This restriction as to the distances at which said dwelling shall be placed from the front, side and rear lines of said lot, shall apply to and include porches, verandas, porte-cochere, and other similar projections of said dwelling.

ARTICLE II
THE LAKES

Section 2.1. Use of Lakes. The Developer is constructing or has constructed lakes on certain portions of Maple Creek Plat 2 and future plats and the Adjacent Property. As part of the water source for the system of Lakes, the Developer is installing or has installed a deep well on the Adjacent Property and a series of water lines and lake leveling lines on the Adjacent Property and within the Lake and Drainage Easement or easement areas on the adjacent property. As mentioned in the recitals to this Declaration, the Adjacent Property (including the lakes thereon) may in the future be subjected to a subsequent plat or plats as an extension of Maple Creek.

Each Lake is intended for the common use and enjoyment of the owners of adjacent and contiguous residential lots in Maple Creek, subject at all times to the restrictions set forth herein. Each owner of a residential lot adjacent and contiguous to a Lake shall have the right to use and enjoy such Lake for purposes of (a) launching and using canoes, paddle boats, rowboats, wind surfers, sailboats and other non-power boats (collectively, "Boats"), provided that no Boat shall be larger than twelve (12) feet in length and no gasoline, electric battery or other motors or engines of any kind shall be permitted on the Boats, (b) fishing, subject to such rules and regulations as may be adopted by the Developer or the Association.

No Boats shall be moored or stored in the Lake water when not in active use, and all Boats shall be kept and stored completely on shore when not in use on owners property. All docks in the vicinity of the Lakes shall be approved in accordance with Article II hereof and all supports or other parts or components of a deck shall be allowed no closer to the edge of the water than as specified by the Developer in connection with the approved Plans for the deck. No swimming, ice-skating or ice fishing shall be permitted at any time on the Lakes unless approved by the Association. At the request of the Developer, all residents shall install a "Warning: Deep Water" sign on each residential lot near the edge of the water. No lawn fertilizers, weed killers or chemicals shall be applied or used on any residential lot within thirty (30) feet of the edge of the Lakes, and no chemicals, sand, fish, or materials of any sort shall be placed or deposited into or on any of the Lakes or the shores of any of the Lakes. No pumping or removal of any water from the Lakes shall be allowed. No rafts, boats, docks or other similar devices shall be installed in any of the Lakes or attached to the shore of any of the Lakes. Under no circumstances shall the owner of any residential lot have the right to diminish, control or affect the level, volume or amount of water located in the Lakes, in the Lake and Drainage Easement (as hereinafter defined) or in any of the Lake leveling lines. No owner of any residential lot shall permit any discharge or erosion of soil, dirt, sediment, sand or other
materials from such owner's residential lot into the Lakes whether before, during or after the construction of any structure or residence dwelling on such residential lot.

Any and all use of the Lakes by residential lot owners or occupants or their respective family, friends, guests, invitees or visitors (collectively, "Users") shall be at the sole risk of the Users.

Reasonable rules and regulations governing the use of the Lakes may be promulgated from time to time by the Developer, its successors and assigns, and/or the Association, and such rules and regulations shall be strictly observed by all residential lot owners and Users.

Section 2.1 Maintenance of Lakes. The Developer and its successors and assigns shall be responsible for any and all necessary maintenance and upkeep of the Lakes, and the cost of such maintenance and upkeep shall be paid by the Developer or its successors and assigns. To facilitate the exercise of such maintenance responsibilities, the Trustee has created and reserved rights and easements over certain portions of the subject property (the "Lake and Drainage Easement") to allow for cleaning and removal of debris, controlling the growth of weeds, algae and other materials through the use of chemical applications, installation, maintenance, repair and replacement of buoys, and associated electric lines, underground pipes, and other apparatus in the Lakes; application of chemical and other artificial coloring's to the water in the Lakes; repair and maintenance of the slopes and banks along the edge of the Lakes; installation, repair, maintenance and replacement of Lake leveling lines; and taking of all other actions necessary or appropriate to maintain the water level, water quality, shore quality and general aesthetics of the Lakes.

