The Association may also reimburse to any such Director or Officer of the Association the reasonable costs of settlement of or judgment rendered in any action, suit or proceeding, if it shall be found by a majority of the Lot Owners that such Director or Officer was not guilty of gross negligence or willful misconduct. In making such findings and notwithstanding the adjudication in any action, suit, or proceeding against a Director or an Officer, no Director or Officer shall be considered or deemed to be guilty of or liable for negligence or willful misconduct in the performance of his duties where, acting in good faith, such Director or Officer relied on the books and records of the Association or statements or advice made by or prepared by the Managing Agent or any Officer or employee thereof, or any Accountant, Attorney or other person, firm or corporation employed by the Association to render advice or service unless such Director had actual knowledge of the falsity or incorrectness thereof nor shall a Director or Officer be deemed guilty of or liable for negligence or willful misconduct solely by virtue of the fact that he failed or neglected to attend a meeting or meetings of the Board of Directors.

ARTICLE V
ACCOUNTING, BUDGETS, AND ASSESSMENTS

Section 5.01. Annual Accounting. Annually, as soon as practicable after the close of each fiscal year, the Board shall cause to be prepared and furnished to each Lot Owner a financial statement prepared by an independent Public Accountant, which statement shall show all receipts and expenses received, incurred and paid during the preceding calendar year. The Association shall furnish such financial statement for the preceding fiscal year free of charge to any holder, insurer or guarantor of a first mortgagee who shall so request in writing.

Section 5.02. Proposed Budget. Annually, on or before the date of the Annual Meeting of the Association, the Board of Directors shall cause to be prepared a proposed Annual Budget for the ensuing or current fiscal year estimating the total amount of the common expenses for such fiscal year. The Board of Directors shall furnish a copy of such proposed Annual Budget to each Lot Owner prior to or at the Annual Meeting of the Association for adoption, and, if so adopted, shall be the basis for the Annual Assessment for the following fiscal year. At the Annual Meeting of the Lot Owners, the Budget may be approved in whole or in part or may be amended in whole or in part, by a majority vote of those persons voting in person or by proxy provided, however, that the Board of Directors may adopt a tentative Annual Budget for each year until an Annual Budget is approved by the Lot Owners.

Section 5.03. Annual and Special Assessments. Common expenses shall be assessed to the Lot Owners, either as an Annual Assessment, or as a Special Assessment, equally with respect to each Lot which is subject to assessment, all as set forth below:
(a) An annual assessment shall be made for each fiscal year of the Association for all anticipated ongoing operating expenses of the Association, including reserves. The annual assessment shall be paid in an installment which shall be due and payable in advance on the 1st day of March. The amount of the aggregate annual assessments shall be equal to the total amount of expenses provided for in the Annual Budget, including reserve items.

(b) Special Assessments may be made for any unusual and/or extraordinary items, including capital expenditures, and any unanticipated items. Special Assessments shall be payable in such amounts and at such times as may be provided in the resolution or other formal proposal setting forth the terms of such Special Assessments.

(c) The annual assessment and all special assessments, together with interest, late charges, costs and reasonable attorney's fees, shall be a continuing lien on the lot upon which each such assessment is made as each installment thereof becomes payable. Each such assessment, together with interest, late charges, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of the Lot at the time of the assessment was payable.

Section 5.04. Fiscal Year. The Fiscal Year of the Association shall commence on January 1 and end on December 31, but the Board of Directors may change such Fiscal Year. If the fiscal year is so changed, the annual assessment for the prior fiscal year shall continue to be assessed during any short fiscal year, unless the Board of Directors shall submit an interim or modified Budget and annual assessment for such period to the Lot Owners.

