Section 2.05. Insurance. The owner of each lot within Traders Station shall be responsible for purchasing an all risk, homeowner's policy of insurance insuring the dwelling on his lot. The amount of such required insurance must be sufficient to equal the reasonable replacement value of the dwelling and conform to such other requirements as are set out in the By-Laws of Traders Station Property Owner's Association, Inc.

The Association shall also obtain comprehensive public liability insurance in such limits as the Board of Directors shall deem appropriate, together with other liability insurance if deemed necessary or appropriate by the Board of Directors. Such insurance shall insure to the benefit of each individual
Owner, the Association, the Board of Directors, and any manager or company acting on behalf of the Association.

All premiums for all such insurance shall be paid by the Association as part of the maintenance assessment.

Each owner shall have the right to purchase any additional insurance he may deem necessary, and each owner shall be solely responsible for insurance on the contents of his dwelling including all floor and wall coverings, and fixtures and betterments installed by the owner, as well as insurance coverage for additional living expense as may be occasioned by the rebuilding of any dwelling. It shall be the individual responsibility of each owner, at his own expense, to provide as he sees fit, homeowner’s liability insurance, theft and other insurance covering personal property damage and loss.

Section 2.06. Special Assessments for Capital Improvements.
In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the common area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 2.07. Notice and Quorum for Any Action Authorized Under Section 2. Written notice of any meeting called for the purpose of taking any action authorized under Section 2 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent
meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 2.08. Uniform Rate of Assessment. Both annual, and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

Section 2.09. Date of Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence as to each Lot on the first day of the month following the sale of each Lot by Declarant. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 2.10. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of three percent (3%) above the prime rate of interest being charged by Bank One of Plainfield located in Hendricks County, Indiana. The Association may bring an action at law against the Owner personally obligated to pay the same, including an action to foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 2.11. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be
subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.
