DECLARATION OF RESTRICTIONS

WHEREAS, Mitchell Development Company, an Ohio corporation, hereinafter called "Developer", is the owner of Lots 253 through 292, inclusive, being all the lots in Farmbrook Estates Plat 5, a subdivision in Sylvania Township, Lucas County, Ohio, designated on a plat of said subdivision recorded in Volume 124, Pages 65 thru 68 of the Lucas County, Ohio Plat Records;

and

WHEREAS, The Trustcorp Bank of Ohio, hereinafter called "Mortgagor", is the holder of a certain mortgage on certain of said lots recorded as Microfiche No. 69-624-B06 in the Lucas County Mortgage Records;

NOW, THEREFORE, in consideration of the premises and in consideration of the enhancement in value thereof and to afford purchaser protection in the use and occupancy thereof for the purpose of which the same are designated and to provide a uniform plan for the improvement, development, use, occupancy and enjoyment of said Farmbrook Estates Subdivision Plat 5 as an architecturally harmonious, artistic and desirable subdivision, the Owner and the Mortgagor, for themselves, their respective successors and assigns, hereby stipulate and declare that each lot and parcel in said Farmbrook Estates Subdivision Plat 5 shall hereafter be conveyed by it and its successors and assigns subject to the restrictions hereinafter set forth:

1. Developer, its successors and assigns, shall act as the Architectural Control Committee to which all plans and specifications for structures and other improvements, including, but not limited to residential dwellings, swimming pools, tennis courts, fences, walls, bridges, dams, driveways, hedges and other enclosures, must be submitted for examination and approval before any erection or improvement shall be made upon any lot and before additions, changes or alterations may be made to any structure or other improvements then situated on a lot. The aforesaid detailed plans and specifications shall show size, location, type, architectural design, quality, cost, use, material construction, color scheme, and grading plan for the lot and the finished grade elevation thereof and must be prepared by
a competent architect or draftsman. Such plans and specifications must be furnished to the Architectural Control Committee in sufficient numbers so that the Architectural Control Committee may retain a true copy thereof for retention with its records. The Developer hereby expressly reserves to itself, and to its successors and assigns, the right and privilege of assigning or relinquishing its said rights and duties as such Architectural Control Committee from time to time and for such limited periods of time and purposes as it may desire. Such assignment or relinquishment will become effective from and after the time a written instrument evidencing the fact of such assignment or relinquishment, signed by the Developer or by its successors and assigns is filed for record with the Lucas County, Ohio Recorder.

2. The lots located within Farmbrook Estates Subdivision Plat 5 shall be used for such purposes as are permitted by present zoning of Sylvania Township. No lot shall be used for any purpose not presently permitted by the zoning of Sylvania Township without approval of the Architectural Control Committee; this provision is intended to, and shall prohibit, a change of presently permitted use by change of zoning without approval of the Architectural Control Committee.

3. The developer hereby expressly reserves to itself, and to its successors and assigns, the right and privilege of changing the street design to accommodate the addition of the adjoining property which would have the same zoning as this plat by providing that a lot or parts of a lot may be used for right-of-way purposes to change the configuration of the plat in order to accommodate the addition of such adjoining property to this plat.

4. All single family dwellings shall have an attached or an integral garage with space for not less than two (2) automobiles.

5. In requiring the submission of detailed plans and specification as herein set forth, the parties hereto have in mind the development of said subdivision as an architecturally harmonious, artistic and desirable residential subdivision, and in approving or withholding its approval of any detailed plans and specifications so submitted, the Architectural Control Committee, or its successors and assigns, may consider
The application of the improvements contemplated with relation to improvements in conformity with the street, street lighting, and architectural features in the vicinity to the lot on which it is proposed to be made, and any other matter may be deemed to be in the interest and benefit of the owner of the lot in said subdivision as a whole and any determination made by the Architectural Control Committee in good faith shall be binding on all parties in interest.