Section 5.05. Limitation on Assessments. During the Fiscal Years ending on or prior to December 31, 2000, the Maximum Annual Assessment shall be per lot per year payable in advance in one (1) installment of Two Hundred Dollars ($200) on the first day of the month of March of each year. The Assessment shall be prorated for part of a quarter where applicable. So long as the Developer owns any lot in Village Green but not longer than two (2) years from the date hereof, there shall not be any increases in the annual assessment nor shall there be any Special Assessments without Developer's prior approval. For the purpose of this section any lot re-acquired by the Developer after it has been sold shall be deemed not to be owned by the Developer.

So long as the Developer is developing the property in the Subdivision, the Annual Assessment shall not be increased more than a cumulative average of eight percent (8%) per year unless such larger increase is approved by a majority vote at a meeting duly held after the Lot Owners have been notified that such meeting would consider the Annual Budget for the following year and that an increase averaging more than eight percent (8%) per year may be necessary. Such maximum percentage increase shall be computed by compounding the Annual Assessment for the fiscal year ending December 31, 2000, at the rate of eight percent (8%) per year until the then current fiscal year.

Section 5.06. Vote for Special Assessments. No Special Assessment shall be adopted unless voted by sixty-six and two thirds percent (66-2/3%) of the votes of the Association at a
meeting called for this purpose. However, Special Assessments required because of an insufficiency of insurance shall not be subject to any vote by the Lot Owners.

Section 5.07. Notice of Meeting for Assessments. Written notice of any meeting other than the Annual Meeting which is called for the purpose of approving the Annual Budget and Annual Assessment or a Special Assessment, shall be given or sent to all members and such notice shall state that the Annual Budget and/or a Special Assessment will be considered at such meeting.

Section 5.08. Commencement of Assessments. The Annual Assessments provided for herein shall be made for each fiscal year of the Association, and shall be payable in one (1) installment as provided above. The Annual Assessment shall be set for each fiscal year of the Association. If the Annual Assessment has not been set by the first day of the fiscal year, then the payments due on the Annual Assessment shall be based upon a Tentative Annual Budget set by the Board of Directors, and if none is set then the Assessments shall be based on the prior year's Assessments until the Annual Budget and Annual Assessment for such fiscal year is approved. The first payment of the Annual Assessment payable after the Annual Budget is approved shall be adjusted to compensate for any prior payments which were too high or too low. If more than one (1) lot is conveyed, then each Lot, or part Lot, shall be subject to the Annual Assessment. A part Lot shall be subject to a pro rata share of such assessment. At the time of the first conveyance of a Lot from the Developer, regardless of the method of conveyance, i.e. deed in lieu of foreclosure, sheriff's sale purchase, or otherwise, the purchaser shall pay a prorated assessment for the balance of the quarter in which the Lot is conveyed. The Purchaser of each Lot shall be responsible to notify the Association of his acquisition of the Lot and to give to the Association his name and address for mailing purposes and satisfactory evidence of his ownership.

Section 5.09. Delinquent Assessment. Any payment of an Assessment which is not paid within fourteen (14) days of the date due shall automatically be subject to a late charge of Fifty Dollars ($50.00). Late charges will continue to be assessed for each quarter a payment remains outstanding. The Board of Directors shall have the right to change the amount of the late charge, the time period before such charge is imposed, and to make other provisions for late charges and/or for imposing interest on late payments. The Association may bring an action of law against the Lot Owner personally obligated to pay the same; it may foreclose its lien against the Owner's Lot; or it may assert both rights and/or any other remedy available to it in law or in equity.

Section 5.10. Lien of Assessments. All sums assessed by the Association, but unpaid, including installments of the Annual Assessment and Special Assessments, together with late charges, interest, attorney's fees and the costs of collection thereof, shall constitute a lien on the Owner's Lot prior to all other liens, except only:

(a) Tax liens on the lot in favor of any assessing unit or special district; and

(b) All sums unpaid on a first mortgage of record.
The sale or transfer of any Lot by foreclosure or by deed in lieu of foreclosure (but not any other transfer), shall extinguish the Assessment lien for payments which become due prior to the sale of such sale or transfer, but shall not extinguish the personal liability of the Lot Owner for such assessments. No such sale or transfer shall relieve the Lot Owner from liability for any assessments thereafter becoming due or from the lien thereof. The lien for sums assessed may be foreclosed by a suit by the Association or the managing Agent on its behalf in like manner as a mortgage of such property. In any such foreclosure the Lot Owner shall be required to pay a reasonable rental for the use and occupancy of the Lot. The Association, upon the affirmative vote of ninety percent (90%) of all the Lot Owners (so authorizing and setting up a special assessment to pay for the same), shall have the power to bid on the Lot at any foreclosure sale and to acquire and hold, lease, mortgage and convey the same.

Section 5.11 Liability of Grantee. In a voluntary conveyance of a Lot other than a deed in lieu of a foreclosure, the grantee of the Lot shall be jointly and severally liable for all unpaid assessments by the Association against the latter for his share of the common expenses or for special assessments up to the time of the grant or conveyance, without prejudice to the grantee’s right to recover from the grantor the amounts paid by the grantee therefore. Upon the request of any Lot Owner, Purchaser or Mortgagee, the Secretary or other authorized Officer of the Association or the Managing Agent shall provide within seven (7) days of the request, against a particular Lot. The Association may charge a reasonable charge for such statement if permitted by law and it may require the Lot Owner to confirm that the person requesting the statement is a Mortgagee or purchaser of or from the Lot Owner. Once having been furnished with such a statement, such person (other than the delinquent Lot Owner) shall not be liable for, nor shall the Lot conveyed be subject to a lien for, any unpaid assessments made by the Association against the grantor in excess of the amount therein set forth, plus costs of collection of such sums, if applicable.

ARTICLE VI
ARCHITECTURAL CONTROL COMMITTEE

Section 6.01. Creation. There shall be, and hereby is, created and established an Architectural Control Committee ("Committee") to perform the functions provided for herein. The committee shall initially be the Developer. After completion of the Development, a committee of three (3) homeowners designated by the Developer shall serve for one (1) year and continuing thereafter until their successors are elected by a majority of the Board of Directors of the Association.

The Committee shall regulate the external design, appearance and location of residences, buildings, structures, fences, or other improvements placed on any Lot or in the common area in such a manner as to preserve and enhance the value and desirability of the real estate for the benefit of each owner and to maintain a harmonious relationship among structures and the natural vegetation and topography.

i) In general. No residence, building, fence, wall, structure, or improvement of

Such written application shall be in the manner and form prescribed from time to time by the Committee and, in the case of construction or placement of any improvement, shall be accompanied by two (2) complete sets of plans and specifications for any such proposed construction or improvement. Such plans shall include plot plan showing the location of all improvements existing upon the Lot and the location of the improvement proposed to be constructed or placed upon the Lot, each properly and clearly designated. Such plans and specifications shall set forth the composition of all exterior materials proposed to be used together with any other material or information which the Committee may require. All plans and drawings submitted to the Committee shall be drawn to a scale of 1" equals 10'; or 1/4" or 1/8" equals 1'; or to such other scale as the Committee may require. When required by the Committee, plot plans shall be prepared by a Registered Land Surveyor, Engineer or Architect. Plot plans submitted for the improvement location permit shall bear the stamp or signature of the Committee acknowledging the approval thereof.

i) **Power of disapproval.** The Committee may refuse to grant permission to construct, place or make the requested improvement, when:

(a) The plans, specifications, drawings or other material submitted are inadequate or incomplete, or show the proposed improvement to be in violation of any restrictions in this declaration or any subdivision plat of the real estate recorded in the office of the Recorder in Hancock County, Indiana;

(b) The design of a proposed improvement is not in harmony with the general surroundings of the lot or with adjacent buildings or structures; or

(c) The proposed improvement, or any part thereof, would, in the opinion of the Committee, be contrary to the interests, welfare or rights of any other owner.

iii) **Rules and Regulations.** The Committee may, from time to time, make, amend and modify additional rules and regulations as it may deem necessary or desirable to guide owners as to the requirements of the Committee for the submission and approval of items to it. Such rules and regulations may set
forth additional requirements to those set forth in these By-Laws and the subdivision plat of the real estate recorded in the office of the Recorder of Hancock County, Indiana, as long as the same are not inconsistent with said documents.

Section 6.03. Duties of Committee. The Committee shall approve or disapprove proposed repainting, construction or improvements within fifteen (15) days after all required information shall have been submitted to it. One copy of submitted material shall be retained by the committee for its permanent files. All notifications to applicants shall be in writing, and, in the event that such notification is one of disapproval, it shall specify the reason or reasons for such disapproval.

Section 6.04. Liability of Committee. Neither the Committee, Developer, Association nor any agent of any of the foregoing shall be responsible in any way for any defects in any plans, specifications or other materials submitted to it, nor for any defects in any work done according thereto.

Section 6.05. Inspection. The Committee may inspect work being performed to assure compliance with this declaration and the materials submitted to it pursuant to this Article VI.

Section 6.06. Nonapplication to Developer. Notwithstanding the provisions of this Article VI or any other provision of the covenants of the subdivision plat, requiring the approval of the Committee, the Developer, or any entity related to Developer, shall not be required to apply for or secure the approval of the Committee in connection with any construction or installation by Developer, or any entity related to Developer, of any residence, building, structure, or other improvement on the real estate or the installation or removal of any trees, shrubs of other landscaping on the real estate.

ARTICLE VII
AMENDMENT TO BY-LAWS

Section 7.01. These By-Laws may be amended by a vote of the Board of Directors of the corporation, without the assent or vote of the members, provided that majority of the Directors of the Board vote affirmatively to do the same at a Board meeting duly called for such purpose.

ARTICLE VIII

However, at such time as the Developer no longer owns any property contained in this section of the Development, the Developer no longer shall have any right, obligation or standing to enforce any covenant. The cost of enforcement of any violation of the Covenants contained herein, including any expenses and attorneys' fees, shall be charged to the property Owner in violation, and such costs, expenses and fees shall be collectible in the same manner as assessments as provided herein. In no event shall the Developer be responsible for any damages, fees, or expenses resulting from the enforcement or failure to enforce any covenant.

b. Delay or Failure to Enforce. No delay or failure in part of any aggrieved party to invoke any available remedy with respect to a violation of any one or more of these Restrictions shall be held to be a waiver by that party (or an estoppel of that party to assert) any right available to him upon the occurrence, recurrence or continuation of such violation or violations of these Restrictions.

9. EFFECT OF BECOMING AN OWNER

The Owners of any lot subject to these Restrictions, by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from Developer or a subsequent Owner of such lot, shall accept such deed and execute such contract subject to each and every Restriction and agreement herein contained, and shall be deemed to be a member of the Association and bound by its By-Laws. By acceptance of such deed or execution of such contract the Owner acknowledges the rights and powers of Developer with respect to these Restrictions and the By-Laws, and also, for themselves, their heirs, personal representatives, successors and assigns, such Owners covenant and agree and consent to and with Developer and to and with the Owner and subsequent Owners of each of the lots affected by these Restrictions to keep, observe, comply with and perform such Restrictions and agreements, and the By-Laws.

If the Developer owns one or more lots in the Development then these covenants cannot be changed without the consent of the Developer. If the Developer does not own one or more lots in the subdivision, the consent of the Developer shall not be required. Invalidation of any of the foregoing Covenants by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

12. SEVERABILITY

Every one of the Restrictions contained herein is hereby declared to be independent of, and severable from, the rest of the Restrictions and of and from every other one of the Restrictions, and of and from every combination of the Restrictions.

Therefore, if any of the Restrictions shall be held to be valid or to be unenforceable, or to lack the quality of running with the land, that holding shall be without effect upon the validity, enforceability or “running” quality of any other one of the Restrictions.
