DECLARATION OF RESTRICTIONS
EAGLE CREEK

WHEREAS, MIDLAND AGENCY OF NORTHWEST OHIO INC., TRUSTEE (hereinafter referred to as "Trustee") is the owner in fee simple of the following described real estate:

Lot numbers one (1) through thirty-two (32), both inclusive, in Eagle Creek Plat One, a Subdivision in Sylvania Township, Lucas County, Ohio.

WHEREAS, Trustee holds title for the benefit of The Moses-Schlueter Group, Inc., an Ohio corporation, as beneficial owner and developer of said premises (hereinafter referred to as "Developer").

WHEREAS, Trustee and Developer have determined to establish restrictions upon the manner of use, improvement and enjoyment of the lots described above, which will make said lots more attractive for residential purposes to the benefit of the owners thereof;

NOW, THEREFORE, in consideration of the enhancement in the value of said property by reason of the adoption of the restrictions hereinafter set forth, and for the mutual benefit and protection of each and every person who shall hereafter become an owner of a portion of said premises, Trustee and Developer, for themselves and their respective successors and assigns, hereby declare, covenant and stipulate that Lot numbers one (1) through thirty-two (32), both inclusive, in Eagle Creek Plat One, a Subdivision in Sylvania Township, Lucas County, Ohio, ("Eagle Creek" or "the Plat") shall be deemed sold, conveyed or transferred by said Trustee, its successors and assigns, subject to the following covenants, restrictions and provisions, to-wit:

ARTICLE ONE

Section 1. No dwelling or structure ("dwelling") or any addition thereto or any alterations thereof shall be erected, reconstructed, placed or suffered to remain upon any lot, unless or until the site, location, type, style of architecture, use, the materials of construction thereof, and the exterior color scheme therefor, the site grading plan of the lot, including the grade elevations of said dwelling, the plot plan showing the proposed location of said dwelling upon any lot, and the plans, specifications and details of said dwelling shall have been approved in writing by Developer, and a true copy of said plans, specifications and details shall have been lodged permanently with the Developer, and no dwelling except such as conforms to said plans, specifications and details shall be erected, reconstructed, placed or suffered to remain upon any lot. Developer reserves the sole and exclusive right to establish grades and slopes on all lots in Eagle Creek and to fix the grade at which any dwelling shall hereafter be erected or placed thereon, so that the same may conform to a general plan.

PLAT 20060119-0003029
Section 2. No dwelling shall be erected, reconstructed, placed or suffered to remain upon any lot, nearer the front or street line or line then the building set back lines as shown on the recorded Plat, nor nearer to any side line or rear line than shall be determined by Developer in writing at the time of the approval of the plans and specifications for said dwelling. This restriction as to the distances at which said dwelling shall be placed from the front, side and rear lines of said lot, shall apply to and include, porches, verandas, porte-cochere, and other similar projections of said dwelling. Under no circumstances shall any sheds, doghouses or other animal enclosures, television or radio receiving equipment, or other enclosures or structures of any kind be permitted to be located on any lot except for (a) playground equipment approved by Developer as to location so as to insure non-visibility from the street which runs in front of the residence at which such equipment is located, and (b) digital television dishes not exceeding 21 inches in diameter, mounted as approved by Developer and located such as to not in the Developer's opinion by visually inappropriate from any street view.

Section 3. The parcel of land upon which a dwelling is to be constructed and/or maintained together with the land adjacent thereto and used in conjunction therewith may include one lot or part of one, two or more lots as delineated on the Plat, but only with the prior written consent of Developer.

