Such plans and specifications must be furnished to the Architectural Control Committee in sufficient numbers so that the Architectural Control Committee may retain a true copy thereof for retention with its records. The Developer hereby expressly reserves to itself, and to its successors and assigns, the right and privilege of assigning or relinquishing its said rights and duties as such Architectural Control Committee from time to time and for such limited periods of time and purposes as it may desire. Such assignment or relinquishment will become effective from and after the time a written instrument evidencing the fact of such assignment or relinquishment, signed by the Developer or by its successors and assigns is filed for record with the Lucas County, Ohio, Recorder.

2. In requiring the submission of detailed plans and specifications as herein set forth, Developer has in mind the development of Centennial Farms Plat XII as an architecturally harmonious, artistic and desirable residential subdivision. In approving or withholding its approval of any detailed plans and specifications so submitted, the Architectural Control Committee may consider the appropriateness of the improvement contemplated with relation to improvements on contiguous or adjacent lots, its artistic and architectural merits, its adaptability to the lot on which it is proposed to be constructed and such other matters as may be deemed to be in the interest and benefit of the owners of lots in Centennial Farms Plat XII as a whole. Should a lot owner fail to construct sidewalks in accordance with the preceding sentence, suit may be brought under Article VI of this Declaration to enforce such restriction as in the case of the violation of any other covenant or restriction contained in this Declaration. Further upon such failure of a lot owner to construct sidewalks Developer or the City of Sylvania shall have the right to enter upon the lot(s) in question and to construct such sidewalks or cause the same to be constructed at the expense of the owner of such lot(s). In such event, the costs of construction of such sidewalks shall be and become a lien against the lot on which the sidewalks have been constructed from the date of perfection thereof as hereafter provided and, if the costs of construction of such sidewalks shall not be paid immediately upon demand therefor, such lien may be foreclosed by an action brought by the Developer or the City of Sylvania, as in the case of foreclosure of liens against real estate. ARTICLE V

Developer shall not be limited in its exercise of its aforesaid right to modify these reservations and restrictions by reason of the fact that it may be the owner and/or builder for whose benefit such modification is granted.
