(g) swimming and boating shall be prohibited in the lake that is a part of the Common Area.

Section 3.2. Delegation of Use. Any Owner may delegate, in accordance with the By-Laws and any reasonable and nondiscriminatory rules and regulations promulgated from time to time by the Association and subject to the rights of others as set forth herein, his or her right of enjoyment of the Common Area to family members, to a lessee, or contract purchaser of his Lot or to guests.

Section 3.3. Certain Obligations and Access Rights to the Common Area.

4. The Association, subject to the rights of the Owners as set forth in this Declaration, shall be responsible for the management and control, for the exclusive benefit of the Owners as provided herein, of the Common Area and for the maintenance of the same in good, clean, attractive, safe and sanitary condition, order and repair. The Association shall also maintain in a good state of repair all on-site drainage facilities.
(b) The Association shall have and is hereby granted an easement and right of access to all of the Common Area for the purpose of maintaining or repairing or causing the same to be maintained or repaired as is its obligation and duty under this Declaration. The easements and rights specified herein also are reversed for the benefit of Declarant so long as Declarant owns any portion of the Property.

Section 3.4. Drainage, Utility, Sewer and Other Development Easements.

(a) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, an undefined easement ("Drainage, Utility and Sewer Easement") for drainage, utility and sewer purposes in, on and over all of the Common Area, so as to permit Declarant to properly install and allow to be maintained all electrical, telephone, water, gas, sanitary and storm sewer, television (including but not limited to cable and/or satellite) transmission facilities, security systems and other utility services, antennae and other equipment and facilities to serve the Lot and the single family residential dwelling to be constructed on each Lot. (d) The title of the Association (as to the Common Area during the Development Period) and of any Owner of any Lot shall be subject to the rights and easements reserved herein. Provided, however, that the rights reserved herein shall not be exercised after the conveyance of any Lot in a manner that unreasonably and adversely affects any single family residential dwelling or portion thereof located upon such Lot or the Owner's use or enjoyment thereof, or which unreasonably restricts the rights of ingress and egress to such Lot. The rights and easements reserved by Declarant herein shall run with the land, and Declarant's right to further alter or grant easements shall automatically terminate and pass to the Association one (1) year
after Declarant shall have conveyed the last Lot within the Property.

Section 3.5. Limited Common Area Cul de Loop. The portion of the Development appearing upon the platted lots 13 through 16 and designated a "Limited Common Area Cul de Loop" (hereinafter "Cul-de-loop") is created for the exclusive use and enjoyment of those particular lots having public street access therefrom. Section 3.11. Other Designations. The portions of the plat have designations as drainage and/or easements are reserved for those purposes.

ARTICLE IV
ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

Section 4.1. Membership. Initially, to satisfy the requirements of the Indiana Not-for-Profit Corporation Act, the three (3) persons who serve as incorporators of the Association shall be the members (the "Initial Members"). The Initial Members shall remain members of the Association until three (3) persons have become Class A or Class B members, at which time the Initial Members shall cease to be members unless they also qualify as Class A or Class B members. Every Owner of a Lot shall be a member of the Association. Apart from the Initial Members, membership in the Association shall be appurtenant to and may not be separated from ownership of any Lot.

Section 4.2. Classes of Membership and Voting Rights. The Association shall have two (2) classes of voting membership.

Class A. Class A members shall be all Owners with the exception of the Declarant. Class A member shall be entitled to one (1) vote for each Lot owned. When more than one (1) person holds an interest in any Lot, all
such persons shall be members; the vote for such Lot shall be exercised as the members holding an interest in such Lot determine among themselves, but in no event shall more than one (1) vote be cast with respect to any Lot.

Class B. The Class B member shall be Paul E. Estridge Corp., the Declarant. The Declarant shall be entitled to five (5) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(a) the end of the Development Period; or,
(b) January 1, 1991.

Section 4.3. Board of Directors. After the end of the Development Period, the Owners shall elect a Board of Directors of the Association as prescribed by the Association's Articles and By-Laws. The Board of Directors shall manage the affairs of the Association and until the end of the Development Period shall consist of three (3) persons designated by Declarant.