Section 4. No garage or any addition thereto or alteration thereof shall be erected, reconstructed, placed or suffered to remain upon any lot except for the exclusive use of the family occupying said dwelling and the servants thereof; nor unless, in the case of the single family dwelling such garage be made an integral part of said dwelling, nor unless not until the size, location, type, style or architecture, use, the materials of construction thereof, the color scheme thereof, the grade elevation thereof, and the plans, specifications and details of said garage, including the driveway approach, and garage entrance shall have been first approved in writing by Developer, and a true copy of said plans, specifications and details of said garage shall have been lodged permanently with Developer, and no garage except as conforms to said plans, specifications, and details shall be erected, reconstructed, placed or suffered to remain upon any lot. Such garage, in case of a single family dwelling, being an integral part of said dwelling, shall be subject to all the covenants, rights, terms, reservations, limitations, agreements and restrictions at any point herein made applicable to said dwelling.

Section 5. No above ground swimming pool shall be installed on any lot nor shall any other swimming pool or outdoor spa, hot tub, or the like, be installed in Eagle Creek until the plans, specifications and plot plan showing the location of such an addition or swimming pool, spa, etc. shall have been approved in writing by Developer. Provided, however that children's' wading pools having a total water surface of less than 75 square feet and a depth of less than 24 inches shall be permitted so long as such wading pool is not visible from the street which runs in front of the residence at which said wading pool is located.
Section 6. The location of any and all driveways shall be established as approved by Developer in writing at the time of approval of the plans and specifications for said dwelling. No driveway shall be located, relocated or suffered to remain upon any lot in Eagle Creek, except as now located or determined in writing by Developer. Complete specifications for construction of any driveway shall be submitted to Developer and its approval thereof endorsed thereon in writing. Each lot owner shall install such sidewalks as are required by the appropriate governmental authority and as approved by Developer.

Section 7. All garages are to be attached to the dwelling. All garage doors for the ingress and egress of motor vehicles shall be controlled with electronically opened garage door openers. No structure or any part thereof shall be erected, placed or maintained on any lot in Eagle Creek, nearer to the front or street line or lines than the building set back lines as shown on the recorded Plat. Said portion of any lot shall not be used for any purpose other than that of a lawn; nothing herein contained, however, shall be construed as preventing the use of such portion of any lot for walks (and driveways, if otherwise permitted), the planting of trees or shrubbery, the growing of flowers or ornamental plants, or statuary, fountains and similar ornamentations, for the purpose of beautifying any lot, but no vegetables, so-called, grains or other plants of the ordinary garden or field variety shall be grown on such portion thereof (except that homeowners may grow vegetables for their own consumption only so long as no plants exceed 3 feet in height); are not visible from the street on which the house fronts; and do not cover more than 250 square feet of land area; and no weeds, underbrush, or other unattractive growths, shall be permitted to grow or remain anywhere upon any lot, and no unsightly objects shall be permitted to be placed or suffered to remain anywhere therein. No fence, hedge, wall or enclosure of any kind, for any purpose, shall be erected, placed or suffered to remain upon any lot, nor shall a hedge be erected, placed or suffered to remain upon any lot until the written consent of Developer shall have been first obtained therefor and shall be subject to the terms and conditions of said consent as to its type, height, width, color, upkeep and general conditions pertaining thereto that said consent may name. Without limiting any of the foregoing, a two or three-rail "split rail" fence is hereby favored by Developer. Under no circumstances shall any fencing be permitted parallel with or adjacent to any fencing erected by Developer along the perimeter of the Development. Furthermore, unless the prior written approval of Developer is first obtained no fencing will be permitted within twenty (20) feet of any lakes to be constructed by Developer (the "take").

Section 8. No basketball hoop, backboard or similar structure shall be erected or attached to any dwelling or garage. All basketball backboards or similar structures shall either be portable (and stored in the garage when not in use) or free standing and erected behind all front and side yard building lines; all such structures wherever erected shall receive the prior written approval of Developer as to location and all other particulars.

Section 9. In connection with the provisions contained in Section 1, 2, 4, and 7 of this ARTICLE ONE, it is hereby provided that, if the opinion of Developer, by reason of the shape, dimensions or topography of any lot herein described, or by reason of the type of dwelling to be erected thereon, or for any other reason satisfactory to it, the
enforcement of the provisions of these Restrictions would work a hardship, Developer may modify such provisions so as to permit variations in size, type, location or otherwise that will not, in its judgment, do material damage to any abutting or adjacent property. Developer further reserves the right to unilaterally amend these Restrictions in all respects prior to any assignment by it under Section 4 of Article Two hereof by recording such amendment within the offices of the Lucas County, Ohio Recorder.

