DECLARATION OF
COVENANTS, CONDITIONS AND RESTRICTIONS
OF
STEEPLECHASE WEST

THIS DECLARATION, made on this 23rd day of August, 1988, by
STEEPLECHASE WEST, an Indiana Partnership ("Declarant"),

WITNESSES:

WHEREAS, Declarant is the owner of certain real estate (the
"Property"), located in Marion County, Indiana, which is more
particularly described in Exhibit "A" attached hereto and by this
reference, made a part hereof, which Property has been subdivided
for developments as more particularly described on the plat recorded
on August 18, 1988 as Instrument No. 88-83987 with the Office of the
Recorder of Marion County, Indiana.

WHEREAS, Declarant desires to subdivide and develop the Property
by designating certain portions of the Property as "Common Areas"
(as hereinafter defined) to be owned by a homeowners association
(the "Association," as hereinafter defined) and by designating
other portions of the Property into "Lots" (as hereinafter
defined).

WHEREAS, Declarant is about to sell and convey the residential
lots situated within the Property and, before doing so desires to
subject and impose upon all real estate located within the Property
mutual and beneficial restrictions, covenants, conditions and
charges under a general plan or scheme of improvement and
maintenance for the benefit of the lots and lands within the
Property and future owners thereof.

NOW, THEREFORE, Declarant hereby declares that all the Property
shall be held, sold and conveyed subject to the following easements,
restrictions, limitations, covenants and conditions, which are for
the purpose of protecting the value and desirability of, and which
shall run with, the Property and be binding on all parties having
any right, title or interest in the Property or any part thereof,
their heirs, successors and assigns, and shall issue to the benefit
of each owner thereof.

ARTICLE I

Name

The subdivision of the Property created by this Declaration
shall be known and designated as Steeplechase West, a subdivision
located in Marion County.

ARTICLE III

Property Rights, Easements and Encroachments

Section 3.1. Owners' Easements of Enjoyment of Common Areas. Every Owner shall have a non-exclusive right and easement of enjoyment, in common with all Owners, in and to the Common Area which shall be appurtenant to and shall pass with title to every Lot (in the form of a right to membership in the Association), subject to the following provisions:

(a) the right of the Association to charge reasonable admission and other fees for the use of any recreational facilities situated upon the Common Areas;

(b) the right of the Association to suspend the voting rights and right to use of any recreational facilities by any Owner for any period during which any assessment remains unpaid; and for a period not to exceed sixty (60) days for any infraction of its published rules and regulations;

(c) the right of the Association to promulgate reasonable rules and regulations governing the use of the Common Area including, without limitation, parking, swimming, boating, fishing, and upon improvements, additions or alterations to the Lots and the Common Area.
(d) the rights of Declarant as provided in this Declaration;

(e) the right of the Association to mortgage any or all of the Common Area, upon the approval of two-thirds (2/3) of the membership of each class of members of the Association;

(f) the easements reserved elsewhere in this Declaration and the right of the Association to grant further reasonable utility easements across and through the Common Area for the benefit of its members;

(g) the right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the members. No such dedication or transfer shall be effective unless an instrument agreeing to such dedication or transfer signed by two-thirds (2/3) of each class of members has been recorded; and

(h) all other rights, obligations and duties as set forth in this Declaration, as the same may be from time to time amended or supplemented.

Section 3.2. Delegation of Use. Any Owner may delegate, in accordance with the By-Laws and any unreasonable and non-discriminatory rules and regulations promulgated from time to time by the Association and subject to the rights of others as set forth in Section 3.1, his or her right of enjoyment of the Common Area, to family members, guests, tenants or contract purchasers who reside on the Owner's Lot.

Section 3.3. Certain Obligations and Access Rights to the Common Area.

(a) Except as otherwise set forth in this Declaration, the Association, subject to the rights of the Owners as set forth in this Declaration, shall be responsible for the management and control, for the exclusive benefit of the Owners as provided herein, of the Common Area and for the maintenance of the same in good, clean, attractive, safe and sanitary condition, order and repair.

(b) The Association shall have and is hereby granted a general right of access and easement to all of the Common Area across the Lots, at reasonable times and at any time in case of emergency, as reasonably required by its officers, directors, employees and their agents as independent contractors, to the full extent necessary or appropriate to perform its obligations and duties as set forth in this Declaration. The easements and rights specified herein also are reserved for the benefit of Declarant so long as Declarant owns any portion of the Property and for so long as Declarant may be liable under any Builder's warranty.

880085566
Section 3.4. Drainage, Utility, Sewer and Other Development Easements.

(a) Declarant hereby reserves unto itself during the Development Period, and thereafter unto any public or private utility, an undefined easement ("Drainage, Utility and Sewer Easement") for drainage, utility and sewer purposes in, on and over all of the Common Area and Lots, so as to permit Declarant to properly install and allow to be maintained all electrical, telephone, water, gas, sanitary and storm sewer, television (including but not limited to cable and/or satellite) transmission facilities, security systems and other utility services (including all necessary lines, pipes, wires, cables, ducts, antennae and other equipment and facilities) to serve any Dwelling Unit constructed on the Property. Utility and Sewer Easement shall include all areas of the Property outside the Dwelling Units to be constructed by Declarant, with the exception of any areas covered by chimneys, or patios. Improvements or permanent structures installed within the Common Area are subject to the rights (including the right to remove where reasonably necessary without duty of replacement or reimbursement) of the Declarant and any public or private utility to construct, maintain, repair or remove any necessary facilities. This easement shall be in addition to any easement defined upon a Plat of the Property as a drainage, utility, transmission, flowage or similar type easement.

(b) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, an easement and right-of-way in and to any areas now or hereafter shown on the Plat as "Common Area #2," and an easement of ingress and egress through so much of the remainder of the Property as is reasonably necessary or appropriate, to perform such actions as Declarant or the Association deem necessary or appropriate for the purposes of erecting, constructing and maintaining proper signs, street, sidewalks, lighting, walkways, pathways, fences, walls and any other landscaping, architectural and recreational features or facilities considered necessary, appropriate, useful or convenient, anywhere upon the Property (except upon any lot after the first conveyance thereof). Any signs shall comply with any applicable zoning requirements and all such facilities shall be maintained by the Association as a part of its Common Area maintenance obligations.
(d) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, the full right, title and authority to:

(i) relocate, alter or otherwise change the location of any Drainage, Flowage, Utility and Sewer, Sign and Facilities Easement, or any facility at any time located therein or thereon;

(ii) grant such further easements, licenses and rights-of-way, temporary or permanent, exclusive or non-exclusive, surface or otherwise, as Declarant may deem necessary or appropriate, for ingress and egress, utility and similar purposes on or within any portion of the Property, for the benefit of any of the real estate described in Exhibit "A"; and,

(iii) describe more specifically or to change the description of any Drainage, Flowage, Utility and Sewer, Sign and Facilities Easement or any other easement, license or right-of-way now or hereafter existing on the Property, by written instrument, amended Plat or amendment to the Plat recorded in the Office of the Recorder of Marion County, Indiana.

(e) The title of the Association (as to the Common Area during the Development Period) and of any Owner of any Lot shall be subject to the rights and easements reserved herein. Provided, however, that the rights reserved in this Section 3.4 shall not be exercised after the conveyance of any Lot in a manner that unreasonably and adversely affects any Dwelling Unit or portion thereof located upon such Lot or the Owner's use or enjoyment thereof, or which unreasonably restricts the rights of ingress and egress to such Lot. The rights and easements reserved by Declarant in this Section 3.4 shall run with the land, and Declarant's right to further alter or grant easements shall automatically terminate and pass to the Association one (1) year after Declarant shall have conveyed the last Lot within the Property.

Section 3.5. Easement for Emergency Purposes. An easement is hereby dedicated and granted for use in the case of an emergency by emergency vehicles such as fire trucks, police cars and ambulances and emergency personnel, public and private, over and upon the Common Area.

Section 3.6. Encroachments and Easements for Buildings. If, by reason of the location, construction, settling or shifting of a Dwelling Unit, any part of a residence appurtenant to a Lot (hereinafter in this Section 3.6 referred to as the "Encroaching Unit") now encroaches or shall hereafter encroach upon any minor portion of any other adjacent Lot or any Common Area, then in such event, an exclusive easement shall be deemed to exist and run to the Owner of the Encroaching Unit for the maintenance, use and enjoyment of the Encroaching Unit and all appurtenances thereto.
Section 3.7. Fee Title to Lot. The fee title to any Lot described as bounded by any street, lane, walkway, park, playground, lake, pond, or any other common property which has not been dedicated or accepted by the public and the fee title to any Lot shown on the recorded plat of Steeplechase West as abutting upon any such common property shall not extend upon such common property and the fee title to such common property is reserved to the grantor to be conveyed to the Steeplechase West Homeowners Association for the common enjoyment of all residents in Steeplechase West.

Section 3.8. Street Dedication. All streets now or hereafter located upon the Property are hereby dedicated to the public.

ARTICLE IV

Association Membership, Voting Rights, Board of Directors and Professional Management

Section 4.1. Membership. Initially, the person(s) who serve as incorporator(s) of the Association shall be the member(s) (the "Initial Member(s)"). The Initial Member(s) shall remain member(s) of the Association until the Association Articles of Incorporation are accepted by the Indiana Secretary of State, at which time the Initial Member(s) shall cease to be member(s) unless they also qualify as Class A or Class B members. Every Owner of a Lot which is subject to assessment shall be a member of the Association. Apart from the Initial Member(s), a membership in the Association shall be appurtenant to and may not be separated from ownership of any Lot.

Section 4.2. Classes of Membership and Voting Rights. The Association shall have two classes of voting membership:

Class A. Class A members shall be all Owners with the exception of the Declarant. Class A members shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as the members holding an interest in such Lot determine among themselves, but in no event shall more than one vote be cast with respect to any Lot.

Class B. The Class B member shall be the Declarant. The Declarant shall be entitled to three (3) votes for each Lot owned. For purposes of this calculation, it shall be assumed that Declarant owns 88 Lots, which number shall be reduced as Lots are conveyed by the Declarant to an Owner. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier: (a) when the total number of votes outstanding in the Class A membership is equal to the total number of votes outstanding in the Class B membership; or, (b) the ___ day of ________, 19___.

880085866

-7-
Section 4.3. Board of Directors. The Owners shall elect a Board of Directors of the Association as prescribed by the Association's Articles and By-Laws. The Board of Directors shall manage the affairs of the Association. Directors need not be members of the Association.

Section 4.4. Professional Development. No contract or agreement for professional management of the Association, nor any other contract between Declarant and the Association, shall be for a term in excess of three (3) years. Any such agreement or contract shall provide for termination by either party with or without cause and without payment of any termination fee upon written notice of ninety (90) days or less.

ARTICLE V
Covenant for Maintenance Assessments

Section 5.1. Creation of the Lien and Personal Obligation of Assessments. Declarant, for each Lot now or hereafter owned by it within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

(a) Regular Monthly Assessments (for maintenance, repairs and ordinary operating expenses);

(b) Special Assessments for capital improvements and operating deficits, as provided in Section 5.5, and for special maintenance or repairs as provided in Sections 6.14 and 7.1.

Such assessments shall be established, shall commence upon such dates and shall be collected as hereinafter provided. All such assessments, together with interest, costs and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to such Owner's successors in title unless expressly assumed by them.

Section 5.2. Roadway Maintenance. The Association shall be responsible for the maintenance of the roadways in the Property, unless they are accepted for public dedication. In such case, a portion of the Regular Monthly Assessment shall be set aside in a separate insured interest-bearing account for the purpose of maintaining, repairing and replacing the roadways (the "Roadway Assessment"). Any Roadway Assessment shall not be mingled with any
other funds or used for any other purpose, except as set forth in this Section 5.1.

Section 5.3. Purpose of Regular Monthly Assessments. The Regular Monthly Assessments levied by the Association shall be used exclusively, in the reasonable discretion of the Board of Directors of the Association, for the promotion of the recreation, health, safety and welfare of the residents in the Property, for the improvement, maintenance and repair of the Common Area, for the performance of the obligations and duties of the Association and for other purposes only as specifically provided herein. A portion of the Regular Monthly Assessments shall be set aside or otherwise allocated in a reserve fund for the purpose of providing repair and replacement of the Common Area, and other capital improvements which the Association is required to maintain.

Section 5.4. Maximum Regular Monthly Assessments. The Board of Directors from time to time may fix the Regular Monthly Assessment, without any vote of the membership, at any amount not in excess of the maximum.

