Section 6. Beresky Development Co. reserves the exclusive right to grant consents for the construction, operation and maintenance of electric light, telephone and telegraph poles, lines and conduits, and for water, gas, sewer and pipes and conduits or any other public utility facilities, together with the necessary or proper incidents and appurtenances, in, through, under and/or upon any and all streets and ways, now existing or hereafter established, upon which any portion of said premises may now or hereafter front or abut.

Beresky Development Co. reserves to itself, its successors and assigns, a perpetual easement in, through, under and/or over those portions of the rear and side of each lot, as shown on the plat of part of Bentbrook Farms, designated as utility rights-of-way, for the construction, operation and maintenance of electric lights, telephone and telegraph poles, lines and conduits, and for water, gas and sewer lines and conduits, or any other public utility facilities, together with the necessary or proper incidents and appurtenances; and no building or other structure, or any part thereof, shall be erected or maintained upon any part of the property in the replat of part of Bentbrook Farms, over or upon which easements for the installation and maintenance of public utilities and storm sewers will be or have been granted.

No well for gas, water, oil or other substance, shall at any time, whether intended for temporary or permanent purpose, be erected, placed or suffered to remain upon said premises; nor shall the premises be used in any way or for any purpose which may endanger the health or unreasonably disturb the quiet of the owner or owners of any adjoining land. or any other purpose, and no advertising sign, billboard or other advertising device, whether for the purpose of advertising the sale of said premises or otherwise, shall be erected, placed or suffered to remain upon said premises, or upon or visible from the outside of said dwelling without the written consent of the Beresky Development Co. first having been obtained. The right is reserved by the Beresky Development Co. to erect small structures and place signs on any unsold lots or improvements thereon.

Section 9. No animals, rabbits or poultry, or any kind, character or species of fowl or livestock, shall be kept upon or maintained on any part of any lot or tract. No power yard equipment, such as power mowers and power shears, shall be used by anyone on Sundays or legal holidays from May 1 to October 1 of each year.

Section 11. All rubbish, and debris, combustible and non-combustible, and all garbage shall be stored in underground containers, or stored and maintained in containers, entirely within the garage or basement. Additional regulations for the storage, maintenance and disposal of rubbish, debris, leaves, and garbage may, from time to time, be established by the Beresky Development Co.

Section 12. Beresky Development Co. reserves and hereby is granted the right in case of any violation or breach of any of the restrictions, rights, reservations, limitations, agreements, covenants and conditions herein contained, to enter the property, upon or as to which such violation or breach exists, and to summarily abate and remove, at the expense of the owner thereof, any erection, thing or condition that may be or exist thereon, contrary to the intent and meaning of the provisions hereof as interpreted by Beresky Development Co., and Beresky Development Co. shall not, by reason thereof, be deemed guilty of any manner of trespass for such entry, abatement or removal. A failure of Beresky Development Co. to enforce any of the restrictions, rights, reservations, limitations, agreements, covenants and conditions contained herein shall in no event be construed, taken or held to be a waiver thereof or acquiescence in or consent to any continuing, further or
succeeding breach or violation thereof, and Beresky Development Co. shall at any and all times have the right to enforce the same.

Section 13. No boat, boat trailer, house trailer or truck of any type shall be parked, kept or stored on any lot in Bentbrook Farms. No trailer, tent, shack, barn, housecar, playhouse, greenhouse, tree house, or outbuilding of any type will be permitted in Bentbrook Farms.

Section 14. No garage or any addition thereto or alteration thereof shall be erected, reconstructed, placed or suffered to remain upon said premises except for the exclusive use of the family occupying said dwelling and the servants thereof, nor unless such garage be made an integral part of said dwelling, nor unless nor until the size, location, type, style of architecture, cost, use, the materials of construction thereof, the color scheme therefor, the grade elevation thereof, and the plans, specifications and details of said garage, including the driveway approach, and garage entrance shall have been first approved in writing by the Architectural Control Committee, and a true copy of said plans, specifications and details of said garage shall have been lodged permanently with the Architectural Control Committee, and no garage except as conforms to said plans, specifications and details shall be erected, reconstructed, placed or suffered to remain upon said premises. Such garage, being an integral part of said dwelling, shall be subject to all of the covenants, rights, terms, reservations, limitations, agreements and restrictions at any point herein made applicable to said dwelling.

Section 15. No dwelling erected in said Bentbrook Farms shall be used as a residence until the exterior thereof has been completed as specified and called for in the detailed plans and specifications therefor. All approved structures must be completed by an owner within 1 year following the date of the commencement of the construction thereof. Building materials to be used in the construction of any structure to be erected on any residential lot may be stored thereon but, if not incorporated in said structure within 90 days after their delivery to such lot, shall be removed therefrom. No sod, dirt or gravel, other than incident to construction of approved structures, shall be removed from said lots without the written approval of Beresky Development Co.

Section 16. No grantee or successor in title shall subdivide or convey less than the whole of any lot without first obtaining the written consent of Beresky Development Co.

Section 17. In all instances where plans and specifications are required to be submitted to and are approved by the Architectural Control Committee, if subsequent thereto there shall be any variance in the actual construction and location of any alteration or addition,
fence, wall, hedge, or roadway, any such variance shall be deemed a violation of these restrictions.

**ARTICLE TWO**

**Section 1.** The Architectural Control Committee shall be composed of Nicholas J. Beresky and Shirley S. Beresky or their designated representatives until such time as Beresky Development Co. has conveyed to others 90% of the lots in Bentbrook Farms, after which time said committee will be composed of three lot owners to be appointed by the then record owners of a majority of said lots. A majority of the committee may designate a representative to act for it. In the event of death or resignation of any member of the committee, the remaining members shall have full authority to designate a successor in the absence of action by the lot owners.