ARTICLE III
LAKE AND DRAINAGE EASEMENT

Section 3. The parcel of land upon which a dwelling is to be constructed and/or maintained together with the land adjacent thereto and used in conjunction therewith may include one lot or part of one, two or more lots, delineated on the recorded plat of "Maple Creek Plat 2", but only with written consent of the Developer.

Section 3.1 Description of Lake and Drainage Easement. Maple Creek includes certain areas designated for the common use and enjoyment of residential lot owners (the "Lake and Drainage Easement"), including the Lakes and the islands of land (if any) located within the Lakes, those other areas designated as Lake and Drainage Easement in Maple Creek Plat 2, and those areas designated as Lake and Drainage Easement on any other recorded plat(s) of Maple Creek.

Section 3.2 Use of Lake and Drainage Easement. Each member of the Association, in common with all other members of the Association as owners of residential lots, shall have the non-exclusive right and easement to use and enjoy the Lake and Drainage Easement at Maple Creek for purposes incident to the use, occupancy and enjoyment of such member's residential lot as a place of residence and other incidental uses. All members shall use the Lake and Drainage Easement in such a manner as will not restrict, interfere or impede with the use thereof by other members of the Association.

Section 3.3 Cul-de-sac Islands. The islands at the end of the cul-de-sacs in Maple Creek, although located within the public right-of-way, are intended to be treated as if such islands are part of the Lake and Drainage Easement. Said islands shall include landscaping and grass. The
landscaping and grass shall be maintained, repaired and replace, from time to time, by the
Developer, its successors and assigns.

Section 3.4 Buffer Lots. Buffer lots, as shown on the plat of Maple Creek, have been
conditionally dedicated to the Lucas County Commissioners for the purpose of prohibiting
access across said Buffer Lot until such time as the abutting right-of-way dedication is extended
or widened beyond said buffer lots.

Section 3.5 Conveyance of Lake and Drainage Easement. The Developer and its
successors and assigns shall have the right, at any time and from time to time, to convey fee
simple title to the Lake and Drainage Easement to the Association (as hereinafter defined), and
in such instance, the Association shall be required to accept delivery of a quit-claim deed for
such purpose. Notwithstanding anything else contained herein, neither the Association nor any
owner of any residential lot shall have any ownership interest in or any right to control the use or
development of any Common Area unless and until the Developer, its successors and assigns,
shall convey such Common Area to or for the benefit of the Association. Thereafter, the owners
of the residential lots at the subject property shall have only those rights with respect to the Lake
and Drainage Easement as are granted them hereunder and under the Articles of Incorporation
and Code of Regulations, if any, of the Association.

The Association shall assume the responsibility for the care, maintenance, upkeep, repair
and replacement of the Lake and Drainage Easement, the payment of taxes and assessments
against the Lake and Drainage Easement, and the securing of insurance with respect to the Lake
and Drainage Easement. The Lake and Drainage Easement and all landscaping, attachments
and facilities located thereon, shall be maintained in its original condition and not removed or
otherwise altered without the prior written consent of the Developer, which consent shall be
required notwithstanding the fact that the Developer may no longer own an interest in a lot in the
subject property or in the Lake and Drainage Easement. The conveyance of the Lake and
Drainage Easement to the Association shall not be construed or interpreted to be an assignment
by the Developer of any other rights hereunder, including without limitation, the Developer’s
right to appoint the member(s) of the Architectural Control Committee (as hereinafter
described).

