11. No portion of any lot nearer to any street than the building setback line or lines shown upon the recorded Plat of Lexington Glen shall be used for any purpose other than that of a lawn, provided, however, this covenant shall not be construed to prevent the use of such portion of any lot for walks, drives, trees, shrubbery, flowers, flower beds, ornamental plants, hedges or walls which shall first have been approved as provided under Article III hereof for the purpose of beautifying said lot, but same shall be construed to prohibit the planting or maintaining of vegetables and grains thereon. The location and/or placement of said mailbox structures shall be subject to the approval of the Architectural Control Committee, in the event Developer has assigned its rights to it.

17. No clothesline shall be allowed on any lot.

ARTICLE III

ARCHITECTURAL CONTROL

1. Developer, and his successors and assigns, shall act as the Architectural Control Committee to which all items described below shall be submitted for examination and approval prior to commencement of the construction of improvements on any lot in Lexington Glen. The Developer hereby expressly reserves to himself, and to his successors and assigns, the right and privilege of assigning or relinquishing his said right and duties as such Architectural Control Committee from time to time and for such limited periods of time and purposes as he may desire. Such assignment or relinquishment will become effective from and after the time a written instrument evidencing the fact of such assignment or relinquishment, signed by the Developer or by his successors and assigns, is filed for record with Lucas County, Ohio Recorder.

In the event the Developer should assign his right and privilege to act as such Architectural Control Committee, the Architectural Control Committee shall consist of three (3) individuals, who shall serve until their resignation or death. Upon the death or resignation of a member of
said Architectural Control Committee, his successor shall be appointed by the remaining members of the Committee within six (6) months of the death or resignation of a member. Should the remaining members fail to make such appointment within six (6) months after they are authorized to make such appointment, such appointment shall be made by a majority vote of the owners of lots in Lexington Glen.

2. No structure or other improvement including, but not limited to, homes, garages, basements, swimming pools, tennis courts, fences, walls, bridges, dams, driveways, hedges or other enclosures shall be erected, improved, changed or altered on any lot or area in the subdivision until detailed plans and specifications therefore have been approved in writing by the Architectural Control Committee. Any change or deviation from the original exterior painting, or design plan as submitted for approval pursuant to Article III hereof shall require the prior written approval of the Architectural Control Committee.

3. Such detailed plans and specifications shall show the size, location, type, architectural design, quality, cost, use, material construction, color scheme and grading plan for the lot or area and the finished grade elevation thereof and must be prepared by a competent architect or draftsman.

4. Such plans and specifications shall be furnished to the Committee in sufficient numbers so that the Committee can retain a true copy thereof for its records.

5. The purpose of requiring detailed plans and specifications as herein set forth is to develop Lexington Glen as an architecturally harmonious artistic and desirable residential subdivision.

6. In approving or withholding approval of any detailed plans and specifications submitted to it, the Architectural Control Committee may consider the appropriateness of the
improvement contemplated with relation to the improvements on a contiguous of adjacent lots, its adaptability to the lot on which it is proposed to be constructed and such other matters as may be deemed to be in the interest and benefit of the owners of lots in the subdivision as a whole. Any determination made by the Architectural Control Committee in good faith shall be binding on all parties in interest.

7. In all instances where plans and specifications are required to be submitted to and approved by the Architectural Control Committee, if subsequent to receiving such approval, there shall be any variance from the approved plans and specifications in the actual construction or location of the improved improvement without the written consent of the Architectural Control Committee, such variance shall be deemed a violation of these restrictions.

8. No structures or any part thereof shall be erected or maintained over any part of the areas designated as easement, utility easement, drainage easement or words of similar import on the recorded plat of the subdivision. The term structures for this purpose shall include houses, garages, other buildings, swimming pools and similar structures, but shall not include driveways, walkways, fences or similar improvements. All fences shall be "split rail" in nature with 1" x 2" wire mesh, if wire mesh is used, and shall not exceed four feet (4) in height. Basketball backboards are permissible, but they must be "free-standing" and may not face the street at the front of the residence. No vegetable gardens are permitted.

9. The maximum height of all new residential dwellings erected within the subdivision shall be two and one-half (2 1/2) stories or thirty-five (35) feet. The front of each residence shall be constructed of natural materials.

