4. 5. The Association and/or the Developer, per the Articles and Code of Regulations of such Association, may adopt such reasonable rules and regulations as it may deem advisable for the maintenance, conservation and beautification of the subdivision, and for the health, comfort, safety and general welfare of its residents. Assessments

1. In carrying out its purposes, after the Association is formed, each residential lot in the subdivision and the owners thereof shall be subject to an annual assessment for each calendar year in amounts as determined by the members of the Association and/or the Developer prior to the end of the preceding calendar year. For the first year, and each year thereafter until changed by the Association and/or the Developer, the annual assessment shall be $150.00 for each lot, or at least an amount that will cover the expenses of maintaining the entrances, cul-de-sacs and detention/retention ponds, etc. mentioned in Article VII, Item #5 above. Assessments shall be payable as determined by the Developer and/or the Association during the calendar year for which the assessment is levied and a notice of lien may be recorded in the lien records of the Recorder of Lucas County, Ohio if any payment of an annual assessment is in arrears for more than sixty (60) days from the date it is due and payable. If such an assessment is in arrears by more than sixty (60) days, as stated above, it shall automatically include at least a 20% (minimum) late fee. In addition to the late fee, any applicable attorney/legal costs associated with filing such lien or collecting the assessment may be included.

4. A notice of lien shall identify the residential lot, the year and amount of the annual assessment, and be executed by the Developer and/or the Association with the formalities then required to record a lien against real estate in Lucas County, Ohio. Judicial foreclosure proceedings of a mortgage thereon shall extinguish such lien with respect to payments which become due and payable prior thereto but shall not relieve such lot from liability for assessments thereafter becoming due or payable or from the lien thereof.

5. Any lot owner may request and upon payment of the reasonable expense therefore, shall receive, from the Developer and/or the Secretary of the Association, a certificate setting forth whether all assessments have been paid for such owner's lot and the total amount of any unpaid assessments.
