interest in any lot or any part of a lot in said tract and shall continue

The committee shall have the right to refuse to approve any plans or specifications or grading plans, which are not desirable or suitable, in its sole and exclusive opinion, for aesthetic or other reasons; and in so passing upon such plans, specifications and grading plans, the committee shall have to take into consideration all of the restrictions contained herein and shall further have the right to consider whether or not the external design, grading, and the location of the buildings, fences, hedges, walls, walks or other structures, gradings or plantings conform and are harmonious with the existing buildings in said Plat and surrounding territory. In the event such committee shall fail to approve or disapprove such plans, specifications and grading plans within 60 days after the same have been submitted to it, then such approval will not be required, provided, however, the design of the structure, size, construction and its location on the building site conforms to and is in harmony with existing buildings in Lincoln Woods Plat Three and the restrictions contained herein. The said
Acorn Designing Co., its successors or assigns designated in writing, shall have the right in such spaces therein designated for utility installation to enter upon the same for utility installation, removal, repair and maintenance without notice to any owner.

11. If any lot owner or tenant thereof, or any other occupant of any lot in said subdivision shall violate or threaten to violate or attempt to violate any restriction herein contained, it shall be lawful for any other person or persons owning any real property in said subdivision to prosecute any proceeding at law or in equity in any proper court or tribunal against the person or persons so violating, threatening or attempting to violate, to prevent him or them from so doing, or to correct any such violation, or to recover damages or other dues for such violation.

12. When all lots have been sold by the present owner, the Committee may appoint successors consisting of the then lot owners and thereafter the Committee shall be elected by majority vote of lot owners.

13. A perpetual easement is reserved in and granted to Acorn Designing Co. over that part of each lot for purposes of utility installations and maintenance, as shown upon said recorded Plat with the full and unrestricted power to grant rights-of-way and/or easements thereon for such purposes to public utility corporations and/or governmental authorities.

14. No permanent or semi-permanent recreation facility (expressly including basketball courts, patios and backboards) addition, outbuilding or fence may be erected, constructed or maintained without express written approval by the committee. Violation of this restriction shall allow the committee to come on the premises and dismantle such structure.

15. The provisions of this declaration shall bind and inure to the benefit of and be enforceable by Acorn Designing Co., its
successors, legal representatives and assigns, and any other lot
owners, their heirs, legal representatives and assigns, having lots on
building sites subject to these restrictions. These restrictions may
