Such assignment or relinquishment will become effective from and after the time a written instrument evidencing the fact of such assignment or relinquishment, signed by the Developer or by its successors and assigns is filed for record with the Lucas County, Ohio, Recorder.

2. In requiring the submission of detailed plans and specifications as herein set forth, Developer has in mind the development of Brown Addition as an architecturally harmonious, artistic and desirable residential subdivision. In approving or withholding its approval of any detailed plans and specifications so submitted, the Architectural Control Committee may consider the appropriateness of the improvement contemplated with relation to improvements on contiguous or adjacent lots, its artistic and architectural merits, its adaptability to the lot on which it is proposed to be constructed and such other matters as may be deemed to be in the interest and benefit of the owners of lots in Brown Addition as a whole. In keeping with these guidelines the Architectural Control Committee shall have the right to waive strict compliance with the terms of these restrictions so long as the plans and specs are deemed to present substantial compliance. Any determination made by the said Architectural Control Committee, in good faith, shall be binding on all parties in interest.

3. The Developer, acting as the Architectural Control Committee, reserves the sole and exclusive right to establish grades and slopes of lots and to fix the grade at which any building or structure shall hereafter be erected or placed thereon, so that the same may conform to a general plan for the development and use of Brown Addition.

4. In all instances where plans and specifications are required to be submitted to and approved by the Architectural Control Committee if, subsequent to receiving such approval, there shall be any variance from the approved plans and specifications in the actual construction or location of the improved improvement without the written consent of the Architectural Control Committee such variance shall be deemed a violation of these restrictions.

The Developer also reserves to itself, and to its successors and assigns, the right to go upon or permit any public or quasi-public utility to go upon the lots in Brown Addition from time to time to install, maintain and remove such equipment, and to trim trees and shrubbery which may interfere with the successful and convenient operation of such equipment. No structures, or any part thereof, shall be erected or maintained over or upon any part of the areas designated as "Easement", "Utility Reservation", "Drainage Easement", or with words of similar import, upon the plat of Brown Addition. The term "structures" as used in the foregoing portion of this paragraph shall include those structures in the nature of houses, garages, other buildings and swimming pools, but shall not include lot improvements such as driveways and fences. Further upon such failure of a lot owner to construct sidewalks the Developer or City of Sylvania shall have the right to enter upon the lot(s) in question and to construct such sidewalks or cause the same to be constructed at the expense of the owner of such lot(s). In such event, the costs of construction of such sidewalks shall be and become a lien against the lot on which the sidewalks have been constructed from the date of perfection thereof as hereafter provided and, if the costs of construction of such sidewalks shall not be paid immediately upon demand therefor, such lien may be foreclosed by an action brought by the Developer or City of Sylvania, as in the case of foreclosure of liens against real estate. Further upon such failure of a lot owner to plant such “Street Tree”, Developer or City of Sylvania shall have the right to enter upon the lot in question and to plant such “Street Tree” or cause same to be planted at the expense of the owner of such lot.

In such event, the costs of planting such “Street Tree(s)” shall be and become a lien against the lot on which the “Street Tree(s)” have been planted from the date of perfection thereof as hereafter provided and, if the costs of planting such Street Tree(s) shall not be paid immediately upon demand therefor, such lien may be foreclosed by an action brought by the holder of such lien against City of Sylvania, as in the case of foreclosure of liens against real estate. A failure of Developer to enforce any of the restrictions, rights, reservations, limitations, agreements, covenants and conditions contained herein shall in no event be construed, taken or held to be a waiver therefor or acquiescence in or consent to any continuing further or succeeding breach or violation thereof, and Developer shall at any and all times have the right to enforce the same.

2. These covenants and restrictions may not be amended, except by the Developer, until the Developer, or his assigns, releases control after which time they may be amended prior to January 1, 2016 by the written approval of the then owners of not less than two-thirds (2/3) of the lots in Brown Addition which amendment shall become effective from and after the filing with the Recorder of Lucas County, Ohio of an instrument stating the amendment and signed by all approving lot owners with the formalities required by law. All lot owners must be notified of the proposed amendment either in person or by certified mail.
