes. Therefore, lot owners and their independent contractors, including their engineers and surveyors, together with utility companies who may install facilities and equipment, are to recognize and set not only by the actual notice on the ground to which they are exposed, but also by the correspondence notice afforded by the recorded plat of the subdivision. Before starting any excavation, building, or other improvement, they shall be responsible for comparing all linear and angular measurements between corner stakes found at the site with those shown on said recorded plat. They shall correct at once any discrepancies discovered in the stakes.

33. MUD CONTROL. Prior to, during, or after construction of any improvements on any lot, the owner of said lot or his agents shall construct a driveway or similar gravel or other improved surface on said lot for the delivery of supplies that will discourage or hinder the tracking of mud or other debris from the lot upon public streets. To further prevent vehicles from disturbing mud or other debris on the public streets or any area of Oak Bend Estates, said owner or his agent shall line the side of any curb adjoining that lot with bales of straw, appropriate fencing, or erect any other barrier to black vehicles leaving the lot excepting at the driveway or other appropriate adventurated area. Should mud or other debris be distributed on any public street or other area of Oak Bend Estates as a result of any activity on any lot, the owner of that lot shall be responsible for the removal of that mud or other material on the date of its placement. The committee may enforce this provision by any mechanism or procedure described in Section 34 below. After completion of the subdivision, P1W Development Corporation, its agents, engineers, contractors, and Hendricks County, Indiana, harmless from any liability that might result from violation of or failure to conform with this or any other section of these restrictive covenants.

34. ENFORCEMENT. If the parties hereto, or any of them, their heirs or assigns, shall violate or attempt to violate any of the covenants herein, it shall be lawful for any person or persons owning any lot or lots in this subdivision to prosecute by any proceeding at law or equity the person or persons violating or attempting to violate any such covenant, and either prevent him or her from continuing the violation of any covenant, or recover damages for such violation. A violation of any restriction herein will not result in revocation or forfeiture of title. If any owner of a lot in this subdivision shall fail to maintain his lot

Given under my hand and seal this 27th day of September 1990.

[Address]
AND/or any improvements situated thereon, or to keep sight distances clear, or to construct or maintain sidewalks in accordance with these restrictive covenants, the commissioners have the right, but not the obligation, by and through the agent and employees or contractors, to enter upon the property, the improvements, or any other land or buildings on the property, for the purpose of making repairs, now, or to perform any or all of such other acts as may reasonably necessary to make said lot, and/or any improvements situated thereon, or any other land or buildings on the property, safe and suitable, and in compliance with the requirements of these restrictions. The committee shall collect its cost thereof in any reasonable manner from the owner or occupant of the property. No member of the committee nor any of its agents, employees, or contractors shall be liable for any damage that may result from any maintenance or other improvement performed hereunder. Any fine so assessed against any lot, together with interest and other charges imposed under this covenant, shall remain a lien upon that lot subordinate only to the lien of a first mortgage until paid in full, and shall be added to the annual obligation of the owner of that lot. Such charge shall bear interest at the rate of 18% per annum until paid in full. It is in the opinion of the committee, such charge has remained due and payable for an unreasonable long period of time, the committee, and its agent and employees, shall have the right to institute such procedures, either at law or in equity, by foreclosure or otherwise, to collect the amount owing in any court of competent jurisdiction. The owner of the lot is instructed, be obligated to pay any expenses or costs, including attorney's fees, incurred by the committee in collecting the same. Every owner of a lot in this subdivision, and any person who may acquire any interest in such lot, whether as an owner or otherwise, is hereby notified, and by acquisition of such interest agrees, that any such lien which may exist upon said lot at the time of acquisition of such interest are valid liens and shall be paid. Every person who shall become an owner of a lot in this subdivision is hereby notified that by the act of acquiring, making such purchase, or acquiring such title, such person shall be conclusively held to have covenant to pay the committee all fines that shall be made pursuant to this paragraph.

35. RETENTION PONDS. Since the retention ponds constructed on Lots 146, 147, 148, 149, and 150 and on Lots 165, 166, 167, 168, and 170, which are shown on the annexed plat, may not be maintained by Hendricks County or any other public agency or the said covenant shall be enforced by the following procedures: (a) The owner of any of such lot, by the execution of a contract for the purchase thereof, whether from the PHW Development Corporation or from any successor or assigns, said contract shall be conclusively deemed to have accepted such deed or executed such contract subject to the following conditions: (b) Retention ponds shown on the plat and referred to herein are designed in the areas within the tops of the side slope of said ponds and are facilities for detaining storm water or for recreational use and enjoyment of the owners of the fee title or other interest having possession of the land. (c) The owners shall take title subject to the rights of the Hendricks County Drainage Board in any easement shown on said lot and subject to a nonexclusive easement in favor of the other owners upon whose lots the pond is constructed and so defined that the said structure shall be installed in any pond or its inlet or outlet facilities that will not interfere with the use or enjoyment of the property. (d) The ponds will be maintained personally in a safe, sanitary, and attractive condition by the owners as specified herein: (1) Maintenance includes, without the expense of all material, labor, equipment, and machinery required for cleaning out pond growth, seeding banks to prevent erosion, as well as the slope and landscaping together with the costs to remove debris from inlet and outlet structures. (e) In the determination of the cost of the maintenance each owner must contribute, each lot will be assessed to have but one (1) owner having an undivided one (1/12) interest in the easement in the pond area, even if title to a lot is shared by two or more grantees as tenants by the entirety, joint tenants, tenants in common, or otherwise. (f) Every grantees under one ownership shall be jointly and severally liable for the ownership's proportionate share of the maintenance costs and expenses. (g) No owner may separate his/her interest in the pond from the other owners' interests in the pond; maintenance is required on the pond. (h) The notice shall specify and describe the maintenance needed to be done, and name any contractors solicited (or propose a means for performing the work without a contractor). (i) Usually the notified owners object in writing within thirty (30) days after receipt of said notice, the notifying owner may proceed with the one-sided maintenance. (j) If any notified owner objects in writing to the proposed maintenance, the notifying owner may bring an action at law or for specific performance, judgment and execution to be determined reasonable attorneys' fees and costs of such action may be recoverable from the notifying owner. Maintenance may be made without the approval of the notifying owner. The costs of removing any and all damages to any pond caused by the use, abuse, or misuse in the construction of a house or other improvements on a lot, or caused by the owner's use of a pond, shall not be divided among the owners of the lots but shall be paid for solely by the owner whose house or other improvements are being constructed by the party responsible for such damages arising out of the exercise of rights reserved for the lot owners. (k) After completing the work described in (i), (m), or (n) above, the owner who did the work, or who had it done, may serve notice by certified or registered mail to the other owners that satisfactory repairs have been made, and that the total cost thereof has been paid or verified by a copy of a paid receipt attached to said notice, together with any reasonable itemized bill for the total amount of the work, certified by the notifying owner, including labor, material, and equipment. (p) The notified owners shall, within thirty (30) days after receipt of said notice, reimburse the owner the receipt and: to remedy said days after it became a co his heirs, due to pay such in the event then interest and the owner obligated to interest or the lien of the deed or hereafter apply only to a decree to a decree or decision in subsequent Corporation, all liabliity as acts of the owners, assigns, or transfer, the purpose of the water.

36. 71 persons claim recorded in the year periods, agreeing to c 37. 56 of the other.

STATE OF O COUNTY O

Before appeared Pa above-describe voluntary act

My Commission

Pursuant to IC 36-7-4-700 et seq, and all amendments thereof, the undersigned do hereby certify that the public notice of the hearing by the board of county commissioners on the herein named owner's application for approval of this plat duly complied with IC 36-7-4-706 and all amendments thereof, and that said plat was approved and in said hearing with a majority of the members of said Commission concurring in said approval.

Given under our hands and Seal this day of July, 1990.