10. The developer, acting as the Architectural Control Committee, reserves the sole and exclusive right to establish grades and slopes of lots and to fix the grade at which any building or
structure shall hereafter be erected or placed hereon, so that the same may conform to a general plan for the development and use of Lexington Glen.

11. The locations of any and all driveways shall be approved by Developer, in writing at the time of the approval of the plans and specifications for the dwelling. No driveway shall be located, relocated or suffered to remain upon said premises except as determined in writing by Developer, or the Architectural Control Committee at any time the Developer has assigned his rights and duties to it. Driveways must be constructed of concrete or asphalt; however, all approaches between the sidewalk and the curb, if any, must be constructed of concrete.

12. No above ground swimming pools shall be constructed, reconstructed, altered or suffered to remain upon the premises unless said above ground swimming pools have a total water surface of less than seventy-five (75) square feet and a depth of less than twenty-four (24) inches. All inground pools must be approved by the Architectural Control Committee. No radio receiving equipment shall be installed or maintained and no antenna or satellite dishes are permitted, except a television satellite dish less than eighteen inches (18") in diameter.

13. It shall be a requirement that sidewalks, as approved by Monclova Township, be installed and constructed as a part of each lot. Each lot owner shall be required to install such sidewalk within one (1) year from the date of purchase and closing of the lot or at the time of construction of the residence dwelling whichever time or event first occurs. If any violation of this section shall occur, then Developer shall have the right, without notice to the lot owner, to cause the sidewalk to be constructed at the sole cost and expense of the lot owner and the expense shall include construction cost plus fifteen (15) percent of the cost for contracting, supervision and other related costs of Developer.
14. It shall be a requirement that two (2) trees, as approved by Developer, be installed and planted on each lot. Each lot owner shall be required to plant such trees within one (1) year from the date of purchase and closing of the lot or at the time of construction of the residence dwelling whichever time or event first occurs. If any violation of this section shall occur, then Developer shall have the right without notice to the lot owner, to cause said trees to be planted at the sole cost and expense of the lot owner and the expense shall include construction cost plus fifteen (15) percent of the costs for contracting, supervision and other related costs of Developer. The trunks of these trees will have a diameter of at least one and one-half (1 1/2") inches, with the measurement taken at twelve (12") inches up from base of the tree, and the roots will be bailed and burlapped. The trees shall be located between the sidewalk and street, subject to Developer's approval, but in any event, the tree plan attached hereto as Exhibit B shall be followed.

15. Developer, and its successor and assigns, reserves and hereby grants the right in case of any violation or breach of any of the restrictions, rights, reservations, limitations, agreements, covenants and conditions herein contained, to enter the property, upon or as to which such violation or breach exists, and to summarily abate and remove, at the expense of the owner thereof, any erection, thing or condition that may be or exists thereon contrary to the intent and meaning of the provisions hereof as interpreted by Developer and Developer shall not, by reason thereof, be deemed guilty of any manner of trespass for such entry, abatement or removal. A failure of Developer to enforce any of the restrictions, rights, reservations, limitations, agreements, covenants and conditions contained herein shall in no event be construed, taken or held to be a waiver therefore or acquiescence in or consent to any continuing, further or
succeeding breach or violation thereof, and Developer shall at any time and all times have the right to enforce the same.

ARTICLE IV
PROPERTY OWNER’S ASSOCIATION

1. At any time after the sale of one hundred percent (100%) of the lots in Lexington Glen, the majority of the owners of the lots in Lexington Glen shall cause to be incorporated a non-profit corporation under the laws of the State of Ohio, to be called the “Lexington Glen Property Owner’s Association” or a name similar thereto, and upon the formation of such association, every Owner (meaning a full building site) shall become a member therein and each such Owner shall be entitled to one vote per lot owned on each matter submitted to a vote of members; provided however, that where title to a lot is in more than one person, such co-owners, acting jointly, shall be entitled to but one vote. In the event that the majority of lot owners in Lexington Glen fail to incorporate the Association set forth above, Developer may do so at the expense of the Association.

