COVENANT FOR MAINTENANCE AND INSURANCE PREMIUM ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed or contract for deed therefor, whether or not it shall be so expressed in such deed or contract, is deemed to
covenant and agree to pay to the Association:

(1) general annual assessments or charges,

(2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided.

The general annual, master insurance premiums and special assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the purposes of the Association as set forth in Article IV hereof.

Section 3. Assessments for Member Associations. Any assessments for Lots which may be a part of a Member Association shall be assessed to the appropriate Member Association and shall be a lien against the Lot of each Owner who is a member of the Member Association. If such assessment is not paid by the Member Association, the assessment shall be a personal obligation of the Owner of each Lot which is part of a Member Association on a per lot basis.

Section 4. Special Assessment for Capital Improvements. In addition to the general annual assessments, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for any Action Authorized under Sections 4 and 8. Written notice of any meeting called for the purpose of taking any action authorized under Sections 4 and 8 herein shall be sent to all Owner Members and Member Association not less than twenty-one (21) days nor more than thirty (30) days in advance of an annual meeting or not less than seven (7) days nor more than thirty (30) days in advance of a special meeting. At the
first such meeting called, the presence of Members or of proxies entitled to cast more than fifty percent (50%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum of the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 5. Uniform Rate of Assessment: Alternative Assessment Program. Both general annual and special assessments on all Lots must be fixed at a uniform rate, except:

(a) certain expenses which are expanded for the benefit of both The Cottages and The Gardens of Stone Harbour which can be apportioned as to the amount of the particular expense benefitting the individual Member Association Real Estate. The apportionment therefore shall be determined in a manner that is equitable and reasonable for the separate Members Associations and the individual Owners within each Association. Such expense may include but shall not be limited to landscape maintenance (i.e., lawn mowing), snow removal and insurance. In such case, the assessment may not be uniform as to all Owners within Stone Harbour but may be uniform among the Lots within an individual Member Association.

(b) no assessment shall be made against any Lot which is a parcel of real estate which is not intended for separate ownership or occupancy.

(c) any Lot owned by Declarant is exempt from assessment until such time as said Lot has been improved, developed, and/or built upon such that same has become suitable for occupancy.

(d) this alternative assessment program shall have no effect on the level of services for items set forth in the Association’s budget.

Annual and/or special assessments may be collected on a monthly or less frequent basis.

Section 7. Date of Commencement of Assessments; Due Dates. The general annual assessment provided for herein shall commence as to all Lots on the first day of the month following the conveyance by the Declarant of a Lot, including any Lot which is a part of a Member Association. Notwithstanding the foregoing, to the contrary, a Lot owned by Declarant shall be assessed amounts equal to the amounts assessed against lots owned by other than Declarant, which
assessment shall commence as of the first day of the month after the time that said Lot has been improved, developed, and/or built upon such that same has become suitable for occupancy.

The annual budget and general annual assessments and special assessments shall be established by the Initial Board without meetings with or the concurrence of the Member Associations or Owner Members. Thereafter, once the Initial Board has been replaced pursuant to Article V, Section 1, of the By-Laws of Stone Harbour Master Association, Inc., the annual budget, general annual assessments and special assessments shall be established by the Board of Directors pursuant to Article III, Section 5 herein. The first general annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors of the Association shall fix the amount of such assessments against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of such assessments shall be sent to every Member Association and Owner Member subject thereto. The due dates shall be established by the Board of Directors of the Association. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an authorized representative of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment to a Member Association or Owner Member not paid within thirty (30) days after the due date shall bear interest from the due date at a rate of eight percent (8%) per annum. The Association may bring an action at law against the Member Association or the Owner personally obligated to pay the same or foreclose the Lien against the property. Such Lien may be foreclosed in the same manner as a mortgage, and the Association shall be entitled to recover interest at the rate of eight percent (8%) per annum and its costs, expenses and disbursements, including reasonable attorney's fees, incurred in such foreclosure. No Owner Member or Member Association may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of the Owner's Lot.

Section 9. Subordination of the Lien to Mortgage. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. In the event that the holder of a first mortgage forecloses the first mortgage or receives a transfer of the Lot in lieu of the foreclosure, the lien for unpaid assessments
shall be extinguished as of the date of foreclosure or transfer in lieu of foreclosure. Any assessments so extinguished shall become a common expense of the Association.

ARTICLE IV

ASSOCIATION DUTIES

Section 1. Association Duties.

(a) With respect to any Common Area listed in Article I, Section 9, which in its discretion the Master Association takes responsibility for and thus relieving a Member Association of such responsibility, the Master Association shall:
