FUNDS AND ASSESSMENTS

13.1 Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the administration and operation of the Association and to promote the recreation, health, safety, aesthetics and welfare of the Owners and Occupants of THE GRAPEVINES at AMITY PARK and for the improvement, operation and maintenance of Tracts A, B, and C when such Tracts are owned by the Association and those areas for which the Association has maintenance obligations.

13.2 Covenants to Pay. Declarant and each Owner covenant and agree to pay the Association the assessments and any additional charges levied pursuant to this Declaration or the Bylaws.

13.2.1 Funds Held in Trust. The Assessments collected by the Association shall be held by the Association for and on behalf of each Owner and shall be used solely for the administration of the Association and the operation, care, and maintenance of THE GRAPEVINES at AMITY PARK as provided in this Declaration, including maintenance of Tracts A, B, and C if owned by the Association. The Assessments are the property of the Association and are not refundable to Owners or Lots. Upon the sale or transfer of any Lot, the Owner’s interest in the funds shall be deemed automatically transferred to the successor in interest of such Owner.

13.2.2 Offsets. No offsets against any assessment shall be permitted for any reason including, without limitation, any claim that the Association is not properly discharging its duties.

13.3 Basis of Assessment/Commencement of Assessments. The Declarant shall pay all common expenses of the Association until the Lots are assessed for common expenses. The amount and date of commencement of the initial annual assessment to Owners other than the Declarant shall be determined by the Declarant. Assessments are to be levied against all Lots whether or not such Lots have been improved with a completed Home; provided, however, the Declarant shall be exempt from paying the operation portion of the assessments on all Lots owned by it. The Declarant may
defer payment of assessments for a Lot until the Lot is conveyed to a third person. However, the
Declarant may not defer payment of the assessment beyond the date the Declarant turns over
administrative control to the Association. The assessment shall thereafter be subject to review by the
Board of Directors,

13.4 **Annual Assessments.** Annual assessments for each fiscal year shall be established
when the Board approves the budget for that fiscal year. The initial assessment and the
implementation thereof shall be determined by the Declarant and shall be prorated on a monthly
basis. For prospective purposes, any portion of a month shall count as a full month. Annual
assessments shall be levied on a fiscal year basis. The fiscal year shall be the calendar year unless
another year is adopted by vote of the Association members. Unless otherwise specified by the Board,
annual assessments shall be due and payable on the first day of each calendar year during the term
of this Declaration.

13.4.1 **Budgeting.** Regardless of the number of Members or the amount of assets of
the Association, each year the Board shall prepare, approve and make available to each Member a
pro forma operating statement (budget) containing: (i) estimated revenue and expenses; (ii) the
amount of the total cash reserves of the Association currently available; and (iii) a general statement
setting forth the procedures used by the Board in the calculation and establishment of reserves to
defray costs. For the first fiscal year, the budget shall be approved by the Board no later than the date
on which annual assessments are scheduled to commence. Thereafter, the Board shall annually
prepare and approve the budget and distribute a copy thereof to each Member, together with written
notice of the amount of the annual assessments to be levied against the Owner's Lot, not less than
thirty (30) days and not more than ninety (90) days prior to the beginning of the fiscal year.

13.4.2 **Allocation of Assessments/Profits.** Except as provided below, the total amount
in the budget shall be charged equally against all Lots as Annual Assessments. Any profits derived
by the Association shall be for the sole benefit of the Association. Owners shall have no rights to the
profits of the Association, if any.

13.4.3 **Nonwaiver of Assessments.** If before the expiration of any fiscal year the
Association fails to fix annual assessments for the next fiscal year, the annual assessments established
for the preceding year shall continue until a new annual assessment is fixed.

13.5 **Special Assessments.** The Board of Directors shall have the power to levy special
assessments against an Owner or all Owners in the following manner for the following purposes:

13.5.1 **Correct Deficit.** To correct a deficit in the operating budget, by vote of a
majority of the Board;

13.5.2 **Special Obligations of an Owner.** To collect amounts due to the Association
from an Owner for breach of the Owner's obligations under the Declaration, the Bylaws or the Rules
and Regulations, by vote of a majority of the Board;

13.5.3 **Repairs.** To make repairs or renovations if sufficient funds are not available
from the operating budget or replacement reserve accounts, by vote of a majority of the Board; or

13.5.4 **Capital Improvements.** To make capital expenditures for acquisitions,
additions or improvements in excess of $10,000.00, by vote of at least seventy-five percent (75%) of all votes allocated to the Lots.

13.5.5 Reimbursement Assessments. The Association shall levy a Reimbursement Assessment against any Owner and the Owner's Lot if a failure to comply with the Declaration, Bylaws or any Rules and Regulations has (i) necessitated an expenditure of monies by the Association to bring the Owner into compliance or (ii) resulted in the imposition of a fine or penalty. A Reimbursement Assessment shall be due and payable to the Association levied. A Reimbursement Assessment shall not be levied by the Association until after a notice and an opportunity for hearing has been given and:

(a) the hearing has been held;

(b) the Owner declines in writing to appear at the hearing; or

(c) the time set for the hearing has passed and the Owner failed to appear. (An Owner may request a different hearing date and the Board shall not unreasonably deny such request.)

If a notice has been previously given, and the hearing has already been held or waived (in writing or by the Owner failing to appear) for the violation resulting in the Reimbursement Assessment, no additional notice and hearing is required prior to levying the Reimbursement Assessment.

13.6 Accounts.

13.6.1 Types of Accounts. Assessments collected by the Association shall be deposited into at least two (2) separate accounts with a bank, which accounts shall be clearly designated as (i) the Current Operating Account and (ii) the Reserve Account. The Board shall deposit those portions of the assessments collected for current maintenance and operation into the Current Operating Account and shall deposit those portions of the assessments collected as reserves for replacement and deferred maintenance of capital improvements into the Reserve Account.

13.6.2 Reserve Account. The Declarant shall establish a Reserve Account in the name of the Association which shall be kept separate from all other funds in the Association. The Association shall pay out of the Reserve Account only those costs that are attributable to the maintenance, repair or replacement of items that normally requires replacement, in whole or in part, within three (3) to thirty (30) years and not for regular or periodic maintenance and expenses. No funds collected for the Reserve Account may be used for ordinary current maintenance and operation purposes.

13.6.2.1 Loan From Reserve Account. After the Declarant has turned over administrative control to the Association, the Board of Directors may borrow funds from the Reserve Account to meet high seasonal demands on the Association's regular operating fund or to meet other temporary expenses. Funds borrowed to meet high seasonal demands or temporary expenses under this Subsection must be repaid from special assessment or maintenance fees within six (6) months of the date on which such funds are borrowed.

13.6.2.2 Investment of Reserve Account. Nothing in this Section 9.6
prohibits the prudent investment of Reserve Account funds, subject to any constraints imposed by the Board of Directors of the Association, the Bylaws or the Rules and Regulations.

13.6.2.3 Refunds of Assessments. Assessments paid into the Reserve Account are the property of the Association and are not refundable to sellers or Owners of Lots. Sellers or Owners of Lots may treat their outstanding share of the Reserve Account balance as a separate item in the sales contract providing for the conveyance of their Lot.

13.6.3 Current Operating Account. All other costs may be paid from the Current Operating Account.

13.7 Default in Payment of Assessments, Enforcement of Liens.

13.7.1 Personal Obligation. All assessments properly imposed under this Declaration or the Bylaws shall be the joint and several personal obligation of all Owners of the Lot to which such assessment pertains. In a voluntary conveyance (that is, one other than through foreclosure or a deed in lieu of foreclosure), the grantees shall be jointly and severally liable with the grantor(s) for all Association assessments imposed through the recording date of the instrument effecting the conveyance. A suit for a money judgment may be initiated by the Association to recover such assessments without either waiving or foreclosing the Association's lien.

13.7.2 Association Lien. At any time any assessment (of any type provided for by this Declaration or the Bylaws) or installment thereof is delinquent, the Association, by and through its Board or any management agent, may file a notice of lien in the deed records of Yamhill County, Oregon against the Lot in respect to which the delinquency pertains. Once filed, such lien shall accumulate all future assessments or installments, interest, late fees, administrative charges, penalties, fines, attorneys’ fees (whether or not suit or action is instituted) and other appropriate costs properly chargeable to the Owner by the Association, until such amounts are fully paid. Said lien may be foreclosed at any time, but not later than six (6) years after the latest lienable charge has been imposed. The lien of the Association shall be superior to all other liens and encumbrances except property taxes and assessments, any first mortgage or deed of trust recorded previously to the Association’s notice of lien. However, any foreclosure or proceeding in lieu of foreclosure shall not release the Lot from liability from any unpaid assessments, late fees, interest, administrative fees, attorney fees or any other amounts due hereunder.

13.7.3 Interest, Fines, Late Fees; Penalties. If an assessment is not paid on the date when due. Such assessment becomes delinquent and shall accrue interest at the rate of twelve percent (12%) per annum from such due date until paid. Additionally, there shall be a fee of $75 for an administrative fee which is a reasonable expense the Association will incur to post the interest and handle subsequent billings and is in addition to all other fees and costs incurred for collection or to lien the Lot owners property. The Board, in its reasonable discretion, may from time to time adopt resolutions to set the rate of interest and to impose late fees, fines, administrative charges, and penalties on delinquent assessments or for violations of the provisions of this Declaration, the Bylaws, and the Rules and Regulations adopted by the Board. The adoption of such impositions shall be communicated to all Owners in writing not less than thirty (30) days before the effective date by a notice mailed to the assessment billing address of such Owners. Such impositions shall be considered assessments which are lienable and collectible in the same manner as any other assessments; provided, however, fines or penalties for violation of this Declaration, the Bylaws or any
rule and regulation, other than late fees, fines or interest arising from an Owner’s failure to pay regular, special or Reimbursement Assessments, may not be imposed against an Owner or his/her Lot until such Owner is given an opportunity for a hearing as elsewhere provided herein.

13.7.4 Acceleration of Assessments. In the event an Owner is delinquent in payment of any assessment or installment on any assessment, the Association, upon not less than ten (10) days written notice to the Owner, may accelerate the due date of the full annual assessment for that fiscal year and all future installments of any special assessments.

13.7.5 Association’s Right to Rents/Receiver. The Association shall have the right for the appointment of a receiver. After foreclosure of its lien, the Association shall be entitled to collect reasonable rent from the occupant of the foreclosed lot.

ARTICLE 14
GENERAL PROVISIONS

14.1 Records. The Board of Directors shall preserve and maintain minutes of the meetings of the Association, the Board and any committees. The Board of Directors shall also keep detailed and accurate financial records, including individual assessment accounts of Owners, the balance sheet, and income and expense statements. Individual assessment accounts shall designate the name and address of the Owner or Owners of the Lot, the amount of each assessment as it becomes due, the amounts paid upon the account, and the balance due on the assessments. The minutes of the Association, the Board and committees, and the Association’s financial records shall be reasonably available for review and copying by the Owners. A reasonable charge may be imposed by the Association for providing copies, including charges for administrative time.

14.2 Indemnification of Directors, Officers, Employees and Agents. The Association shall indemnify any Director, officer or member of a committee established under this Declaration or the Bylaws, employee or agent who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by the Association) by reason of the fact that he/she is or was a Director, officer, employee or agent of the Association or is or was serving at the request of the Association as a Director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by said person in connection with such suit, action or proceeding if he/she acted in good faith and in a manner he/she reasonably believed to be in, or not opposed to, the best interest of the Association, and, with respect to any criminal action or proceedings, had no reasonable cause to believe his/her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or with a plea of nolo contendere or its equivalent, shall not of itself create a presumption that a person did not act in good faith and in a manner which he/she reasonably believed to be in, or not opposed to, the best interest of the Association, and, with respect to any criminal action or proceedings, had reasonable cause to believe his/her conduct was unlawful. Payment under this clause may be made during the pendency of such claim, action, suit or proceeding as and when incurred, subject only to the right of the Association to reimbursement of such payment from such person, should it be proven at a later time that such person had no right to such payments. All persons who are ultimately held liable for their actions on behalf of the Association as a Director, officer, employee or agent shall have a right of contribution over and against all other Directors, officers, employees or agents and
members of the Association who participated with or benefitted from the acts which created said liability.

14.3 Enforcement/Attorneys’ Fees.

14.3.1 The Association and the Owners within the Property or any mortgagee on any Lot shall have the right to enforce all of the covenants, conditions, restrictions, reservations, easements, liens and charges now or hereinafter imposed by any of the provisions of this Declaration as may pertain specifically to such parties or owners by any proceeding at law or in equity. Failure by either the Association or by any Owner or mortgagee to enforce any covenant, condition or restriction herein contained shall in no event be deemed a waiver of their right to do so thereafter.

