Whenever any of the foregoing covenants, reservations, agreements or restrictions provide for: any approval, designation, determination, modification, consent or any other action by Developer, any such approval, designation, modification, consent or any other action by the Developer or by an attorney-in-fact authorized pursuant to a recorded power of attorney to sign deeds on behalf of Developer shall be sufficient.

Section 3. Maintenance Charges. Each and every lot in the Plat shall be subject to an annual working capital and maintenance charge in the amount established by the Colony Oaks Homeowners Association and/or the Developer. It is hereby understood and stipulated that until such time as the Developer assigns its rights to the Colony Oaks Homeowners Associations, as herein permitted, the Developer shall have exclusive control of the Association. The initial annual charge for the Colony Oaks Homeowners Association shall be One Hundred Twenty Dollars ($120.00). Under no circumstances shall the Developer be under any obligation to pay any annual assessment or charges to the Association on lots remaining unsold by it. At the time the Developer conveys any lot in Plat One, the new owner(s) shall be responsible for payment of a pro-rata share of that year’s assessments. The pro-rata amount shall be based upon the remaining calendar months, or any part thereof, left in said calendar year. Future charges shall be levied on the first day of January of every calendar year.

In the event any of said annual assessments are not paid when due, the Developer may, when and as often as such delinquencies occur, proceed by law to collect the amount then due by foreclosure of the above described lien, otherwise, and in such event, shall also be entitled to recover and have and enforce against each residential lot a lien for its costs and expenses in that behalf, including attorney fees. No owner may waive or otherwise
escape liability for the annual assessments provided for herein by non-use of the common areas or any facilities located thereon or by abandonment of his residential lot. Sale or transfer of any residential lot shall not affect the assessment lien, provided, however, that the sale or transfer of any residential lot pursuant to foreclosure of a first mortgage shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof. Said charges and assessment shall be levied against all lots in Colony Oaks and shall be applied only toward payment of the costs of collections, improvements, the expenses of maintenance of Colony Oaks, the Project as herein enumerated, or the Association, which shall include reasonable management fees, and for any and all other purposes which the Association may determine from time to time to be for the general benefit of the owners of the lots in Colony Oaks neighborhood.

ARTICLE FIVE

Section 1. Restrictions of Lake Use. Although there are no lakes in the Plat, future plats of Colony Oaks shall contain a lake and lots that front thereon as referred to as Lake Lots in the Declarations of Restrictions and the owners thereof have certain rights and obligations with regard to the lake. So as to inform owners of the lots in the Plat of the nature of those rights and obligations, here follows a listing of those provisions to be included in future Declarations of Restrictions. Without limiting the powers of the Colony Oaks Homeowners Association to adopt rules and regulations pertaining to the use, enjoyment and maintenance of the lake, the Developer hereby creates, declares and stipulates that the following easements, covenants and restrictions shall hereby also apply to the lake.

1. Each Lake Lot owner shall have the right to use the lake for recreational and open space purposes only, consistent with the provisions hereof and any rules and regulations adopted by the Colony Oaks Homeowners Association; provided, however, that any use of the lake shall be at the sole risk of said owner. Under no circumstances shall the owner of the Lake Lot have the right to dimenish, control or affect the level, volume or amount of water located in the lake.

2. No owner of any Lake Lot shall permit any discharge or erosion of soil, dirt, sediment or other materials from such owner's residential lot into the lake, whether before, during or after the construction of any structure or residence dwelling on such residential lot.

3. No powerboats, motorboats, electric motors, gasoline powered motors or other motors or watercraft of any kind shall be permitted on the lake.

4. Under no circumstances will docks, gazebos or any other structures whatsoever be permitted to be built or located on or along the lake.

5. Additional rules and regulations governing the use of the lake may be promulgated from time to time by the Developer, its successor, and assigns, and/or the
Colony Oaks Homeowners Association, and such rules and regulations shall be strictly observed by all Lake Lot owners.

Section 2. Easement in Favor of all Lot Owners. Developer, in addition to the other easements reserved herein, hereby reserves over, across, under and upon the lake perpetual non-exclusive drainage easements in favor of itself, all lot owners in Colony Oaks, and the Colony Oaks Homeowners Association, and all of their respective successors, heirs and assigns for purposes of permitting the flow of storm water drainage from Colony Oaks and the Project into the lake, and the placement of storm water drainage facilities thereupon (some of these easements are shown on the Plat), and the right to from time to time maintain and repair same; it being expressly understood and agreed that under no circumstances shall anything other than storm water be permitted to be drained into the lake from Colony Oaks or the Project pursuant to these easements herein first granted.

Section 3. Louisville Title. It is expressly understood and agreed that Louisville Title Agency for N.W. Ohio, Inc. ("Louisville") is executing these Restrictions as Trustee for the sole purpose of consenting to same as the record titleholder and assumes no liability whatsoever hereunder. Developer hereby indemnifies and holds Louisville harmless from any and all expenses or liability arising out of its execution hereof.
