2. No well for gas, water, oil, or other substance shall at any time be erected, placed or maintained on any such lots other than a well for water for recreation or maintenance purposes which shall first have been approved as provided under Article II hereof.

All structures must be completed by an owner within one (1) year of the date of the beginning of the construction thereon. 11. No trash burner, outdoor fireplace, or other device expelling gas or smoke shall be placed within twenty (20) feet of any adjoining lot line.

12. Notwithstanding any other provision contained in this Declaration of Restrictions, the Developer shall not be prohibited from the construction and use of construction and/or sales office(s) and model home(s) on one or more lots in Centennial Farms Plat VI.

ARTICLE II

Approval of Plans

1. Developer, its successors and assigns, shall act as the Architectural Control Committee to which all plans and specifications for any structures and other improvements must be submitted for examination and approval before any erection or improvements shall be made upon any lot and before additions, changes or alterations may be made to
any structure or other improvement then situated on a lot. The aforesaid detailed plans and specifications shall show size, location, type, architectural design, quality, cost, use, material construction, color scheme, and grading plan for the lot and the finished grade elevation thereof and must be prepared by a competent architect or draftsman. Such plans and specifications must be furnished to the Architectural Control Committee in sufficient numbers so that the Architectural Control Committee may retain a true copy thereof for retention with its records. The Developer hereby expressly reserves to itself, and to its successors and assigns, the right and privilege of assigning or relinquishing, its said rights and duties as such Architectural Control Committee from time to time and for such limited periods of time and purposes as it may desire. Such assignment or relinquishment will become effective from and after the time a written instrument evidencing the fact of such assignment or relinquishment, signed by the Developer or by its successors and assigns is filed for record with the Lucas County, Ohio, Recorder.

2. In requiring the submission of detailed plans and specifications as herein set forth, Developer has in mind the development of Centennial Farms Plat VI as an architecturally harmonious, artistic and desirable residential subdivision. In approving or withholding its approval of any detailed plans and specifications so submitted, the Architectural Control Committee may consider the appropriateness of the improvement contemplated with relation to improvements on contiguous or adjacent lots, its artistic and architectural merits, its adaptability to the lot on which it is proposed to be constructed and such other matters as may be deemed to be in the interest and benefit of the owners of lots in Centennial Farms Plat VI as a whole. Any determination made by the said Architectural Control Committee, in good faith, shall be binding on all parties in interest.

3. The Developer, acting as the Architectural Control Committee, reserves the sole and exclusive right to establish grades and slopes of lots and to fix the grade at which any building or structure shall hereafter be erected or placed thereon, so that the same may conform to a general plan for the development and use of Centennial Farms Plat VI.

4. In all instances where plans and specifications are required to be submitted to and approved by the Architectural Control Committee, if, subsequent to receiving such approval, there shall be any variance from the approved plans and specifications in the actual construction or location of the improved improvements without the written consent of the Architectural Control Committee such variance shall be deemed a violation of these restrictions.

5. Every owner of a residence dwelling in said subdivision shall be required to install and maintain a mailbox identical in design and appearance as approved by the Developer.

6. The minimum floor area shall be 1,800 square feet of living area for a ranch house and 1,900 square feet for a two story home.

ARTICLE III

Easements

The Developer reserves to itself, and to its successors and assigns the exclusive right to grant consents, easements and rights of way for the construction, operation and maintenance of electric light, telephone and telegraph poles, wires and conduits, including underground facilities, and for drainage and sewers on, over, below, or under all of the areas designated as "Easement".
"Utility Easement(s)", "Toledo Edison Easement", "Drainage Easement", or with words of similar import, on the plat of Centennial Farms Plat VI and along and upon all highways now existing or hereafter established and abutting all the lots in Centennial Farms Plat VI. The Developer also reserves to itself, and to its successors and assigns, the right to go upon or permit any public or quasi-public utility to go upon the lots in Centennial Farms Plat VI from time to time to install, maintain and remove such equipment, and to trim trees and shrubbery which may interfere with the successful and convenient operation of such equipment. No structures, or any part thereof, shall be erected or maintained over or upon any part of the areas designated as "Easement", "Utility Reservation", "Drainage Easement", or with words of similar import, upon the plat of Centennial Farms Plat VI. The term "structures" as used in the foregoing portion of this paragraph shall include those structures in the nature of houses, garages, other buildings and swimming pools, but shall not include lot improvements such as driveways and fences. No owner of any lot in Centennial Farms Plat VI shall have the right to reserve or grant any easements or rights of way upon or over any of the lots in Centennial Farms Plat VI without the prior written consent of the Developer, its successors and assigns.

ARTICLE IV

Construction of Sidewalks, Street Improvements

1. Within eighteen (18) months after the recording of the deed to each lot in Centennial Farms Plat VI from Developer to the purchaser thereof, the owner of each lot shall construct sidewalk(s) across the frontage of such construction specifications and location requirements of the City of Sylvania, Ohio. Should a lot owner fail to construct sidewalks in accordance with the preceding sentence, suit may be brought under Article VI of this Declaration to enforce such notification in the case of the violation of any other covenant or restriction contained in this Declaration. Further, upon such failure of a lot owner to construct sidewalks, Developer or the City of Sylvania shall have the right to enter upon the lot(s) in question and to construct such sidewalks or cause the same to be constructed at the expense of the owner of such lot(s). In such event, the costs of construction of such sidewalks shall be and become a lien against the lot on which the sidewalks have been constructed from the date of perfection thereof as hereafter provided and, if the costs of construction of such sidewalks are not paid immediately upon demand thereof, such lien may be foreclosed by an action brought by the developer or the City of Sylvania, as in the case of foreclosure of liens against real estate. The holder of any such lien may perfect such lien against third parties by filing an affidavit stating the facts giving rise to the lien with the Recorder of Lucas County, Ohio.

