Developer further reserves the right to unilaterally amend these restrictions in all respects prior to any assignment by it under Section 4 of Article Two hereof by recording such amendment within the offices of the Lucas County, Ohio Recorder.

Section 10. Developer reserves the exclusive right to grant easements for the construction, operation and maintenance of electric light, telephone, cable television and telegraph poles, lines and conduits, and for water, gas, sewer, and pipes and conduits or any other public or quasi-public utility facilities together with the necessary or proper incidents and appurtenances, in, through, under and/or upon any and all highways, now existing or heretofore established, upon which any portion of any lot may now or hereafter front or abut.

Section 11. Lake Lots are defined as lot numbers nineteen (19) through twenty-eight (28), both inclusive in Brookstone Village, Lot One. Developer hereby further reserves for itself and for the Brookstone Association, and their respective successors and assigns, perpetual non-exclusive easements across, over, under and upon that portion of the Lake Lots designated as a "Drainage Easement" for purposes of constructing and maintaining the lake and draining surface water from the Subdivision and thereby using the lake as a detention and surface water drainage facility to serve the Brookstone Village Subdivision as well as the right of entry onto said Lake Lots for the purpose of maintaining the "Drainage Easement" area.

Section 12. No spiritual, viands or fermented liquors of any kind shall be manufactured or sold either at wholesale or retail, upon any lot, nor industry, business or trade, occupation or profession of any kind shall be conducted, maintained or permitted upon any lot, except for home occupations conducted entirely within a residence and in such a fashion as to not to interfere with other residents' quiet enjoyment of their premises. Notwithstanding this exception under no circumstances shall any such home occupation be of such a nature as to violate any and all applicable zoning laws. No wells or well points for gas, water, oil or other substances, shall at any time, whether intended for temporary or permanent purpose, be erected, placed or suffered to remain upon any lot, nor shall any lot be used in any way or for any purpose which may endanger the health or reasonably disturb the quiet of the owner or owners of any adjoining lot. No poles, overhead or exposed wires, antennas (including satellite dishes — see Section 2 of this Article), whether for use in connection with radio, telephone, television, electric light, etc.
or any other purpose, shall be erected, placed or suffered to remain upon any lot or upon or visible from the outside of said dwelling without the consent of Developer first having been obtained. Except for one "For Sale" or "For Rent" sign not exceeding 4 square feet located on the inside of one window of a dwelling, no signs of any character, shall be erected, placed or posted or otherwise displayed on or about any lot without the written permission of Developer. However, a standard real estate andor builder's sign not exceeding 4 square feet in area on a side and advertising the lot or dwelling "For Sale" or "For Rent" shall be permitted in connection with the initial construction and sale of a dwelling or proposed dwelling. The Developer shall have the right and discretion to prohibit, restrict or control the size, construction, materials, location and height of all such signs. The right is reserved by Developer to erect and place signs on any unbound lots in Brooksettos Village. Political or campaign signs may be displayed only as provided by Township ordinance.

Section 13. The maintenance or harboring of any animals, other than dogs, cats, or birds maintained within the dwelling so as not to unreasonably disturb neighbors, is expressly prohibited in Brooksettos Village. Under no circumstances will any dog or cat be permitted or allowed to remain outside a dwelling unattended so as to become a nuisance to any lot owner in Brooksettos Village. In that connection, and as also stated herein, no doghouses or other pet enclosures, dog runs, or the like shall be installed or located on any lot. Furthermore, the Developer or the Brooksettos Association may develop such rules and regulations with respect to the keeping of any domestic dog or cat (such as limits as size and type) so as to insure that no such domestic pet or animal shall become a nuisance or safety concern for any lot owner.

Section 14. No clothes, sheets, blankets or other articles shall be hung out or exposed on any part of any lot. No yard equipment, including power mowers, power sheers and similar equipment shall be used by anyone on Sundays or holidays from May 1 to October 1 each year prior to 8:00 AM. All yard equipment shall be stored inside while not in use.

Section 15. Any commercial vehicle, boat, mobile home, car, trailer or other similar device, vehicle or equipment, if stored or located on any lot in Brooksettos Village, shall be housed at all times within a garage.

Section 16. Said lots shall not be used for storage of automobiles, trailers, scrap, scrap yard, wood (except for neatly stacked firewood not exceeding one cord in locations approved by Developer and not visible from the street fronting the residence as which such firewood is located), building materials, paper, glass, or any reclaimable product or material, except that during the period any dwelling is being erected upon such lot, building materials may be stored thereon. However, any building materials not incorporated in said dwelling within ninety (90) days after it is delivered to such lot shall be removed therefrom. Structures must be completed within one (1) year of the date of the beginning of construction. Nothing herein contained shall prohibit the reasonable accumulation of recyclable material generated by a family living within a residence in
Brookstone Village long as such recyclable material is retained within the garage or residence and is removed from the residence at reasonable intervals.