Section 5.5. Special Assessments for Capital Improvements and Operating Deficits. In addition to the Regular Monthly Assessments authorized above, the Association may levy a Special Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement which the Association is required to maintain, or to recover any operating deficits which the Association may from time to time incur, provided that any such assessment shall have the assent of two-thirds (2/3) of those members of each class of members who cast votes in person or by proxy at a meeting duly called for this purpose.

Section 5.6. Notice and Quorum for Any Action Authorized Under Section 5.4 and 5.5. Written notice of any meeting called for the purpose of taking any action authorized under Section 5.4 and 5.5 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 5.7. Uniform Rate of Assessment. Regular Monthly Assessments and Special Assessments for capital improvements and to recover operating deficits must be fixed at a uniform rate for all Lots, except that Declarant and any individual or entity purchasing a Lot or Lots solely for the purpose of construction of a for-sale Dwelling Unit thereon (a "Builder") shall pay only twenty-five
percent (25%) of the Regular Monthly Assessments and Special Assessments so long as any Dwelling Unit constructed upon a Lot by Declarant or Builder has not been conveyed to an Owner intending to occupy or rent said Dwelling Unit as a residence or leased to an individual or entity for use as a residence.

Section 5.8. Date of Commencement of Monthly Assessments: Due Dates. The Regular Monthly Assessment provided for herein shall commence as to each Lot on the first day of the first month following the conveyance of the Common Area. The Board of Directors shall give any increase in the amount of the monthly assessments at least thirty (30) days in advance of the effective date of such increase. Written notice of any increase in the Regular Monthly Assessment, and written notice of any Special Assessment and such other assessment notices as the Board of Directors shall deem appropriate, shall be sent to every Owner subject thereto. The due dates for all assessments, and the assessment and collection period (i.e., annual, monthly, lump-sum or otherwise) for any Special Assessments, shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in recordable form signed by an Officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate from the Association regarding the status of assessments for any Lot shall be binding upon the Association as of the date of its issuance.

Section 5.9. Effect of Nonpayment of Assessments: Remedies of the Association. If any assessment (or periodic installment of such assessment, if applicable) is not paid on the due date established therefor pursuant to Section 5.8 hereof, then the entire unpaid assessment (together with interest thereon, costs and attorneys' fees as hereinafter provided and as provided in Section 5.10) shall become delinquent and shall constitute a continuing lien on the Lot to which such assessment relates, binding upon the Owner, his heirs, devisees, successors and assigns. The personal obligation of the then Owner in such assessments, however, shall not pass to such Owner's successors in title unless expressly assumed by them. If any assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of eight percent (8%) per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property, or both. In such event, there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action; and in the event a judgment is obtained such judgment shall include interest on the assessment as above provided, costs of the action and reasonable attorneys' fees to be fixed by the Court. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.
Section 5.10. Subordination of the Lien to Mortgages, Sale or Transfer. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The sale or transfer of any Lot pursuant to the foreclosure of any first mortgage on such Lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer. No sale or transfer of any Lot (whether voluntary or pursuant to foreclosure or otherwise) shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof; and, except as above provided, the sale or transfer of any Lot shall not affect the lien of assessments becoming due prior to the date of such sale or transfer except to the extent that a purchaser may be protected against the lien for prior assessments by a binding certificate from the Association, issued pursuant to Section 5.8, as to whether or not such assessments have been paid.

Section 5.11. Declarant's Responsibility to Cover Deficits or Shortages. The Declarant shall cover any deficit or shortage in the funds necessary to operate the Association that may arise in the development until such time as control of the Association is transferred to the Class A members.

ARTICLE VI
Use Restrictions and Architectural Control

Section 6.1. Lot Use and Conveyance. All Lots shall be used exclusively for residential purposes, except that Declarant, during the Development Period, reserves (a) the rights provided in Sections 6.10 and 6.28 respecting the Property generally, and (b) the right to subdivide, dedicate or otherwise convey or designate all or any portion of any one or more Lots which it may own from time to time for recreational or other common uses and benefit of all Owners and other members of the Association. Any Lot or portion thereof so designated for common use shall become part of the Common Area, and reasonable rules and regulations shall be promulgated and enforced with respect thereto so that the use and enjoyment of adjacent Lots by the Owners thereof shall not be unreasonably disturbed. Except as provided in the Declaration, no Lot shall be subdivided to form units of less area. Each Lot shall be conveyed as a separately designated and legally described freehold estate subject to the covenants, conditions and restrictions contained herein.

Section 6.2. Architectural Control. No building, fence, wall or other structure, except original construction of Dwelling Units by or on behalf of Declarant or a Builder, shall be commenced, erected or maintained upon the Property, nor shall any exterior addition to or change or alteration therein, other than by the Declarant, a Builder or Board of Directors, be made until the plans and specifications showing the nature, kind, shape, heights,
materials, color and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. Any change in the appearance or the color of any part of the exterior of a residence shall be deemed a change thereto and shall require the approval therefor as above provided. In the event that written approval is not received as required hereunder within thirty (30) days after complete plans and specifications have been submitted, approval will not be required and this Section will be deemed to have been fully complied with. This Section 6.2 shall not apply to repair or replacement of existing materials or improvements by use or type of material or improvement originally used. For example, an Owner would not have to seek permission in order to repaint his Dwelling Unit the original color or reroof his home with a shingle that is substantially identical to the originally installed shingle.

Section 6.3. Signs. During the Development Period, no "for sale" or other advertising signs of any kind (other than interior window signs) shall be displayed on any Lot without the prior written approval of Declarant. Thereafter, the placement of "for sale" or advertising or other signs of any nature, kind or description anywhere on the Property shall be subject to such reasonable rules and regulations as may be adopted by the Association.

Section 6.4. Home Occupations. No home occupation shall be conducted or maintained on any Lot other than one which is incidental to a business, profession or occupation of the owner or occupant of any such Lot, and which is generally or regularly conducted in another location away from such Lot.

Section 6.5. Animals. No animals, livestock or poultry of any kind shall be raised, bred or kept on any of said Lots, except that dogs, cats or other household pets may be kept provided they are not kept, bred or maintained for any commercial purposes.

Section 6.6. Outside Storage. All clotheslines, equipment, garbage cans, service yards, woodpiles or storage piles shall be kept from view of neighboring homes and streets. All rubbish, trash or garbage shall be regularly removed from the premises, and shall not be allowed to accumulate thereon. Trash may be stored in such enclosed containers, if any, provided by the Association for that purpose. All clotheslines shall be confined to patio areas.

Section 6.7. Outside Use of Lots. Except in an individual patio area appurtenant to a Dwelling Unit, no planting or gardening shall be done, and no fences, hedges, walls or other improvements shall be erected or maintained upon the Property except such as are installed in accordance with the initial construction of the buildings located thereon or as approved by the Association's Board of Directors or their designated representatives. Except for the
right of ingress and egress, the Owners of Lots are hereby prohibited and restricted from using any of the Property outside the exterior building lines, patio and carport areas, except as may be allowed by the Association's Board of Directors. It is expressly acknowledged and agreed by all parties concerned that this paragraph is for the mutual benefit of all Owners of Lots in the Stemplechase West subdivision and is necessary for the protection of said Owners.

Section 6.8. Setback Lines. Front and rear building setback lines are established on the Plat which setback lines are incorporated herein by this reference.

Section 6.9. Side Setbacks. Adjacent Dwelling Units may be attached. If a Dwelling Unit is not attached, there shall be at least ten feet (10') between it and any adjacent Dwelling Unit.

Section 6.10. Number of Dwelling Units. The number of Dwelling Units shall not exceed the number of platted lots within the Property.

Section 6.11. Parking. No parking shall be allowed within the street right-of-way.

Section 6.12. Unsightly Growth. In order to maintain the standards of the Property, no weeds, underbrush or other unsightly growths shall be permitted to grow or remain upon any land, and no refuse pile or unsightly objects shall be allowed to be placed or suffered to remain anywhere thereon. Failure to comply shall warrant the Declarant or DMD to cut weeds or clear the refuse from the Property at the expense of the Owner, and there shall be a lien against said Property for the expense thereof, which lien shall be due and payable immediately. If such lien is not promptly paid, the Association or DMD may file suit and recover such amount together with reasonable attorneys' fees and costs of collection.

Section 6.13. Nuisances. No nuisance shall be permitted to exist or operate upon the Property.

Section 6.14. Site Visibility. No fence, wall, hedge or shrub planting which obstructs sight lines at elevations between two (2) feet and six (6) feet above the street shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting points twenty-five (25) feet from the intersection of said street lines, or in the case of a rounded property corner from the intersection of the street lines extended. The same sightline limitations shall apply to any lot within ten (10) feet from the intersection of a street line with the edge of a driveway pavement or alley line. No tree shall be permitted to remain within such distances of such intersections.
unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.

Section 6.15. Boats, Trucks, Etc. No boats, campers, trailers of any kind, recreational vehicles or commercial vehicles of any kind shall be permitted to park on the Property for more than twelve (12) hours unless fully enclosed inside a garage, or unless the same is necessary and incident to the Declarant or Association’s business on the Property.

Section 6.16. Road Area. Access to any pond area is restricted to the Common Area adjacent to such pond area except for those individuals whose Dwelling Units are immediately adjacent to any such pond area. No individual using any pond area has the right to trespass upon shoreline not within a Common Area, subject to the rights of the Declarant, the Association, their employees, heirs, successors and assigns as set forth in the Declaration. No one shall do or permit any action or activity which could result in pollution of any pond, diversion of water, elevation of water level, earth disturbance resulting in silting or any other conduct which could result in an adverse effect upon water quality, drainage or proper pond management except as provided in the Declaration. No pond may be used for swimming, boating, fishing or for any other purpose, except for drainage of the Property, unless expressly approved by the Association Board of Directors in writing and allowed by law. Only the Declarant and the Association shall have the right to store items or develop recreational facilities upon any Common area adjacent to any pond.

Section 6.17. Rules and Regulations. The Board of Directors from time to time may promulgate further rules and regulations concerning the use of Lots and the Common Area. A majority of those Owners voting at a meeting called for the purpose may rescind or modify any rule or regulation adopted by the Board of Directors. Copies of all rules and regulations shall be furnished by the Board to all Owners, at the Owner’s last known address, prior to the time when the same shall become effective. The Association shall have current copies of the Declaration, Articles and By-Laws, and other rules concerning the Property as well as its own books, records and financial statements available for inspection by Dwelling Unit Owners or by holders, insurers and guarantors of first mortgages, that are secured by Dwelling Units in the Property. These documents shall be available during normal business hours or under other reasonable circumstances.

Section 6.18. Development and Sale Period. Nothing contained in this Article VI shall be construed or interpreted to restrict the activities of Declarant or a Builder in connection with the development of the Property and sale of Lots. During the Development Period, Declarant or a Builder shall be entitled to engage in such activities and to construct, install, erect and
maintain such facilities, upon any portion of the Property at any
time owned or leased by Declarant or a Builder, as in the sole
opinion of Declarant or a Builder may be reasonably required, or
covenant or incidental to, the development of the Property and sale
of the Lots; such facilities may include, without limitation,
storage areas, signs, parking areas, model residences, construction
offices, sales offices and business offices.

ARTICLE VII

Maintenance of Lots

Section 7.1. Maintenance by Owners. Each Owner shall be
responsible for the exterior maintenance of all improvements on his
Lot except for lawn maintenance and snow removal as provided in
Section 7.2 below. However, if a Dwelling Unit owner shall fail to
maintain the exterior of his Unit, or to keep it in a good, clean
and sanitary condition, the Association may, after approval by
two-thirds (2/3) vote of the Board of Directors, require, by Court
or otherwise, that the Owner perform such maintenance or other work
and/or the Association shall have the right, through its agents and
employees, to enter the Lot and perform such maintenance and/or
other work at the Owner's expense, and the cost thereof shall be due
and payable immediately as an addition to the Owner's regular
assessment, and shall be secured by the Association's lien on such
Lot.

Section 7.2. Lawn Maintenance, Snow Removal and Other Work.
The Association shall perform lawn maintenance and snow removal for
Owners. Snow removal shall be limited to driveways and service
walks. It shall not include patios, porches, entries or steps.

The Association is not prohibited from providing other services
to Owners upon the following conditions:

(a) The Owner is charged a reasonable fee for such maintenance
work that is designed to reimburse the Association for the full cost
thereof;

(b) The Association is willing to perform similar work for any
other Owners in Steeplechase West.

(c) There shall be no discrimination among the Owners in the
performance of any such work.

Such services may be provided by the Association, subject to the
above conditions, at the discretion of the Board of Directors.
ARTICLE VIII

Party Walls

Section 8.1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of two or more Dwelling Units constructed upon the Property and placed on the dividing lines between the Dwelling Units shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 8.2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared equally by the Owners who make use of the wall in proportion to such use.