Section 10. Developer reserves the exclusive right to grant consents for the construction, operation and maintenance of electric light, telephone, cablevision and telegraph poles, lines and conduits, and for water, gas, sewer, and pipe and conduits or any other public or quasi public utility facilities together with the necessary or proper incident and appurtenances, in, through, under and/or upon any and all highways, now existing or hereafter established, upon which any portion of any lot may now or hereafter front or abut.

Section 11. Developer reserves to itself, its successors and assigns, the exclusive right to grant consents for easements and rights-of-way in, through under and/or over those portions of the front, rear and sides of each lot, as shown on the plat, designated as drainage or utility right-of-way, for the construction, operation and maintenance of electric lights, telephone, cablevision and telegraph poles, lines and conduits, drainage facilities or any other public or quasi public utility facilities, together with the necessary or proper incident and appurtenances. No building or other structure, or any part thereof, shall be erected or maintained upon any part of the property in Eagle Creek over or upon which easements for the installation and maintenance of public utilities and storm sewers will be or have been granted.

Lake Lots are defined as lots in Eagle Creek Plat One as designated on the Plat. Developer hereby further reserves for itself and for the Eagle Creek Association, and their respective successors and assigns, perpetual non-exclusive easements across, over, under and upon that portion of the Lake Lots designated as a “Drainage Easement” for purposes of constructing and maintaining the lake and desiring surface water from the Subdivision and thereby using the lake as a retention and surface water drainage facility to service the Eagle Creek Subdivision as well as the right of entry onto said Lake Lots for the purpose of maintaining the “Drainage Easement” area.

Section 12. No spiritsuous, vinous or fermented liquors of any kind shall be manufactured or sold either at wholesale or retail, upon any lot, nor industry, business or trade, occupation or profession of any kind shall be conducted, maintained or permitted upon any lot, except for home occupations conducted entirely within a residence and in such a fashion as to not to interfere with other residents’ quiet enjoyment of their premises. Notwithstanding this exception under no circumstances shall any such home occupation be of such nature as to violate any and all applicable zoning laws. No wells or well points for gas, water, oil or other substances shall at any time, whether intended for temporary or permanent purpose, be directed, placed or suffered to remain upon any lot, nor shall any latrines be used in any way or for any purpose which may endanger the health or unreasonably disturb the quiet of the owner or owners of any adjoining lot. No
poles, overhead or exposed wires, antennas (including satellite dishes – see Section 2 of this Article), whether for use in connection with radio, telephone, television, electric light or any other purpose, shall be erected, placed or suffered to remain upon any lot or upon or visible from the outside of said dwelling without the consent of Developer first having been obtained. Except for one "For Sale" or "For Rent" sign not exceeding 4 square feet located on the inside of one window of a dwelling, no signs of any character, shall be erected, placed or posted or otherwise displayed on or about any lot without the written permission of Developer. However, a standard real estate and/or builder’s sign not exceeding 5 square feet in area on a side and advertising the lot or dwelling “For Sale” or “For Rent” shall be permitted in connection with the initial construction and sale of a dwelling or proposed dwelling. The Developer shall have the right and discretion to prohibit, restrict or control the size, construction, materials, location and height of all such signs. The right is reserved by Developer to erect and place signs on any unused lots in Eagle Creek. Political or campaign signs may be displayed only as provided by Township ordinance.

Section 13. The maintenance or harboring of any animals, other than dogs, cats, or birds maintained within the dwelling so as not to unreasonably disturb neighbors, is expressly prohibited in Eagle Creek. Under no circumstances will any dog or cat be permitted or allowed to remain outside a dwelling unattended so as to become a nuisance to any lot owner in Eagle Creek. In that connection, and as also stated herein, no doghouses or other pet enclosures, dog runs, or the like shall be installed or located on any lot. Furthermore, the Developer or the Eagle Creek Association may develop such rules and regulations with respect to the keeping of any domestic dog or cat (such as limits on size and type) so as to insure that no such domestic pet or animal shall become a nuisance or safety concern for any lot owner.

Section 14. No clothes, sheets, blankets or other articles shall be hung out or exposed on any part of any lot. No yard equipment, including power mowers, power shovels, and similar equipment shall be used by anyone on Sundays or holidays from May 1 to October 1 each year prior to nine o’clock A.M. All yard equipment shall be stored inside while not in use.

Section 15. Any commercial vehicle, boat, mobile home, car, trailer or other similar device, vehicle, or equipment, if stored or located on any lot in Eagle Creek, shall be housed at all times within a garage.

Section 16. Said lot shall not be used for storage of automobiles, trailers, scrap, scrap iron, wood (except for neatly stacked firewood not exceeding one cord in sections approved by Developer and not visible from the street fronting the residence at which such firewood is located), building materials, paper, glass, or any reclamation product or material, except that during the period any dwelling is being erected upon such lot, building materials may be stored thereon. However, any building materials not incorporated in said dwelling within ninety (90) days after it is delivered to said lot shall be removed therefrom. Structures must be completed within one (1) year of the date of the beginning of construction. Nothing herein contained shall prohibit the reasonable
accumulation of recyclable material generated by a family living within a residence in
Eagle Creek as long as such recyclable material is retained within the garage or residence
and is removed from the residence at reasonable intervals.

Section 17. All rubbish and debris, combustible and noncombustible, and all
garbage shall be stored in underground containers or stored and maintained in containers,
entirely within the garage or basements, or behind screening approved by Developer as
to location and style. Additional regulations for the storage, maintenance and disposal of
rubbish, debris, leaves and garbage, may, from time to time be established by Developer.

Section 18. Developer reserves and is hereby granted the right in case of any
violation or breach of any of the restrictions, rights, reservation, limitation, agreements,
covenants and conditions herein contained to enter the property upon or as to which such
violation or breach exists, and to summarily abate and remove, at the expense of the
owner thereof, any erection, thing or condition that may be or exists thereof contrary to
the intent and meaning of the provisions hereof interpreted by Developer, and Developer
shall not, by reason thereof be deemed guilty of any manner of trespass for such entry,
abatement or removal. A failure of Developer to enforce any of the restrictions, rights,
reservations, limitations, agreements, covenants and conditions contained herein shall in
no event be construed, taken or held to be a waiver therefor or acquiescence in or consent
to any continuing further or succeeding breach or violation thereof; and Developer shall
at any and all times have the right to enforce the same.

Section 19. No grantee or successor in title shall subdivide or convey less than
the whole of any lot without first obtaining the written consent of Developer.

Section 20. In all instances where plans and specifications are required to be
submitted to and are approved by Developer, if subsequent thereto there shall be any
variances in the actual construction, location, alteration or addition, fence, wall, hedge or
roadway, any such variance shall be deemed a violation of these restrictions.

Section 21. Developer shall have the exclusive right to determine the location,
color, size, design, lettering and standards and brackets of all mail and paper delivery
boxes (which shall initially be furnished by Developer and paid for out of funds collected
under Article Four, Section 4), and the location, size, type and species of trees and
shrubbery planted between the sidewalk and street curb in order that all such areas of
Eagle Creek be uniform in appearance with respect thereto. The owner of a residential
lot shall maintain the mailbox and/or paper delivery box and all said trees and shrubbery
and replace same when necessary with trees, shrubbery or a mailbox and/or paper
delivery box similar type, look and quality, as the case may be.