14.3.2 In the event suit or action is commenced to enforce the terms and provisions of this Declaration, the prevailing party shall be entitled to its attorneys’ fees and costs in such suit or action to be fixed by the trial court, and in the event of an appeal, the cost of the appeal, together with reasonable attorneys’ fees, to be set by the appellate court. In addition thereto, the Association shall be entitled to its reasonable attorneys’ fees incurred in any enforcement activity taken to collect delinquent assessments, whether or not suit or action is filed.

14.3.3 In the event any Association Member shall violate any provision of this Declaration, any supplemental declaration, the Bylaws, or any rules or regulations adopted by the Association governing the use or improvement of Lots, then the Association, acting through the Board, may notify the Member in writing that the violations exist and that such Member, after affording the Member reasonable notice and opportunity to be heard, do any or all of the following: (a) suspend the Member’s or Owner’s voting rights for the period that the violations remain unabated, or for any period not to exceed sixty (60) days for any infraction of its rules and regulations, (b) impose reasonable fines upon the Member or Owner, in the manner and amount the Board deems appropriate in relation to the violation; (c) bring suit or action against such Member or Owner to enforce this Declaration; or (d) if the Association has notified the Member or Owner of required remedial or abatement action and the Member or Owner is unable or unwilling to comply with the Association’s specific directives for remedy or abatement, or the Member or Owner and the Association cannot agree on a mutually acceptable solution within the framework and intent of this Declaration, within sixty (60) days after such notice, enter the offending Lot (which entry shall not subject the Association, the directors of the Association, or any agent or representative thereof to liability for trespass or any other claim for damages) and remove the cause of such violation, or alter, repair, or change the item which is in violation of this Declaration in such a manner as to make it conform thereto and assess such Member or Owner for the entire cost of the work done, provided that no items of construction shall be altered or demolished in the absence of judicial proceedings. Nothing in this Section, however, shall give the Association the right to deprive any Member access to and from such Member’s Lot.

14.4 Severability. Invalidation of any one of these covenants, conditions or restrictions by judgment or court order shall not affect the other provisions hereof and the same shall remain in full force and effect.

14.5 Duration. The covenants, conditions and restrictions of this Declaration shall run with and bind the land for a term of twenty (20) years from the date of this Declaration being recorded, after which time they shall be automatically extended for successive periods of ten (10) years, unless rescinded by a vote of at least ninety percent (90%) of the Owners and ninety percent (90%) of the
14.6 Amendment. Except as otherwise provided in the above Section and the restrictions set forth elsewhere herein, this Declaration may be amended at any time, including within the first twenty (20) years by an instrument approved by not less than seventy-five percent (75%) of the total votes of each class of Members that are eligible to vote. Any amendment must be executed, recorded and certified as provided by law; provided, however, that no amendment of this Declaration shall effect an amendment of the Bylaws or Articles without compliance with the provisions of such documents, and the Oregon Nonprofit Corporation Act; provided further, no amendment affecting any other right of the Declarant herein contained may be effected without the express written consent of the Declarant or its successors and assigns, including, without limitation, amendment of this Section.

14.7 Release of Right of Control. The Declarant may give up its right of control in writing at any time by notice to the Association.

14.8 Unilateral Amendment by Declarant. In addition to all other special rights of the Declarant provided in this Declaration, the Declarant may amend this Declaration in order to comply with the requirements of the Federal Housing Administration of the United States, the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Mortgage Loan Corporation, any department, bureau, board, commission or agency of the United States or the State of Oregon, or any other state in which the Lots are marketed and sold, or any corporation wholly owned, directly or indirectly, by the United States or the State of Oregon, or such other state, the approval of which entity is required in order for it to insure, guarantee or provide financing in connection with development of the Property and sale of Lots. No such amendment shall require notice to or approval by any Member.

14.9 Resolution of Document Conflicts. In the event of a conflict among any of the provisions in the documents governing THE GRAPEVINES at AMITY PARK, such conflict shall be resolved by looking to the following documents in the order shown below:

1. Declaration;
2. Articles;
3. Bylaws;
4. Rules and Regulations.

IN WITNESS WHEREOF, the undersigned being Declarant herein, has executed this instrument this 25\textsuperscript{th} day of February, 2015.