Section 4. No garage or any addition thereto or alteration thereof shall be erected,
reconstructed, placed or suffered to remain upon any lot except for the exclusive use of the
family occupying said dwelling and the servants thereof, nor unless, in the case of the single
family dwelling such garage be made an integral part of said dwelling, nor unless nor until the
size, location, type, style or architecture, use, the materials of construction thereof, the color
scheme, therefore, the grade elevation thereof, and the plans, specifications and details of
said garage, including the driveway approach, and garage entrance shall have been first approved
in writing by Developer, and a true copy of said plans, specifications and details of said garage
shall have been lodged permanently with Developer, and no garage except as conforms to said
plans, specifications, and details shall be erected, reconstructed, placed or suffered to remain
upon any lot. Such garage, in the case of a single family dwelling, being an integral part of said
dwelling, shall be subject to all of the covenants, rights, terms, reservations, limitations,
agreements and restrictions at any point herein made applicable to said dwelling.

Section 5. No above ground swimming pool shall be installed on any lot nor shall any
other swimming pool be installed in “Maple Creek Plat 2”, until the plans, specifications and a
plot plan showing the location of such addition or swimming pool shall have been approved in
writing by Developer.

Section 6. The location of any and all driveways shall remain as now established upon any
lot or, if not now established, shall be determined by Developer in writing at the time of
approval of the plans and specifications for said dwelling. No driveway shall be located,
relocated or suffered to remain upon any lot in "Maple Creek Plat 2", except as now located or
determined in writing by the Developer. Complete specifications for construction of any
driveway shall be submitted to Developer and its approval thereof endorsed thereon in writing.

Section 7. No structure or any part thereof shall be erected, placed or maintained on any
lot in "Maple Creek Plat 2", nearer to the front or street line or lines than the building set back
lines as shown on the recorded plat. Said portion of any lot shall not be used for any purpose
other than that of a lawn; nothing herein contained, however, shall be construed as preventing
the use of such portion of any lot for walks (and drive, if otherwise permitted), the planting of
trees or shrubbery, the growing of flowers or ornamental plants, or statues, fountains and
similar ornamentations, for the purpose of beautifying any lot, but no vegetables, so-called, nor
grains of the ordinary garden or field variety shall be grown on such portion thereof; and no
weeds, underbrush, or other unsightly growths, shall be permitted to grow or remain anywhere
upon any lot, and no unsightly objects shall be allowed to be placed or suffered to remain
anywhere thereon.

Section 8. No fence, hedge, wall or enclosure of any kind, for any purpose, shall be
erected, placed or suffered to remain upon any lot, nor shall a hedge be erected, placed or
suffered to remain upon any lot until the written consent of Developer shall have been first
obtained therefor and shall be subject to the terms and conditions of said consent as to its type,
height, width, color, upkeep and any general conditions pertaining thereto that said consent may
name.

Notwithstanding this restriction, the style of "three-rail" fences, but not the location, are
hereby granted prior approval by the Developer, except for corner lots, provided such "three-rail
split-rail" fences are not requested nearer to any street than the rear building line of the
residence, unless approved by the Developer in writing. All lots will require written approval
before installation of said fencing.

Section 9. No basketball backboard shall be erected or attached to any front of any
dwelling or garage. All basketball backboards wherever erected shall be approved by Developer
before installation. The only basketball backboard acceptable must have a clear glass backboard
with a pole and brackets painted the same color as the residence and no pads of bright colors will
be allowed on the pole.

Section 10. In connection with the provisions contained in Section 6 above, it is hereby
provided that if, in the opinion of the Developer, by reason of the shape, dimensions or
topography of any lot herein described, or by reason of the type of dwelling to be erected
thereon, or for any other reason satisfactory to it, the enforcement of the provisions of said
Restrictions would work a hardship, Developer may modify such provisions so as to permit
variations in size, type, location or otherwise that will not, in its judgment, do material
damage to any abutting or adjacent property.

Section 11. Developer reserves the exclusive right to grant consents for the construction,
operation and maintenance of electric light, telephonic and telegraph poles, lines and conduits,
and for water, gas, sewer and pipes and conduits or any other public utility facilities together with the
necessary or proper incidents and appurtenances, in, through, under and/or upon any and all

hereafter front or abut.