ARTICLE V

Duration of Restrictions, Amendments

1. These covenants and restrictions shall run with the land and shall be binding upon the Developer and all persons claiming under or through the Developer until the first day of January, 2010, at which time these covenants and restrictions shall be automatically extended for successive periods of ten (10) years.

2. These covenants and restrictions may be amended prior to January 1, 2010, with the written approval of the then owners of not less than two-thirds (2/3) of the lots in Centennial Farms Plat VI which amendment shall become effective from and after the filing with the Recorder of Lucas County, Ohio of an instrument stating the amendment and signed by all approving lot owners with the formalities required by law. These covenants and restrictions may be terminated as of January 1, 2010, and may be amended or terminated thereafter with the written approval of the owners of not less than one-half (1/2) of the lots in Centennial Farms Plat VI upon the filing of an instrument as aforesaid with the Recorder of Lucas County, Ohio.
ARTICLE VI

Enforcement of Restrictions, Other Matters

1. Any violation or attempt to violate any of the covenants or restrictions herewith while the same are in force shall be unlawful. The Developer, the Architectural Control Committee or any person or persons owning any lot in Centennial Farms Plat VI may prosecute any proceedings at law, or in equity, against the person or persons violating or attempting to violate any such covenant or restriction to prevent him or them from so doing, to cause the removal of any violation and/or to recover damages for such violations or attempted violation.

2. Invalidation of any of the restrictions and covenants herein contained by judgment or court order or amendment hereof by act of the owners of lots in Centennial Farms Plat VI shall not affect any of the other provisions contained in this Declaration of Restrictions, which shall remain in full force and effect.

3. All transfers and conveyances of each and every lot in Centennial Farms Plat VI shall be made subject to these covenants and restrictions.

4. Any notice required to be sent to any owner of a lot in Centennial Farms Plat VI or to the Developer or to the Architectural Control Committee shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the person who appears as such owner or to the Developer or to any other member of the Architectural Control Committee as such address appears on the applicable public records or on the records of the Architectural Control Committee.

5. The rights, privileges and powers granted by this Declaration of Restrictions to, and/or reserved by, the Developer shall be assignable and shall inure to the benefit of the successors and assigns of the Developer.

6. Developer shall have the right to construe and interpret these restrictions, and its construction or interpretation, in good faith, shall be final and binding as to all persons and property benefited or bound by such restrictions.

7. No owner of any lot in Centennial Farms Plat VI shall subdivide the same or convey less than the whole of any lot without first obtaining the written consent of Developer, its successors or assigns.

8. No restrictions imposed hereby shall be abrogated or waived by any failure to enforce the provisions hereof, no matter how many violations or breaches may occur.

9. Each lot owner, by acceptance of a deed to a lot in Centennial Farms Plat VI agrees and consents and shall be deemed to agree and consent that if, in the opinion of Developer, the shape, dimensions, number of structures or topography of the lot upon which a building or improvements is proposed to be made, is such that a strict construction or enforcement of the building lines as shown on the plat of Centennial Farms Plat VI or of the yard requirements stated herein or of any other provision of these reservations and restrictions would work a hardship, Developer may, in writing, modify these restrictions as to such lots so as to permit the erection of such building or the making of the proposed improvements. Developer shall not be limited in its exercise of its aforesaid right to modify these reservations and restrictions by reason of the fact that it may be the owner and/or builder for whose benefit such modification is granted.

10. In the event of a material change in conditions or circumstances from those existing at the time these restrictions are adopted which would cause the enforcement of these restrictions to become a hardship upon any of the owners of lots in Centennial Farms Plat VI or which would cause such restrictions to cease being beneficial to the owners of such lots, Developer, its successors and assigns, after giving written notice given by mail to the fee

87 1728B06
owners of all lots in Centennial Farms Plat VI and after receiving written approval of the holders of record fee title to seventy-five (75%) percent or more lots in Centennial Farms Plat VI including the aggregate total of any prior or future recorded plats of Centennial Farms Plat VI may modify these restrictions so as to remove the hardship or to make the restrictions such as to be beneficial to all lot owners. The provisions of this item 10 shall not be construed as a limitation upon the right of Developer to modify the provisions of this Declaration of Restrictions as provided in Item 9 of this Article VI nor shall it limit the provisions of Article IV hereof.

11. Wherever used herein, the term "structure" shall mean and refer to any thing or device (other than trees, shrubbery which is less than two (2) feet high if in the form of a hedge, and landscaping) the placement of which upon any lot may affect the appearance of such lot, including by way of illustration and not limitation, any building, garage, porch, shed, greenhouse or bathhouse, coop or cage, covered or uncovered patio, swimming pool, clothesline, radio or television antenna, fence curbing, paving, wall, hedge more than two (2) feet in height, signboard or any temporary or permanent living quarters (including any house trailer) or any other temporary or permanent improvement to such lot. "Structure" shall also mean and refer to (1) any excavation, fill, ditch, diversion, dam or other thing or device which affects or alters the natural flow of surface waters from, upon or across any lot, or which affects or alters the flow of waters in any natural or artificial stream, wash or drainage channel from, upon or across any lot, and (ii) any change in the grade of any lot of more than six (6) inches from existing at the time of purchase by an owner.

IN WITNESS WHEREOF, Cumberland Construction Corporation, the Developer herein, acting by and through its duly authorized officer, has caused this Declaration of Restrictions to be executed on its behalf this 28th day of July, 1987.