Section 4.4. Professional Management. No contract or agreement for professional management of the Association, nor any other contract between Declarant and the Association, shall be for a term in excess of three (3) years.

ARTICLE V
COVENANT FOR MAINTENANCE ASSESSMENTS

Section 5.1. Creation of the Liens and Personal Obligation of Assessments. Each Owner of any Lot by acceptance of a deed thereof, from Declarant, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay the Association: (1) Regular Assessments (for maintenance, repairs, and ordinary operating expenses); (2) Special Assessments for capital improvements and operating deficits, as provided for herein; and (b) for special maintenance or repairs as provided for herein, and (3) any Insurance as provided for herein. Such assessments shall be established, shall commence upon such dates and shall be collected as hereinafter provided. All such
assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the Owner. Past due assessments shall run with the land and pass with title.

Section 5.2. Purpose of Regular Annual Assessments. The Regular Annual Assessments levied by the Association shall be used exclusively, in the reasonable discretion of the Board of Directors of the Association, for the promotion of the health, safety and welfare of the residents in the Property, for the improvement, maintenance, and repair of the Common Area, for the performance of the obligations and duties of the Association and for other purposes only as specifically provided herein. A portion of the Regular Annual Assessments shall be set aside or otherwise allocated in a reserve fund for the purpose of providing repair and replacement of the Common Area and other capital improvements which the Association is required to maintain.

Section 5.3. Maximum Regular Annual Assessments. (a) Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum Regular Annual Assessment on any Lot conveyed by Declarant shall be Six Hundred Dollars ($600.00).

(b) From and after January 1 of each year, the maximum Regular Monthly Assessment may be increased each calendar year by not more than 10% above the maximum Regular Annual Assessment for the previous year without a vote of the membership.

(c) From and after January 1 of each year, the maximum Regular Annual Assessment may not be increased each calendar year by more than 10% above the maximum Regular Annual Assessment for the previous year, except with the approval of two-thirds (2/3) of those members of each class of members who cast votes in person or by proxy at a meeting duly called for this purpose.
(d) The Board of Directors from time to time may fix the Regular Annual Assessment, without any vote of the membership, at any amount not in excess of the maximum.

Section 5.4. Special Assessments for Capital Improvements and Operating Deficits. In addition to the Regular Annual Assessments authorized above, the Association may levy a Special Assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement which the Association is required to maintain, or to recover any operating deficits which the Association may from time to time incur, provided that any such assessment shall have the assent of two-thirds (2/3) of those members who cast votes in person or by proxy at a meeting duly called for this purpose. The foregoing notwithstanding, the Declarant, with respect to any Lots owned by it, shall not be required to pay any Special Assessments levied for construction, reconstruction, repair or replacement of any capital improvements which the Association is required to maintain and any Regular Annual Assessment.

Section 5.5. Notice and Quorum for Any Action Authorized Under Section 5.3 and 5.4. Written notice of any meeting called for the purpose of taking any action authorized under Section 5.3 or 5.4 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty per cent (60%) of all the votes of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 5.6. Uniform Rate Assessment. Regular Annual Assessments and Special Assessments for capital improvements and to recover operating deficits must be fixed at a uniform rate for all Lots.
Section 5.7. Date of Commencement of Assessments; Due Dates.
The Regular Assessment provided for herein shall commence as to each Lot on the date of conveyance of such Lot by Declarant.

The provisions of this Section 5.7 notwithstanding, the owner shall pay on the day of conveyance in advance his or her share of the Regular Annual Assessment for the balance of the calendar year in which the conveyance takes place.

The Regular Annual Assessment against each Lot shall be paid in advance on the first day of January of each calendar year. Payment of the Regular Annual Assessment shall be made to the Board of Directors or the Managing Agent, as directed by the Board of Directors.

The Board of Directors shall fix any increase in the amount of such assessments at least thirty (30) days in advance of the effective date of such increase. Written notice of any increase in the Regular Assessment, and written notice of any Special Assessment and such other assessment notices as the Board of Directors shall deem appropriate, shall be sent to each owner subject thereto. The due dates for all assessments, and the assessment and collection period for any Special Assessments, shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in recordable form signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate from the Association regarding the status of assessments for any Lot shall be binding upon the Association as of the date of its issuance.