Section 8.3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, he shall contribute to the cost of restoration thereof in equal proportions without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 8.4. Weatherproofing. Notwithstanding any other provisions of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 8.5. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner’s successors in title.

Section 8.6. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision shall be a majority of all the arbitrators. (Should any party refuse to appoint an arbitrator within ten (10) days after written request therefor, the Board of Directors of the Association shall select an arbitrator for the refusing party).
ARTICLE IX  
Insurance  

Section 9.1. Casualty Insurance on Insurable Common Area. The Association shall keep all of insurable improvements and fixtures of the Common Area insured against loss or damage by fire for the full insurance replacement cost thereof, and may obtain insurance against such other hazards and casualties as are customarily covered for similar types of projects, including those covered by the standard "all risk" endorsements. The Association may also insure any other property whether real or personal, owned by the Association, against loss or damage by fire and such other hazards as the Association may deem desirable, with the Association as the owner and beneficiary of such insurance. The insurance coverage with respect to the Common Area shall be written in the name of, and the proceeds thereof shall be used by the Association for the repair or replacement of the property for which the insurance was carried. Premiums for all insurance carried by the Association are Common Expenses included in the Regular Monthly Assessments made by the Association.  

Section 9.2. Liability Insurance. The Association shall purchase a master comprehensive general liability insurance policy in such amount or amounts as the Board of Directors shall deem appropriate from time to time. Such comprehensive general liability insurance policy shall cover the Association, its Board of Directors, any committee or organ of the Association or Board of Directors and all persons acting or who may come to act as agents or employees of any of the foregoing with respect to the Association. It shall also cover all Common Areas, public ways and any other areas under the Association's control or supervision.  

Section 9.3. Fidelity Bonds. The Association shall have blanket fidelity bonds for anyone who either handles or is responsible for funds held or administered by the Association, whether or not they receive compensation for their services. The Association bonds shall name the Association as the obligee and the premium shall be paid as a common expense by the Association. Any management agent that handles funds for the Association shall be covered by its own fidelity bond, which must provide the same coverage required of the Association. The Association shall be named as an additional obligee in the management agent's bond. The fidelity bond shall cover the maximum funds that will be in the custody of the Association or its management agent at any time while the bond is in force. In addition, the fidelity bond coverage must at least equal the sum of three months' assessments on all Dwelling Units in the Property, plus the Association's reserve funds. The fidelity bonds must include a provision that calls for ten (10) days' written notice to the Association or insurance trustee before the bond can be cancelled or substantially modified for any reason. The same notice must also be given to each servicer that services a Fannie Mae owned mortgage in the Property.
Section 9.4. Miscellaneous Insurance Provisions. The Association shall obtain any other insurance required by law to be maintained, including but not limited to workmen’s compensation insurance, and such other insurance as the Board of Directors shall from time to time deem necessary, advisable or appropriate. Such insurance coverage shall also provide for and cover cross liability claims of one insured party against another insured party. Such insurance shall inure to the benefit of the Association, its Board of Directors and any managing agent acting on behalf of the Association.

Section 9.5. Casualty and Restoration. Damage to or destruction of any Common Area due to fire or any other casualty or disaster shall be promptly repaired and reconstructed by the Association and the proceeds of insurance, if any, shall be applied for that purpose. For purposes of this Section, repair, reconstruction and restoration shall mean construction or rebuilding of the damaged property to as near as possible the same condition as it existed immediately prior to the damage or destruction, with the same or similar type of architecture.

Section 9.6. Insufficiency of Insurance Proceeds. If the insurance proceeds received by the Association as a result of any such fire or any other casualty or disaster are not adequate to cover the cost of repair and reconstruction, or in the event there are no insurance proceeds, the cost for restoring the damage and repairing and reconstructing the Common Area or any improvements damaged or destroyed (or the costs thereof in excess of insurance proceeds received, if any) shall be paid by the Association which shall then have the right to levy a special assessment against all Lots for such deficiency.

Section 9.7. Surplus of Insurance Proceeds. In the event that there is any surplus of insurance proceeds after the reconstruction or repair of the damage has been fully completed and all costs paid, such sums may be retained by the Association as a reserve or may be used in the maintenance and operation of the Property, or, in the discretion of the Board of Directors, may be distributed to the Owners of the Buildings affected and their Mortgagees who are the beneficial owners of the fund. The action of the Board of Directors in proceeding to repair or reconstruct damage shall not constitute a waiver of any rights against another Owner for committing willful or malicious damage.

ARTICLE X
Mortgagees

Section 10.1. Mortgagee Rights. In addition to any other rights provided elsewhere in this Declaration to mortgagees, any lender or lenders holding a first mortgage or first mortgages upon any Lot or Lots, jointly or singly, may pay any real estate taxes or
other taxes or charges which are in default and which may or have become a charge or lien against any Common Area or any other property owned by the Association; and may pay any overdue premiums on any hazard, casualty, liability or other insurance policies or secure new insurance coverage on the lapse of any policies for any such property owned by the Association or covering any property for which the Association has an obligation to maintain insurance coverage. Any such lender or lenders making payments in accordance with this Section 10.1 shall be entitled to immediate reimbursement therefor from the Association along with any costs incurred, including reasonable attorneys' fees.

Section 10.2. Notice to Mortgagors. The Association, upon request, shall provide to any lender holding a first mortgage upon any Lot, a written certificate or notice specifying unpaid assessments and other defaults of the Owner of such Lot, if any, in the performance of such Owner's obligations under this Declaration, the Articles of Incorporation of the Association, its By-Laws or any other applicable documents, which default has not been cured within sixty (60) days. A reasonable charge may be made by the Association for the issuance of any such certificate or notice, and any such certificate properly executed by an officer of the Association shall be binding upon the Association, as provided in Section 5.8.

Section 10.3. Condemnation and Insurance Awards. No provisions of this Declaration, or any amendment thereto, shall give an Owner, or any other party, priority over any rights of the first mortgagee of a Lot pursuant to its mortgage in the case of a distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of Common Area property.

Section 10.4. Right of First Refusal. Any "right of first refusal" in the Declaration, Association Articles, Association By-Laws or any other document governing the development and administration of the Property will not impair the rights of a first mortgagee to:

(a) foreclose or take title to a Dwelling Unit, and the Lot upon which the Dwelling Unit is situated, pursuant to the remedies in the mortgage;

(b) accept a deed or assignment in lieu of foreclosure in the event of default by a mortgagor; or

(c) sell or lease a unit acquired by the mortgagee.

Section 10.5. Unpaid Dues or Charges. Any first mortgagee who obtains title to a Dwelling Unit, and the Lot upon which the Dwelling Unit is situated, pursuant to the remedies in the mortgage or through foreclosure, will not be liable for the Dwelling Unit's unpaid dues or charges accrued before the acquisition of the title to the Unit by the mortgagee.
Section 10.6. Audited Statements. The Association must provide an audited statement for the preceding fiscal year if the holder, insurer or guarantor of any first mortgage that is secured by a Dwelling Unit in the Property submits a written request for it.

ARTICLE XI

General Provisions

Section 11.1. Right of Enforcement. In the event of a violation, or threatened violation, of any of the covenants, conditions and restrictions herein enumerated, Declarant, the Association or any Owner and all parties claiming under them shall have the right to enforce the covenants, conditions and restrictions contained herein, and pursue any and all remedies, at law or in equity, available under applicable Indiana law, with or without proving any actual damages, including the right to secure injunctive relief or secure removal by due process of any structure not in compliance with the covenants, conditions and restrictions contained herein, and shall be entitled to recover reasonable attorneys' fees and the costs and expenses incurred as a result thereof.

Section 11.2. Severability and Waiver. Invalidation of any one of the covenants, restrictions or provisions contained in this Declaration by judgment or court order shall not in any way affect any of the other provisions hereof, which shall remain in full force and effect. No delay or failure by any person to enforce any of the restrictions or to invoke any available remedy with respect to a violation or violations thereof shall under any circumstances be deemed or held to be a waiver by that person of the right to do so thereafter, or as estoppel of that person to assert any right available to him upon the occurrence, recurrence or continuation of any violation or violations of the restrictions.

Section 11.3. Amendment. During the first twenty (20) years following its recordation, this Declaration may be amended or modified at any time by an instrument recorded in the Office of the Recorder of Marion County, Indiana, approved and signed by at least ninety percent (90%) of the then Owners, and thereafter by an instrument signed by at least seventy-five percent (75%) of the then Owners. Provided, however, that none of the rights or duties of Declarant reserved or set out hereunder may be amended or changed without Declarant's prior written approval. Except as prohibited below, this Declaration may also be amended by Declarant, if it then has any ownership interest in the Property, at any time within two (2) years after the recordation hereof. Any amendment must be recorded. Neither the Association, the Owners or Declarant shall effect any of the following changes without the prior written approval of two-thirds (2/3) of the first mortgagees of the Lots (based upon one (1) vote for each mortgage owned) and two-thirds (2/3) of the Owners of Lots (excluding Declarant or builder):

SS0055866

(a) by act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Common Area owned directly or indirectly by the Association for the benefit of the Owners of the Dwelling Units. The granting of easements for public utilities or other public purposes consistent with the intended use of the Common Area by the Dwelling Unit Owners is not a transfer in the meaning of this clause;

(b) change the method of determining the obligations, assessments, dues or other charges that may be levied against a Dwelling Unit Owner;

(c) by act or omission change, waive or abandon any scheme of regulations or their enforcement pertaining to the architectural design or the exterior appearance of units, the exterior maintenance of units, the maintenance of the Common Area, party walls, common fences and driveways, and the upkeep of lawns and plantings in the Property;

(d) fail to maintain fire and extended coverage on insurable Common Area on a current replacement cost basis in an amount at least 100 percent of the insurance value (based on current replacement costs);

(e) use hazard insurance proceeds for losses to any Common Area for other than the repair, replacement, or reconstruction of the Common Area.

(f) change the voting rights, assessments, assessment liens or subordination of assessment liens, except as provided for in this Declaration;

(g) change the manner in which reserves for maintenance, repair and replacement of Common Areas have been set up and previously maintained by the Association;

(h) change the rights to the use of the Common Area, except as provided for in this Declaration;

(i) change the boundaries of any Dwelling Unit, and the Lot upon which the Dwelling Unit is situated, except as provided for in this Declaration;

(j) any change concerning convertibility of Dwelling Units into Common Area or vice versa, except as provided for in this Declaration;

(k) allow for expansion or contraction of the development, or the addition, annexation or withdrawal of property to or from the development, except as provided for in this Declaration;
(l) any requirements for insurance or fidelity bonds set forth in this Declaration;

(m) any imposition of any restriction on a Dwelling Unit Owner's right to sell or transfer his or her Dwelling Unit;

(n) any decision by the Association to establish self-management when professional management has been required previously by an FNMA eligible mortgage holder;

(o) restoration and repair of the Common Area (after a hazard damage or partial condemnation) in a manner other than specified in the Declaration;

(p) any action to terminate the legal status of the development after substantial destruction or condemnation occurs;

(q) any provision that expressly benefits mortgage holders, insurers or guarantors; or

(r) any termination of legal status of the development for reasons other than substantial destruction or condemnation of the Property.

If an addition or amendment is not considered as a material change, such as the correction of a technical error or the clarification of a statement within the Declaration, Association Articles, Association By-Laws or other constituent documents, there shall be an implied approval to be assumed when an eligible mortgage holder fails to submit a response to any written proposal for an amendment within thirty (30) days after proposal is made. The covenants, restrictions and all other provisions of this Declaration shall run with the land and shall be binding upon the persons owning any portion of the Property and all parties claiming under them for a period of twenty (20) years from the date of recordation, and thereafter shall automatically extend for successive periods of ten (10) years each unless prior to the expiration of such ten-year period this Declaration is amended or changed in whole or in part as hereinabove provided.

Section 11.4. FHA/VA Approval. If the Property has been approved for financing insured or issued by the Federal Housing Administration ("FHA") or the Veterans Administration ("VA"), as long as there is a Class B membership, the following actions will require the prior approval of the Federal Housing Administration or Veterans Administration: annexation of additional property, dedication of Common Area (except as provided in this Declaration), and amendment of this Declaration.
Section 11.5. Assignment. Declarant may assign or otherwise transfer any and all of its rights as Declarant.

Section 11.6. Condemnation, Destruction or Liquidation. The Association shall be designated to represent the Dwelling Unit Owners in any proceedings, negotiations, settlements or agreements for the handling of any losses or proceeds from condemnation, destruction or liquidation of all or a part of the Common Area or from the termination of the development. Each Dwelling Unit Owner, by his acceptance of a deed, appoints the Association as his attorney-in-fact for this purpose. Proceeds from the settlement will be payable to the Association for the benefit of the Dwelling Unit Owners and their mortgage holders. Any distribution of funds in connection with the termination of this development shall be made on a reasonable and an equitable basis.

