(l) To carry out all other purposes for which it was organized; to exercise all rights which it may be granted or reserved under this Declaration; and to perform all duties which it may be assigned under this Declaration.

4.2 Each member of the Association other than the Developer, its successors and assigns, shall be entitled to one vote in the Association for each residential lot which such member shall own. When more than one person holds an ownership interest in any residential lot, all persons holding such ownership interest shall be members of the Association and in such event the vote for such residential lot shall be exercised as the owners among themselves determine, but in no event shall more than one vote be cast with respect to any residential lot. Where a vote is cast by one of two or more owners of any residential lot, the Association shall not be obligated to look to the authority of the member casting the vote. Notwithstanding the above, so long as the Developer shall hold title to any residential lot(s) in the Plat or in any
previous and/or subsequent plat of The Quarry as above described, the Developer shall be entitled to nine (9) votes for each residential lot so owned by it.

ARTICLE V

USE OF QUARRY AND LAKES

5.1 As above indicated, Developer shall create the Lake on a portion of the Adjacent Property. The Lake shall be owned and controlled by a separate non-profit corporation comprised of only those lot owners whose lot touches or borders the Lake. Such association shall be formed by the Developer as "The Homestead Lake Property Owners' Association, Inc.". Except for any costs associated with the use of the Lake as a drainage facility or district, which shall be borne by the Association, all costs of maintaining and insuring the Lake shall be borne by the Lake Association.

5.2 No owner of any residential lot shall permit any discharge or erosion of soil, dirt, sediment or other materials from such owner's residential lot into the Lake, or any other pond, lake or body of water in The Quarry, whether before, during or after the construction of any structure or residence dwelling on such residential lot. Without limiting any of the foregoing, it is expressly understood and agreed that under no circumstances shall any residential lot owner divert any water whatsoever from the Lake for any purpose, including, but not limited to, any use in connection with internal or external sprinkler or other irrigation systems located on any lot.

5.3 No docks, power boats, motor boats, electric motors, gasoline-powered motors or other motors of any kind shall be permitted on the Lake or any other ponds, lakes or bodies of water created in the Subdivision.

5.4 Any necessary maintenance (as determined by the Lucas County Engineer or otherwise) of the Lake and any other ponds, lakes and bodies of water located in the Subdivision (including any portions of same as may be located within the boundaries of any lot bordering same) for purposes of constituting a drainage facility or district shall be the responsibility of the Association.

5.5 Reasonable rules and regulations governing use of the Lake and other ponds, lakes and bodies of water located in the Subdivision by owners of residential lots may be promulgated from time to time by the Developer, its successors and assigns, or the Lake Association, and such rules and regulations shall be strictly observed by all residential lot owners.

ARTICLE VI

DURATION OF RESTRICTIONS, AMENDMENTS

6.1 Terms. These covenants and restrictions shall run with the land and shall be binding upon the Developer, and all persons claiming under or through Developer or the Association until the first day of January, 2020 at which time these covenants and restrictions shall be automatically extended for successive periods of ten (10) years each.
6.3 Amendments. These covenants and restrictions may be amended or revoked by the Developer unilaterally for any purpose it deems advisable or with the approval of the then owners of not less than seventy-five percent (75%) of the residential lots in the Subdivision, which amendment shall become effective from and after the filing with the Recorder of Lucas County, Ohio, of an instrument incorporating the amendment and signed with the formalities required by law.

ARTICLE VII
COMMON AREAS

7.1 Use of Common Areas. Each member of the Association, in common with all other members of the Association as owners of residential lots, shall have the right to use the Common Areas (the Lake is not part of the Common Areas) at the Quarry for all purposes incident to the use and occupancy of such member's residential lot as a place of residence and other incidental uses including the non-exclusive easement together with other residential lot owners to the use and enjoyment of the Common Areas and for other incidental uses including but not limited to those uses set forth in this Article VII; provided, however, that such right and non-exclusive easement to use the Common Areas shall not extend to those portions of the Common Areas where the Developer has approved extensions from adjacent residential dwellings of patios, open porches, decks, walkways, driveways, decorative walls, privacy screens, shrubbery and other similar items. All members shall use the Common Areas in such manner as will not restrict, interfere or impede with the use thereof by other members of the Association, except to the extent that the Developer has approved the extension into the Common Area immediately adjacent to residential dwellings erected on a residential lot of patios, open porches, decks, walkways, driveways, decorative walls, privacy screens, shrubbery and other similar items.