Section 22. Within six (6) months after a residence has been completed and
occupied on any lot in Eagle Creek Plat One, the entire yard of said lot shall be sodded or
hydro-seeded.
Section 23. No fence, hedge, wall or enclosure of any kind, for any purpose, shall be erected, placed or suffered to remain upon said lots, nor shall a hedge be erected, placed or suffered to remain upon said lots until the written consent of Developer shall have been first obtained therefor, and same shall be subject to the terms and conditions of said consent as to its type, height, width, color, upkeep and any general conditions pertaining thereto that said consent may name.

Section 24. The areas designated for utility, drainage and open space easements as set forth on the Plat shall be maintained by the lot owners as lawn. All permitted fences, shrubs, trees or other structures, other than utilities, installed in the said easement areas, are installed at the risk of said lot owner. Should the lot owner plant or install on said easement areas, the governmental authority within whose jurisdiction the lot is located or any public or quasi-public utility may remove said obstruction at the lot owner’s expense.

Section 25. The established drainage flow anywhere in Eagle Creek shall not be altered by anyone other than by the maintaining authority.

Section 26. Whenever any of the covenants, reservations, agreements or restrictions herein provide for any approval, designation, determination, modification, consent, enforcement or any other action by Developer, any such approval, designation, determination, modification, consent, enforcement of any other such action may be undertaken by the Developer, its successors or assigns, or by any attorney-in-fact authorized by it pursuant to a recorded Power of Attorney.

ARTICLE TWO

Section 1. Upon the sale of two-thirds (2/3) or more of the lots in the various plats of Eagle Creek, Developer may cause the incorporation of the Eagle Creek Association and upon the formation of such Association, every owner (meaning a full building site) shall become a member therein, and each such owner, including Trustees, its successors and assigns, shall be entitled to one vote on each matter submitted to a vote of members for each lot owned by him or it; provided, however, that where title to a lot is in more than one person, such co-owners, acting jointly, shall be entitled to but one vote.

Section 2. The Eagle Creek Association, by vote of a majority of its members may adopt such reasonable rules, regulations and by-laws as it may deem advisable for the maintenance, conservation and beautification of the lots situated in Eagle Creek and for the health, comfort, safety and general welfare of residents of said lots, and all of such lots shall at all times be maintained subject to such rules and regulations.

Section 3. The Eagle Creek Association, by a vote of majority of its members, may establish and levy on each lot owner in a reasonable and equitable manner, such sums as are determined by the Eagle Creek Association to be reasonably necessary to raise such funds as are required to maintain the Eagle Creek Association, cover the cost
of its operations and maintain and insure any of its property. The Eagle Creek Association shall also establish and levy such sums as are necessary as per the requirements of ARTICLES FOUR and FIVE below. Any such assessments, or portion thereof, which remain unpaid for sixty (60) days after receipt of the notice thereof by the lot owner, shall become a lien on said lot for the benefit of the Eagle Creek Association.

Section 4. Developer may, by an instrument in writing in the nature of an assignment, vest the Eagle Creek Association, when formed, with all or any portion of the rights, privileges and powers granted or reserved to Developer hereunder which said assignments shall be recorded in the office of the Recorder of Deeds, Lucas County, Ohio.

Section 5. After the expiration of twenty (20) years after the recording of these Restrictions, all rights, powers, and privileges of Developer herein not previously assigned by the Developer pursuant to Section 4 above, shall automatically vest in the Eagle Creek Association.

ARTICLE THREE

Section 1. Each Grantee of a lot in Eagle Creek, by the acceptance of a deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, easements, and the jurisdictional rights and powers of the Developer, and the Eagle Creek Association, created or reserved by this Declaration or by Plat or these restrictions and all covenants, rights, benefits and privileges of every character hereby granted, created, reserved or declared, and all improvements and obligations hereby imposed shall run with the land and bind every owner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance. The violation of any restrictions or condition, or the breach of any covenant or provisions herein contained shall give Developer, or the Eagle Creek Association, the right to enter upon the land upon which, or as to which, such violation or breach exists, and to summanily abate and remove, at the expense of the owner of said lot or lots, any structure, thing, or condition that may exist therein contrary to the intent and meaning of the provisions hereof, and Developer, or the Eagle Creek Association shall not thereby be deemed guilty of any manner of trespass. The continuance of any breach may be enjoined, abated, or remedied by appropriate legal proceedings, either by law or in equity, by Developer, or the Eagle Creek Association, or by individual owners.