Section 11.6. Metropolitan Development Commission. The Metropolitan Development Commission, its successors and assigns, shall have no right, power or authority to enforce any covenants, commitments, restrictions or other limitations contained in this Plat other than those covenants, commitments, restrictions or limitations that expressly run in favor of the Metropolitan Development Commission; provided further that nothing herein shall be construed to prevent the Metropolitan Development Commission from enforcing any provisions of the subdivision control ordinance, 58-AO-3, as amended, or any conditions attached to approval of this Plat by the Plat Committee.

IN WITNESS WHEREOF, STEEPLECHASE WEST ASSOCIATES, an Indiana Partnership, has caused this Declaration to be executed as of the date first written above.

(a) the right of the Association to charge reasonable admission and other fees for the use of any recreational facilities situated upon the Common Area;

(b) the right of the Association to suspend the voting rights and right to use of any recreational facilities by any Owner for any period during which any assessment remains unpaid; and for a period not to exceed sixty (60) days for any infraction of its published rules and regulations;

(d) the rights of Declarant as provided in this Declaration;

(e) the right of the Association to mortgage any or all of the Common Area, upon the approval of two-thirds (2/3) of the membership of each class of members of the Association;

(f) the easements reserved elsewhere in this Declaration and the right of the Association to grant further reasonable utility easements across and through the Common Area for the benefit of its members;

(g) the right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the members. No such dedication or transfer shall be effective unless an instrument agreeing to such dedication or transfer signed by two-thirds (2/3) of each class of members has been recorded; and

(h) all other rights, obligations and duties as set forth in this declaration, as the same may be from time to time amended or supplemented.

Section 3.2. Delegation of Use. Any Owner may delegate, in accordance with the By-Laws and any unreasonable and non-discriminatory rules and regulations promulgated from time to time by the Association and subject to the rights of others as set forth in Section 3.1, his or her right of enjoyment of the Common Area, to family members, guests, tenants or contract purchasers who reside on the Owner’s Lot.

Section 3.3. Certain Obligations and Access Rights to the Common Area.

(a) Except as otherwise set forth in this Declaration, the Association, subject to the rights of the Owners as set forth in this Declaration, shall be responsible for the management and control, for the exclusive benefit of the Owners as provided herein, of the Common Area and for the maintenance of the same in good, clean, attractive, safe and sanitary condition, order and repair.

(b) The Association shall have and is hereby granted a general right of access and easement to all of the Common Area across the Lots, at reasonable times and at any time in case of emergency, as reasonably required by its officers, directors, employees and their agents as independent contractors, to the full extent necessary or appropriate to perform its obligations and duties as set forth in this Declaration. The easements and rights specified herein also are reserved for the benefit of Declarant so long as Declarant owns any portion of the Property and for so long as Declarant may be liable under any builder’s warranty.
Section 3.4. Drainage, Utility, Sewer and Other Development Easements.

(a) Declarant hereby reserves unto itself during the Development Period, and thereafter unto any public or private utility, an undeveloped easement ("Drainage, Utility and Sewer Easement") for drainage, utility and sewer purposes in, on and over all of the Common Area and Lots, so as to permit Declarant to properly install and allow to be maintained all electrical, telephone, water, gas, sanitary and storm sewer, television (including but not limited to cable and/or satellite) transmission facilities, security systems and other utility services (including all necessary lines, pipes, wires, cables, ducts, antennas and other equipment and facilities) to serve any Dwelling Unit constructed on the Property. Utility and Sewer Easement shall include all areas of the Property outside the Dwelling Units to be constructed by Declarant, with the exception of any areas covered by chimneys, or patios. Improvements or permanent structures installed within the Common Area are subject to the rights (including the right to remove where reasonably necessary without duty of replacement or reimbursement) of the Declarant and any public or private utility to construct, maintain, repair or remove any necessary facilities. This easement shall be in addition to any easement defined upon a Plat of the Property as a drainage, utility, transmission, flowage or similar type easement.

(b) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, an easement and right-of-way in and to any areas now or hereafter shown on the Plat as "Common Area #2," and an easement of ingress and egress through so much of the remainder of the Property as is reasonably necessary or appropriate, to perform such actions as Declarant or the Association deems necessary or appropriate for establishing and maintaining proper surface water drainage throughout the Property, including the construction, repair and maintenance or retention and detention ponds, in accordance with the requirements of applicable law and of all governmental agencies having jurisdiction (without undertaking any obligation or duty to exceed such requirements).

(c) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, the right and an undefined easement ("Sign and Facilities Easement") to install, erect, construct and maintain an entryway sign or signs, directional signs, lighting, walkways, pathways, fences, walls and any other landscaping, architectural and recreational features or facilities considered necessary, appropriate, useful or convenient, anywhere upon the Property (except upon any Lot after the first conveyance thereof). Any signs shall comply with any applicable zoning requirements and all such facilities shall be maintained by the Association in a part of its Common Area maintenance obligations.

SS010:3657

-5-
(d) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, the full right, title and authority to:

(i) relocate, alter or otherwise change the location of any Drainage, Flowage, Utility and Sewer, Sign and Facilities Easement, or any facility at any time located therein or thereon;

(ii) grant such further easements, licenses and right-of-way, temporary or permanent, exclusive or non-exclusive, surface or otherwise, as Declarant may deem necessary or appropriate, for ingress and egress, utility and similar purposes on or within any portion of the Property, for the benefit of any of the real estate described in Exhibit "A," and,

(iii) describe more specifically or to change the description of any Drainage, Flowage, Utility and Sewer, Sign and Facilities Easement or any other easement, license or right-of-way now or hereafter existing on the Property, by written instrument, amended Plat or amendment to the Plat recorded in the Office of the Recorder of Marion County, Indiana.

(e) The title of the Association (as to the Common Area during the Development Period) and of any Owner of any Lot shall be subject to the rights and easements reserved herein. Provided, however, that the rights reserved in this Section 3.4 shall not be exercised after the conveyance of any Lot in a manner that unreasonably and adversely affects any Dwelling Unit or portion thereof located upon such Lot or the Owner's use or enjoyment thereof, or which unreasonably restricts the rights of ingress and egress to such Lot. The rights and easements reserved by Declarant in this Section 3.4 shall run with the land, and Declarant's right to further alter or grant easement shall automatically terminate and pass to the Association one (1) year after Declarant shall have conveyed the last Lot within the Property.

Section 3.5. Easement for Emergency Purposes. An easement is hereby dedicated and granted for use in the case of an emergency by emergency vehicles such as fire trucks, police cars, and emergency personnel, public and private, over and upon the Common Area.

Section 3.6. Encroachments and Easements for buildings. If, by reason of the location, construction, settling or shifting of a Dwelling Unit, any part of a residence appurtenant to a Lot (hereinafter in this Section 3.6 referred to as the "Encroaching Unit") now encroaches or shall hereafter encroach upon any minor portion of any other adjacent Lot or any Common Area, then in such event, an exclusive easement shall be deemed to exist and run to the Owner of the Encroaching Unit for the Maintenance, use and enjoyment of the Encroaching Unit and all appurtenances thereto.
Section 3.7. Fee Title to Lot. The fee title to any Lot described as bounded by any street, lane, walkway, park, playground, lake, pond, or any other common property which has not been dedicated or accepted by the public and the fee title to any Lot shown on the recorded plat of Steeplechase West as abutting upon any such common property shall not extend upon such common property and the fee title to such common property is reserved to the grantor to be conveyed to the Steeplechase West Homeowners Association for the common enjoyment of all residents in Steeplechase West.

Section 3.8. Street Dedication. All streets now or hereafter located upon the Property are hereby dedicated to the public.

ARTICLE IV

Association Membership, Voting Rights, Board of Directors and Professional Management

Section 4.1. Membership. Initially, the person(s) who serve as incorporator(s) of the Association shall be the member(s) (the "Initial Member(s)""). The Initial Member(s) shall remain member(s) of the Association until the Association Articles of Incorporation are accepted by the Indiana Secretary of State, at which time the Initial Member(s) shall cease to be member(s) unless they also qualify as Class A or Class B members. Every Owner of a Lot which is subject to assessment shall be a member of the Association. Apart from the Initial Member(s), a membership in the Association shall be appurtenant to and may not be separated from ownership of any Lot.

Section 4.2. Classes of Membership and Voting Rights. The Association shall have two classes of voting membership:

Class A. Class A members shall be all Owners with the exception of the Declarant. Class A members shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as the members holding an interest in such Lot determine among themselves, but in no event shall more than one vote be cast with respect to any Lot.

Class B. The Class B member shall be the Declarant. The Declarant shall be entitled to three (3) votes for each Lot owned. For purposes of this calculation, it shall be assumed that Declarant owns 88 Lots, which number shall be reduced as Lots are conveyed by the Declarant to an Owner. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier: (a) when the total number of votes outstanding in the Class A membership is equal to the total number of votes outstanding in the Class B membership; or, (b) the 31st day of December, 1971.

Section 4.3. Board of Directors. The Owners shall elect a Board of Directors of the Association as prescribed by the Association’s Articles and by-Laws. The Board of Directors shall manage the affairs of the Association. Directors need not be members of the Association.

Section 4.4. Professional Development. No contract or agreement for professional management of the Association, nor any other contract between Declarant and the Association, shall be for a term in excess of three (3) years. Any such agreement or contract shall provide for termination by either party with or without cause and without payment of any termination fee upon written notice of ninety (90) days or less.

ARTICLE V
Covenant for Maintenance Assessments

Section 5.1. Creation of the Lien and Personal Obligation of Assessments. Declarant, for each Lot now or hereafter owned by it within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

(a) Regular Monthly Assessments (for maintenance, repairs and ordinary operating expenses);

(b) Special assessments for capital improvements and operating deficits, as provided in Section 5.5, and for special maintenance or repairs as provided in Sections 5.14 and 7.1.

Such assessments shall be established, shall commence upon such dates and shall be collected as hereinafter provided. All such assessments, together with interest, costs and reasonable attorneys’ fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorneys’ fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to such Owner’s successors in title unless expressly assumed by them.

Section 5.2. Roadway Maintenance. The Association shall be responsible for the maintenance of the roadways in the Property, unless they are accepted for public dedication. In such case, a portion of the Regular Monthly Assessment shall be set aside in a separate insured interest-bearing account for the purpose of maintaining, repairing and replacing the roadways (the “Roadway Assessment”). Any Roadway Assessment shall not be mingled with any
other funds or used for any other purpose, except as set forth in this Section 5.2.

Section 5.3. Purpose of Regular Monthly Assessments. The Regular Monthly Assessments levied by the Association shall be used exclusively, in the reasonable discretion of the Board of Directors of the Association, for the promotion of the recreation, health, safety and welfare of the residents in the Property, for the improvement, maintenance and repair of the Common Area, for the performance of the obligations and duties of the Association and for other purposes only as specifically provided herein. A portion of the Regular Monthly Assessments shall be set aside or otherwise allocated in a reserve fund for the purpose of providing repairs and replacement of the Common Area, and other capital improvements which the Association is required to maintain.

Section 5.4. Maximum Regular Monthly Assessments. The Board of Directors from time to time may fix the Regular Monthly Assessment, without any vote of the membership, at any amount not in excess of the maximum.

Section 5.5. Special Assessments for Capital Improvements and Operating Deficits. In addition to the Regular Monthly Assessments authorized above, the Association may levy a Special Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement which the Association is required to maintain, or to recover any operating deficits which the Association may from time to time incur, provided that any such assessment shall have the assent of two-thirds (2/3) of those members of each class of members who cast votes in person or by proxy at a meeting duly called for this purpose.

Section 5.6. Notice and Quorum for Any Action Authorized Under Sections 5.1 and 5.5. Written notice of any meeting called for the purpose of taking any action authorized under Section 5.4 and 5.5 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meetings called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 5.7. Uniform Rate of Assessment. Regular Monthly Assessments and Special Assessments for capital improvements and to recover operating deficits must be fixed at a uniform rate for all Lots, except that the Declaratant and any individual or entity purchasing a Lot or Lots solely for the purpose of construction of a for-sale Dwelling Unit thereon (a "Builder") shall pay only twenty-five
percent (25%) of the Regular Monthly Assessments and Special Assessments so long as any Dwelling Unit constructed upon a Lot by Declarant or Builder has not been conveyed to an Owner intending to occupy or rent said Dwelling Unit as a residence or leased to an individual or entity for use as a residence.