Section 12. Developer reserves to itself, its successors and assigns, the exclusive and
perpetual right to grant easements in, through, under, on and/or over those areas designated on
the plat of "Maple Creek Plat 2", as easement, utility easement, drainage easement, sanitary

facilities, together with the necessary or proper incidents and appurtenances; and no building
or other structure, or any part thereof, shall be erected or maintained upon any part of the property
in "Maple Creek Plat 2", over or upon which easements for the installation and maintenance of
such public private utilities will be or have been granted. No owner of any lot in "Maple Creek
Plat 2" shall have the right to reserve or grant any easement or rights of way in, through, under,
on or over any of the lots without the prior written consent of the Developer, its successors and
assigns.

Section 13. No spirituous, vinous or fermented liquors of any kind shall be manufactured
or sold, either at wholesale or retail, upon any lot, no industry, business or trade, occupation or
profession of any kind shall be conducted, maintained or permitted upon any lot. No well for

wells shall be approved by Developer shall at any time, whether intended for temporary or
permanent purpose, be erected, placed or suffered to remain upon any lot, nor shall any lot be
used in any way or for any purpose which may endanger the health or unreasonable disturb the
quiet of the owner or owners of any adjoining lot. No pole, or overhead or exposed wires,
whether for use in connection with radio, telephone, television, electric light or any other
purpose, shall be erected, placed or suffered to remain upon any lot or upon or visible from the
outside of said dwelling without the consent of Developer first having been obtained. No signs
of any character, other than the sales or rental of a dwelling located on said lot on which such
sign is located, shall be erect, placed or posted or otherwise displayed on or about any lot
without the written permission of Developer. The Developer shall have the right and discretion
to prohibit, restrict or control the size, construction, materials, location and height of all such
signs. The right is reserved by Developer to erect and place signs on any unsold lots in "Maple
Creek Plat 2".

the dwelling so as to not unreasonably disturb neighbors, the maintenance or harboring of any
other animals is expressly prohibited in "Maple Creek Plat 2".

Section 15. No clothes, sheets, blankets or other articles shall be hung out or exposed on

A failure of Developer to enforce any of the restrictions, rights, reservations, limitations, agreements, covenants and conditions contained herein shall in no event be construed, taken or held to be a waiver therefor or acquiescence in or consent to any continuing further or succeeding breach or violation thereof, and Developer shall at any and all times have the right to enforce the same.

action by any attorney-in-fact authorized to sign deeds on behalf of Developer shall be sufficient pursuant to a recorded power of attorney.

Upon the sale of two-thirds (2/3) or more of the lots in the various plats of "Maple Creek", Developer may cause to be incorporated a non-profit corporation under the laws of the State of Ohio to be called "Maple Creek Property Owners' Association", and upon the formation of such Association, every owner (meaning a full building site) shall become a member therein, and each such owner, including Developer, shall be entitled to one vote on each matter submitted to a vote of members for each lot owned by him or it, provided, however, that where title to a lot is in more than one person, such co-owners, acting jointly, shall be entitled to but one vote.

Section 2. The Association, by vote of two-thirds (2/3) of its members may adopt such reasonable rules, regulations and by-laws as it may deem advisable for the maintenance, conservation and beautification of the property, and for the health, comfort, safety and general
welfare of residents on said property, and all parts of said property shall at all times be
maintained subject to such rules and regulations.

vest the Association, and when formed, with rights, privileges and powers herein retained
by the Developer, which said assignment shall be recorded in the office of the Recorder of
Deeds, Lucas County, Ohio.

Section 3.1. The rights granted to the Developer in this Article Two, Section 3.1, shall
remain exclusively vested in the Developer for a period of twenty (20) years from and after
the date hereof, notwithstanding any assignment by the Developer to the association of the
Developer's rights, privileges and powers as provided in Article Two, Section 3 hereof. Upon
the expiration of such twenty (20) year period, or at such earlier time as the Developer may
designate, the rights granted to the Developer in this Article Two, Section 3.1, shall terminate.