1. No structure or any part thereof, other than a fence, hedge, wall or other enclosure which shall first have been approved as provided in paragraph 1 above, shall be erected, placed or maintained on any lot nearer to the front or affect line of lines than the building setback line or lines shown on the recorded plat. No structure of any sort shall be erected, placed or maintained on any lot nearer to any side lot line or rear lot line than shall be required by the appropriate zoning and building requirements of Sylvania Township. It is expressly understood that no storage sheds or other types of outbuildings will be allowed in the subdivision. All fencing is to be of a rusted type of a split-rail design not to exceed 48" in height. Any swimming pool will be of the inground type an above ground swimming pools are prohibited.

7. No portion of any residential lot or structure thereon shall be used or permitted to be used for any business purpose whatsoever and no noxious, offensive, or unreasonably disturbing activity shall be carried on upon any part or in any part of said subdivision, nor shall anything be done thereon which may or become an annoyance or nuisance in said subdivision.

8. No trailer, basement, tent, shack, garage, barn, house, car or other temporary shelter or housing device shall be maintained or used as a residence, temporarily or permanently, in said subdivision. No dwelling erected in said subdivision shall be used as a residence until the exterior thereof has been completed in accordance with the detailed plans and specifications approved therefor as provided in paragraph 1 above.

9. No clothesline shall be located on any lot except for a removable folding umbrella type.

10. Any truck, motorcycle, boat, bus, tent, house, car, camper, trailer or other similar housing or recreational device, if stored on any said lot, shall be housed within a garage building.
11. Said premises shall not be used for the storage of automobiles, trailers, scrap, scrap iron, water, paper, or glass, or any reclamation products or material except that during the period an improvement is being erected upon any such lot, building materials to be used in the construction of such improvement may be stored thereon; provided, however, any building material not incorporated in said improvement within ninety (90) days after its delivery to such lot shall be removed therefrom. All improvements must be completed by an owner within one (1) year from the date of the beginning of the construction thereof. No sod, dirt or gravel other than incidental to construction of approved improvement, shall be removed from said lots without the written approval of the Architectural Control Committee and its successors and assigns.

12. No portion of any lot nearer to any street than the building setback line or lines shown upon the recorded plat of said subdivision shall be used for any purpose other than that of a lawn; provided, however, this covenant shall not be construed to prevent the use of such portion of said lot for walks, driveways, trees, shrubbery, flowers, flower beds, ornamental plants, statuary, fountains, fence, hedges, wall or other enclosure which shall first have been approved as provided in paragraph 1 above for the purpose of beautifying said lot, but shall be construed to prohibit the planting or maintaining of vegetables and grains thereon.

13. No weeds, underbrush, or other unsightly growths or objects of any kind, shall be placed, be permitted to grow, or suffer to remain on any part of said premises. No trash burner, outdoor fireplace, or other device expelling gas or smoke shall be placed within twenty (20) feet of any adjoining lot line.

14. Exterior television antennas shall not be allowed so long as cablevision is available to the subdivision. No towers or satellite dishes will be permitted.

15. Any tanks for the storage of propane gas or fuel oil shall be located and buried beneath the ground level; provided, however, propane tanks for service to the entire subdivision may be located above ground.

16. The Architectural Control Committee shall have the right in the event of any action or condition which the Architectural Control
Committee or their successors and assigns determine to be in violation of these restrictions to enter the property upon which such violation is deemed by it to exist, and to summarily abate and remove at the expense of the owner thereof the structure or condition deemed by it to be in violation hereof, and said Architectural Control Committee or their successors and assigns shall not by reason thereof be guilty in any manner of trespass for such entry, abatement or removal or liable for damages by reason thereof to any person whomsoever. Any failure to enforce these restrictions shall not be deemed a waiver thereof or any acquiescence in or consent to any continuing, further or succeeding violation hereof. If, in the opinion of the Architectural Control Committee by reason of the shape, dimensions or topography of a particular lot in the subdivision, enforcement of these restrictions with respect to size of structure would constitute a hardship, the Architectural Control Committee may permit a variation which will in its judgment be in keeping with the maintenance of this subdivision as a desirable subdivision.