Section 5.8. Effect of Nonpayment of Assessments; Remedies of the Association. If any assessment (or periodic installment of such assessment, if applicable) is not paid on the due date established hereunder pursuant to Section 5.7 hereof, then the entire unpaid assessment (together with interest thereon, costs and attorneys' fees as hereinafter provided and as provided in Section 5.1) shall become delinquent and shall constitute a continuing lien on the Lot to which such assessments relate, binding upon the then Owner, his or her, devisees, successors
and assigns. The personal obligation of the then Owner to pay such assessment, however, shall not pass to such Owner's successors in title unless expressly assumed by them. If any assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of twelve per cent (12%) per annum and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property or both. In such event, there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action; and in the event a judgment is obtained such judgment shall include interest on the assessment as above provided, costs of the action and reasonable attorneys' fees to be fixed by the court. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 5.9. Subordination of the Lien to Mortgages; Sale or Transfer. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The sale or transfer of any Lot pursuant to the foreclosure of any first mortgage on such Lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer. No sale or transfer of any Lot (whether voluntary or pursuant to foreclosure or otherwise) shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof; and, except as hereinabove provided, the sale or transfer of any Lot shall not affect the lien of assessments becoming due prior to the date of such sale or transfer except to the extent that a purchaser may be protected against the lien for prior assessments by a binding certificate from the Association, issued pursuant to Section 5.7, as to whether or not such assessments have been paid.
ARTICLE VI
USE RESTRICTIONS AND ARCHITECTURAL CONTROL

Section 6.1. Lot Use and Conveyance. All Lots shall be used exclusively for single-family residential purposes, except that Declarant, during the Development Period, reserves the rights provided herein respecting the Property generally. Except as herein provided, no Lot shall be subdivided to form units of less area. Each Lot shall be conveyed as a separately designated and legally described freehold estate subject to the covenants, conditions, and restrictions contained herein.

Section 6.2. Accessory Outbuilding Prohibited. No accessory outbuildings shall be erected on any Lot or Lots without the prior written approval of the Committee.

Section 6.3. Occupancy or Residential Use of Partially Completed Dwelling House Prohibited. No dwelling house constructed on any Lot shall be occupied or used for residential purposes or human habitation until it shall have been substantially completed for occupancy in accordance with the approved building plan. The exterior of fireplace chimneys shall be brick or stone. All garage doors in the Development will be of Masonite or wood material. All windows must be wood or wood windows with clad exterior. No outside fuel storage tanks will be permitted above ground and no gasoline storage will be permitted above or below ground in the Development. Plumbing vent stacks, metal furnace flues and roof attic vents shall be painted to blend with roof color and shall be located on the rear of the home. No metal, fiberglass or similar type material awnings or patio covers will be permitted in the Development. No above-ground swimming pools will be permitted in the Development.
D. Heating Plants. Every dwelling in the Development must contain a heating plant installed in compliance with the required codes. No heat pumps, A/C units, gas meters or any other structures shall be located forward of the front plane of the house and if in view from the street shall be screened by fence or landscaping.

E. Damaged Structures. No improvement which has partially or totally been destroyed by fire or otherwise, shall be allowed to remain in such state for more than three (3) months from the time of such destruction or damage.

F. Prohibition of Used Structures and Modular Homes. All structures constructed or placed on any Lot in the Development shall be constructed with substantially all new materials, and no used structures shall be relocated or placed on any such lot, nor shall modular constructed structures be placed on any Lot.

G. Maintenance of Lots and Improvements. The Owner of any Lot in the Development shall at all times maintain the Lot and any improvements situated thereon in such a manner as to prevent the Lot or improvements from becoming unsightly; and, specifically, such Owner shall:

(i) Remove all debris or rubbish.

(ii) Prevent the existence of any other condition that reasonably tends to detract from or diminish the aesthetic appearance of the Development.

(iii) Keep the exterior of all improvements in such a state of repair or maintenance as to avoid their becoming unsightly.