Section 5.8. Date of Commencement of Monthly Assessments: Due Dates. The Regular Monthly Assessment provided for herein shall commence as to each Lot on the first day of the first month following the conveyance of the Common Area. The Board of Directors shall fix any increase in the amount of the monthly assessments at least thirty (30) days in advance of the effective date of such increase. Written notice of any increase in the Regular Monthly Assessment, and written notice of any Special Assessment and such other assessment notices as the Board of Directors shall deem appropriate, shall be sent to every Owner subject thereto. The due dates for all assessments, and the assessment and collection period (i.e., annual, monthly, lump-sum or otherwise) for any Special Assessments, shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in recordable form signed by an Officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate from the Association regarding the status of assessments for any Lot shall be binding upon the Association as of the date of its issuance.

Section 5.9. Effect of Nonpayment of Assessments: Remedies of the Association. If any assessment (or periodic installment of such assessment; if applicable) is not paid on the due date established therfor pursuant to Section 5.8 hereof, each such assessment (together with interest thereon, costs and attorneys' fees as hereinafter provided and as provided in Section 5.1) shall become delinquent and shall constitute a continuing lien on the Lot to which such assessment relates, binding upon the Owner, his heirs, devisees, successors and assigns. The personal obligation of the then Owner to pay such assessments, however, shall not pass to such Owner's successors in title unless expressly assumed by them. If any assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of eight percent (8%) per annum and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property, or both. In such event, there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action; and in the event a judgment is obtained such judgment shall include interest on the assessment as above provided, costs of action and expenses attorneys' fees to be fixed by the Court. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.
Section 5.10. Subordination of the Lien to Mortgages; Sale or Transfer. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The sale or transfer of any Lot pursuant to the foreclosure of any first mortgage on such Lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer. No sale or transfer of any Lot (whether voluntary or pursuant to foreclosure or otherwise) shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof; and, except as hereinabove provided, the sale or transfer of any Lot shall not affect the lien of assessments becoming due prior to the date of such sale or transfer except to the extent that a purchaser may be protected against the lien for prior assessments by a binding certificate from the Association, issued pursuant to Section 5.8, as to whether or not such assessments have been paid.

Section 5.11. Declarant's Responsibility to Cover Deficits or Shortages. The Declarant shall cover any deficit or shortage in the funds necessary to operate the Association that may arise in the development until such time as control of the Association is transferred to the Class A members.

ARTICLE VI

Use Restrictions and Architectural Control

Section 6.1. Lot Use and Conveyance. All Lots shall be used exclusively for residential purposes, except that Declarant, during the development Period, reserves (a) the rights provided in Sections 6.10 and 6.20 respecting the Property generally, and (b) the right to subdivide, dedicate or otherwise convey or designate all or any portion of any one or more Lots which it may own from time to time for recreational or other common uses and benefit of all Owners and other members of the Association. Any Lot or portion thereof so designated for common use shall become part of the Common Area, and reasonable rules and regulations shall be promulgated and enforced with respect thereto so that the use and enjoyment of adjacent Lots by the Owners thereof shall not be unreasonably disturbed. Except as provided in the Declaration, no Lot shall be subdivided to form units of less area. Each Lot shall be conveyed as a separately designated and legally described freehold estate subject to the covenants, conditions and restrictions contained herein.

Section 6.2. Architectural Control. No building, fence, wall or other structure, except original construction of Dwelling Units by or on behalf of Declarant or a Builder, shall be commenced, erected or maintained upon the Property, nor shall any exterior addition to or change or alteration therein, other than by the Declarant, a Builder or Board of Directors, be made until the plans and specifications showing the nature, kind, shape, heights,
materials, color and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee comprised of three (3) of the members, representatives appointed by the Board. Any change in the appearance or the color of any part of the exterior of a residence shall be deemed a change thereto and shall require the approval therefor as above provided. In the event that written approval is not received as required hereunder within thirty (30) days after complete plans and specifications have been submitted, approval will not be required and this Section will be deemed to have been fully complied with. This Section 6.2 shall not apply to repair or replacement of existing materials or improvements by use or type of material or improvement originally used. For example, an owner would not have to seek permission in order to repaint his Dwelling Unit the original color or reroof his home with a shingle that is substantially identical to the originally installed shingle.

Section 6.3. Signs. During the Development Period, no "for sale" or other advertising signs of any kind (other than interior window signs) shall be displayed on any Lot without the prior written approval of Declarant. Thereafter, the placement of "for sale" or advertising or other signs of any nature, kind or description anywhere on the Property shall be subject to such reasonable rules and regulations as may be adopted by the Association.

Section 6.4. Home Occupations. No home occupation shall be conducted or maintained on any Lot other than one which is incidental to a business, profession or occupation of the Owner or an Owner's such Lot; and (1) is not conducted or regularly conducted in another location away from such Lot.

Section 6.5. Animals. No animals, livestock or poultry of any kind shall be raised, bred or kept on any of said Lots, except that dogs, cats or other household pets may be kept provided they are not kept, bred or maintained for any commercial purposes.

Section 6.6. Outside Storage. All clotheslines, equipment, garbage cans, service yards, woodpiles or storage piles shall be kept from view of neighboring homes and streets. All rubbish, trash or garbage shall be regularly removed from the premises, and shall not be allowed to accumulate thereon. Trash may be stored in such enclosed containers, if any, provided by the Association for that purpose. All clotheslines shall be confined to patio areas.

Section 6.7. Outside Use of Lots. Except in an individual patio area appurtenant to a Dwelling Unit, no planting or gardening shall be done, and no fences, hedges, walls or other improvements shall be erected or maintained upon the Property except such as are installed in accordance with the initial plans of the buildings located thereon or as approved by the Association's Board of Directors or their designated representatives. Except for the
right of ingress and egress, the Owners of Lots are hereby
prohibited and restricted from using any of the Property outside the
exterior building lines, patio and court areas, except as may be
allowed by the Association’s Board of Directors. It is expressly
acknowledged and agreed by all parties concerned that this paragraph
is for the mutual benefit of all Owners of Lots in the Steeplechase
West subdivision and is necessary for the protection of said Owners.

Section 6.8. Setback Lines. Front and rear building setback
lines are established on the plat which setback lines are
incorporated herein by this reference.

Section 6.9. Side Setbacks. Adjacent Dwelling Units may be
attached. If a Dwelling Unit is not attached, there shall be at
least ten feet (10") between it and any adjacent Dwelling Unit.

Section 6.10. Number of Dwelling Units. The number of Dwelling
Units shall not exceed the number of platted lots within the
Property.

Section 6.11. Parking. No parking shall be allowed within the
street right-of-way.

Section 6.12. Unattractive Growth. In order to maintain the
standards of the Property, no weeds, underbrush or other unsightly
growth shall be permitted to grow or remain upon any land, and no
refuse pile or unsightly objects shall be allowed to be placed or
suffered to remain anywhere thereon. Failure to comply shall
warrant the Declarant or DMD to cut weeds or clear the refuse from
the Property at the expense of the Owner, and there shall be a lien
against said Property for the expense thereof, which lien shall be
due and payable immediately. If such lien is not promptly paid, the
Association or DMD may file suit and recover such amount together
with reasonable attorneys’ fees and costs of collection.

Section 6.13. Nuisances. No nuisance shall be permitted to
exist or operate upon the Property.

Section 6.14. Site Visibility. No fence, wall, hedge or shrub
planting which obstructs sight lines at elevations between two (2)
feet and six (6) feet above the street shall be placed or permitted
to remain on any corner lot within the triangular area formed by the
street property lines and a line connecting points twenty-five (25)
feet from the intersection of said street lines, or in the case of a
rounded property corner from the intersection of the street lines
extended. The same sightline limitations shall apply to any lot
within ten (10) feet from the intersection of a street line with the
edge of a driveway pavement or alley line. No tree shall be
permitted to remain within such distances of such intersections

880101657
-13-
886085566
unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.

Section 6.15. Boats, Trucks, Etc. No boats, campers, trailers of any kind, recreational vehicles, or commercial vehicles of any kind shall be permitted to park on the Property for more than twelve (12) hours unless fully enclosed inside a garage, or unless the same is necessary and incident to the Declarant or Association's business on the Property.

Section 6.16. Pond Area. Access to any pond area is restricted to the Common Area adjacent to such pond area except for those individuals whose Dwelling Units are immediately adjacent to any such pond area. No individual using any pond area has the right to trespass upon shoreline not within a Common Area, subject to the rights of the Declarant, the Association, their employees, heirs, successors and assigns as set forth in the Declaration. No one shall do or permit any action or activity which could result in pollution of any pond, diversion of water, elevation of water level, earth disturbance resulting in silting or any other conduct which could result in an adverse effect upon water quality, drainage or proper pond management except as provided in the Declaration. No pond may be used for swimming, boating, fishing or for any other purpose, except for drainage of the Property, unless expressly approved by the Association Board of Directors in writing and allowed by law. Only the Declarant and the Association shall have the right to store items or develop recreational facilities upon any Common area adjacent to any pond.

Section 6.17. Rules and Regulations. The Board of Directors from time to time may promulgate further rules and regulations concerning the use of Lots and the Common Area of the Declaration, Articles and By-Laws, and other rules concerning the use of Dwelling Units, and shall be entitled to modify any rule or regulation adopted by the Board of Directors. Copies of all rules and regulations shall be furnished to all Owners, at the Owner's last known address, prior to the time when the same shall become effective. The Association shall have current copies of the Declaration, Articles and By-Laws, and other rules concerning the use of Dwelling Units and financial statements available for inspection by Dwelling Unit Owners or their holders, insurers and guarantors of first mortgages, that are approved by Dwelling Units in the Property. These documents shall be available during normal business hours or under other reasonable circumstances.

Section 6.18. Development and Sale Period. Nothing contained in this Article VI shall be construed or interpreted to restrict the activities of Declarant or a Builder in connection with the development of the Property as well as its own business. During the Development Period, Declarant or a Builder shall be entitled to engage in such activities and to construct, install, erect and

maintain such facilities, upon any portion of the Property at any
time owned or leased by Declarant or a Builder, as in the sole
opinion of Declarant or a Builder may be reasonably required, or
covenient or incidental to, the development of the Property and sale
of the Lots; such facilities as, include, without limitation,
storage areas, signs, parking areas, model residences, construction
offices, sales offices and business offices.

ARTICLE VII
Maintenance of Lots

Section 7.1. Maintenance by Owners. Each Owner shall be
responsible for the exterior maintenance of all improvements on his
Lot except for lawn maintenance and snow removal as provided in
Section 7.2 below. However, if a dwelling Unit owner shall fail to
maintain the exterior of his Unit, or to keep it in a good, clean
and sanitary condition, the Association may, after approval by
two-thirds (2/3) vote of the Board of Directors, require, by Court
or otherwise, that the Owner perform such maintenance or other work
and/or the Association shall have the right, through its agents and
employees, to enter the Lot and perform such maintenance and/or
other work at the Owner’s expense, and the cost thereof shall be due
and payable immediately as an addition to the Owner’s regular
assessment, and shall be secured by the Association’s lien on such
Lot.

Section 7.2. Lawn Maintenance, Snow Removal and Other Work.
The Association shall perform lawn maintenance and snow removal for
Owners. Such maintenance shall be limited to driveways and service
walks. It shall not include patios, porches, entries or stops.

The Association is not prohibited from providing other services to
Owners upon the following conditions:

(a) The Owner is charged a reasonable fee for such maintenance
work that is designed to reimburse the Association for the full cost
thereof;

(b) The Association is willing to perform similar work for any
other Owners in Steeplechase West.

(c) There shall be no discrimination among the Owners in the
performance of any such work.

Such services may be provided by the Association, subject to the
above conditions, at the discretion of the Board of Directors.
ARTICLE VIII
Party Walls

Section 8.1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of two or more Dwelling Units constructed upon the Property and placed on the dividing lines between the Dwelling Units shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 8.2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared equally by the Owners who make use of the wall in proportion to such use.

Section 8.3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, he shall contribute to the cost of restoration thereof in equal proportions without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 8.4. Weatherproofing. Notwithstanding any other provisions of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 8.5. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner’s successors in title.

Section 8.6. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision shall be a majority of all the arbitrators. (Should any party refuse to appoint an arbitrator within ten (10) days after written request therefor, the Board of Directors of the Association shall select an arbitrator for the refusing party).
ARTICLE IX

Insurance

Section 9.1. Casualty Insurance on Insurable Common Area. The Association shall keep all of insurable improvements and fixtures of the Common Area insured against loss or damage by fire for the full insurance replacement cost thereof, and may obtain insurance against such other hazards and casualties as are customarily covered for similar types of projects, including those covered by the standard "all risk" endorsements. The Association may also insure any other property whether real or personal, owned by the Association, against loss or damage by fire and such other hazards as the Association may deem desirable, with the Association as the owner and beneficiary of such insurance. The insurance coverage with respect to the Common Area shall be written in the name of, and the proceeds thereof shall be used by the Association for the repair or replacement of the property for which the insurance was carried. Premiums for all insurance carried by the Association are Common Expenses included in the Regular Monthly Assessments made by the Association.

Section 9.2. Liability Insurance. The Association shall purchase a master comprehensive general liability insurance policy in such amount or amounts as the Board of Directors shall deem appropriate from time to time. Such comprehensive general liability insurance policy shall cover the Association, its Board of Directors, any committee or organ of the Association or Board of Directors and all persons acting or who may come to act as agents or employees of any of the foregoing with respect to the Association. It shall also cover all Common Areas, public ways and any other areas under the Association's control or supervision.

Section 9.3. Fidelity Bonds. The Association shall have blanket fidelity bonds for anyone who either handles or deems the full insurance replacement cost thereof, and may obtain insurance against such other hazards and casualties as are customarily covered for similar types of projects, including those covered by the standard "all risk" endorsements. The Association may also insure any other property whether real or personal, owned by the Association, against loss or damage by fire and such other hazards as the Association may deem desirable, with the Association as the owner and beneficiary of such insurance. The insurance coverage with respect to the Common Area shall be written in the name of, and the proceeds thereof shall be used by the Association for the repair or replacement of the property for which the insurance was carried. Premiums for all insurance carried by the Association are Common Expenses included in the Regular Monthly Assessments made by the Association.
Section 9.4. Miscellaneous Insurance Provisions. The Association shall obtain any other insurance required by law to be maintained, including but not limited to workmen’s compensation insurance, and such other insurance as the Board of Directors shall determine. Insurance coverage shall also provide for and cover cross liability claims of one insured party against another insured party. Such insurance shall inure to the benefit of the Association, its Board of Directors and any managing agent acting on behalf of the Association.

Section 9.5. Casualty and Restoration. Damage to or destruction of any Common Area due to fire or any other casualty or disaster shall be promptly repaired and reconstructed by the Association and the proceeds of insurance, if any, shall be applied for that purpose. For purposes of this Section, repair, reconstruction and restoration shall mean construction or rebuilding of the damaged property to as near as possible the same condition as it existed immediately prior to the damage or destruction, with the same or similar type of architecture.

Section 9.6. Insufficiency of Insurance Proceeds. If the insurance proceeds received by the Association as a result of any such fire or any other casualty or disaster are not adequate to cover the cost of repair and reconstruction, or in the event there are no insurance proceeds, the cost for restoring the damage and repairing and reconstructing the Common Area or any improvements damaged or destroyed (or the costs thereof in excess of insurance proceeds received, if any) shall be paid by the Association which shall then have the right to levy a special assessment against all Lots for such deficiency.

Section 9.7. Surplus of Insurance Proceeds. In the event that there is any surplus of insurance proceeds after the reconstruction or repair of the damage has been fully completed and all costs paid, such sums may be retained by the Association as a reserve or may be used in the maintenance and operation of the property, or, in the discretion of the Board of Directors, may be distributed to the Owners of the Buildings affected and their Mortgagees who are the beneficial owners of the fund. The action of the Board of Directors in proceeding to repair or reconstruct damage shall not constitute a waiver of any rights against another Owner for committing willful or malicious damage.

ARTICLE X

Mortgagee

Section 10.1. Mortgagee Rights. In addition to any other rights provided elsewhere in this Declaration to mortgagees, any lender or lenders holding a first mortgage or first mortgages upon any Lot or Lots, jointly or singly, may pay any real estate taxes or
other taxes or charges which are in default and which may or have become a charge or lien against any Common Area or any other property owned by the Association; and may pay any overdue premiums on any hazard, casualty, liability or other insurance policies or secure new insurance coverage on the lapse of any policies for any such property or covering any property for which the Association has an obligation to maintain insurance coverage. Any such lender or lenders making payments in accordance with this Section 10.1 shall be entitled to immediate reimbursement therefor from the Association along with any costs incurred, including reasonable attorneys' fees.

Section 10.2. Notice to Mortgagees. The Association, upon request, shall provide to any lender holding a first mortgage upon any Lot, a written certificate or notice specifying unpaid assessments and other defaults of the Owner of such Lot, if any, in the performance of such Owner's obligations under this Declaration, the Articles of Incorporation of the Association, its By-Laws or any other applicable documents, which default has not been cured within sixty (60) days. A reasonable charge may be made by the Association for the issuance of any such certificate or notice, and any such certificate properly executed by an officer of the Association shall be binding upon the Association, as provided in Section 5.8.

Section 10.3. Condemnation and Insurance Awards. No provisions of this Declaration, or any amendment thereto, shall give an Owner, or any other party, priority over any rights of the first mortgagee of a Lot pursuant to its mortgage in the case of a distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of Common Area property.

Section 10.4. Right of First Refusal. Any "right of first refusal" in the Deed by the Association Articles, Association By-Laws or any other document governing the development and administration of the Property will not impair the rights of a first mortgagee to:

(a) foreclose or take title to a Dwelling Unit, and the Lot upon which the Dwelling Unit is situated, pursuant to the remedies in the mortgage;

(b) accept a deed or assignment in lieu of foreclosure in the event of default by a mortgagee; or

(c) sell or lease a unit acquired by the mortgagee.

Section 10.5. Unpaid Dues or Charges. Any first mortgagee who obtains title to a Dwelling Unit, and the Lot upon which the Dwelling Unit is situated, pursuant to the remedies in the mortgage or through foreclosure, will not be liable for the Dwelling Unit's unpaid dues or charges accrued before the acquisition of the title to the Unit by the mortgagee.
Section 10.6. Audited Statements. The Association must provide an audited statement for the preceding fiscal year if the holder, insurer or guarantor of any first mortgage that is secured by a Dwelling Unit in the Property submits a written request for it.

ARTICLE XI
General Provisions

Section 11.1. Right of Enforcement. In the event of a violation, or threatened violation, of any of the covenants, conditions and restrictions herein enumerated, Declarant, the Association or any Owner and all parties claiming under them shall have the right to enforce the covenant, conditions and restrictions contained herein, and pursue any and all remedies, at law or in equity, available under applicable Indiana law, with or without proving any actual damages, including the right to secure injunctive relief or secure removal by due process of any structure not in compliance with the covenants, conditions and restrictions contained herein, and shall be entitled to recover reasonable attorneys' fees and the costs and expenses incurred as a result thereof.

Section 11.2. Severability and Waiver. Invalidation of any one of the covenants, restrictions or provisions contained in this Declaration by judgment or court order shall not in any way affect any of the other provisions hereof, which shall remain in full force and effect. No delay or failure by any person to enforce any of the restrictions or conditions herein shall be deemed or held to be a waiver by that person of the right to do so thereafter, or as estoppel of that person to assert any right available to him upon the occurrence, recurrence or continuation of any violation or violations of the restrictions.

Section 11.3. Amendment. During the first twenty (20) years following its recordation, this Declaration may be amended or modified at any time by an instrument recorded in the Office of the Recorder of Marion County, Indiana, approved and signed by at least ninety percent (90%) of the then Owners, and thereafter by an instrument signed by at least seventy-five percent (75%) of the then Owners. Provided, however, that none of the rights or duties of Declarant reserved or set out hereunder may be amended or changed without Declarant's prior written approval. Except as prohibited below, this Declaration may also be amended by Declarant, if it then has any ownership interest in the Property, at any time within two (2) years after the recordation hereof. Any amendment must be recorded. Neither the Association, the Owners nor Declarant shall effect any of the following changes without the prior written approval of two-third (2/3) of the first mortgagees of the Lots (based upon one (1) vote for each mortgage owned) and two-thirds (2/3) of the Owners of Lots (excluding Declarant or builder):

(a) by act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Common Area owned directly or indirectly by the Association for the benefit of the Owners of the Dwelling Units. The granting of easements for public utilities or other public purposes consistent with the intended use of the Common Area by the Dwelling Unit Owners is not a transfer in the meaning of this clause;

(b) change the method of determining the obligations, assessments, dues or other charges that may be levied against a Dwelling Unit Owner;

(c) by act or omission change, waive or abandon any scheme of regulations or their enforcement pertaining to the architectural design of the exterior appearance of units, the exterior maintenance of units, the maintenance of the Common Area, party walks, common fences and driveways, and the upkeep of lawns and plantings in the Property;

(d) fail to maintain fire and extended coverage on insurable Common Area on a current replacement cost basis in an amount at least 100 percent of the insurance value (based on current replacement costs);

(e) use hazard insurance proceeds for losses to any Common Area for other than the repair, replacement, or reconstruction of the Common Area.

(f) change the voting rights, assessments, assessment liens or subordination of assessment liens, except as provided for in this Declaration;

(g) change the manner in which reserves for maintenance, repair and replacement of Common Areas have been set up and previously maintained by the Association;

(h) change the rights to the use of the Common Area, except as provided for in this Declaration;

(i) change the boundaries of any Dwelling Unit, and the Lot upon which the Dwelling Unit is situated, except as provided for in this Declaration;

(j) any change concerning convertability of Dwelling Units into Common Area or vice versa, except as provided for in this Declaration;

(k) allow for expansion or contraction of the development, or the addition, annexation or withdrawal of property to or from the development, except as provided for in this Declaration;
(i) any requirements for insurance or fidelity bonds set forth in this Declaration;

(m) any imposition of any restriction on a Dwelling Unit Owner's right to sell or transfer his or her Dwelling Unit;

(n) any decision by the Association to establish self-management when professional management has been required previously by an FNMA eligible mortgage holder;

(o) restoration and repair of the Common Area (after a hazard damage or partial condemnation) in a manner other than specified in the Declaration;

(p) any action to terminate the legal status of the development after substantial destruction or condemnation occurs;

(q) any provision that expressly benefits mortgage holders, insurers or guarantors; or

(r) any termination of legal status of the development for reasons other than substantial destruction or condemnation of the Property.

If an addition or amendment is not considered as a material change, such as the correction of a technical error or the clarification of a statement within the Declaration, Association Articles, Association By-Laws or other constituent documents, there shall be an implied approval to be assumed when an eligible mortgage holder fails to submit a response to any written proposal for an amendment within thirty (30) days after proposal is made. The covenants, restrictions and all other provisions of this Declaration shall run with the land and shall be binding upon the persons owning any portion of the Property and all parties claiming under them for a period of twenty (20) years from the date of recordation, and thereafter shall automatically extend for successive periods of ten (10) years each unless prior to the expiration of such ten-year period, this declaration is amended or changed in whole or in part as hereinabove provided.

Section 11.4. FHA/VA Approval. If the Property has been approved for financing insured or issued by the Federal Housing Administration ("FHA") or the Veterans Administration ("VA"), as long as there is a Class B membership, the following actions will require the prior approval of the Federal Housing Administration or Veterans Administration: annexation of additional property, dedication of Common Area (except as provided in this Declaration), and amendment of this Declaration.
Section 11.5. Assignment. Declarant may assign or otherwise transfer any and all of its rights as Declarant.

Section 11.6. Condemnation, Destruction or Liquidation. The Association shall be designated to represent the Dwelling Unit Owners in any proceedings, negotiations, settlements or agreements for the handling of any losses or proceeds from condemnation, destruction or liquidation of all or a part of the Common Area or from the termination of the development. Each Dwelling Unit Owner, by his acceptance of a deed, appoints the Association as his attorney-in-fact for this purpose. Proceeds from the settlement will be payable to the Association for the benefit of the Dwelling Unit Owners and their mortgage holders. Any distribution of funds in connection with the termination of this development shall be made on a reasonable and an equitable basis.

Section 11.6. Metropolitan Development Commission. The Metropolitan Development Commission, its successors and assigns, shall have no right, power or authority to enforce any covenants, commitments, restrictions or other limitations contained in this Plat other than those covenants, commitments, restrictions or limitations that expressly run in favor of the Metropolitan Development Commission; provided further that nothing herein shall be construed to prevent the Metropolitan Development Commission from enforcing any provisions of the subdivision control ordinance, 38-40-3, as amended, or any conditions attached to approval of this Plat by the Plat Committee.

IN WITNESS WHEREOF, STEEPLECHASE WEST ASSOCIATES, an Indiana Partnership, has caused this Declaration to be executed as of the date first written above.