Section 17: All rubbish and debris, combustible and noncombustible, and all garbage shall be stored in underground containers or stored and maintained in containers, entirely within the garage or basements, or behind screening approved by Developer as to location and style. Additional regulations for the storage, maintenance and disposal of rubbish, debris, leaves and garbage, may, from time to time be established by Developer.

Section 18: Developer reserves and is hereby granted the right in case of any violation or breach of any of the restrictions, rights, reservations, limitation, agreements, covenants and conditions herein contained to enter the property upon or as to which such violation or breach exists, and to summarily abate and remove, at the expense of the owner thereof, any erection, thing or condition that may be or exists thereof contrary to the intent and meaning of the provisions herein interpreted by Developer, and Developer shall not, by reason thereof be deemed guilty of any manner of trespass for such entry, abatement or removal. A failure of Developer to enforce any of the restrictions, rights, reservations, limitations, agreements, covenants and conditions contained herein shall in no event be construed, taken or held to be a waiver thereof or agreement in or consent to any continuing further or succeeding breach or violation thereof, and Developer shall at any and all times have the right to enforce the same.

Section 19: No grantee or successor in title shall subdivide or convey less than the whole of any lot without first obtaining the written consent of Developer.

Section 20: In all instances where plans and specifications are required to be submitted to and are approved by Developer, if subsequent thereto there shall be any variance to the actual construction, location, alteration or addition, fence, wall, hedge or driveway, any such variance shall be deemed a violation of these restrictions.

Section 21: Developer shall have the exclusive right to determine the location, color, size, design, lettering and standards and brackets of all mail and paper delivery boxes (which shall initially be furnished by Developer and paid for out of funds collected under Articles Four, Section 4), and the location, size, type and species of trees and/or shrubbery planted between the sidewalk and street curb in order that all such areas of Brookstone Village be uniform in appearance with respect therein. The owner of a residential lot shall maintain the mailbox and/or paper delivery box and all such trees and shrubbery and replace same when necessary with trees, shrubbery or a mailbox and/or paper delivery box similar type, look and quality, as the case may be.

Section 22: Within six (6) months after a residence has been completed and occupied on any lot in Brookstone Village Plt. One, the entire yard of said lot shall be seeded or hydroseeded.
Section 23. No fence, hedge, wall or enclosure of any kind, for any purpose, shall be erected, placed or suffered to remain upon said lots, nor shall a hedge be erected, placed or suffered to remain upon said lots until the written consent of Developer shall have been first obtained therefor, and same shall be subject to the terms and conditions of said consent as to its type, height, width, color, upkeep and any general conditions pertaining thereto that said consent may name.

Section 24. The areas designated for utility, drainage and open space easements as set forth on the Plat shall be maintained by the lot owners as lawns. All permitted fences, shrubs, trees or other structures, other than utilities, installed in the said easement areas, are installed at the risk of said lot owner. Should the lot owner plant or install on said easement areas, the governmental authority within whose jurisdiction the lot is located or any public or quasi-public utility may remove said obstruction at the lot owner's expense.

Section 25. The established drainage flow anywhere in Brookstone Village shall not be altered by anyone other than by the maintaining authority.

Section 26. Wherever any of the covenants, reservations, agreements or restrictions herein provided for any approval, designation, determination, modification, consent, enforcement or any other action by Developer, any such approval, designation, determination, modification, consent, enforcement of any other such action may be undertaken by the Developer, its successors or assigns, or by any attorney-in-fact authorized by it pursuant to a recorded Power of Attorney.

ARTICLE TWO

Section 1. Upon the sale of two-thirds (2/3) or more of the lots in the various plats of Brookstone Village, Developer may cause the incorporation of the Brookstone Association and upon the formation of such Association, every owner (measuring a full building site) shall become a member therein, and each such owner, including Trustee, its successors and assigns, shall be entitled to one vote on each matter submitted to a vote of members for each lot owned by him or it; provided, however, that where title to a lot is in more than one person, such co-owners, acting jointly, shall be entitled to but one vote.

Section 2. The Brookstone Association, by vote of a majority of its members may adopt such reasonable rules, regulations and by-laws as it may deem advisable for the maintenance, conservation and beautification of the lots owned in Brookstone Village and for the health, comfort, safety and general welfare of residents of said lots, and all of such lots shall at all times be maintained subject to such rules and regulations.

Section 3. The Brookstone Association, by a vote of majority of its members, may establish and levy on each lot owner a reasonable and equitable manner, and such as may be determined by the Brookstone Association to be reasonably necessary to raise such sums as are required to maintain the Brookstone Association, cover the cost of its operation, and maintain and improve any improvements of the Brookstone Association.
requirements of ARTICLES FOUR and FIVE below. Any such assessments, or portion thereof, which remain unpaid for sixty (60) days after receipt of the notice thereof by the lot owner, shall become a lien on said lot for the benefit of the Brookstone Association.