Section 2. These covenants and restrictions shall run with the land and shall be binding upon Trustees, Developer and all persons claiming under or through Trustees for a period of twenty (20) years from and after the date hereof, at which time the covenants and restrictions shall be automatically extended for successive periods of ten (10) years unless earlier terminated as provided herein. In addition to Developer's unilateral right to amend under Article One, Section 9 hereof, these covenants and restrictions may also be amended within the initial twenty (20) year period with written approval of the then owners of not less than two-thirds (2/3) of the lots in Eagle Creek, which amendments shall become effective from and after the filing of the same with the Recorder of Deeds of Lucas County, Ohio of the instrument setting forth the amendments and signed by all approving lot owners with the formalities required by law. These
ARTICLE FOUR

Section 4. Power of Attorney. Whenever any of the foregoing covenants, reservations, agreements or restrictions provide for any approval, designation, determination, modification, consent or any other action by Developer, any such approval, designation, modification, consent or any other action by the Developer or by an attorney-in-fact authorized pursuant to a recorded power of attorney to sign deeds on behalf of the Developer shall be sufficient.

Section 3. The Eagle Creek Homeowners' Association. Inc. The Association shall have the right to the collection and disposal of funds as herein provided and shall have the right, from and after the assignment by Developer as set forth herein.

Section 2. Lake Restrictions and The Eagle Creek Homeowners' Association. As stated previously, the Developer has or will create the Eagle Creek Association as an association for all lots within the Eagle Creek Development whose members will be all the record owners of all lot owners in the Plat and every plat within the Development. Developer has created or will create the lake(s) across the Lake Lot as set forth in Article One Section 11 hereof. The lake(s) shall be maintained by the Eagle Creek Association since they are an integral part of the drainage plan for the development, but their use and enjoyment shall be limited to the owners of the Lake Lot, as well as certain lots in future plats of Eagle Creek where the rear lot lines will abut those of the Lake Lot. It is hereby stipulated and declared by the Developer that the lakes shall at all times be restricted in their use and enjoyment to open water and recreational purposes for the sole and exclusive benefit of the owners of the Lake Lots. Under no circumstances will any activity other than fishing from the Lake Lots and ice skating be permitted on the lakes. No docks or boats of any kind shall be permitted to be located or used on the lakes, and no structures of any kind shall be permitted to be placed within 50 feet of the lakes' boundaries.
Section 6. Maintenance Charges. Each and every lot in the Plat shall be subject to an annual working capital and maintenance charge in the amount established by the Eagle Creek Association and/or the Developer. It is hereby understood and stipulated that until such time as the Developer assigns its rights to the Association, as hereinafter permitted, the Developer shall have exclusive control of the Association. The initial annual charge for the Eagle Creek Association shall be One Hundred Twenty Dollars ($120.00). Under no circumstances shall the Developer be under any obligation to pay any annual assessment or charges of the Association on lots remaining unsold by it. At the time the Developer conveys any lot in Plat One, the new owner(s) shall be responsible for payment of a pro-rata share of that year’s assessments. The pro-rata amount shall be based upon the remaining calendar months, or any part thereof, left in said calendar year. Future charges shall be levied on the first day of January of every calendar year. The Association shall have a lien perpetually upon lots in the Plat to secure the payment of all annual maintenance charges. In default of the payment of such maintenance charges within sixty (60) days of its due date, a “Notice of Lien” in substantially the following form may be filed and recorded in the lien records at the Office of the Recorder of Lucas County, Ohio:

"NOTICE OF LIEN"

Notice is hereby given that _______________ Homeowners’ Association, Inc. claims lien for unpaid annual assessments for the year(s) _________ in the amount of $______________ against the following described premises:

(Legal Description)

The ______________ Homeowners’ Association, Inc.

