Except for one “For Sale” or “For Rent” sign not exceeding 4 square feet located on the inside of one window of a dwelling, no signs of any character, shall be erected, placed or posted or otherwise displayed on or about any lot without the written permission of Developer. However, a standard real estate and/or builder’s sign not exceeding 6 square feet in area on a side and advertising the lot or dwelling “For Sale” or “For Rent” shall be permitted in connection with the initial construction and sale of a dwelling or proposed dwelling. The Developer shall have the right and discretion to prohibit, restrict or control the size, construction, materials, location and height of all such signs. The right is reserved by Developer to erect and place signs on any unoccupied lots in the Hidden Village. Political or campaign signs may be displayed only as provided by Township ordinance.

Section 13. The maintenance or harboring of any animals, other than dogs, cats, or birds maintained within the dwelling so as not to unreasonably disturb neighbors, is expressly prohibited in Hidden Village. Under no circumstances will any dog or cat be permitted or allowed to remain outside a dwelling unattended so as to become a nuisance to any lot owner in Hidden Village. In that connection, and as also stated herein, no doghouses or other pet enclosures, dog runs, or the like shall be installed or located on any lot. Furthermore, the Developer or the Hidden Village Association may develop such rules and regulations with respect to the keeping of any domestic dog or cat (such as limits on size and type) so as to ensure that no such domestic pet or animal shall become a nuisance or safety concern for any lot owner.

However, any building materials not incorporated in said dwelling within ninety (90) days after it is delivered to said lot shall be removed therefrom. Structures must be completed within one (1) year of the date of the beginning of construction. A failure of Developer to enforce any of the restrictions, rights, reservations, limitations, agreements, covenants and conditions contained herein shall in no event be construed, taken or held to be a waiver therefor or acquiescence in or consent to any continuing further or succeeding breach or violation thereof; and Developer shall at any and all times have the right to enforce the same.

Section 19. No grantee or successor in title shall subdivide or convey less than the whole of any lot without first obtaining the written consent of Developer.

Section 20. In all instances where plans and specifications are required to be submitted to and are approved by Developer, if subsequent thereto there shall be any variance in the actual construction, location, alteration or addition, fence, wall, hedge or roadway, any such variance shall be deemed a violation of these restrictions.

Section 21. Developer shall have the exclusive right to determine the location, color, size, design, lettering and standards and Mediterranea of all mail and paper delivery boxes (which shall initially be furnished by Developer and paid for out of funds collected under Article Four, Section 4), and the location, size, type and species of trees and or shrubbery planted between the sidewalk and street curb in order that all such areas of Hidden Village be uniform in appearance with respect thereto. The owner of a residential lot shall maintain the mailbox and/or paper delivery box and all said trees and shrubbery
and replace same when necessary with trees, shrubbery or a mailbox and/or paper
delivery box similar type, look and quality, as the case may be.

Section 22. Within six (6) months after a residence has been completed and
occupied on any lot in Hidden Village Plat One, the entire yard of said lot shall be sodded
or hydro-seeded.

Section 23. No fence, hedge, wall or enclosure of any kind, for any purpose, shall
be erected, placed or suffered to remain upon said lots, nor shall a hedge be erected,

pertaining thereto that said consent may name.

Section 24. The areas designated for utility, drainage and open space easements
as set forth on the Plat shall be maintained by the lot owners as laws. All permitted
fences, shrubs, trees or other structures, other than utilities, installed in the said easement
areas, are installed at the risk of said lot owner. Should the lot owner plan or install on
said easement area, the governmental authority within whose jurisdiction the lot is
located or any public or quasi-public utility may remove said obstruction at the lot
owner’s expense.

Section 25. The established drainage flow anywhere in Hidden Village shall not
be altered by anyone other than by the maintaining authority.

Section 26. Whenever any of the covenants, reservations, agreements or
restrictions herein provide for any approval, designation, determination, modification,

determination, modification, consent, enforcement of any other such action may be
undertaken by the Developer, its successors or assigns, or by any attorney-in-fact

Section 2. These covenants and restrictions shall run with the land and shall be binding upon Trustee, Developer and all persons claiming under or through Trustee for a period of twenty (20) years from and after the date hereof, at which time the covenants and restrictions shall be automatically extended for successive periods of ten (10) years unless terminated as provided for herein. In addition to Developer’s unilateral right to amend under Article One, Section 9 hereof, these covenants and restrictions may also be amended within the initial twenty (20) year period with written approval of the then owners of not less than two-thirds (2/3) of the lots in Hidden Village, which amendments shall become effective from and after the filing of the same with the Recorder of Deeds of Lucas County, Ohio of the instrument setting forth the amendments and signed by all approving lot owners with the formalities required by law.