H. Declarant's Right to Perform Certain Maintenance. In the event that the Owner of any Lot in the Development shall fail to maintain his Lot and any improvements situated thereon in accordance with the provisions of these restrictions, Declarant shall have the right, but not the obliga-
tion, by and through its agents and employees or contractors, to enter upon said lot and repair, clean or perform such other acts as may be reasonably necessary to make such lot and improvements thereon, if any, conform to the requirements of these restrictions. The cost therefor to Declarant shall be collected in any reasonable manner from Owner. Neither Declarant nor any of its agents, employees or contractors shall be liable for any damage which may result from any maintenance work performed hereunder. Upon the completion of the Development Period, the Association shall succeed to the rights of the Declarant herein.

Section 6.6. Restrictions as to Owners. The Owners, further, shall be subject to the following use restrictions:

(1) Obstructions. There shall be no obstruction of the Common Area, nor shall anything be kept or stored on any part of the Common Area without the prior written consent of the Association except construction materials and equipment during the construction period or except as specifically provided herein. Nothing shall be altered on, constructed on, or removed from the Common Area except upon the prior written consent of the Association. The foregoing provision of this Section 6.6(1) notwithstanding, the Owner shall have the right subject to approval of the Committee to construct a wood deck along the Lake Area, except such deck cannot extend into the water more than 2 feet.

(2) Prohibition of Damage and Certain Activities. Nothing shall be done or kept on any Common Area or any part thereof which would increase the rate of insurance on the Common Area or any part thereof over what the Association, but for such activity, would pay, without the prior written consent of the Association. Nothing shall be done or kept on any Lot or in any single family residential dwelling or on any Common Area or any part thereof, which would be in violation of any statute, rule, ordinance, regulation,
permit or other validly imposed requirement of any governmental body. No damage to, or waste of, the Common Area or any part thereof shall be committed by any owner or any invitee or tenant of any owner and each owner shall indemnify and hold the Association and the other owners harmless against all loss resulting from any such damage or waste caused by him or his invitees or tenants, to the Association and other owners. No noxious, destructive or offensive activity shall be allowed on any Lots or in the Common Area or any part thereof, nor shall anything be done thereon which may be or may become a nuisance to any other owner or to any other person at any time lawfully residing on the Property; provided, however, that no act, conduct, activity or operation which Declarant is authorized or permitted to do hereunder shall ever be deemed to be noxious, destructive, offensive nor a nuisance for purposes of this Section.

(iii) Fences, Walls and Patios. No owner shall relocate, heighten, lower or otherwise move or change any fence, or wall upon the Property except with approval of the Association as provided herein.

(iv) No Unsightly Uses. No clothes, sheets, blankets or laundry of any kind or other articles shall be hung out on any portion of the Common Area, or on a Lot so as to be visible from outside the Lot. The Common Area shall be kept free and clean of all rubbish, debris and other unsightly materials.

(v) Animals. commercial purposes, provided, further, that any such pet causing or creating a nuisance or unreasonable disturbance shall be permanently removed from the property subject to these restrictions upon three days' written notice from the Board, and provided, further, that upon written request of 25% of the voting power of the Association, the Board of Directors shall have the authority to and shall order the removal of any pet.

(vi) Prohibited Structures. No structure of a temporary character, trailer, boat, camper-bus, basement, tenant, storage tanks, or shack shall be maintained on any lot nor shall any garage or other building except a permanent residence, be used on any lot at any time as a residence or sleeping quarters, either temporarily or permanently.

(ix) **Window Coverings.** Owners shall install and maintain window coverings such as curtains or blinds on all windows and such window coverings shall not be unsightly from the exterior, including garage windows if visible from the street.

(x) **Mailboxes.** All mailboxes shall be of the same style and color.

(xi) **Yard Lights.** All yard lights shall be of the same style and kind and must be placed within 3 feet of the front property line and contain a dusk to dawn switch.

(xii) **Garage Doors.** All garages opening to the street shall have automatic door controls. Lot Owners shall keep garage doors closed at all times except during times of actual use of the garage facility.

(xiii) **Water Drainage.** In the event storm water drainage from any lot or lots flows across another lot, provision shall be made to permit such drainage to continue, without restriction or reduction, across the downstream lot and into the natural drainage channel or course, even though no specific drainage easement for such flow of water is provided on said plat.