ARTICLE V

Section 1. Each Grantee of Developer, by the acceptance of a deed of conveyance,
accepts the same subject to all restrictions, conditions, covenants, reservations, easements, and
the jurisdictional rights and powers of Developer and the Association, created or reserved by
this Declaration or by plat or deed restrictions heretofore recorded, and all easements, rights,
benefits and privileges of every character hereby granted, created, reserved or declared, and all
impositions and obligations hereby imposed shall run with the land and bind every owner as
though the provisions of the Declaration were recited and stipulated at length in each and every
deed of conveyance. The violation of any restriction or condition, or the breach of any
covenant or provision herein contained shall give Developer, its successors or assigns, or the
Association, the right (a) to enter upon the land upon which, or as to which, such violation or
breach exists, and to summanly abate and remove, at the expense of the owner of said lot or
lots, any structure, thing or condition that may exist thereon contrary to the intent and meaning
of the provisions hereof, and Developer or the Association not thereby be deemed guilty of any
manner of trespass; or (b) the continuance of any breach may be enjoined, abated, or remedied
by appropriate legal proceedings, either at law or in equity, by Developer, its successors or
assigns, or by the Association.

In the event that Developer or its successors and assigns, or the Association or its
successors and assigns, shall exercise any enforcement rights or remedies under this Article
Three, Section 1, each Grantee of Developer shall be liable for the costs and expenses of said
enforcement activities and/or actions, including but not limited to attorney fees and costs; and
expenses immediately upon demand therefor by Developer or the Association or their
respective successors and assigns.

Section 2. These covenants and restrictions shall run with the land and shall be binding
upon the Developer and all persons claiming under or through the Developer until the 1st day
of January, 2011, at which time these covenants and restrictions shall be automatically
extended for successive periods of ten (10) years. These covenants and restrictions may be
amended prior to January 1, 2011 with written approval of the then owners of not less than
two-thirds (2/3) of the lots and the developer in "Maple Creek", which amendment shall
become effective from and after the filing with the Recorder of Lucas County, Ohio, of an
instrument stating the amendment and signed by all approving lot owners with the formalities

required by law. These covenants and restrictions may be terminated as of January 1, 2011, and may be amended or terminated thereafter with the written approval of the owners of not less than two-thirds (2/3) of the lots in "Maple Creek", upon the filing of an instrument as aforesaid with the Recorder of Lucas County, Ohio.

Section 2. No restrictions or covenants hereby imposed shall be abrogated or waived by any failure to enforce the provisions hereof, no matter how many breaches may occur.

Section 3. The invalidity of any restrictions hereby imposed or of any provision shall not impair or affect in any manner, the validity, enforceability or effect of the rest of this Declaration.

Section 4. Violation of any of the rules and regulations adopted by the association acquiring the rights and benefits of Developer shall be deemed a violation of this Declaration and may be enjoined as herein provided. The rights, privileges and powers heretofore retained by Developer shall be assignable to and shall inure to the benefit of its successors and assigns.

Section 5. No owner of any residential lot shall have the right to reserve or grant any easements or rights of way upon or over any of the residential lots without the prior written consent of the developer, its successors or assigns. Notwithstanding any other provisions of this Declaration, the rights reserved to the developer shall survive any conveyance or transfer of the developer's rights to the Association or to any other transferee or assignee.

Section 7. "Any dispute arising out of the enforcement or the interpretation of this covenant or any dispute in any way relating to this covenant shall be submitted to binding arbitration at Toledo, Ohio, in accordance with the Rules and Regulations promulgated by the American Arbitration Association or in accordance with the Rules and Regulations promulgated by the Toledo Bar Association's Arbitration and Mediation Service.
