3. The CITY is agreeable to acceptance of said subdivision plat upon the execution of this agreement and compliance by the SUBDIVIDER with the provisions of the CITY subdivision ordinance, as amended.

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements of the parties, it is agreed as follows:

1. The SUBDIVIDER agrees to install all of the required public improvements as provided in the CITY subdivision ordinance and binds itself to use such materials and to so construct all of the improvements according to CITY standards as defined by the applicable ordinances, the approved construction plans, and the rules and regulations of the CITY as shown on the subdivision plat.

2. The SUBDIVIDER agrees to provide for the restoration of any monuments erected or used for the purpose of designating a survey marker or boundary of any town, tract, plat or parcel of land which monument is broken down, damaged or obliterated, removed or destroyed, whether willfully or not, by the SUBDIVIDER, its agents, employees or contractors.

3. If the subdivision plat is recorded prior to completion and acceptance of all improvements and conditions of approval: The SUBDIVIDER agrees that all of remaining public improvements shall be completed on or before the 1st day of April, 2001; the SUBDIVIDER agrees that in case it shall abandon the work or fail to make
satisfactory progress on the work, the CITY may cause the work to be completed by contract or by its own forces; the SUBDIVIDER shall be liable to the CITY for any and all loss and damage from such default, either from the greater expense of so completing or repairing faulty or damaged work, or from any other related course; and upon execution of this agreement, the SUBDIVIDER shall deliver to the CITY a bond for the purposes assuring SUBDIVIDER's full and faithful completion of the required improvements within said subdivision. The street trees must be planted in front of any home prior to receiving final occupancy on that home.

4. At such time as all required improvements, except sidewalks along the vacant parcels and miscellaneous improvements, within the subdivision, have been completed in accordance with the CITY's requirements, the SUBDIVIDER shall serve written notification to the CITY of the readiness for final inspection. Upon certification by the City Engineer that all requirements of the CITY have been met, the SUBDIVIDER will submit to the CITY a maintenance bond or other such security in a form approved by the CITY in the sum of 15% of the total public improvement costs as per the estimate dated September 13, 1999 to provide for the correction of any defective materials or workmanship for a period of one (1) year after final acceptance as defined by CITY ordinances. 12.4 By the recording of this Declaration, each Owner shall be deemed to have consented and agreed to every term, condition, covenant and restriction contained herein.

12.5 Neither Declarant nor any successor, assign, employee, agent or other representative of Declarant shall be liable to any Owner or to any other person for its enforcement or failure to enforce any provisions of this Declaration. Each Owner, by acquiring such Owners’ interest in a Lot, agrees to not bring any action or suit against Declarant nor any successor, assign, employee, agent or other representative of Declarant, and not to seek to recover any such damages or to seek any other relief, including, without limitation, equitable relief, by reason of any enforcement or failure to enforce any provision of this Declaration.