17. The Architectural Control Committee shall have the sole and exclusive right to establish grades and slopes on all lots in said subdivision and to fix the grade at which any residence shall hereafter be erected or placed thereon so that the same may conform to the general plan of development. All such grades and slopes shall be established on the engineering plans submitted to and approved by the Architectural Control Committee.

18. All rubbish and debris, combustible and non-combustible, and all garbage shall be stored in underground containers, or stored and maintained in containers entirely within the garage or basement. However, rubbish, debris, combustible and non-combustible, and garbage may be stored in outside containers if approved by the Architectural Control Committee. Additional regulations for the storage, maintenance, and disposal of rubbish, debris, leaves and garbage may from time to time be established by the Architectural Control Committee or their successors and assigns.

19. No well for the production of gas, water, oil or otherwise, whether intended for temporary or permanent purposes, shall be drilled or
maintained on any lot, nor shall such premises be otherwise used in any way which may endanger the health or unreasonably disturb the peaceable use of adjoining premises.

20. Any violation or attempt to violate any of the covenants or restrictions herein while the same are in force shall be unlawful. Any other person or persons owning any lot in said subdivision may prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenants or restrictions to prevent him or them from so doing to cause the removal of any violation and to recover damages or other dues for such violation or attempted violation.

21. All transfers and conveyances of each and every lot of said subdivision shall be made subject to these covenants and restrictions.

22. These covenants and restrictions shall be taken to be real covenants running with the land and shall be binding upon all parties, persons and corporations owning or acquiring land in said subdivision, and their heirs, executors, administrators, successors and assigns until December 31, 1999, and these restrictions shall be automatically extended in their entirety for successive periods of ten (10) years unless by appropriate instrument in writing and consented to their termination in whole or in part shall be filed for record, executed and acknowledged by the owners of not less than a majority of the lots.

23. Only the lots contained in said Farmbrook Estates Subdivision Plat 5 shall be subject to and bound by the restrictions, covenants and conditions set out in this instrument, and none of said provisions shall in any manner affect or be operative in respect of any other lands of the Owner or its successors or assigns.

24. Any and all of the rights, powers, duties and obligations which, in this instrument are assumed by, reserved to or given to the Architectural Control Committee, may be assigned or transferred to any one or more corporations or associations which will agree to assume said rights, powers, duties and obligations and carry out and perform the same. Developer shall have the right to join this plat with the first four plats of Farmbrook located adjacent to this plat in forming a Homeowner's Association which in turn can take over the duties of the Architectural
Control Committee. Any such assignment or transfer shall be made by appropriate instrument in writing in which the assignee or transferee shall join for the purpose of evidencing its acceptance of such rights, powers, duties and obligations, which instrument shall be recorded and such assignee or transferee shall thereupon have the same rights and powers and be subject to the same obligations and duties as are herein given to and assumed by said Architectural Control Committee. In the event of such assignment or transfer, the assignor or transferor and its successors and assigns or said Architectural Control Committee, shall thereupon be released from all the rights, powers, duties and obligations in this instrument reserved to or given to and assumed by said Architectural Control Committee. The right of assignment hereby reserved to the Architectural Control Committee is so reserved to the end that the rights, powers, duties and obligations reserved or given to it may be assigned to an association or corporation formed by the owners of lots in said subdivision or in said subdivision together with contiguous subdivisions, for the purpose of accepting said assignment; and such assignment may be made at such time as the architectural control Committee may determine. Whenever in this instrument reference is made to said Architectural Control Committee, such reference shall be deemed to include the successors and assigns of said Committee.

25. It is expressly agreed that if any covenant or condition or restriction hereinabove contained, or any portion thereof, is invalid or void, such invalidity or voidness shall in no way affect any other covenant, condition or restriction.

IN WITNESS WHEREOF, Mitchell Development Company and Trustcorp Bank, Ohio have caused this instrument to be executed by their respective duly authorized representatives on this 25th day of July, 1989.

Signed and delivered in the presence of:
