The use of six (6) foot fences around small patio areas of a backyard of a home in order to secure privacy for the immediate patio area may be permitted.

29. Homeowners Association: The "Stillmeadow Homeowners Association", hereinafter referred to as the "Association", shall be created by the Developer acting on behalf of the owners and future owners of lots in this subdivision.

After its creation by the Developer, the Association shall conduct a meeting at least once each year to organize itself and to elect its officers. The Association shall adopt By-Laws for its government and may levy and collect dues. The Association shall have the authority to impose and collect annual assessments. The total of the dues and assessments levied against each lot may not exceed forty-five dollars ($45.00) per lot per year. The $45.00 annual limit may be increased by either a majority vote of members of the Board of Directors, so long as any increase by the Board does not exceed the percentage increase in the Consumer Price Index from January 1, 1994 to January 1 of the year the increased amount is to first be effective. The Consumer Price Index (All Items) for the United States published by the United States Department of Labor, Bureau of Labor Statistics will be used to determine the amount of any permissible increase by the Board of Directors. If the Index is changed so that the base year differs from that in effect when the term commences, the published Index shall be converted in accordance with the conversion factor published by the United States Department of Labor, Bureau of Labor Statistics. If that Index is discontinued or revised during the term, such other government index or computation with which it is replaced shall be used in order to obtain substantially the same result as would be obtained if the Index had not been discontinued or revised. Those assessments shall be levied equally on each lot. Failure to pay said assessments or annual dues shall be a violation of these covenants and restrictions. Any such assessments or annual dues shall be billed by the Association to the owner of each lot during the month of January of each year and shall be due and payable within thirty (30) days. All lots shall, from and after the recording of these restrictions, be subject to said annual dues and assessments. Said dues and assessments, including interest, costs, of collection and attorney fees, if any, as hereinafter provided, shall be a lien in favor of the Association upon the lot against which such dues and assessments are charged until discharged by payment or
released by the Association, which lien may, but need not, be enforced the same manner as is provided in the mechanic’s lien statutes of the State of Indiana. Notwithstanding anything to the contrary herein, the association need not file or record or send any notice with respect to any lien or liens or bring suit thereon within any time specified in the mechanic’s lien statutes of the State of Indiana to enforce the same. The Association may, but not need, publicly record such notice of undischarged liens arising hereunder as it deems appropriate and may, but need not bring a separate independent action in any court to enforce payment of or to foreclose, the lien created hereunder. Provided further, that any person purchasing or dealing with said lot may rely upon a certificate signed by the President or Secretary of the Association showing the amount of such certificate, and the Association shall not be entitled to enforce any lien for such charge accruing prior to the date of any such certificate unless the amount thereof is shown in the said certificate. The within above-described lien is subordinate to any first mortgage lien. The Association may also enforce the restrictions concerning accumulations of rubbish, weeds, or trash, and may own any land for use by all or less than all of the lot owners as a “common area”. Any past-due annual dues, assessments, or other charges assessable hereunder shall bear interest at the rate of eight percent (8%) per annum commencing thirty (30) days after same become due and with attorney’s fees, and shall be due and payable without relief from valuation and appraisement laws. The Association may be formed for, and engage in, such other activities as may be beneficial to the lot owners, to the public at large, or which may qualify the Association as a “not-for-profit corporation or association”, as defined in the Internal Revenue Code. Until such time as the Association is created by the Developer, the Developer, acting on behalf of the Association to be formed, shall be entitled to carry out the responsibilities assigned to, and enjoy and exercise the rights and powers granted to, the Association pursuant to these restrictions, provided, however, that the total of such dues and assessments levied by the Developer in such capacity against each lot shall not exceed forty-five dollars ($45.00) per lot per year so long as the Association has not been created and the Developer is acting in such capacity on behalf of the Association to be formed.

30. Enforcement: If the parties hereto, or any of them, their heirs or assigns, shall violate or attempt to violate any of the covenants herein, it shall be lawful for any
person, or persons owning any lot or lots in said subdivision to prosecute by any proceeding at law or equity the person or persons violating or attempting to violate any such covenant and either to prevent him or them from so doing or to recover damages or other dues for such violation. The successful party to any such action shall recover attorneys fees and cost incurred in such action. A violation of any restriction herein will not result in reversion or forfeiture of title.

31. Term: These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty-five (25) years from the date that these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years, unless by a vote of the then owners of the fee title of not less than seventy-five percent (75%) of the lots covered by these covenants, it is agreed to change such covenants and restrictions in whole or in part.

32. Amendment of Covenants: It is expressly provided that the Developer, its successors, or assigns, shall have the exclusive right for a period of five (5) years from the date of recording of this Plat to amend any or all of the restrictions or covenants herein contained; except that the Developer, its successors or assigns, shall not during such five-year period increase the forty-five dollar ($45.00) limitation on the total dues and assessments which may be levied annually by Stillmeadow Homeowners Association, against any lot. Such amendment shall be evidenced by the recording of a written amendment signed and recorded in the Office of the Recorder of Hendricks County and shall become effective upon such recording. This shall include the right to waive any part of the restrictions or conditions as to any particular lot. After five (5) years from the date of recording of this Plat, these restrictions and Limitations, including that provision of paragraph 29 which places a forty-five ($45.00) maximum on the total dues and assessments which may be levied annually by the Stillmeadow Homeowners Association, against any lot, may be amended at any time by the recording of such amendment executed by the owners of the fee title of not less than seventy-five percent (75%) of the lots in the subdivision.

33. Severability: Invalidation of any one of these covenants, by court order, shall in no way, affect any of the
other provisions, which shall remain in full force and effect.

34. Effective Date: These Restrictive Covenants shall be deemed to be attached to and shall be considered a part of the Plat of Stillmeadow Section 1 and Section 2 and shall become effective upon their recording in the Office of the Recorder of Hendricks County, Indiana.

In WITNESS WHEREOF: The said parties as developers of the above described subdivision have hereunto set their hands and seals this 1st day of August, 1994.