7.2 The boulevard island at the South Quarry Boulevard entrance to Plat One of the Subdivision, although located within the public right-of-way, is intended to be treated as if such boulevard island is part of the Common Areas. Said boulevard island or islands shall contain landscaping, the Quarry identification signs and such other structures and for amenities as the Developer deem advisable. The landscaping, the Homestead at The Quarry identification sign and such amenities shall be maintained, repaired and replaced, from time to time, by the Association.

7.3 The Developer, its successors and assigns, hereby reserves the right, at any time and from time to time, to convey fee simple title to all or any portion of the Common Areas in the Plat, or any Common Areas created by the Developer in any subsequent plats of the Adjacent Property to the Association, and in such instance, the Association shall be required to accept delivery of a quit-claim deed for such purpose; provided, however, that the Association shall not be required to accept title to any Common Areas in the Quarry until such time as fifty percent (50%) of the platted residential lots in the Quarry are owned of record by persons or entities other than the Developer.
7.4 Notwithstanding the provisions of Section 4.1 and any designation of Common Areas on the Plat or any previous or subsequent plat(s) of the Adjacent Property, neither the Association nor any owner of any residential lot shall have any ownership interest in or any right to control the use or development of any such Common Areas unless and until the Developer shall convey such Common Areas to or for the benefit of the Association. Thereafter, the owners of the residential lots shall have only those rights with respect to the Common Areas as are granted them hereunder and under the Articles and Code of Regulations, if any, of the Association.

ARTICLE VIII

ENFORCEMENT OF RESTRICTIONS, OTHER GENERAL MATTERS

8.1 Violations Unlawful. Any violation attempt to violate any of the covenants or restrictions herein shall be unlawful. Developer, the Association, or any person or persons owning any residential lot may prosecute any proceedings at law, or in equity, against the person or persons violating or attempting to violate any such restrictions to prevent him or them from so doing to cause the removal of any violation, and/or to recover damages for such violation or attempted violation.

8.2 Saving Clause. The validity of any restriction hereby imposed, or any other provision hereof, or any part of any restrictions or provision shall not repair or effect in any manner the validity, enforceability or effect of the rest of such restrictions and provisions. Developer shall indemnify its partners, employees and agents to the fullest extent permitted by law for their good faith actions taken on behalf of and at the direction of the Developer in the enforcement of these provisions and restrictions including defense of their validity.

8.3 Transfers and Leases Subject to Restrictions. All transfers and conveyances of each and every residential lot in The Quarry shall be made subject to these restrictions. All leases of any residence within the Subdivision shall be subject to these Restrictions and all By Laws, rules and regulations adopted by the Association. No lease of any residence shall be less than six (6) months in duration.

8.4 Notices. Any notice required to be sent to any owner of a residential lot or any part thereof or to Developer or to the Association shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the person who appears as such owner or to the Developer or to the Association as such address appears on the applicable public record.

8.5 No Waiver of Violations. No restrictions imposed hereby shall be abrogated or waived by any failure to enforce the provisions hereof, no matter how many violations or breaches may occur.

8.6 Waiver of Restrictions by Developer. Each residential lot owner, by acceptance of a deed or other instrument of conveyance to a residential lot, hereby agrees and consents and shall be deemed to agree and consent for himself and for his heirs, personal representative, successors and assigns, that if, in the opinion of the Developer, the shape,
dimensions, number of structures, location of natural features such as trees, or topography of the residential lot upon which a structure or improvement is proposed to be made, is such that a strict construction or enforcement of the requirements of the Plat or of any provision of these restrictions would work a hardship, the Developer may, in writing, grant waivers from these restrictions as to such residential lot so as to permit the erection of such structure or the making of the proposed improvements.

6.7 **Paragraph Headings:** The paragraph headings contained in this Declaration of Restrictions have been inserted for convenience of reference only and are not to be used in the construction and/or interpretation of these restrictions.

6.8 **Warranties:** Each residential lot owner, by acceptance of a deed to a residential lot in The Quarry, acknowledges and agrees and shall be deemed to acknowledge and agree that there are no representations or warranties, express or implied, by the Developer or the Association with respect to (a) the merchantability, fitness or suitability of the residential lots for the construction of residences, (b) the merchantability, fitness or suitability of any improvements within or comprising a part of the Common Areas of The Quarry, or (c) the Quarry generally, other than as expressly stated in writing, (i) by the Developer to the residential lot owner, (ii) in this Declaration, or (iii) in the Articles of Incorporation and Code of Regulations, if any, of the Association.

IN WITNESS WHEREOF, the undersigned parties have hereunto set their hands to this instrument as of the day and year first written above.