2. The Lexington Glen Property Owner’s Association (the “Association”), by vote in person or by written proxy of two-thirds (2/3) of its members, may adopt such reasonable rules and regulations as it may deem advisable for the maintenance, conservation, and beautification of the property, including without limitation Lot A, and for the health, comfort, safety and general welfare of residents on said property and all parts of said property shall at all times be maintained subject to such rules and regulations.

3. Each Owner in common with the other Owners shall have the right to use Lot A for all purposes incident to the use and occupancy of his residential lot.
4. At such time as the above described Owner's Association is formed, Developer shall convey Lot A to the Association.

ARTICLE V

For the calendar year 2000 and thereafter each residential lot in the subdivision and the owners thereof shall be subject to an annual assessment for each calendar year in amounts as determined by the Developer, or if formed, the Association for the maintenance of lawns, shrubs, and signs in the common areas within Lexington Glen and any and all landscape easements within Lexington Glen. For the year 2000 and thereafter until revised, the amount assessed shall be $150.00 for each residential lot. The annual assessment shall not apply to lots owned by the Developer.

2. Such annual assessment shall be payable yearly on or before the first day of April during the calendar year for which the assessment is levied. The annual assessment shall cover the period from January 1st through December 31st of each year and shall be prorated for any residential lot purchased on a calendar year basis.

3. Each annual assessment shall become a lien against each residential lot on the first day of the calendar year in which it becomes due and payable.

4. A Notice of Lien may be recorded in the Lien Records of the Recorder of Lucas County, Ohio if any installment of an annual assessment is in arrears for more than sixty (60) days from the date it is due and payable.

5. Such Notice of Lien shall identify the residential lot, the year and amount of the annual assessment, and be executed by the Developer or the president of the Association with the
formalities then required to record a lien against real estate in Lucas County, Ohio.

6. The Association's Lien shall be subordinate to the lien of any real estate mortgage on any residential lot recorded prior to recording of the aforesaid Notice of Lien.

7. The sale or transfer of any residential lot pursuant to judicial foreclosure proceedings on a mortgage thereon shall extinguish such lien with respect to payments which became due and payable prior thereto but shall not relieve such lot from liability for assessments thereafter becoming due or payable, or from the lien thereof.

ARTICLE VI
DURATION OF RESTRICTIONS, AMENDMENTS

1. These covenants and restrictions shall run with the land and shall be binding upon the Developer and all persons claiming under or through the Developer until the first day of January, 2020, at which time these covenants and restrictions shall be automatically extended for successive periods of ten (10) years.

2. These covenants and restrictions may be amended prior to January 1, 2020, with the written approval of the Developer and, upon the sale of fifty percent (50%) of the lots in Lexington Glen, of the then owners of not less than two-thirds (2/3) of the lots sold, which amendment shall become effective from and after the filing with the Recorder of Lucas County, Ohio of an instrument stating the amendment and signed by the Developer and, if required, all approving lot owners with the formalities required by law. These covenants and restrictions may be terminated as of January 1, 2020 or may be amended or terminated thereafter with the written approval of the owners of not less than two-thirds (2/3) of the lots in Lexington Glen upon the filing of an instrument as aforesaid with the Recorder of Lucas County, Ohio.
ARTICLE VII

1. Any violation or attempt to violate any of the covenants or restrictions herein while the same are in force shall be unlawful. The Developer, the Architectural Control Committee or any person or persons owning any lot in Lexington Glen may prosecute any proceedings at law, or in equity, against the person or persons violating or attempting to violate any such covenant or restriction to prevent him or them from so doing, to cause the removal of any violation and/or to recover damages for such violation or attempted violation.

2. Invalidation of any of the restrictions and covenants herein contained by judgment or court order or amendment hereof by act of the owners of lots in Lexington Glen shall not affect any of the other provisions contained in this Declaration of Restrictions, which shall remain in full force and effect.

3. All transfers and conveyances of each and every lot in Lexington Glen shall be made subject to these covenants and restrictions.

4. Any notice required to be sent to any owner of a lot in Lexington Glen or to the Developer or to the Architectural Control Committee shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the person who appears as such owner or to the Developer or to any member of the Architectural Control Committee as such address appears on the applicable public records or on the records of the Architectural Control Committee.

5. The rights, privileges and powers granted by this Declaration of Restrictions to and/or reserved by, the Developer shall be assignable and shall inure to the benefit of the successors and assigns of the Developer.
