This Second Amendment is made this 2nd day of November, 2001, by Justus Home Builders, Inc., an Indiana Corporation ("Justus").

1. Justus has become the Developer of a certain residential community known as Stony Ridge by virtue of the Special Warranty Deed ("Deed") from Mann Realty Co. 2. Mann, the original Developer of Stony Ridge, executed that certain Declaration of Covenants and Restrictions for Stony Ridge dated May 20, 1999 and recorded the same as Instrument No. 9909930469 in the Office of the Recorder of Hamilton County, Indiana which Declaration was amended by Amendment to Declaration of Covenants and Restrictions of "Stony Ridge" dated July 8, 1999 and recorded in said office as Instrument No. 9909940981 (collectively the "Declaration").

3. Mann reserved in said Declaration, the right from time to time, acting alone, to subject certain real estate located within the tracts adjacent to the lands comprising that which was platted as Stony Ridge Section 1, to the terms and provisions of the Declaration. Subjecting additional real estate to the Declaration is to be performed by the execution and recording in the Office of the Recorder of Hamilton County of a supplemental declaration so annexing all or any part thereof.

4. Mann subsequently transferred its rights as Developer to Justus in the aforementioned Deed. Justus, as Developer, now enjoys all the rights and privileges of the Developer as set out in the Declaration.

5. Justus is the owner of certain real estate more particularly described in Exhibit "B" attached hereto (the "Additional Real Estate"). The Additional Real Estate constitutes a part of the tract adjacent to the lands comprising that which was platted as Stony Ridge Section 1.

1. Definitions. All terms in this Second Amendment not otherwise defined in this Second Amendment shall have the meaning set forth in the Declaration. Accordingly, the Additional Real Estate shall hereafter for all purposes be included in the lands to
be developed as the Stony Ridge residential community.

2. **Second Amendment to Declaration.** Justus hereby expressly consents to and declares that the Additional Real Estate, together with all improvements of every kind and nature whatsoever located thereon, shall be annexed to the real estate comprising Stony Ridge and made subject to the provisions of the Declaration, as the same may be amended or supplemented from time to time as therein provided, and the Stony Ridge residential community is hereby expanded to include the Additional Real Estate, all as if the same had originally been included in the Declaration. The Additional Real Estate shall be hereafter held, transferred, sold, conveyed, hypothecated, encumbered, leased, rented, used, improved and occupied subject to all of the provisions, agreements, covenants, conditions, restrictions, easements, assessments, charges and liens of the Declaration, as the same may be amended or supplemented from time to time as therein provided. The Additional Real Estate shall not be removed from the terms and conditions of the Declaration as the same may be amended or supplemented, without the written consent of Mann.

3. **Effects of Covenants.** All such provisions of the Declaration, as the same may be amended or supplemented from time to time as therein provided, shall be covenants running with the land and shall be binding upon, and inure to the benefit of Developer and any other person or entity having any right, title or interest in the Stony Ridge residential community or any part thereof.

4. **Declaration Continuous.** Except as expressly supplemented by this Second Amendment, the Declaration shall continue unchanged and in full force and effect.

i. Generally. No dwelling, building structure, or improvement of any type or kind, including yard lights, shall be constructed or placed on any lot in the Development without the prior approval of the Committee. Such approval shall be obtained only after written application has been made to the Committee by the owner of the lot requesting authorization from the Committee. Such written application shall be in the manner and form prescribed from time to time by the Committee, and shall be accompanied by two (2) complete sets of plans and specifications for any such proposed construction or improvement. (2) The design or color scheme of a proposed improvement is not in harmony with the general surroundings of the lot or with adjacent buildings or structures.
(3) The proposed improvement, or any part hereof, would in the opinion of the Committee be contrary to the interest, welfare or rights of all or any part of other owners.

(4) **Power to Grant Variances.** The Committee may allow reasonable variances or adjustments of these Restrictions where literal application would result in unnecessary hardship, but any such variance or adjustment shall be granted in conformity with the general intent and purposes of these Restrictions and no variance or adjustment shall be granted in conformity with the general intent and purposes of these Restrictions and no variance or adjustment shall be granted which is materially detrimental or injurious to other lots in the Development.

**C. Liability of Committee.** Neither the Committee nor any agent thereof, nor the Developer, shall be responsible in any way for any defects in any plans, specifications or other materials submitted to it, nor for any defects in any work done according thereto. said lots as a site for a single-dwelling house, he shall apply in writing to the Committee for permission to so use said lots. If permission for such a use shall be granted, the lots constituting the site for such single-dwelling house shall be treated as a single lot for the purpose of applying these Restrictions to said lots, so long as the lots remain improved with one single-dwelling house.

8. OWNERSHIP, USE AND ENJOYMENT OF COMMONS. "Commons" and "Common Areas" shall mean those areas so designated on the plats of any section of Stony Ridge. Any commons depicted on the recorded plats of the Development shall remain private, and neither the Developer's execution of recording of the plats nor the doing of any other act by the Developer is, or is intended to be, or shall be construed as, a dedication to the public of the commons.

A license upon such terms and conditions as the Developer, and the successors, assigns or licensees of the Developer, shall from time to time grant, for the use and enjoyment of the Commons, is granted to the persons who are from time to time members of the Association. Class B members shall be subject to an additional assessment for the snow removal and lawn maintenance services as set forth in Section 9.H and 10.B herein. Class B members shall be exclusively responsible for all decisions, votes, contracts, and other such matters related to said snow removal and lawn maintenance on their private property.

E. **Class C.** The Developer, who shall be entitled to three (3) votes for each lot owned, shall be the only Class C member. The Class C membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever earlier occurs:

i. On the date the Developer sells the last lot which it owns in the Development, and the Developer no longer owns any lots or land in the Development; or

F. **Board of Directors.** The members shall elect a Board of Directors of the Association as prescribed by the Association's By-Laws. The Board of Directors shall manage the affairs of the Association.

iv. The Association shall procure and maintain casualty insurance for the Common Areas, liability insurance (including Directors’ and officers’ insurance) and such other insurance as it deems necessary or advisable.

v. The Association shall, by means of an assessment set forth in Section 9. D of this Declaration, provide maintenance of the lawns of all Lots in the area designated as The Villas at Stony Ridge. Maintenance of lawns shall mean the mowing of the grass and the care, fertilizing, trimming, removal and replacement of trees planted by the Developer. It shall not include the watering of lawns on Lots, which shall be the responsibility of the Owners. It shall not include the installation, care or maintenance of (1) shrubs, (2) trees which were not planted by the Developer, (3) flowers, or (4) other plants on any Lot. The foregoing notwithstanding, maintenance of lawns shall not mean the mowing of grass within the fenced portion of any Lot.

vi. The Association shall, by means of an assessment set forth in Section 9. D of this Declaration, provide for snow removal from all private driveways and front yard walkways and sidewalks on all Lots in the area designated as The Villas at Stony Ridge.

10. COVENANT OF MAINTENANCE ASSESSMENTS.

A. Creation of the Lien and Personal Obligation of Assessments. Each owner of any lot in the subdivision, except the Developer, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to
covenant and agree to pay to the Association: (1) annual assessments or charges; and (2) special assessments for capital improvements and operating deficits, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title. No charge or assessment shall ever be levied by the Association against the Developer.

B. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety and welfare of the residents in the Development and for the improvement and maintenance of the Common Area and improvements, operated or maintained by the Association, and the landscape easements on the Development and other purposes as specifically provided herein.

i. Assessments for the improvement and maintenance of the Common Area and improvements operated or maintained by the Association, and the landscape easements on the Development and other purposes as specifically provided herein which are for the benefit of all Lots in the Development shall be assessed equally on each Lot in the Development. The only assessments which shall not be equally shared by all Owners in the Development will those for the lawn maintenance and snow removal services described in Section 9.H.v and 9.H.vi hereinafore.

ii. There shall be an additional assessment for each of the Lots in the area of the Development designated as The Villas at Stony Ridge, which shall be assessed equally on each Lot for the lawn maintenance and snow removal services described in Section 9.H.v and 9.H.vi hereinafore.

C. Special Assessments for Capital Improvements and Operating Deficits. In addition to the annual assessments authorized above, the Association may levy a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement which the Association is required to maintain or for operating deficits which the Association may from time to time incur, provided
that any such assessment shall have the assent of a majority of the votes of
the members who are voting in person or by proxy at a meeting duly called
for this purpose.

D. Notice and Quorum for Any Action Authorized Under Section 10.C. Written
notice of any meeting called for the purpose of taking any action authorized
under Section 10.C above shall be sent to all members not less than thirty
(30) days nor more than sixty (60) days in advance of the meeting. At the
first such meeting called, the presence of members or of proxies entitled to
cast sixty percent (60%) of all the votes of the membership shall constitute
a quorum. If the required quorum is not present, another meeting may be
called, subject to the same notice requirement, and the required quorum at
the subsequent meeting shall be one-half (1/2) of the required quorum at the
preceding meeting. No such subsequent meeting shall be held more than
sixty (60) days following the preceding meeting.

E. Date of Commencement of Annual Assessments: Due Dates. The annual
assessment provided for herein shall commence for each lot on the date of
conveyance to the owner by deed or on the date the owner signs a land
contract to purchase a lot. The Board of Directors shall fix any increase in
the amount of the annual assessment at least thirty (30) days in advance of
the effective date of such increase. Written notice of special assessments
and such other assessment notices as the Board of Directors shall deem
appropriate shall be sent to every owner subject thereto. The due dates for
all assessments shall be established by the Board of Directors. The
Association shall, upon demand, and for a reasonable charge, furnish a
certificate in recordable form signed by an officer of the Association setting
forth whether the assessments on a specified lot have been paid. A properly
executed certificate from the Association regarding the status of assessments
for any lot shall be binding upon the Association as of the date of its
issuance.

F. Effect of Non-Payment of Assessments: Remedies of the Association. Any
charge levied or assessed against any lot, together with interest and other
charges or costs as hereinafter provided, shall become and remain a lien
upon that lot until paid in full and shall also be a personal obligation of the
owner or owners of that lot at the time the charge fell due. Such charge shall
bear interest at the rate of twelve percent (12%) per annum until paid in full.
If, in the opinion of the Board of Directors of the Association, such charge has
remained due and payable for an unreasonably long period of time, the Board
may, on behalf of the Association, institute such procedures, either at law or
in equity, by foreclosure or otherwise, to collect the amount owing in any court
of competent jurisdiction. The owner of the lot or lots subject to the charge, shall, in addition to the amount of the charge at the time legal action is instituted, be obliged to pay any expense or costs, including attorneys' fees, incurred by the Association in collecting the same. Every interest in such lot, whether as an owner or otherwise is hereby notified, and by acquisition of such interest agrees, that any such liens which may exist upon said lot at the time of the acquisition of such interest are valid liens and shall be paid. Every person who shall become an owner of a lot in the Development is hereby notified that by the act of acquiring, making such purchase or acquiring such title, such person shall be conclusively held to have covenanted to pay the Association all charges that the Association shall make pursuant to this subparagraph of the Restrictions.

The Association shall, upon demand, at any time, furnish a certificate in writing signed by an officer of the Association that the assessments on a specified lot have been paid or that certain assessments against said lot remain unpaid, as the case may be. A reasonable charge may be made by the Board of Directors of the Association for the issuance of these certificates. Such certificates shall be conclusive evidence of payment of any assessment therein stated to have been paid.

