Written notice of the Annual Assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

Section 7. Effect of Nonpayment of Assessment. Remedies of the association. Any annual assessment not paid within thirty (30) days after the due date shall bear interest from the due date as provided in Section 1 of this Article IV. The Association may bring an action at law against the Owner personally obligated to pay the same; may foreclose the lien against the property in accordance with the provisions of Section 1 of this Article IV; or may do both. No owner may waive or otherwise escape personal liability for the assessments provided for in this Article IV by non-use of the Common Area or the Club facilities or by abandonment of his Lot.

Section 8. Subordination of the Lien to Mortgages. The lien of any assessments provided for in this Article IV shall be subordinate to the lien of any first mortgage. The sale or transfer of any lot shall not affect such assessment lien. However, the sale or transfer of any Lot pursuant to a judgment and court order on a foreclosure of any first mortgage, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No such sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE V
ARCHITECTURAL CONTROL

No building, improvement, construction, excavation, landscaping, fence, wall, swimming pool or spa or other structure shall be commenced, erected or maintained upon any Lot, nor shall any exterior addition to or change or alteration therein be made until two sets of plans and specifications (one set will be returned) showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing by the Architectural Control Committee in accordance with the On The Fairways Design Standards. by reason of any mistake in Judgment, negligence, or nonfeasance arising out of or relating to the
approval or disapproval or failure to approve any plans so submitted, nor shall they, or any of them,
be responsible or liable for any structural defects in such plans or in any building or structure erected
according to such plans or in any drainage problems resulting therefrom. Every person and entity who
submits plans to the Architectural Control Committee agrees, by submission of such plans, that he
or it will not bring any action or suit against the Committee or the Developer to recover any damages
or to require the Committee or the Developer to take, or refrain from taking, any action whatever in
regard to such plans or in regard to any building or structure erected in accordance therewith. Neither
the submission of any complete sets of plans to the Developer’s office for review by the Architectural
Control Committee, nor the approval thereof by that Committee, shall be deemed to guarantee or
require the actual construction of the building of structure therein described, and no adjacent Lot
Owner may claim any reliance upon the submission and/or approval of any such plans or the buildings
or structures described therein.