Richard Whicker, President
Robert E. Jarrell, Secretary
the owner who did the work or had it done, in an amount equal to one fifth (1/5) of the sum of said receipt and said itemized bill, if any, or in an amount equal to 100 percent where work was performed to remedy damages described in (a) above. (c) If a noticed owner fails to pay his share within thirty (30) days after receipt of such notice, then said costs, and the expenses of collection thereof, shall thereafter become a continuing lien on that owner’s lot which shall bind such lot in the hands of the then owner, his heirs, devisees, personal representatives, and assigns. (d) The personal obligation of the then owner to pay such expense, however, shall remain his personal obligation and shall not pass to his successors in title unless expressly assumed by them. (e) If the expense is not paid within thirty (30) day period, then interest at the rate of eighteen (18%) percent per annum may be added to the disbursement balance and the owner who had the maintenance done may bring an action at law against the owner personally obligated to pay the same or to foreclose the lien against the lot and in that event, judgment shall include interest on the total amount as above provided, reasonable attorneys’ fees, and costs of the action. (f) The lien of the expense provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the lot subject to such expense; provided, however, that such subordination shall apply only to the expenses that become due and payable prior to a sale or transfer of such lot pursuant to a decree of foreclosure, or any other proceeding in lieu of foreclosure. (g) Such sale or transfer shall not relieve such lot from liability for any expense thereafter becoming due, nor from the lien or any such subsequent expense. (h) Each owner shall save the other owner, and the PHW Development Corporation, its employees, agents, contractors, engineers, successors, and assigns, harmless from any and all liability and claims for damages due to death or injury to persons or damage to property resulting from acts of the owner, his contractors, and agents. (w) PHW Development Corporation, its successors and assigns, reserve the right to go upon the drainage easements and pond easements, as herein dedicated, for the purpose of removing water from said ponds so long as the same does not substantially lower the level of the water in those ponds or cause substantial damage to those lots owners herein designated.

36. TERM. These covenants will run with the land and shall be binding on all parties, and all persons claiming under them, for a period of twenty-five (25) years from the date these covenants are recorded, after which twenty-five (25) years they shall be automatically extended for successive ten (10) year periods, unless an instrument signed by a majority of the then owners of the lots has been recorded agreeing to change said covenants in whole or in part.

37. SEVERABILITY: Invalidation of any one of these covenants by court order shall not affect any of the other provisions, which shall remain in full force and effect.

The undersigned person, executing this instrument on behalf of PHW Development Corporation, represents and certifies that he is a duly elected officer of said corporation and has been fully empowered by proper resolution of the Board of Directors of said corporation to execute and deliver this dedication.

IN WITNESS WHEREOF, the said PHW Development Corporation, by Paul T. Hardin, President, as owner and proprietor of the above-described real estate, has set its hand and seal this 23rd day of December, 1990.

STATE OF INDIANA

COUNTY OF HENDRICKS

Before me, the undersigned Notary Public within and for said County and State, personally appeared Paul T. Hardin, President of PHW Development Corporation, as owner and proprietor of the above-described subdivision, and acknowledged the execution of the foregoing instrument to be his voluntary act and deed for the uses and purposes therein stated.

This instrument prepared by Stanley M. Sharlett, PE, LS.
RESTRICTIVE COVENANT MODIFICATION

OAK BEND ESTATES, SECTION 5

PHN Development Corporation does hereby respectfully change the restrictive covenants for Section 5 of Oak Bend Estates as follows:

1. That on November 14, 1990 a plat of Oak Bend Estates, Section 5 was recorded.

2. That on that plat was expressly stated certain restrictive covenants affecting all lots in Section 5 of Oak Bend Estates.

3. That Item 36 of those restrictive covenants allows for procedure to change those covenants as follows:

36. TERM. These covenants will run with the land and shall be binding on all parties, and all persons claiming under them, for a period of twenty-five (25) years from the date these covenants are recorded, after which twenty five (25) years they shall be automatically extended for successive ten (10) year periods, unless an instrument signed by a majority of the then owners of the lots has been recorded agreeing to change said covenants in whole or in part.

4. As owner of the majority of the lots in Oak Bend Estates, Section 5 and in accordance with Item 36 as described above, PHN Development Corporation does hereby change Item 36 to read as follows:

36. TERM. These covenants will run with the land and shall be binding on all parties, and all persons claiming under them, for a period of twenty-five (25) years from the date these covenants are recorded, after which twenty five (25) years they shall be automatically extended for successive ten (10) year periods, unless an instrument signed by a majority of the then owners of the lots has been recorded agreeing to change said covenants in whole or in part. Additionally, said covenants cannot be changed without the express written consent of PHN Development Corporation so long as PHN Development Corporation has any ownership interest in any one or more lots in Section 5, Oak Bend Estates.

IN WITNESS WHEREOF, the undersigned as owner of a majority of the lots in Section 5, Oak Bend Estates have executed this Restrictive Covenant Modification on this 23rd day of October, 1991.

PHN DEVELOPMENT CORPORATION