G. Subordination of the Lien to Mortgagee. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. No sale or transfer of any lot shall occur with an assessment lien. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

H. Suspension of Privileges of Membership. Notwithstanding any other provision contained herein, the Board of Directors of the Association shall have the right to suspend the voting rights, if any, and the services to be provided by the Association together with the right to use the facilities of the Association, of any member or associate member (i) for any period during which any of the Association's charges or any fines assessed under these Restrictions owed by the member or associate member remains unpaid, (ii) during the period of any continuing violation of the restrictive covenants for the Development, after the existence of the violation shall have been declared by the Board of Directors of the Association; and (iii) during the period of any violation of the Articles of Incorporation, By-laws, or regulations of the Association.
11 REMEDIES

A. In General. The Association or any party to whose benefit these Restrictions inure, including the Developer, may proceed at law or in equity to prevent the occurrence or continuation of any violation of these Restrictions, together with right to collect costs and reasonable attorney's fees, but neither the Developer nor the Association shall be for damages of any kind to any person for failing either to abide by, enforce, or carry out any of these Restrictions.

B. Delay or Failure to Enforce. No delay or failure on the part of any aggrieved party to invoke any available remedy with respect to a violation of any one or more of these Restrictions shall be held to be a waiver by that party (or an estoppel of that party to assert) any right available to him upon the occurrence, reoccurrence or continuation of such violation or violations of these Restrictions.

C. Enforcement by City of Noblesville Plan Commission. These Restrictions may be enforced by the Noblesville Plan Commission of the City of Noblesville, Indiana, or its successors or assigns, available to it for such purposes.

12. EFFECT OF BECOMING AN OWNER. The owners of any lot subject to these Restrictions by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from the Developer or a subsequent owner of such lot, shall accept such deed and execute such contract subject to each and every Restriction and agreement herein contained. By acceptance of such deed or execution of such contract, the owner acknowledges the rights and powers of the Developer, Committee and of the Association with respect to these Restrictions, and also, for themselves, their heirs, personal representatives, successors and assigns, such owners covenant and agree and consent to and with the Developer, Committee and the Association and to and with the owners and subsequent owners of each of the lots affected by these Restrictions to keep, observe, comply with and perform such Restrictions and agreements.

13. TITLES. The titles preceding the various paragraphs and subparagraphs of the Restrictions are for convenience of reference only and none of them shall be used as an aid to the construction of any provision of the Restrictions. Wherever and whenever applicable, the singular form of any word shall be taken to mean or apply to the plural, and the masculine form shall be taken to mean or apply to the feminine or the neuter.
14. **DURATION.** The foregoing Covenants and Restrictions are to run with the land and shall be binding on all parties and all persons claiming under them until January 1, 2017, at which time said Covenants and Restrictions shall be automatically extended for successive periods of ten (10) years, unless changed in whole or in part by vote as outlined in Section 16 below.

15. **SEVERABILITY.** Every one of the Restrictions is hereby declared to be independent of and severable from the rest of the Restrictions and of and from every other one of the restrictions and of and from every combination of the Restrictions.

Therefore, if any of the Restrictions shall be held to be invalid or to be unenforceable, or to lack the quality of running with the land, that holding shall be without effect upon the validity, enforceability or "running" quality of any other one of the Restrictions.

16. **AMENDMENT.**

These Restrictions may be amended by a vote of seventy-five percent (75%) of the voting rights of all current owners of all lots in the Development.

Any such special meeting shall be called by written notice, authorized by a majority of the Board, or by one-third (1/3) of the members, delivered not less than seven (7) days prior to the date fixed for such meeting. The notices shall specify the date, time and place of meeting and the matters to be considered.

Notice of any meeting of the members may be waived in writing by any member if the waiver sets forth in reasonable detail the purpose or purposes for which the meeting is called and the time and place thereof. Attendance at any meeting in person or by proxy shall constitute a waiver of notice of such meeting.

Section 6. Voting at Meetings.

