The mortgagees shall have the right, at their option, jointly or severally, to pay charges which are in default or which may or have become a charge against the Common Area and the Concrete Drainage Dams, or which may be superior or prior to the Association's lien on the property, or to enforce in the hands of the Association any insurance policies, or to enforce any lien the Association may have on the property, or to proceed against any person or organization for the recovery of any sums due from the Association. Any mortgagee paying such amount shall be owed immediate reimbursement thereof from the Association.