EXHIBIT "D-2"
WHEREAS, the original Declaration of Covenants, Conditions, and Restrictions of Steeplechase West was executed on August 23, 1988, by the Declarant, Jonathan-Gunstra, an Indiana joint venture, and recorded October 13, 1988, as Instrument No. 88085866 in the Office of the Recorder of Marion County; and

WHEREAS, Article XI, Section 11.3, of the Declaration provides that the Declaration may be amended upon affirmative vote of ninety percent (90%) of the then owners during the first twenty (20) years following recordation; and

WHEREAS, in excess of ninety percent (90%) of the owners of property at Steeplechase West have approved the following amendments to the Declaration;

NOW, THEREFORE, the Declaration of Covenants, Conditions, and Restrictions of Steeplechase West are amended as follows:

1. Article V, Section 5.9, dealing with the effect of non-payment of assessment and remedies of the association, is hereby deleted and is replaced with the following language:

Section 5.9. Effect of Non Payment of Assessments: Remedies of the Association. If any assessment (or periodic installment of such assessment, if applicable) is not paid on the due date established therefor pursuant to Section 5.8 hereof, then the entire unpaid assessment (together with interest thereon, costs and attorneys' fees as hereinafter provided and as provided in Section 5.1) shall become delinquent and shall constitute a continuing lien on the Lot to which such assessment relates, binding upon the Owner, his heirs, devisees, successors and assigns. The personal obligation of the then Owner to pay such assessments, however, shall not pass to such Owner's successors in title unless expressly assumed by them. If any assessment is not paid within ten (10) days after the due date, the Association may impose a late fee, which will be considered an addition to the assessment, in an amount to be determined by the Association, but not to exceed twenty-five percent (25%) of the amount of the assessment. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property, or both. In such event, there shall be added to the amount of such assessment the costs of preparing and filing the
complaint in such action; and in the event a judgment is obtained such judgment shall include interest, costs of the action and reasonable attorneys' fees to be fixed by the Court. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

2. Article IX, dealing with insurance provisions, is deleted in its entirety and is replaced with the following language:

ARTICLE IX

INSURANCE

Section 9.1. Casualty Insurance. The Association shall purchase a master casualty insurance policy or policies affording fire and extended coverage insurance insuring the Property including the Common Area and all Dwelling Units and Lots, in an amount consonant with the full replacement value of the improvements excluding, as to any Lot and the improvements thereon, any personal property owned by any Owner whether located on a Lot or elsewhere. If the Association can obtain such coverage for reasonable amounts it shall also obtain "all risk" coverage. The Association shall be responsible for reviewing at least annually the amount and type of such insurance and shall purchase such additional insurance as is necessary to provide the insurance required above. If deemed advisable by the Association, it may cause such full replacement value to be determined by a qualified appraiser and the cost of any such appraisal shall be included in the monthly maintenance assessment for each Lot. Such insurance coverage shall be for the benefit of the Association, each Owner, and, if applicable, the first Mortgagee of each Lot.

Such master casualty insurance policy, and "all risk" coverage if obtained, shall (to the extent the same are obtainable) contain provisions that the insurer (a) waives its right to subrogation as to any claim against the Association, its Board of Directors, its agents and employees, Owners, their respective agents and guests, and (b) waives any defense based on the invalidity arising from the acts of the insured, and providing further, if the Board of Directors is able to obtain such insurance upon reasonable terms, that the insurer shall not be entitled to contribution against casualty insurance which may be purchased by individual Owners as herein-after permitted.
Section 9.2. Liability Insurance. The Association shall also purchase a master comprehensive public liability insurance policy in such amount or amounts as the Board of Directors shall deem appropriate from time to time. Such comprehensive public liability insurance policy shall cover the Association, its Board of Directors, any committee or organ of the Association or Board of Directors, all persons acting or who may come to act as agents or employees of any of the foregoing with respect to the Association, all Owners and all other persons entitled to occupy any Lot.

The Association shall also obtain any other insurance required by law to be maintained, including but not limited to workmen's compensation insurance, and such other insurance as the Board of Directors shall from time to time deem necessary, advisable or appropriate. Such insurance coverage shall also provide for and cover cross liability claims of one insured party against another insured party. Such insurance shall inure to the benefit of each Owner, the Association, its Board of Directors and any managing agent acting on behalf of the Association. Each Owner shall be deemed to have delegated to the Board of Directors his right to adjust with the insurance companies all losses under policies purchased by the Association.

Section 9.3. Monthly Assessment for Insurance. The premiums for all such insurance hereinafter described shall be paid by the Association and the cost thereof shall become a part of the monthly assessment to which each Lot conveyed by Declarant shall be subject under the terms and provisions of Article V. When any such policy of insurance hereinafter described has been obtained by or on behalf of the Association, written notice of the obtaining thereof and of any subsequent changes therein or termination thereof shall be promptly furnished to each Owner or Mortgagee whose interest may be affected thereby, which notice shall be furnished by the officer of the Association who is required to send notices of meetings of the Association.

Section 9.4. Distribution to Mortgagee. In no event shall any distribution of proceeds be made by the Board of Directors directly to an Owner where there is a mortgagee endorsement on the certificate of insurance. In such event any remittances shall be to the Owner and his mortgagee jointly.

Section 9.5. Additional Insurance. Each Owner shall be solely responsible for and may obtain such additional insurance as
he deems necessary or desirable at his own expense affording coverage upon his personal property located in Dwelling Unit or on his Lot and his personal property stored elsewhere on the Property, and for his personal liability, but all such insurance shall contain the same provisions for waiver of subrogation as referred to in the foregoing provisions for the master casualty insurance policy to be obtained by the Association. Each Owner may obtain casualty insurance at his own expense upon his Lot but such insurance shall provide that it shall be without contribution as against the casualty insurance purchased by the Association. If a casualty loss is sustained and there is a reduction in the amount of the proceeds which would otherwise be payable on the insurance purchased by the Association pursuant to this paragraph due to preemption of insurance purchased by an Owner under this paragraph, the Owner agrees to assign the proceeds of this latter insurance, to the extent of the amount of such reduction, to the Association to be distributed as herein provided.

Section 9.6. Casualty and Restoration. Damage to or destruction of the Common Area or any Dwelling Unit or Lot due to fire or any other casualty or disaster shall be promptly repaired and reconstructed by the Association and the proceeds of insurance, if any, shall be applied for that purpose.

Section 9.7. Insufficiency of Insurance Proceeds. If the insurance proceeds received by the Association as a result of any such fire or any other casualty or disaster are not adequate to cover the cost of repair and reconstruction, or in the event there are no insurance proceeds, the cost for restoring the damage and repairing and reconstructing the Common Area or any Dwelling Unit or Lot so damaged or destroyed (or the costs thereof in excess of insurance proceeds received, if any) shall be paid by the Association which shall then have the right to levy a special assessment against all Lots for such deficiency.

For purposes of Section 9.6 above, repair, reconstruction and restoration shall mean construction or rebuilding of the Common Area or any Dwelling Unit or Lot to as near as possible the same condition as it existed immediately prior to the damage or destruction and with the same or similar type of architecture.

Section 9.8. Surplus of Insurance Proceeds. In the event that there is any surplus of insurance proceeds after the reconstruction or repair of the damage has been fully completed and all costs
paid, such sums may be retained by the Association as a reserve or may be used in the maintenance and operation of the Property, or, in the discretion of the Board of Directors, may be distributed to the Owners of the Dwelling Units affected and their Mortgagees who are the beneficial owners of the fund. The action of the Board of Directors in proceeding to repair or reconstruct damage shall not constitute a waiver of any rights against another Owner for committing willful or malicious damage.

Section 9.9. Fidelity Bonds. The Association shall have blanket fidelity bonds for anyone who either handles or is responsible for funds held or administered by the Association, whether or not they receive compensation for their services. The Association bonds shall name the Association as the obligee and the premium shall be paid as a common expense by the Association. Any management agent that handles funds for the Association shall be covered by its own fidelity bond, which must provide the same coverage required of the Association. The Association shall be named as an additional obligee in the management agent’s bond. The fidelity bond shall cover the maximum funds that will be in the custody of the Association or its management agent at any time while the bond is in force. In addition, the fidelity bond coverage must at least equal the sum of three months’ assessments on all Dwelling Units in the Property, plus the Association’s reserve funds. The fidelity bonds must include a provision that calls for ten (10) days’ written notice to the Association or insurance trustee before the bond can be canceled or substantially modified for any reason. The same notice must also be given to each servicer that services an FNMA owned mortgage in the Property.

such as the correction of a technical error or the clarification of
a statement within the Declaration, Association Articles,
Association By-Laws or other constituent documents, there shall be
an implied approval to be assumed when an eligible mortgage holder
fails to submit a response to any written proposal for an amendment
within thirty (30) days after proposal is made. The covenants,
restrictions and all other provisions of this Declaration shall run
with the land and shall be binding upon the persons owning any
portion of the property and all parties claiming under them for a

THIRD AMENDMENT TO THE DECLARATION OF COVENANTS,
CONDITIONS AND RESTRICTIONS OF STEEPLECHASE WEST

This Third Amendment to the Declaration of Covenants, Conditions and Restrictions of
Steeplechase West ("Third Amendment") was made as of the date below.

WITNESSETH:

WHEREAS, the Steeplechase West Subdivision ("Steeplechase West") located in
Marion County, Indiana was established by a certain "Declaration of Covenants, Conditions and
Restrictions of Steeplechase West" ("Declaration") which was recorded October 13, 1988, as
Instrument No. 1988-85866 in the Office of the Recorder of Marion County, Indiana; and

WHEREAS, the First Amendment to the Declaration was recorded March 17, 1992, as
Instrument No. 1992-30933 in the Office of the Recorder of Marion County, Indiana ("First
Amendment"); and

WHEREAS, the Second Amendment to the Declaration was recorded February 4, 1994,
as Instrument No. 1994-20274 in the Office of the Recorder of Marion County, Indiana
("Second Amendment"); and

WHEREAS, the original developer of Steeplechase West caused to be incorporated
under the laws of the State of Indiana a nonprofit corporation under the name Steeplechase West
Homeowners Association, Inc. ("Association"); and

WHEREAS, the original Declaration, the First Amendment and the Second Amendment
are hereafter collectively referred to as the "Declaration as Amended"; and
WHEREAS, the Declaration as Amended provides that it may be amended at any time by a recorded instrument approved and signed by at least two-thirds (2/3) of all the then Owners; and

WHEREAS, this Third Amendment, as set forth below, has been approved and signed by at least two-thirds (2/3) of all the present Owners per the signature pages attached hereto and incorporated herein by reference.

NOW, THEREFORE, the Declaration of Covenants, Conditions and Restrictions of Steeplechase West is hereby amended, and will be referred to as the "Third Amendment", as described below:

1. A new Article XII, including Sections 12.1 through 12.10, is hereby added to the Declaration as Amended as follows:

   **ARTICLE XII**  
   **Leasing Restrictions**

   **Section 12.1. General Purposes of Leasing Restrictions.** The Association's members recognize that an owner-occupant is both psychologically and financially invested in a home to a greater extent than a renter, and thus owner-occupants maintain their property better than renters generally. The Association's members wish to insure that the residents within Steeplechase West share the same proprietary interest in and respect of the Lots and the Common Areas. They also want to encourage residents to not only maintain property values but also to improve them and recognize that owner occupants have more incentive to do so compared to non-owner occupants. Thus, the provisions of this Article XII shall be applicable.

   **Section 12.2. Limits on the Number of Leased Lots ("Rental Cap").** In order to insure that the residents within Steeplechase West share the same proprietary interest in and respect of the Lots and the Common Areas, no more than seven (7) of the eighty-five (85) Lots may be leased or rented to non-owner occupants at any given time, except as may be otherwise provided in this Article XII. The Lots described in Section 12.3 below shall count towards the seven (7) Lot "rental cap". If at any time such number of Lots are leased or rented, an Owner who wants to rent or lease his or her Lot which is not already rented shall be placed upon a waiting list by the Board of Directors. When an existing tenant moves out, the Owner of that Lot shall immediately notify the Board of Directors or Managing Agent of such fact and that Lot cannot be re-rented until all prior Owners on the waiting list, if any, have had a chance to rent their Lots. Prior to the execution of any lease, and in addition to the requirements set forth below, the Owner must notify the Board of Directors or the Managing Agent as to that Owner's intent to lease his or her Lot. After receiving such notice, the Board of Directors or the Managing Agent shall advise the Owner if Lots may be leased or whether the maximum number of Lots within Steeplechase West is currently being leased. If the maximum number of Lots is being leased, the Board of Directors or the Managing Agent shall also notify the Owner of that Owner's position on the waiting list.
Section 12.3. Effective Date of “Rental Cap” on Existing Rentals. Neither the “rental cap” nor the other provisions in Section 12.2 above shall apply to any Lot of an Owner in Steeplechase West who, as of the date of recording of this provision, is renting or leasing said Lot and provides written proof thereof to the Association’s Managing Agent within thirty (30) days after the date of said recording. Such proof shall include a copy of each executed lease by such Owner which identifies the tenant (but which may have the rental amount deleted). The Owners of record of such currently-rented Lots shall not be subject to the provisions of Section 12.2, but shall be subject to the remaining provisions of this Article XII. However, when the legal owners of record of any of the above-described Lots sell, transfer or convey such Lot(s) to another Owner after the date of recording of this provision, such Lot(s) shall immediately become subject to Section 12.2.