(a) Voting Rights. There shall be one person with respect to each Lot, as such term is defined in the Declaration, who shall be entitled to vote at any meeting of the members. Such person shall be known as the “Voting Member.” Such Voting Member may be the Owner or one of the group comprised of all the Owners of a Lot, or may be some person designated by such Owner or Owners to act as proxy on his or their behalf and who need not be an Owner. Any or all of such Voting Members may be present at any meeting of the Voting Members and may vote or take any action as a Voting Member, either in person or by proxy. In any meeting of the Voting Members called for the purposes of electing the Board of Directors of the Corporation each Voting Member shall be permitted to cast the number of votes to which he is entitled, as hereinabove set forth, for each Director of the Corporation to be elected at such meeting, provided, however, that the first Board of Directors shall be elected solely by the Developer.

Unless otherwise expressly provided herein, any action may be taken at any meeting of the Voting Members at which a quorum is present upon the affirmative vote of the Voting Members having a majority of the total votes present at such meeting. Any meeting of the Voting Members, including both annual and special meetings and any adjournments thereof, may be adjourned to a later date without notice other than announcement at the meeting even though less than a quorum is present.

Section 7. List of Voting Members. the persons who are entitled as Voting Members to examine such lists or to vote at such meeting.

Section 8. Action by Written Consent. Any action required or permitted to be taken at any meeting of the Voting Members may be taken without a meeting, if prior to such action, a written consent thereto, setting forth the action so taken, is signed by all the Voting Members entitled to vote with respect to the subject matter thereof, and such written consent is filed with the minutes of the proceedings of the Voting Members. Such consent shall have the same effect as a unanimous vote of the Voting Members.

Section 1. Number and Term of Office. The Board of Directors shall consist of three (3) members, each of whom must be an Owner who maintains his principal residence on a Lot, or be an officer, director or employee of Developer. The Directors shall serve without compensation unless such compensation is approved by the Voting Members holding a majority of the total votes. The Board shall be elected by the Voting Members at their annual meeting and shall hold office until the next ensuing annual meeting of the Voting Members or until their successors have been duly elected and qualified. If a member of the Board of Directors shall cease to meet any qualification herein required for a member of the Board, such member shall thereupon cease to be a member of the Board and his place on the Board shall be deemed vacant. The Voting Members may remove any member of the Board with or without cause, and elect a successor at a meeting of the Voting Members called expressly for such purpose.

Section 2. Vacancies. Vacancies occurring in the membership of the Board of Directors caused by resignation, death or other incapacity, or increase in the number of Directors shall be filled by a majority vote of the remaining members of the Board, and each Director so elected shall serve until the next meeting of the Voting Members, or until his successor shall have been duly elected and qualified. Notice specifying any increase in the number of Directors and the name, address and principal occupation of and other pertinent information about any Director elected to fill any vacancy shall be given in the next mailing sent to the Voting Members after such increase or election.

Special meetings of the Board of Directors may be called by the President or by the member of the Board of Directors, at any place within or without the State of Indiana, upon twenty-four (24) hours notice, specifying the time, place and general purposes of the meeting, given to each Director personally, by telephone or telegraph, or notice may be given by mail if mailed at least three (3) days before such meeting.
Section 6. **Waiver of Notice.** Any Director may waive notice of any meeting in writing. Attendance by a Director at a meeting shall constitute a waiver of notice of such meeting.

Section 7. **Quorum.** A majority of the entire Board of Directors then qualified and acting shall constitute a quorum and be sufficient for transaction of any business, except for filling vacancies in the Board of Directors which shall require action by a majority of the remaining Directors. Any act of the majority of the Directors present at a meeting at which a quorum shall be present shall be the act of the Board unless otherwise provided for by law or by these By-Laws. A majority of the Directors present may adjourn any meeting from time to time. Notice of an adjourned meeting need not be given other than by announcement at the time of adjournment.

Section 8. **Action by Written Consent.** Action required or permitted to be taken at any meeting of the Board of Directors may be taken without a meeting, if prior to such action, a written consent thereto is signed by all the members of the Board, and such written consent is filed with the minutes of the proceedings of the Board.