Section 4. Developer may, by an instrument in writing in the nature of an assignment, vest the Brookstone Association, when formed, with all or any portion of the rights, privileges and powers granted or reserved to Developer hereunder which said assignment shall be recorded in the office of the Recorder of Deeds, Lucas County, Ohio.

Section 5. After the expiration of twenty (20) years after the recording of these Restrictions, all rights, powers, and privileges of Developer herein not previously assigned by the Developer pursuant to Section 4 above, shall automatically vest in the Brookstone Association.

ARTICLE THREE

SECTION 1. Each Grantee of a lot in Brookstone Village, by the acceptance of a deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, easements, and the jurisdictional rights and powers of the Developer, and the Brookstone Association, created or reserved by this Declaration or by Plat or these Restrictions, and all easements, rights, benefits and privileges of every character hereby granted, created, reserved or declared, and all impositions and obligations hereby imposed shall run with the land and bind every owner of the land and every holder of any estate in reversion or reversionary interest, and to whomsoever they may in law or right become lawfully entitled, so as to bind the same in manner and form as if contained in a written instrument executed by the Developer or the Brookstone Association.

The violation of any restriction or condition, or the breach of any covenant or provisions herein contained shall give Developer or the Brookstone Association, the right to enter upon the land upon which, or as to which, such violation or breach exists, and, to temporarily abate and remove, at the expense of the owner of said lot or lots, any structure, thing, or condition that may exist therein contrary to the intent and meaning of the provisions hereof, and Developer or the Brookstone Association shall not thereby be deemed guilty of any manner of trespass. The continuance of any breach may be enjoined, abated, or remedied by appropriate legal proceedings, either by law or in equity, by Developer or the Brookstone Association, or by individual owners.

SECTION 2. These covenants and restrictions shall run with the land and shall be binding upon Trustee, Developer and all persons claiming under or through Trustee for a period of twenty (20) years from and after the date hereof, at which time the covenants and restrictions shall be automatically extended for successive periods of ten (10) years unless earlier terminated as provided herein. In addition to Developer's fundamental right to amend under Article One, Section 9 hereof, these covenants and restrictions may also be amended within the initial twenty (20) year period with written approval of the then owners of not less than two-thirds (2/3) of the lots in Brookstone Village, which amendments shall become effective upon their recordation in the office of the Recorder of Deeds of Lucas County, Ohio.
owners of not less than one-half (1/2) of the lots in Brookstone Village upon the filing of an instrument as agreed to with the Recorder of Deeds of Lucas County, Ohio.

Section 3. No restrictions imposed hereby shall be abrogated or waived by any failure to enforce the provisions hereof, no matter how many breaches may occur.

Section 4. The invalidity of any restriction hereby imposed or of any provision shall not impair or affect in any manner the validity, enforceability or effect of the remaining restrictions and provisions of this Declaration.

Section 5. Violation of any of the rules and regulations adopted by the Brookstone Association, conferring the rights and benefits of Developer as provided for in ARTICLE TWO, Section 4 and 5 herein shall be deemed in violation of this Declaration and may be shared and removed or enjoined as herein provided.

ARTICLE FOUR

Section 1. Power of Attorney. Whenever any of the foregoing covenants, reservations, agreements, or restrictions provide for any approval, designation, determination, modification, consent, or any other action by Developer, any such approval, designation, modification, consent, or any other action by the Developer or by an attorney in fact authorized pursuant to a recorded power of attorney to sign deeds or other instruments on behalf of Developer shall be sufficient.

Section 2. The Brookstone Village Homeowners’ Association, Inc. The Association shall have the right to the collection and disposal of funds as herein provided and shall have the right from and after the assignment by Developer to assign or sell all or any part thereof.

Section 3. The Brookstone Village Homeowners’ Association. As stated previously, the Developer has or will create the Brookstone Association as an association for all lots within the Brookstone Development whose members will be all the record owners of all lot owners in the Plat and every plat within the Development. The Developer has created or will create the association across the Lake Lots as set forth in Article One Section 1 hereof. The lake shall be owned by the Brookstone Association since they are an integral part of the drainage plan for the development, but their use and enjoyment shall be limited to the owners of the Lake Lots, as well as certain lots in future plats of Brookstone where the rear lot lines will adjoin those of the Lake Lots. It is hereby stipulated and declared by the Developer that the lake shall at all times be restricted in their use and enjoyment to open space and recreational purposes for the sole and exclusive benefit of the owners of the Lake Lots. Under no circumstances will any activity other than fishing from the Lake Lots and ice skating be permitted on the lake. No docks or boats of any kind shall be permitted to be located or used on the lake, and no structures of any kind shall be permitted to be placed within 20 feet of the lake's boundaries.

Section 4. Maintenance Charges. Each and every lot in the Plat shall be subject to an annual maintenance charge in the amount established by the Brookstone Association and/or the Developer. It is hereby understood and stipulated.
that until such time as the Developer assigns its rights to the Association, as herein permitted, the Developer shall have exclusive control of the Association. The initial annual charge for the Brookstone Association shall be One Hundred Twenty Dollars ($120.00). Under no circumstances shall the Developer be under any obligation to pay any unpaid assessment or charges of the Association on lots remaining unsold by it. At the time the Developer conveys any lot in Plat One, the new owner(s) shall be responsible for payment of a pro-rata share of that year's assessments. The pro-rata amount shall be based upon the remaining calendar months, or any part thereof, left in said calendar year. Future charges shall be levied on the first day of January of every calendar year. The Association shall have a lien perpetually upon lots in the Plat to secure the payment of all annual maintenance charges. In default of the payment of such maintenance charges within sixty (60) days of its due date, a "Notice of Lien" in substantially the following form may be filed and recorded in the new records at the Office of the Recorder of Lucas County, Ohio.

"NOTICE OF LIEN"

In the event any of said annual assessments is not paid when due, the Developer may, when and as often as such delinquencies occur, proceed by law to collect the amount then due by foreclosure of the above described lien, otherwise, and in such event shall also be entitled to recover and have and enforce against each residential lot a lien for its costs and expenses in that behalf, including attorneys' fees. No waiver may be made of or otherwise escape liability for the annual assessments provided for herein by reason of the common usage in any facilities located thereon or by any amendment of said residential lots. Said lien upon any residential lot shall not affect the assessment lien provided for herein.
the sale or transfer of any residential lot pursuant to foreclosure of a first mortgage shall extinguishe the lien of such assessment as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof. Said charges and assessments shall be levied, against all lots in Brookesdale Village and shall be applied only toward payment of the costs of collections, improvements, the expenses or maintenance of the Brookesdale Village Subdivision as herein enumerated, or the Association, which shall include reasonable management fees, and for any and all other purposes which the Association may determine from time to time to be for the general benefit of the owners of the lots in the Brookesdale Village Subdivision.

ARTICLE FIVE

Section 1. Restrictions of Lake Uses. Without limiting the powers of the Brookesdale Association to adopt rules and regulations pertaining to the use, enjoyment and maintenance of the lakes, the Developer hereby creates, declares and stipulates that the following easements, covenants and restrictions shall also apply to the lakes:

Each Lake Lot owner shall have the right to use the lakes for recreational and open space purposes only, consistent with the provisions hereof and any rules and regulations adopted by the Brookesdale Association, provided, however, that any use of the lakes shall be at the sole risk of said owner. Under no circumstances shall the owner of a Lake Lot have the right to diminish, control or affect the level, volume or amount of water located in the lakes.

2. No owner of any Lake Lot shall permit any discharge or ejection of soil, dirt, sediment or other materials from such owner’s residential lot into the lakes, whether before, during or after the construction of any structure or residence dwelling on such residential lot.

3. No power boats, motor boats, electric motors, gasoline powered motors or other motors or watercraft of any kind shall be permitted on the lakes.

4. Under no circumstances will docks, gazebos or any other structures whatsoever be permitted to be built, located on or along the lakes.

5. Additional rules and regulations governing the use of the lakes may be promulgated from time to time by the Developer, its successors and assigns, and/or the Brookesdale Association, and such rules and regulations shall be strictly observed by all Lake Lot owners.

Section 2. Easement in Favor of All Lot Owners. Developer, in addition to the other easements reserved herein, hereby reserves over, across, under and upon the lakes personal use, exclusive drainage easements in favor of itself, all lot owners in Brookesdale Village, and the Brookesdale Association, and all of their respective successors, heirs and assigns for purposes of permitting the flow of storm water drainage from Brookesdale Village into the lake and for the drainage of storm water located on the lake property (some of these easements are shown on the Plat), and the right to
from time to time maintain and repair same, it being expressly understood and agreed that under no circumstances shall anything other than storm water be permitted to be drained into the lakes from the Brookstone Village Subdivision pursuant to these easements herein first granted.

Section 4. Midland Agency. It is expressly understood and agreed that the Midland Agency of Northwest Ohio, Inc. ("Midland") is executing these Restrictions as Trustee for the sole purpose of consenting to same as the record titleholder and assumes no liability whatsoever hereunder. Developer hereby indemnifies and holds Midland harmless from any and all expenses or liability arising out of its execution hereof.