By: ____________________________

President

STATE OF OHIO, COUNTY OF LUCAS, ss:

The foregoing instrument was acknowledged before me this _____ day of _________, 20___, by ____________________________

__________________________
Notary Public

In the event any of said annual assessment is not paid when due, the Developer may, when and as often as such delinquencies occur, proceed by law to collect the amount then due by foreclosure of the above described lien, otherwise, and in such event, shall also be entitled to recover and have and enforce against each residential lot a lien for its costs and expenses in that behalf, including attorney fees. No owner may waive or otherwise
escape liability for the annual assessment provided for herein by non-use of the common areas or any facilities located thereon or by abandonment of his residential lot. Sale or transfer of any residential lot shall not affect the assessment lien; provided, however, that the sale or transfer of any residential lot pursuant to foreclosure of a first mortgage shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof. Said charges and assessment shall be levied against all lots in Eagle Creek and shall be applied only toward payment of the costs of collections, improvements, the expenses or maintenance of the Eagle Creek Subdivision as herein enumerated, or the Association, which shall include reasonable management fees, and for any and all other purposes which the Association may determine from time to time to be for the general benefit of the owners of the lots in the Eagle Creek Subdivision.

ARTICLE FIVE

Section 1. Restrictions of Lake Usage. Without limiting the powers of the Eagle Creek Association to adopt rules and regulations pertaining to the use, enjoyment and maintenance of the lakes, the Developer hereby creates, declares and stipulates that the following easements, covenants and restrictions shall hereby also apply to the lakes:

1. Each Lake Lot owner shall have the right to use the lakes for recreational and open space purposes only, consistent with the provisions hereof and any rules and regulations adopted by the Eagle Creek Association; provided, however, that any use of the lakes shall be at the sole risk of said owner. Under no circumstances shall the owner of a Lake Lot have the right to diminish, control or affect the level, volume or amount of water located in the lake(s).

2. No owner of any Lake Lot shall permit any discharge or erosion of soil, dirt, sediment or other materials from such owner's residential lot into the lakes, whether before, during or after the construction of any structure or residence dwelling on such residential lot.

3. No powerboats, motorboats, electric motors, gasoline powered motors or other motors or watercraft of any kind shall be permitted on the lake(s).

4. Under no circumstances will docks, gazebos or any other structures whatsoever be permitted to be built or located on or along the lake(s).

5. Additional rules and regulations governing the use of the lake(s) may be promulgated from time to time by the Developer, its successors and assigns, and/or the Eagle Creek Association, and such rules and regulations shall be strictly observed by all Lake Lot owners.

Section 2. Easement in Favor of All Lot Owners. Developer, in addition to the other easements reserved herein, hereby reserves over, across, under and upon the lake(s) perpetual non-exclusive drainage easements in favor of itself, all lot owners in Eagle Creek, and the Eagle Creek Association, and all of their respective successors, heirs and
assigns for purposes of permitting the flow of storm water drainage from Eagle Creek into the lake(s), and the placement of storm water drainage facilities thereupon (some of these easements are shown on the Plat), and the right to from time to time maintain and repair same; it being expressly understood and agreed that under no circumstances shall anything other than storm water be permitted to be drained into the lake(s) from the Eagle Creek Subdivision pursuant to these easements herein first granted.

Section 4. Midland Agency. It is expressly understood and agreed that Midland Agency of Northwest Ohio, Inc. ("Midland") is executing these Restrictions as Trustee for the sole purpose of causing same to stand as the record titleholder and assumes no liability whatsoever hereunder. Developer hereby indemnifies and holds Midland harmless from any and all expenses or liability arising out of its execution hereof.

IN WITNESS WHEREOF, the undersigned parties have hereunto set their hand to this instrument as of the 6th day of December 2005.