If an Owner of a currently-rented Lot fails to timely deliver a copy of such lease to the Managing Agent, the Lot shall immediately be subject to Section 12.1. However, in this circumstance, the rental “cap” in Section 12.2 shall not apply to any lease executed prior to the effective date of these restrictions or to any renewals thereof provided in such lease so long as the occupant(s) remain the same. Any Lot who falls under the exception of this Section 12.3 shall, nevertheless, be counted as one of the seven (7) maximum Lots that may be rented at any given time even though such maximum does not apply to restrict such excepted Lot.

Section 12.4. Hardship Exceptions and Waiver. Notwithstanding Section 12.2 above, if an Owner wishes to rent or lease his or her Lot, but the maximum number of Lots is currently being leased, the Owner may request the Board of Directors to waive the “rental cap” and approve a proposed lease if the Owner establishes to the Board’s satisfaction that the “rental cap” will cause undue hardship. If a majority of the entire Board of Directors approves in writing of the Owner’s request, the Board of Directors shall permit the Owner to rent or lease said Lot, subject to any further conditions or limitations imposed by the Board in the Board’s discretion, but only if the Owner satisfies all other requirements of this Article XII. Such decision shall be at the sole discretion of the Board. Examples of an undue hardship include:

(a) death, dissolution or liquidation of an Owner;
(b) divorce or marriage of an Owner;
(c) necessary relocation of the residence of an Owner to a point outside of a fifty (50) mile radius of the perimeter of Steeplechase West due to a change of employment or retirement of at least one (1) of such Owners;
(d) necessary relocation of the residence of an Owner due to mental or physical infirmity or disability of at least one (1) of such Owners;
(e) difficult real estate market conditions; and
(f) other similar circumstances.
Section 12.5. General Lease Conditions.

(a) All leases, including renewals, shall be in writing, and no lease shall be entered into for a term of less than one (1) year without the prior written approval of the Board of Directors.

(b) A copy of each executed lease by an Owner which identifies the tenant (but which may have the rental amount deleted) shall be provided to the Board of Directors or the Managing Agent by the Owner within thirty (30) days after execution.

(c) No portion of any Lot other than the entire Lot shall be leased for any period.

(d) No subleasing shall be permitted.

(e) All leases shall be made expressly subject and subordinate in all respects to the terms of this Declaration of Covenants, the By-Laws, the Articles of Incorporation, and any rules and regulations promulgated by the Board of Directors, as amended, to the same extent as if the tenant were an Owner and a member of the Association;

(f) All leases shall provide for direct action by the Association and/or any Owner against the tenant with or without joinder of the Owner of such Lot. If such provision is not in the lease, it will be deemed to be in such lease.

(g) The Owner shall supply copies of such legal documents to the tenants prior to the effective date of the lease.

(h) The Owner cannot be delinquent in the payment of any assessments or other charges to the Association. If at any time an Owner becomes delinquent, the Board shall have the right to revoke said Owner's right to lease the Owner's Lot, even if during the term of a lease.

(i) The Board of Directors shall have the power to promulgate such additional rules and regulations as, in its discretion, may be necessary or appropriate concerning leasing.

(j) All Owners who do not reside in the home shall provide the Board of Directors with the name of the tenant(s) and any other residents living in the home.

Section 12.6. One Year Waiting Period. In addition to all other provisions of this Article XII, for a period of at least one (1) year after an Owner’s acquisition of a Lot, said Owner cannot lease such Lot. After such time, said Lot will be eligible to be leased if all other conditions of this Article XII are satisfied and provided further that the Owner is not delinquent
in the payment of any assessments or other charges to the Association. Notwithstanding this
Section 12.6, if an Owner wishes to lease a Lot prior to the end of the one year waiting period,
the Owner may apply to the Board of Directors for a waiver. The Board may, in writing, approve
an earlier lease if the Owner establishes to the Board's satisfaction that the waiting period will
cause undue hardship in the manner as defined in Section 12.4 above.

Section 12.7. Owner is Still Liable. No lease shall provide, or be interpreted or
construed to provide, for a release of the Owner from his or her responsibility to the Association
and the other Owners for compliance with the provisions of this Declaration of Covenants, the
Articles of Incorporation, the By-Laws, and any rules and regulations promulgated by the Board
of Directors, or from the Owner's liability to the Association for payments of assessments or any
other charges.

Section 12.8. Violations. Any lease or attempted lease of a Lot in violation of the
provisions of this Article XII shall be voidable at the election of the Association's Board of
Directors or any other Owner, except that neither party to such lease may assert this provision of
this Article XII to avoid its obligations thereunder. In the event of a violation, the Board of
Directors, on behalf of the Association, or any Owner, shall have the right to exercise any and all
available remedies at law or equity.

Section 12.9. Maximum Number of Lots Owned by a Single Owner. In order to
encourage Steeplechase West being and remaining a community where the Owners reside on the
property:

(a) No Owner may own more than two (2) Lots within Steeplechase West at any
time. This restriction shall not apply to any Owner who owns more than two (2)
Lots which were purchased or with respect to which there was a binding purchase
agreement prior to the recording of this restriction.

(b) If any Owner is the Owner of more than one (1) Lot, such Owner or the majority
of the principals of such Owner shall and must reside in Steeplechase West in at
least one (1) of such Lots, unless otherwise approved in writing by the Board of
Directors upon a showing by such Owner, satisfactory to the Board of Directors,
of an undue hardship as defined in Section 12.3 above.

As defined above in Section 2.10 of this Declaration of Covenants, "Owner" means the
record owner, whether one or more persons or entities, of the fee simple title to any Lot in
Steeplechase West. As used in this Section 12.9 above, "Owner" also means those persons or
entities who comprise less than all persons or entities who own in any form or manner the fee
simple title or any part thereof to any Lot and those persons or entities who have any interest in
any form or manner in the fee simple title or any part thereof to any Lot. As an example, if any
person or entity owns or has any interest in the ownership of two (2) Lots, whether in his, her or
its name only, as joint tenants, as life tenant or by or through any corporation, partnership, trust,
limited liability company, or any other entity, that person cannot own a third Lot, whether in his,
her or its name only, as joint tenants, as life tenant or by or through a corporation, partnership, trust, limited liability company, or any other entity.

Section 12.10. Institutional Mortgagees. The provisions of this Article XII shall not apply to any institutional mortgagee of any Lot which comes into possession of the Lot by reason of any remedies provided by law or in equity or in such mortgage or as a result of a foreclosure sale or other judicial sale or as a result of any proceeding, arrangement, or deed in lieu of foreclosure. However, when a Lot is sold or conveyed by such an institutional mortgagee to a subsequent purchaser, that subsequent purchaser shall be bound by the provisions of this Article XII.

2. Article IX of the Declaration as Amended is hereby amended in its entirety and replaced in its entirety with the following, consistent with the original and historical practices of the Association:

**ARTICLE IX**

**Insurance**

Section 9.1. Casualty Insurance on Insurable Common Area. The Association shall keep all of insurable improvements and fixtures of the Common Area insured against loss or damage by fire for the full insurance replacement cost thereof, and may obtain insurance against such other hazards and casualties as are customarily covered for similar types of projects, including those covered by the standard "all risk" endorsements. The Association may also insure any other property whether real or personal, owned by the Association, against loss or damage by fire and such other hazards as the Association may deem desirable, with the Association as the owner and beneficiary of such insurance. The insurance coverage with respect to the Common Area shall be written in the name of, and the proceeds thereof shall be used by the Association for the repair or replacement of the property for which the insurance was carried. Premiums for all insurance carried by the Association are Common Expenses included in the Regular Monthly Assessments made by the Association.

Section 9.2. Liability Insurance. The Association shall purchase a master comprehensive general liability insurance policy in such amount or amounts as the Board of Directors shall deem appropriate from time to time. Such comprehensive general liability insurance policy shall cover the Association, its Board of Directors, any committee or organ of the Association or Board of Directors and all persons acting or who may come to act as agents or employees of any of the foregoing with respect to the Association. It shall also cover all Common Areas, public ways and any other areas under the Association's control or supervision.

Section 9.3. Fidelity Bonds. The Association shall have blanket fidelity bonds for anyone who either handles or is responsible for funds held or administered by the Association, whether or not they receive compensation for their services. The Association bonds shall name the Association as the obligee and the premium shall be paid as a common expense by the
Association. Any management agent that handles funds for the Association shall be covered by its own fidelity bond, which must provide the same coverage required of the Association. The Association shall be named as an additional obligee in the management agent’s bond. The fidelity bond shall cover the maximum funds that will be in the custody of the Association or its management agent at any time while the bond is in force. In addition, the fidelity bond coverage must at least equal the sum of three months’ assessments on all Dwelling Units in the Property, plus the Association’s reserve funds. The fidelity bonds must include a provision that calls for ten (10) days’ written notice to the Association or insurance trustee before the bond can be cancelled or substantially modified for any reason. The same notice must also be given to each servicer that services a Fannie Mae owned mortgage in the Property.

Section 9.4. Miscellaneous Insurance Provisions. The Association shall obtain any other insurance required by law to be maintained, including but not limited to workers compensation insurance, and such other insurance as the Board of Directors shall from time to time deem necessary, advisable or appropriate. Such insurance coverage shall also provide for and cover cross liability claims of one insured party against another insured party. Such insurance shall inure to the benefit of the Association, its Board of Directors and any managing agent acting on behalf of the Association.

Section 9.5. Casualty and Restoration. Damage to or destruction of any Common Area due to fire or any other casualty or disaster shall be promptly repaired and reconstructed by the Association and the proceeds of insurance, if any, shall be applied for that purpose. For purposes of this Section, repair, reconstruction and restoration shall mean construction or rebuilding of the damaged property to as near as possible the same condition as it existed immediately prior to the damage or destruction, with the same or similar type of architecture.

Section 9.6. Insufficiency of Insurance Proceeds. If the insurance proceeds received by the Association as a result of any such fire or any other casualty or disaster are not adequate to cover the cost of repair and reconstruction, or in the event there are no insurance proceeds, the cost for restoring the damage and repairing and reconstructing the Common Area or any improvements damaged or destroyed (or the costs thereof in excess of insurance proceeds received, if any) shall be paid by the Association which shall then have the right to levy a special assessment against all Lots for such deficiency.

Section 9.7. Surplus of Insurance Proceeds. In the event that there is any surplus of insurance proceeds after the reconstruction or repair of the damage has been fully completed and all costs paid, such sums may be retained by the Association as a reserve or may be used in the maintenance and operation of the Property, or, in the discretion of the Board of Directors, may be distributed to the Owners of the Buildings affected and their Mortgagees who are the beneficial owners of the fund. The action of the Board of Directors in proceeding to repair or reconstruct damage shall not constitute a waiver of any rights against another Owner for committing willful or malicious damage.

Section 9.8. Proof of Insurance. Recognizing that the responsibility of the Board of
Directors to maintain all lots could be substantially affected by fire or other casualty losses to a home, and further recognizes that in attached units, each owner has a responsibility to repair party walls destroyed by fire or other casualty, and further recognizing that individual owners have no way of guaranteeing protection in the event that an adjoining owner or an owner on another lot will make appropriate repair for fire or other casualty damage absent insurance covering such losses, the Board of Directors of the Association hereby declares that each owner is required between January 1 and January 31 of each year to provide proof that such owner is maintaining fire and other casualty coverage on his respective dwelling unit in an amount at least equal to the full replacement value of the unit. The owner that does not provide such proof of coverage shall be given written notice that such proof has not been provided and if said owner still fails or refuses to provide written proof of insurance, the Board may assess a fine of twenty-five dollars ($25) to be added to the owner's assessment.

3. All other provisions of the Declaration as Amended shall remain unchanged.

4. The foregoing amendments shall run with the land and shall be binding upon all Owners and upon the parties having or acquiring any right, title or interest, legal or equitable, in and to the real property or any part or parts thereof subject to such restrictions, and shall inure to the benefit of all successors in title to any real estate in Steeplechase West.

5. The undersigned officers of the Association hereby represent and certify that all requirements for and conditions precedent to the Amendments to the Declarations have been fulfilled and satisfied.