(xiv) **Fences.** No fence shall be erected in this subdivision between the building lines and the property lines of the streets as shown on the plat, except with approval of Declarant, which fences shall not exceed 42 inches in height and shall be of a decorative nature. No fences shall be erected within
the area designated on the Plat as Limited Common
Area Maintenance and Drainage Easement, it being the
purpose of this restriction to prohibit the placement
of fences within the area around the Lake designated
on the Plat as Limited Common Area Maintenance and
Drainage Easement.

(xv) Additional Buildings. No buildings shall
be erected on Lots 1 through 9 inclusive closer than
15 feet to the side of such Lots. No buildings shall
be erected on Lots 10 through 27 inclusive closer
than 25 feet to the side of such lots. Where

high water table (as per Hamilton County Surveyor or
City of Carmel), an outlet will be provided directly to
a storm sewer or approved open ditch with plastic pipe.
The route of outlet will be via platted easements and
approved by proper agencies. Where a storm sewer
exists on or directly adjacent to a subject lot, all
sump pumps shall tie directly to storm sewer via
underground pipe. Lots not located in an area of high
water table may outlet sump pump water in the rear
yard, no closer than 25 feet from established lot lines
or platted easements.

(xvii) Construction of Sump Pump Outlet.
Construction of any sump pump outlet will commence only
when appropriate construction plans have been submitted
and approved by the proper agencies and applicable
permits issued from the local building authority. Where construction will be in established drainage and/or utility easements, approval must be obtained from City of Carmel or Hamilton County Surveyor. The maintenance of drainage pipes and facilities for discharging seepage shall be the responsibility of the individual homeowner and/or a homeowner's association.

(xviii) Geo-Thermal Heat Pumps. Geo-thermal heat pumps shall be of the closed loop type only.

Section 6.7. Architectural Control. No building, fence, wall or other structure, except original construction of the single family residential dwelling by or on behalf of Declarant, shall be commenced, erected or maintained upon the Property, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Committee. Any change in the appearance or the color of any part of the exterior of a residence shall be done so to change thereto and shall require the approval therefor as above provided. In the event that written approval is not received as required hereunder within twenty one (21) days from the date requested, the failure to issue such written approval shall be construed as the disapproval of the request made. For the purpose of this Section, structures shall include swimming pools and tennis courts.

Section 6.8. Signs. No sign of any kind (other than designations in such styles and materials as the Committee shall by rule or regulation approve, of street addresses) shall be displayed to the public view on any Lot, except that a "For Sale" sign may be displayed provided that it is in such form as the Committee may require, and except that Declarant shall be permitted to erect and maintain upon the Property such signs as
it deems appropriate to advertise the development during the construction and sale periods.

Section 6.9. Rules and regulations. The Board of Directors from time to time may promulgate further rules and regulations concerning the use of Lots and Common Area. A majority of those Owners voting at a meeting called for the purpose may rescind or modify any rule or regulation adopted by the Board of Directors after the end of the Development Period. Copies of rules and regulations shall be furnished by the Board to the Owners prior to the time when the same shall be effective.

Section 6.10. Development and Sale Period. Nothing contained in this Article VI shall be construed or interpreted to restrict the activities of Declarant in connection with the development of the Property and sale of Lots. During the Development Period, Declarant shall be entitled to engage in such activities and to construct, install, erect and maintain such facilities, upon any portion of the Property at any time owned or leased by Declarant, as in the sole opinion of Declarant may be reasonably required, or convenient or incidental to the development of the Property and sale of the Lots; such facilities may include, without limitation, storage areas, signs, parking areas, social residences, construction offices, sales offices and business offices.

Without limiting the generality of the foregoing, if a retention facility is installed as part of the storm and surface water drainage system of the Property, such water retention facility shall be a part of the Common Area to be operated, managed, controlled, repaired and maintained by the Association. Under no circumstances shall any obligation for the maintenance of any water retention facility be imposed upon, or implied as an obligation of any governmental agency, unless such obligation is specifically and expressly assumed or accepted by any such governmental agency.
